Graduate Catalogue

This publication is intended as a description of the academic programs and activities of Union University. While it is not an offer to make a contract, it is offered as a comprehensive description that can serve as a guide for students contemplating study or already enrolled at Union University.

The administration and faculty believe that the educational and other programs of the University described in this catalogue are effective and valuable. The ultimate results of programs offered in terms of achievement, employment, professional licensing, or other measures, are dependent on factors outside the programs, such as the personality and energy of the student, governmental or institutional regulations, and market conditions. Therefore, except as specifically stated herein, the University makes no representation or contract that following a particular course or curriculum will result in specific achievement, employment or qualification for employment, admission to degree programs, or licensing for particular professions or occupations.

In compliance with all applicable state and federal law, including provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973, Union University does not illegally discriminate on the basis of race, sex, color, national origin, age, disability, or military service in admissions; in the administration of its education policies, programs, or activities; or in employment. Under federal law, the University may discriminate on the basis of religion in order to fulfill its purposes. Persons who believe their rights under this policy have been violated should contact the Office of the President.

In compliance with its duties under state and federal law, Union University makes annual reports of campus crime statistics, campus security policies, graduation rates, and completion rates for the Teacher Education Program. These reports are available on the Parents Page of our web site, www.uu.edu, and also by request in the Office of Enrollment Services and the Office of Safety and Security.

AN OVERVIEW OF THE UNIVERSITY

Our Identity

Union University is an academic community, affiliated with the Tennessee Baptist Convention, equipping persons to think Christianly and serve faithfully in ways consistent with its core values of being excellence-driven, Christ-centered, people-focused, and future-directed. These values shape its identity as an institution which prioritizes liberal arts based undergraduate education enhanced by professional and graduate programs. The academic community is composed of quality faculty, staff, and students working together in a caring, grace-filled environment conducive to the development of character, servant leadership, and cultural engagement.

Our Core Values

• **Excellence-Driven:** We believe that excellence, not mere compliance, is the goal of our teaching, our research, and our service. We are not motivated to excellence out of pride but out of a desire to do all things for God's glory because He cares about our work and wants to be involved in everything we do. We will not be satisfied with mediocrity, but will pursue excellence in all things. This means our truth claims carry with them the challenge of living out that truth in the minutes and hours of our daily life. Thus we will pursue excellence, without arrogance.

• **Christ-Centered:** A cohering core value of our guiding vision is a call to faith, a call to be Christ centered in all that we are and in all that we do. We will seek to build a Christian liberal arts based community where men and women can be introduced to an understanding and appreciation of God, His creation and grace, and to humanity’s place of privilege and responsibility in this world. We will seek to establish all aspects of life and learning on the Word of God, leading to a firm commitment to Christ and His Kingdom. To be a Christ-centered institution calls for us to establish the priority of worship and service in the Christian life while seeking to develop a generation of students who can be agents of reconciliation to a factious church in a hurting and broken world. This commitment calls for all faculty and staff to integrate Christian faith in all learning and doing, based on the supposition that all truth is God’s truth and that there is no contradiction between God’s truth made known to us in Holy Scripture and that which is revealed to us through creation and natural revelation.

• **People-Focused:** A third pillar on which we will build our common commitments is the core value of being people focused. At the heart of our commitment to being people focused is the visible demonstration of valuing one another. We will give honor to one another through our words and actions, and by committing to each person’s success. We therefore jointly commit ourselves to the success of Union University.

• **Future-Directed:** We will seek to maximize the windows of opportunity the Lord has presented to us to the greatest degree that resources allow. All of our resources and efforts must, by God’s grace, be maximized to fulfill our common mission. A commitment to being future directed means we want to have a short-term focus and a long term view. We want to involve ourselves in efforts that prepare us effectively to impact the world of the 21st Century.

Our Mission

Union University provides Christ-centered education that promotes excellence and character development in service to Church and society.

Our History

Union University is an heir of three antebellum Tennessee schools—West Tennessee College and its predecessor, Jackson Male Academy, both located at Jackson, and of Union University, located at Murfreesboro—and it is the inheritor of another college in 1927, Hall-Moody Junior College of Martin, Tennessee.

Jackson Male Academy, founded in 1823 shortly after the opening of West Tennessee for settlement, was chartered by the legislature in 1825, making it the oldest school currently affiliated with Southern Baptist life.

West Tennessee College originated in the mid-1840s when supporters of the Academy secured a charter for a college and received an endowment from the state to come from the sale of public lands. Under its charter, the property rights and governance of the Jackson Male Academy were vested in the trustees of the College. The College offered three degrees—bachelor of arts, bachelor of philosophy, and master of arts—and had four departments: Moral Philosophy, Languages, Mathematics, and Natural Philosophy and Chemistry. West Tennessee College continued until 1874, when at a time of depressed economic conditions, the trustees offered the College’s buildings, grounds, and endowment to Tennessee Baptists in the hopes of attracting a southwestern regional university planned by the state’s Baptist leaders.

Meanwhile, after years of discussion and the raising of an endowment, the Baptists of Middle Tennessee (there were three separate conventions in Tennessee at that time) in 1848 established Union University at Murfreesboro, near the geographical center of the state. Union University came upon hard times when in 1859 its highly respected president, Dr. Eaton, died and when during the
Civil War its campus was badly damaged. It reopened in 1868 only to close again in 1873, largely because of its financial condition and an epidemic of cholera.

Southwestern Baptist University, the immediate predecessor of the present Union University, originated because of a desire by Tennessee Baptists, who still had a separate convention for each of the state's three Grand Divisions, for greater unification. Education became the core issue around which such unification was promoted. Committees of the three conventions met jointly in Humboldt in 1873 and issued a resolution supporting the establishment of a first-class regional university. An Educational Convention met in Murfreesboro in 1874, and following that a committee was appointed to select a location for the proposed university. The committee recommended the acceptance of the offer made by the citizens of Jackson to assume ownership of West Tennessee College.

In September 1874, the new institution opened at Jackson as an academy, and in 1875 it was chartered as Southwestern Baptist University. In 1907, Dr. T. T. Eaton, a trustee at Southwestern from its beginning, bequeathed his 6,000 volume library to the college. He was a former professor at Union University at Murfreesboro, where his father, Dr. Joseph H. Eaton, had been president. Shortly thereafter the name of Southwestern Baptist University was changed to Union University to honor the Eatons and others from Union at Murfreesboro who had made a major impact on Southwestern as faculty, administrators, trustees, and contributors. In a further move to unify its educational efforts, the Tennessee Baptist Convention in 1925 secured a new charter which vested all rights, authority, and property of Union University in the Convention, including the election of the University's trustees. Two years later, the Convention was able to consolidate Hall-Moody Junior College at Martin (1900-1927) with Union University. During the 1920s, Union discontinued its graduate program, its Law Department, and its high school and added a bachelor of music degree program.

After a major fire in 1912, several new buildings were constructed, including the centerpiece of the campus for the next 60 years, Barton Hall. In 1948, during the administration of President Warren F. Jones (1945-62), the Southern Association of Colleges and Schools granted Union University its original accreditation. In 1962, at the request of local physicians, Union developed a nursing program with the assistance of Jackson-Madison County General Hospital.

Because of an aging and landlocked campus, Union, in 1975, moved from near downtown to a new campus located along Highway 45-Bypass in north Jackson. During the administrations of President Robert Craig (1967-85) and President Hyran Barefoot (1987-1996), enrollment increased from less than 1,000 students to over 2,000; the multi-purpose Penick Academic Complex was enlarged several times; many additional housing units were erected; and the Blasingame Academic Complex (1986) and the Hyran E. Barefoot Student Union Building (1994) were constructed. From the early 1950's to the early 1970's, Union operated an Extension Center in the Memphis area. From 1987-95, Union offered the degree completion program leading to the Bachelor of Science in Nursing (RN to BSN track) in Memphis. There were over 300 graduates of this program.

When David S. Dockery was elected as the fifteenth president of Union University in December 1995, he brought with him a compelling vision to build on a great tradition while taking Union to the next level of regional and national prominence in Christian higher education. The progress that has been made during this time has been remarkable: annual non-duplicating headcount increased from 2200 (in 1996) to more than 5190 (in 2011); significantly increased giving to Union, including seventeen of the largest commitments in Union history; instituted four five-year strategic plans; completed construction of nineteen residence halls, the Miller Tower, Jennings Hall, Hammons Hall, the Fesmire athletic facilities, White Hall, the Carl Grant Events Center, new residence life facilities, the Bowld Student Commons, and Providence Hall; launched the $110 million comprehensive “Building a Future” campaign; renewed commitment to scholarship and research among Union faculty as a part of the establishment of the Center for Faculty Development; added new undergraduate majors in political science, physics, theology, digital media studies, church history, ethics, sports management, sports medicine, engineering; and graduate programs in education (M.Ed., M.U.Ed., Ed.S., and Ed.D.), nursing (MSN with tracks in education, administration, nurse practitioner, and nurse anesthesia), intercultural studies (MAIS), Social Work (MSW), and Pharmacy (Pharm.D.); SACS Level VI accreditation was achieved; programs were added in undergraduate research; began LIFE group programs, student retention programs, student mission involvement, giftedness assessment program for freshman students; established extension campuses in Germantown and Hendersonville, TN, which now has almost 850 students; established the Carl F. Henry Center for Christian Leadership; established the Charles Colson Chair for Faith and Culture, Stephen Olford Chair of Expository Preaching, Hammons Chair of Pre-Medical Study, and the Baptist Memorial Health Care Chair of Pharmacy Practice; established highly successful annual Scholarship Banquet; and achieved top tier recognition in U.S. News and World Report and other important listings. For the past three years, Union has been named one of the top 70 “Universities to Watch” in the entire country.

In many respects, Union University is in the strongest position in its history. For example, the University has enjoyed steady enrollment growth for a number of years, as can be seen in the following charts:
Another indicator of the University's health and vitality is the growth in the number of students completing programs at Union. As indicated below, this past year almost 1000 students graduated from Union, a 149% increase over the 96-97 school year:

Key enrollment and financial indicators are monitored by University officials regularly to determine trends and to provide data for critical decision-making and analysis, including:

Our Statement of Faith

1. **The Scriptures.** The Scriptures of the Old and New Testament were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith, and obedience.

2. **God.** There is but one God, the Maker, Preserver and Ruler of all things, having in and of Himself, all perfections, being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience. He exists eternally in three persons: Father, Son, and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being. God ordains or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not to destroy the free will and responsibility of intelligent creatures.

3. **Humankind.** God originally created humankind in His image, and free from sin; but through the temptation of Satan, they transgressed the command of God, and fell from their original righteousness, whereby all humans have inherited a sinful nature that is opposed to God, and are thus under condemnation. As soon as they are capable of moral action, they become actual transgressors.

4. **Jesus Christ.** The second person of the Trinity is the eternal Son of God. In his incarnation Jesus Christ was conceived by the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature, yet without sin. He honored the divine law by His personal obedience, and by His substitutionary death on the cross He made provision for our redemption from sin. He was buried...
and rose again the third day, and ascended to His Father, at whose right hand He lives to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the universe.

5. **Holy Spirit.** The Holy Spirit is the Spirit of God, fully divine, who exhals Jesus Christ. The Spirit convicts men and women of sin, of righteousness, and judgment, enabling them to understand the truth. He calls men and women to the Savior, and brings about regeneration, which is a renewal of heart and nature.

6. **Salvation.** Salvation involves the redemption of the whole person, and is offered freely to all who believe in Jesus Christ as Lord and Savior; accepting and trusting in Him alone for justification and eternal life. Justification is God's gracious declaration of righteousness of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made. Believers are also sanctified by God's Word and Spirit dwelling in them. Sanctification is the process of progressing toward moral and spiritual maturity, enabled by the presence and power of the Holy Spirit. Those who are accepted in Christ and sanctified by the Holy Spirit will never totally nor finally fall away from the state of grace, but shall persevere to the end, and be kept by the power of God through faith unto salvation.

7. **The Church.** The Lord Jesus Christ is the Head of the Church, which is composed of all true followers of Christ, and in Him is invested supremely all power for its government. Christians are to associate themselves with local churches; and to each church is given the authority to administer order, to carry out ministry, to worship, and to practice discipline.

8. **Last Things.** The bodies of humans after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked to be reserved under darkness to the judgment. God in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth. At the last day, the bodies of all the dead, both just and unjust, will be raised. God has appointed a day, when He will judge the world by Jesus Christ, when all people shall receive according to their deeds; the wicked shall go into everlasting punishment; the righteous, into everlasting life.

---

**External Associations**

**Accredited By**

Union University is accredited by the Commission on Colleges of the Southern Association of Colleges and Schools to award associate, baccalaureate, masters, education specialist, and doctoral degrees. Contact the Commission on Colleges at 1866 Southern Lane, Decatur, Georgia, 30033-4097 or call 404-679-4500 for questions about the accreditation of Union University.

Normal inquiries about the institution, such as admission requirements, financial aid, educational programs, etc., should be addressed directly to the institution and not to the Commission's office. The University also has the following discipline-specific accreditation:

- Accreditation Council for Pharmacy Education
- Accrediting Board for Engineering and Technology, Engineering Accreditation Commission
- American Chemical Society
- Commission on Accreditation for Athletic Training Education
- Council on Accreditation of Nurse Anesthesia Educational Programs
- Commission on Collegiate Nursing Education
- Council on Social Work Education
- National Association of Schools of Art and Design
- National Association of Schools of Music
- National Council for Accreditation of Teacher Education
- Teacher Education Program, Tennessee State Department of Education
- Tennessee Health Related Boards

**Candidate for Accreditation By**

Association to Advance Collegiate Schools of Business

- Tennessee Association of Collegiate Registrars and Admission Officers
- Tennessee College Association
- Tennessee Independent College and Universities Association
The Campus
The uniqueness of the Union University campus, located on U.S. Highway 45 By-Pass and Union University Drive in Northwest Jackson, is related to the academic facilities and student housing. Union's campus is designed with the student as its axis. All facilities, programs, and personnel are interrelated in an attempt to meet the needs of students.

In addition to the main campus in Jackson, Union University opened a second campus in the Memphis suburb of Germantown, Tennessee in 1997. Because of the rapid growth of the campus, the faculty and staff offices, classrooms and computer lab facilities moved to a new location in June 2001. Continued demands for growth and expansion of programs warranted a renovation in 2003 to include additional nursing labs, classrooms, conference rooms and offices.

The Stephen Olford Center is an 18-acre facility in southeast Memphis which includes more than 40 hotel-style rooms for conference attendees; dining facilities; a patio and swimming pool; a newly donated library with about 32,000 volumes; classrooms and offices; and a chapel.

Union also has an off-campus site in Hendersonville, Tennessee. The Hendersonville campus is located at the strategic intersection of Indian Lake Blvd. and Maple Drive. The attractive 26,000 sq. ft. multi-purpose facility effectively serves the expanding program offerings in the middle Tennessee area.

An abbreviated description of Jackson campus facilities follows. A more detailed description of each building as well as the services available in each, is presented in the Campus Life Handbook, available at www.uu.edu/studentservices/handbook.

Penick Academic Complex

The Waldrop Administrative Center contains the offices of the Registrar, Business Services, Office of the Provost, Office of the President, and the Institute for International and Intercultural Studies.

The Emma Waters Summar Library has immediate access to a collection of over 150,000 books, 19,000 e-journals, and 40,000 e-books. Through membership in regional and national cooperatives it has access to the collections of over 41,000 libraries worldwide. It also maintains a safe comfortable environment for both individual and group study.

The Johnnie Tribble Shepard Archives and Genealogical Research Center and R. G. Lee Library are located in the library.

Fesmire Fields and Fieldhouse
The Fesmire Fields provide lighted playing fields for varsity baseball and softball. The Fesmire Field House provides indoor practice and dressing rooms for men and women's soccer, softball and baseball as well as athletic training rooms for sports injuries.

Smith Memorial Soccer Complex
The Smith Memorial Soccer Complex provides two competition fields, bleachers to accommodate 1,000 spectators, a press box, concession stand and rest room facilities.

Blasingame Academic Complex
The McAfee School of Business Administration and the College of Education and Human Studies are located in the Blasingame Academic Complex.

Hammons Hall
Hammons Hall contains the Offices of University Relations, Alumni Relations, Church Relations, University Communications, and University Press, as well as the LifeWay Bookstore.

Jennings Hall
Jennings contains the departments of Communication Arts and Music, and the School of Theology and Missions as well as the R. C. Ryan Center for Biblical Studies and Hartley Recital Hall.

White Hall
White Hall houses the departments of Biology and Chemistry as well as the School of Nursing.

The Edward P. Hammons Center for Scientific Studies is located in White Hall.

Providence Hall
Providence Hall houses the administrative and faculty offices and state of the art classrooms for the School of Pharmacy as well as the simulation labs for the School of Nursing and the Center for Excellence in Health Care Practice.

Luther Hall
Luther Hall provides the conference spaces for Church Relations and Seminary Extension, as well as the Community Music Program.

Center for Continuing and Professional Studies
Located at Emporium Drive, the Center contains the Testing Center for the university in addition to the offices and classrooms for Department of Continuing and Professional Studies.

Center for Continuing and Professional Studies
Residence Halls

Single student housing is arranged in two residence complexes. Student apartments include four private bedrooms and a kitchen. The Heritage Residence Complex and the Ayers Quad primarily house new students/freshmen. The McAfee Commons building in the Heritage Complex houses the Residence Director and Assistant Residence Director and provides facilities for lounge areas, laundry and recreation. The Grace, Hope, Hurt and Watters Quads house upperclassmen and a limited number of freshmen. The Bowld Student Commons Building houses male and female residence directors for The Quads. The Commons provides additional lounge, recreation, and classroom space.

Graduate and family housing is located in the Warmath Apartments. The complex consists of 20 two-bedroom apartments.

Hyran E. Barefoot Student Union Building

The Barefoot Student Union Building houses the Student Dining Hall, Executive Dining Room, Lexington Inn, Eldon Byrd Faculty Lounge, Barefoot’s Joe coffeehouse, Harvey Auditorium, University Services and Mail Services, offices for Student Services (Dean of Students, Assistant Dean of Students, Student Government Association, Student Activities Council, Counseling, Student Leadership Development, Residence Life, Health Services, Coordinator of University Activities, and Campus Security), offices of Undergraduate Admissions, Financial Planning, Enrollment Services, Campus Ministries (Missionary-In-Residence), and Prayer Chapel.

Carl Grant Events Center

The Carl Grant Events Center is named in honor of Carl J. Grant to recognize his generosity to and support for Union University. The beautiful state-of-the-art events center was designed to host significant conferences, dinners, banquets, and special events. This magnificent facility also contains the university’s Heritage Center, a splendid pictorial presentation of the university, portraying many of the highlights in the university’s history from 1823-2007.

Graduate Studies

All programs and objectives in Graduate Studies at Union University derive from the statement of Mission of Union University. Accordingly, Graduate Studies seeks to provide students with a quality educational experience in a Christian university environment. Specifically, Union expects graduate students to:

- Demonstrate within their disciplines advanced knowledge and skills.
- Display competency in critical evaluation of issues, trends and methodologies.
- Demonstrate the ability to apply research that extends the body of knowledge in the field.
- Enhance their ethical decision-making ability through an academic environment integrated with a Christian faith.
- Build intellectual and moral knowledge to cope with a pluralistic world and better serve their communities, businesses and schools.

Graduate Studies seeks to reflect the Core Values of Union University in academics, Christian values, development of the whole person and personal attention to student needs. Its goals are to cultivate a Christian academic community which is excellence-driven, Christ-centered, people-focused and future-directed.

Graduate Governance and Admissions

Thirteen graduate programs currently exist at Union University: the M.B.A., administered by the McAfee School of Business Administration; the M.A.Ed., the M.U.Ed., the M.Ed., the Ed.S. and the Ed.D. degrees administered by the College of Education and Human Studies; the M.S.W., administered by the School of Social Work; the M.S.N. and D.N.P., administered by the School of Nursing; the M.A.I.S., administered by the Institute of International and Intercultural Studies; the M.C.S. and D.Min., administered by the School of Theology and Missions; and the Pharm.D. administered by the School of Pharmacy.

The Master of Business Administration degree program is administered by the M.B.A. Director and by the Dean, McAfee School of Business Administration. The Master of Arts in Education, the Master of Urban Education, the Master of Education, the Master of Social Work, the Education Specialist and the Education Doctorate degree programs are administered by Program Directors and the Dean, College of Education and Human Studies. The Master of Science in Nursing is administered by the M.S.N. Chair, Director of Nurse Anesthesia, and the Dean of the School of Nursing. The D.N.P. is administered by the Dean of the School of Nursing. The Master of Arts in Intercultural Studies is administered by the Associate Provost for International and Intercultural Studies in collaboration with the MAIS Advisory Council and the Academic Council comprised of all University deans. The Master of Christian Studies is governed by the M.C.S. Director and the Dean of the School of Theology and Missions. The D.Min. is administered by the Dean of the School of Theology and Missions. The Greater Faculty is responsible for approval of curriculum and graduate program policies. The Faculty considers recommendations from the University Curriculum Committee (UCC), which is responsible for examining graduate programs, course offerings, and policies relative to graduate studies at Union.
Task teams may be created by the Deans of the Schools/Colleges to consider and make recommendations to the UCC. Thus, significant curriculum and policy changes and additions proceed from the Directors (and/or task teams) to the UCC to the Faculty. The graduate governance structure at Union University is completed by the Provost, the President, and the Board of Trustees.

The Program Directors are empowered to make admissions decisions based on the approved and published admission criteria. Admission decisions for the nursing graduate program are made by the Graduate Nursing Admissions Committee. The Graduate Nursing Admissions Committee is comprised of the Dean, School of Nursing, the MSN Director of Nurse Anesthesia Track, Chair of MSN, and three graduate nursing faculty appointed by the Dean on a yearly basis. The Graduate Business Admissions Committee, the Graduate Education Admissions Committee and the Graduate Theology and Missions Admissions Committee, comprised of business, education or Christian Studies, faculty and directors, respectively, receive recommendations from the appropriate Dean regarding candidates for admission who do not meet regular admission requirements. The MAIS Advisory Council, comprised of the director and the faculty across the disciplines, receive recommendations from the MAIS Program Director regarding candidates for admission who do not meet regular admission requirements. The respective Admissions Committees may recommend Conditional Admission for students who do not meet published criteria for admission.

Student Life

Graduate students are welcomed and are encouraged to participate in the many religious, cultural, and educational activities that take place on the University campus. For more information on student life, graduate students may consult the latest edition of The Campus Life Handbook at www.uu.edu/studentservices/handbook.

Student Conduct

It is understood and expected that graduate students will possess a high level of maturity and responsibility. Union University is committed to providing quality education within a Christian environment. All students are expected to recognize this commitment and to conduct themselves in a manner that is consistent with the Christian lifestyle. Furthermore, since positive relationships with faculty and other students contribute to the learning process, students are expected to make every effort to avoid behavior that is known to be offensive to others.

The President, the Dean of Students, and the judicial system of the University are charged with the administration of discipline. They are empowered to rule in any irregularity pertaining to student life.

For more information about University community values or the judicial process at Union University, please refer to the latest version of The Campus Life Handbook at www.uu.edu/studentservices/handbook.

Chapel and Spiritual Life

Chapel is one of the distinctive features of the Christian college and is for the strengthening of faith in God, for instruction, and for the enrichment of the spiritual life of the total university family.

Chapel attendance is not compulsory for graduate students. However, graduate students are invited to attend as well as participate in other spiritual activities including activities sponsored by the Office of Spiritual Life, the Baptist Nursing Fellowship, and the Fellowship of Christian Athletes.

Confidentiality of Student Records

The privacy and confidentiality of all student records shall be preserved in accordance to the Family Educational Rights and Privacy Act (FERPA) of 1974. The objective of the Act is to provide students and parents greater access to and control over information contained in educational records. The law stipulates that each institution is responsible for making students aware of the law and its various ramifications. More information about FERPA can be obtained from the Registrar. Official student academic records, supporting documents, and other student files shall be maintained, only by members of the University staff employed for that purpose, in separate files:

- Academic records, supporting documents and general education records—maintained by the Academic Center, academic departments and advisers
- Records of discipline proceeding—maintained by the Student Services Office
- Financial records—maintained by Business and Financial Services
- Medical records—maintained by the Student Health Services Office (governed also by HIPAA)
- Admissions records—maintained by the Admissions Office
- Financial aid records—maintained by the Student Financial Planning Office
- Directory information (student’s name, address—including email address, telephone number, date and place of birth, photograph, academic major, class schedule, dates of attendance, degrees and awards received, and most recent previous educational institution attended) may be made public by the University unless a student requests to the Academic Center in writing that such information be released only upon his/her consent.

Motor Vehicle Registration and Parking

Every individual who maintains or operates a motor vehicle on Union University campuses must register each vehicle with the Safety & Security Office at the beginning
of the semester or within 24 hours of bringing a vehicle to campus. The registration fee for one permit is included in your total tuition package. There is a $5 charge for each additional permit received within the academic year. The vehicle’s license plate number is required for registration of the vehicle.

Academic Policies

Class Attendance

Regular and successive attendance is expected of all students enrolled in all lecture, laboratory, and seminar classes. Each faculty member will determine how this policy will be administered in his/her classes. However, students must satisfy all testing, reporting, and required functions defined for the course.

Academic Integrity

Union University upholds the highest standards of honesty. Students are to refrain from the use of unauthorized aids during testing (including but not limited to technology devices such as digital cameras, cellphone cameras, pen-based scanners, translation programs, and text-messaging devices), to refuse to give or receive information on examinations, and to turn in only those assignments which are the result of their own efforts and research. Failure to provide correct documentation for material gleaned from any outside source, such as the Internet or any published/unpublished work, constitutes plagiarism, a form of cheating subject to strict disciplinary action. On the other hand, Faculty are responsible for discouraging cheating and will make every effort to provide physical conditions which deter cheating and to be aware at all times of activity in the testing area.

Any student found guilty by the professor of cheating will be subject to disciplinary action by the professor. The professor will file a report of the incident and the intended disciplinary action with the Office of the Dean or the MAIS Program Director. If the student deems this action unfair, he or she may file an appeal with the administrator with whom the report was filed. The administrator will convey the results to the student and to the instructor by email (copied to the Office of the Dean of Students).

If either the student or the professor involved deems the administrator’s action unsatisfactory, within 10 working days of the sent date of the email conveying the results he or she may email the Dean of Instruction to request a hearing before the Graduate Appeals Committee. The committee will convey its decision to the student and to the professor by email. The decision of this committee will be final upon approval by the Executive Vice President for Academic Administration (EVPAA) in consultation with the Executive Vice President and Provost and the President.

Numbering of Courses

Unless otherwise noted in the course description, courses numbered in the 500’s may be taken for graduate credit or by upper level undergraduates for undergraduate credit. Expectations will be greater in these courses for students registered for graduate credit. Courses numbered 600 and above may only be taken for graduate credit.

Courses numbered 595 are workshops. No more than six hours of credit from courses numbered 595 may be used to satisfy the degree requirements. No more than six hours may be taken for pass/fail credit in the M.A.Ed. program.

Grading System

Grades for graduate courses at Union University shall be interpreted as follows:
A Superior academic performance.
B Strong academic performance.
C Below average, but passing academic performance.
P Pass.
F, FF Failure. (P or FF apply to pass-fail courses.)
I Incomplete. An Incomplete must be removed within the first five weeks of the term following issuance of the Incomplete; otherwise, the incomplete becomes an F.
IP In Progress, issued for a course which by design extends into the following term or semester.
PR Progress as related to the doctoral dissertation.
W Withdrawal beyond the period officially allowed. See “Withdrawal from Classes.”
N Audit.

Requirements for Grade Point Average

In order to graduate with a Masters or Ed.S. degree or a post masters certificate, students are required to have a minimum grade point average (GPA) of 3.0 for all courses taken for graduate credit at Union University. To graduate with the Ed.D., a 3.2 minimum graduate GPA is required. To graduate with the Doctor of Pharmacy, a 2.33 minimum graduate GPA is required. Quality points shall be awarded as follows:
A - 4 quality points for each semester hour of credit
B - 3 quality points for each semester hour of credit
C - 2 quality points for each semester hour of credit
P - 0 quality points (course hours are not applied in computation of the grade point average)
F - 0 quality points
FF- 0 quality points (course hours are not applied in computation of the grade point average)
W - 0 quality points
N - 0 quality points

Repetition of Courses

A student may repeat a graduate course one time. Although the credit for the course will be given only once, only the final attempt will be used in the computation of the grade point average unless program policy requires other action.

A 500-level course taken for undergraduate credit may not be repeated for graduate credit.
Credit From the American Council on Education Regarding National Board Certification

Graduate programs in education at Union University award credit as recommended by the American Council on Education (ACE) regarding National Board Certification up to 6 semester hours in a degree program. The Registrar will award transfer graduate credit upon recommendation of Program Directors for Masters, Education Specialist, and Doctor of Education (School Administration) programs. Application for the coursework to the student’s degree program is determined by the Dean or Program Director in the respective program after review of an official copy of the Registry of Credit Recommendations (transcript) from ACE.

Academic Probation and Suspension

After completion of 9 graduate hours at Union University, a graduate student whose cumulative GPA from courses taken at Union University for graduate credit is below 3.0 will be placed on academic probation. A graduate student whose GPA from courses taken at Union is below 2.5 will be suspended from the graduate degree program. While suspended from the degree program, the student may, in an effort to improve the GPA, repeat courses in which a grade of C or F has been received. When the student’s GPA has been raised to 2.5 or higher, the student may apply for readmission to the degree program. See also each program for program specific progression policies. (For pharmacy students, this component is monitored by the Academic and Progression Review Committee of the School of Pharmacy.)

A graduate student suspended from the graduate program is not eligible to file for Veterans Administration Benefits.

Appeal Procedures

A student who wishes to appeal for a variance from graduate policies or procedures should direct a written petition to the academic dean or the Associate Provost for International and Intercultural Studies requesting the variance and carefully outlining the reasons for the request. The request must be received no later than 90 days after the issuance of the grade. After consideration of the petition, the Dean/Associate Provost will determine whether the petition can be granted and will inform the student, in writing, of the decision.

If the student is dissatisfied with the Dean’s/Associate Provost’s response to the petition, the student may then appeal the Dean’s/Associate Provost’s decision to the Graduate Appeals Committee. The Graduate Appeals Committee will review the petition, gather information as it is needed, and render a decision. The Committee will inform the student, in writing, of their decision.

If the student is dissatisfied with the decision of the Graduate Appeals Committee, that decision can be appealed to the EVPAA. The decision of the EVPAA in consultation with the EVP–Provost will be final. Copies of all correspondence related to all formal petitions and appeals will be kept for future reference in the student’s file in the office of the respective Graduate school.

Academic Grievance

Orderly procedures are provided by which a student may be heard concerning a just academic grievance. Procedures are outlined in the Campus Life Handbook for the student who wishes to register dissatisfaction with the quality of instruction or performance of a professor.

Both the Campus Life Handbook and the Faculty Handbook detail the procedure for a formal grade appeal. The student should first ask the instructor how the grade was determined. It is hoped that most problems can be resolved at this level.

Admission Information

General Admission Requirements

1. Completed application for the specific program, including payment of a $25 application fee.
2. Official transcript(s) showing all course work, completion of baccalaureate degree(s), and all graduate credit previously attempted.

Other program specific admission requirements are included in the program sections of this Catalogue.

Additional Admission Requirements for International Students

All international students will meet the same requirements for regular admission to the University and for admission to the specific graduate program intended. International students will be required to complete the International Student Application for Admission as well as the application for admission to the specific graduate program intended and a $50.00 application fee. All documents must be in English, and the official transcripts must be certified English translations. The following additional requirements must be met:

A. A physical examination.
B. Student insurance approved by Union University.
C. A financial affidavit.
D. A TOEFL score of at least 560 (Computer based 220). Specific programs may require a higher score.

From a country where the native language is English, students will be admitted on academic credentials without regard to language requirements. Academic requirements will be the same as for regular admission.

From a country where the native language is not English, students will submit official TOEFL score reports of not less than 560 for admission to Union University.

From another accredited institution of higher learning in the United States, international students will be required to meet the same requirements for admission as all other transfer students as well as meeting the required TOEFL score.
Each international student shall prepay or show responsible evidence (such as a government scholarship) of having an adequate sum of money for one academic year. This money shall be enough to cover tuition and other expenses for the student while enrolled at Union University. Declaration of Finances forms are available in the Admissions Office.

An I-20 form may be issued only after admission requirements and the above monetary requirements have been satisfied.

Special Categories of Admission

Provisional Students

With limited exceptions, provisional students are enrolled in eligible programs for the purpose of obtaining a degree from Union University. These students do not have immediate access to official documents in order to be fully admitted. Any credit taken while in this status will not be transferred as regular matriculated credit until the status has officially been changed. Students will be required to submit all outstanding items to complete the admissions file in order for the provisional status to be changed.

The student will be bound by all general academic requirements imposed upon regular matriculated students so far as prerequisites, amount of work, and quality of work are concerned. All work completed or attempted will be fully documented in the Academic Center.

The student will sign a contract at the time of admission defining the status of a provisional student accepting the limitation of that status. The student must also sign a waiver so that Union University will have the right to request those documents needed to complete the admission file.

A student may remain on provisional status for only one semester and the subsequent short term unless special circumstances exist and permission for an extension is given in writing by the Program Director. A personal conference with the Program Director may be required before the student is accepted for admission on a provisional basis.

Non-Degree Seeking Students

Some students may be admitted in this category if they desire to take courses primarily for special interest or on a “visiting student” basis. Often these special students are enrolled in other institutions and are enrolled for only one or two terms at Union. Students must submit an application to the appropriate graduate school, pay the application fee (nonrefundable), and submit an official transcript as proof of at least the baccalaureate degree. Students must meet all requirements for admission to change from Non-Degree Seeking status to Degree Seeking status. A maximum of 6 hours may be taken as a Non-Degree student.

Registration Information

Registration dates for each term are given in the calendar of this catalogue. In order to accommodate the varied personal schedules of students, early registration is also allowed. The dates and times for early registration will be published for each term. Students can also obtain this information from the appropriate graduate program office.

Late Registration and Class Changes

Late registration and changes of classes are allowed in some courses and in accordance with published deadlines in the Academic Center. A late registration fee or a class change fee will be charged for these changes. Those considering late registration for a cohort program should contact the appropriate graduate program office.

A student making a change in his/her class schedule after completing registration will follow this procedure:

1. Obtain proper forms from the appropriate graduate office,
2. Secure the signature of his/her advisor,
3. Present the forms to the appropriate graduate office for the schedule change.

Withdrawal from Classes

Students will be allowed to withdraw through 11 weeks or its equivalent and will receive the notation on their permanent records “Withdrawn from all Classes” as of the date the withdrawal was processed. Students discontinuing class attendance without permission will receive an “F” in those courses. In exceptional cases, such as extreme illness or other circumstances beyond the student’s control, the Registrar may assign a grade of W for a withdrawal after the allowable period.

A student withdrawing from all classes must complete a withdrawal form and submit it to the appropriate graduate program office.

Readmission

Students who have not been enrolled for at least one semester will be required to readmit by completing a new application to the appropriate graduate program. Official transcripts from other schools attended during the interval will be required. No additional application fee will be required.

Graduation Policies and Requirements

Commencement is held on the Jackson campus following spring semester (May), following fall semester (December), and following summer sessions (Summer) for all programs other than the M.A.I.S. Students should participate in the appropriate ceremony according to the following schedule:

If academic requirements are completed or expected to be completed by:

- After the December ceremony, but prior to the May ceremony, attend Commencement ceremony in May;
- After the May ceremony, but prior to the Summer ceremony, attend Commencement ceremony in August;
- After the Summer ceremony, but prior to the December ceremony, attend Commencement ceremony in December.

An Application for Graduation must be filed in the Graduate office of the appropriate program by the deadlines shown below. Applications for Graduation are available in each Graduate Program office.
Commencement for M.A.I.S. graduates may be held at the off-campus site following program completion. Attendance at the activities related to graduation is expected. Petitions for graduating in absentia should be directed to the Office of the Provost.

Students who successfully complete a graduate degree or post masters certificate program are granted a diploma.

**A candidate for the graduate degree must:**
- Complete required semester hours for the degree as indicated within the appropriate program.
- Earn UU CUM GPA of ≥ 3.0 (minimum) for M.B.A., M.Ed., and M.A.Ed, M.A.I.S., M.S.N., M.S.W.; and ≥ 3.2 (minimum) for Ed.S or Ed.D.
- Successfully complete all degree requirements which are in effect for his/her program.
- File an Application for Graduation with the respective Graduate Program office. Application deadlines are:
  - March 1 for candidates who plan to complete requirements by the May Commencement.
  - May 15 for completion by Summer Commencement.
  - October 1 for completion by December Commencement.
  - Pay in full the student’s account in the Business Office.
  - Discharge all other obligations (fines, credentials, etc.) at the University.

**Financial Information**

**Expenses Due and Payable**

All expenses for the semester, after subtraction of financial aid, are due and payable before the beginning of classes for that semester. A 1.5% service charge will be assessed monthly on all outstanding student account balances.

Failure of a student to keep payments current will make him/her liable for exclusion from class attendance and from the university. All charges must be paid before the student may receive a diploma or academic transcript or enroll for a subsequent term. Students preregistering for a semester must have their current account paid in full; subsequent withdrawal will still incur fees.

Please review the section below entitled “Financial Assistance” for additional information. The University accepts payment via Web Advisor, in person, or by phone or mail. Debit or credit card payments are subject to a convenience fee of 2.5%. We cannot accept VISA due to their policies. Payment plans are available if needed, and may be established through the Office of Business and Financial Services.

**Refunds**

A. Advance Deposits for New Students

A minimum tuition deposit of $200 is required after acceptance for admission to reserve a place in class; see program requirements for those that are program specific. This deposit applies to the tuition for the entering semester. A housing deposit of $100 is charged for room reservation in all resident complexes. All tuition and residence complex deposit will be refunded if the cancellation and request is made by May 1 for Fall semester, November 15 for Winter term, December 1 the Spring semester, and May 1 for Summer. NO REFUND WILL BE GIVEN ON CANCELLATIONS MADE AFTER THESE DATES. If the student is not accepted for admission, all deposits will be refunded. Requests for refund of tuition deposit must be submitted in writing to the Director of Admissions.

B. A student withdrawing from all classes will be refunded tuition charges according to the chart below. Refunds on housing charges will be prorated to the end of the week in which the student withdraws up to day 25. Meal refunds will be calculated at the higher of the amount prorated to the end of the week in which the student withdraws or the number of meals used over the total of meals in the student’s meal plan. Students withdrawing due to disciplinary action will not receive a refund on housing charges.

C. Refund policy for the sixteen week semester is as follows:
1. On or before the fifth day following the official day of registration as indicated on the University calendar (if withdrawing—100% less $40 per course matriculation fee)
2. Days six through ten .................................. 75%
3. Days eleven through fifteen ............................ 50%
4. Days sixteen through twenty-five .................... 25%
5. After the twenty-fifth day, there is no refund.

D. Refund policy for the eight to fifteen week terms is as follows:
1. On or before the fourth day following the official day of registration as indicated on the University calendar (if withdrawing—100% less $40 per course matriculation fee)
2. Days five through ten ................................. 75%
3. Days eleven through fifteen ........................... 50%
4. Days sixteen through eighteen ...................... 25%
5. After the eighteenth day, there is no refund.

E. Refund policy for the four week terms is as follows:
1. On or before the second day following the official day of registration as indicated on the University calendar (if withdrawing—100% less $40 per course matriculation fee)
2. Day three .............................................. 75%
3. Day four .................................................. 50%
4. Days five through six .................................. 25%
5. After day six, there is no refund.

F. Refund policy for the three week semester is as follows:
1. On or before the first day following the official
day of registration as indicated on the University
calendar (if withdrawing—100% less $40 per
course matriculation fee)
2. Day 1 ........................................ 100% less $40/course
3. Day 2 .................................................... 75%
4. Day 3 .................................................... 50%
5. Day 4 .................................................... 25%
6. After the fourth day, there is no refund.
Note: Days noted in C, D, and E excludes Saturdays and
Sundays.
After eight academic days there is no refund
Regulations for refunds for all terms are as follows:
1. Students refusing to conform to the disciplinary
rules of the university forfeit all claims for refunds.
2. All above rules and regulations put the
responsibility on the student. He/she saves money
and avoids misunderstanding by immediately
seeing the Senior Vice President for Business and
Financial Services or the Assistant Vice President
for Business and Financial Services.

Equipment
Any University equipment such as musical instruments,
athletic equipment, laboratory apparatus, etc., that may be
made available for students’ use is the responsibility of the
student. Any damage or breakage, other than by normal
use, will be charged to the student’s account.
No equipment is to leave the campus, unless in care of
the faculty member responsible for it.

Financial Assistance
Financial Aid which is available to graduate students
includes the Federal Stafford Loan, the Federal GradPLUS
Loan, and the Federal TEACH Grant as well as
Alternative Educational Loans. Some restrictions may
apply. Information on how to apply for aid can be found at
www.uu.edu/financialaid/graduate/howtoapply.cfm. Financial
Aid Policies and Practices, Consumer Information,
and other important information can be found at
www.uu.edu/financialaid/.

Veterans
Union University is approved by the state approving
agency for Veterans training. Veterans and/or their
dependents who may be eligible for VA education benefits
should go to www.gibill.va.gov to apply. The Department of
Veterans Affairs (VA) will send a Certificate of Eligibility
to the applicant, after the application is processed. After
being enrolled in courses leading to a degree, students
who qualify should review our Veteran Services page
at www.uu.edu/financialaid/veteranservices.cfm. This site
details what is needed in order to get your enrollment
certified to the VA. The Director of Student Financial
Planning serves as the Veteran Certifying Official for all
Union University students.

Treatment of Financial Assistance
when a Student Withdraws

Federal Aid – Return of Title IV Aid
Regulations
If a student in a semester based program withdraws from
a semester on or before the 60% point in time (calculated
using calendar days) without having completed any course
in the semester for which federal aid has been disbursed
or could have been disbursed (credited to the student’s
account), a percentage of that aid must be returned to
the source. The percentage to be returned is equal to the
percentage of the semester which has passed on the day
student withdraws.
Return of Title IV Aid regulations also apply to a
student in a cohort program who withdraws from a single
course without having completed any previous course
in the enrollment period (semester), unless the student
documents the intention to return to the program during
that same enrollment period. Should the student not
return to the program during that period as intended,
Return of Title IV Aid regulations will then be applied.

Other Financial Assistance
Financial assistance credited to the student’s account
from sources outside the university will remain on the
student’s account unless otherwise indicated by the donor
or source.

Affect on the Student’s Account
If funds which must be returned due to withdrawal have
already been credited to a student’s account, it may result
in the student owing additional funds to Union University.

Employer Tuition Reimbursement
The student is responsible for providing information
to the University regarding their employer’s policies for
reimbursement. If the employer reimburses the student
directly, the student must pay the University in full at
the time of registration. If the employer provides partial
reimbursement directly to the University, the student must
pay their portion of the tuition at the time of registration.
The University will provide any required information to
an employer when requested by the student.
2012–2013 ACADEMIC CALENDAR FOR NON-COHORT PROGRAMS

Fall Semester 2012 (16-week semester, 2012FFA)

August
21, Tuesday .......................................................... Registration—Day Classes and 16-Week Evening Classes Begin
22–29, Wednesday–Wednesday ......................................................... *Late Registration
24, Friday ..................................................................................... Convocation
29, Wednesday ........................................................................... *Last Day to Add a Class

September
3, Monday .................................................................................. Labor Day Holiday
4, Tuesday ..................................................................................... *Deadline to Drop (course does not appear on transcript)

October
8, Monday ..................................................................................... *Academic Progress Reports Due
11–15, Thursday–Monday ................................................................ Fall Holiday
23, Tuesday ..................................................................................... *Deadline to Drop (course appears on transcript with "DR")

November
6, Tuesday ................................................................................... Campus and Community: A Day of Remembrance and Service
8, Thursday ................................................................................... Priority Registration Begins for Winter and Spring 2013
17–25, Saturday–Sunday ................................................................ Thanksgiving Holidays
30, Friday ..................................................................................... *Last Day to Withdraw from All Fall Classes*

December
7, Friday ........................................................................................ Reading/Review Day

### Summer Terms, 2013

**First Term/June (4-week accelerated semester, 20131S)**

**June**
- 3, Monday: Registration—Day and Evening Classes Begin
- 4, Tuesday: Late Registration; Last Day to Add a Class
- 6, Thursday: Deadline to Drop (course does not appear on transcript)
- 11, Tuesday: Deadline to Drop (course appears on transcript with "DR")
- 17, Monday: Class Holiday for June Term & New Student Registration
- 25, Tuesday: Last Day to Withdraw from All Term I Classes
- 28, Friday: Final Examinations

**Second Term/July (4-week accelerated semester, 20132S)**

**July**
- 1, Monday: Registration—Day and Evening Classes Begin
- 2, Tuesday: Late Registration; Last Day to Add a Class
- 5, Friday: Independence Day Holiday
- 15, Monday: Deadline to Drop (course does not appear on transcript)
- 23, Tuesday: Deadline to Drop (course appears on transcript with "DR")
- 26, Friday: Last Day to Withdraw from all Term II Classes
- 27, Saturday: Final Examinations
- 31, Wednesday: Adult Studies and Graduate Studies Summer Graduation

**Third Term/August (3-week accelerated semester, 20133S)**

**July**
- 29, Monday: Registration, Classes Begin and Last Day to Add
- 31, Wednesday: Deadline to Drop (course does not appear on transcript)

**August**
- 9, Thursday: Deadline to Drop (course appears on transcript with "DR")
- 14, Wednesday: Last Day to Withdraw from Term III Classes
- 16, Friday: Final Examinations

**Extended Term/June – July (8-week accelerated semester, 2013XS)**

See 8-week calendars following

* Refers to both evening and day classes which meet the full Fall and Spring Semester.
* Refers to both evening and day classes which meet the full Fall and Spring Semester.
** Residents will not be housed between terms and during holidays without permission of the Director of Resident Life.
% Excludes accelerated and cohort classes already completed.

### Accelerated 8-Week Calendars

Full Semester Courses will follow the same academic calendar as regular day courses shown above.
Graduate and non-traditional faculty, staff, and students may follow program specific calendars.

### Fall Semester 2012 Accelerated Courses

**August 8-Week Accelerated Semester, 2012 (2012AFA)**

**August**
- 20, Monday: Registration Closes for Monday Accelerated/Classes Begin
- 21, Tuesday: Registration Closes for Tuesday Accelerated/Classes Begin
- 23, Thursday: Registration Closes for Thursday Accelerated/Classes Begin
- 24, Friday: Registration Closes for Saturday Accelerated
- 25, Saturday: Saturday Accelerated Classes Begin
- 27, Monday: Deadline to Drop (course does not appear on transcript)
**September**
3, Monday ................................................................. Labor Day Holiday
5, Wednesday ......................................................... Additional Monday Evening August Accelerated
12, Wednesday ....................................................... Additional Class for Thursday Evening August Accelerated
13, Thursday .......................................................... Deadline to Drop (course appears on transcript with "DR")
27, Thursday .......................................................... Last Day to withdraw from an August Accelerated Class

**October**
4–9, Thursday–Tuesday ........................................... Final Exams for August Accelerated Classes

**October 8-Week Accelerated Semester, 2012 (2012OFA)**

**October**
15, Monday .............................................................. Registration Closes for Monday Accelerated/Classes Begin
16, Tuesday .............................................................. Registration Closes for Tuesday Accelerated/Classes Begin
18, Thursday ............................................................ Registration Closes for Thursday Accelerated/Classes Begin

Registration Closes and Special Projects Classes May Begin Between May 20 and July 8 When applicable, Class Tour or Study Abroad occurs as announced July 8 ................................................................. Deadline for Project completion
Available on the Jackson and Germantown Campuses

The MBA Academic Program
The Master of Business Administration (MBA) degree provides advanced study for individuals interested in managing and leading organizations.

Program Emphasis
There are twelve courses in the Union MBA curriculum. These courses are 3 semester hours of graduate credit each. At the Program Director's discretion, one of these courses will be either MBA 615 or MBA 640. Courses are scheduled in a manner that allows the student to continue a career and an already busy schedule. The courses meet from 6 to 10 p.m. one evening a week. Only one course is taken at a time, and each cohort of students progresses through the program together. Courses are 8 weeks in duration. The entire 36-semester hour MBA program is completed in 24 months.

Two options are available for completion of the MBA, a thesis option and a non-thesis option. Students selecting the thesis option are required to apply for acceptance into the thesis program prior to completion of MBA 635. If accepted, the student would take the MBA 690, Thesis, at least 3 times in lieu of either MBA 615, 630 or 640. The specific course substitution is at the discretion of the MBA Director. Students accepted into MBA 690 are required to write a thesis during the Fourth through Sixth Terms of the program. Once accepted into the program, the student must enroll in MBA 690 continuously until the project is successfully completed.

The strength of the Union MBA is the qualified faculty that serve our student body. Union's business faculty combine practical work experience in management, consulting, and the professions with strong academic backgrounds. This dual emphasis on practicum and education provides a rich and relevant classroom experience for our MBA students. Faculty pursue innovative teaching concepts while continuing to conduct and publish business-related research.

Expected Outcomes
The program strives to develop the following knowledge and skills in each student:
1. Advanced knowledge in accounting, economics, finance, management, marketing, and quantitative methods;
2. Application of strategic management concepts within the functions of organizations;
3. Effective leadership and communication skills;
4. The capacity to make decisions leading to achievement of organizational objectives;
5. An understanding of the importance of Christian ethics and its application to organizational decision-making.

Dual-Degree Programs
Dual Degree Programs are offered in conjunction with the School of Nursing and the School of Pharmacy. Interested students enrolled in either the Doctor of Pharmacy or the Doctor of Nursing Practice programs may dually enroll in the MBA Program. Students will follow the curriculum as outlined below under Graduation Requirements to include the 24-hour MBA core. The remaining 12 hours of MBA electives will be from the Pharm.D. or D.N.P. program as approved respectively by the School of Pharmacy or the School of Nursing.

Admission Information

Regular Admission Requirements
1. Official transcript(s) showing all course work, completion of baccalaureate degree(s), and all graduate credit previously attempted.
2. Completed application for the MBA program, including payment of a $25 application fee.
3. Submission of a recent (less than 5 years old) acceptable score on the Graduate Management Admission Test (GMAT). The GMAT may be waived for a student who holds a graduate degree earned from a regionally accredited college or university at the discretion of the MBA Program Director. Additional information may be obtained from the Program Director.
4. The completion of 12 hours of prerequisite coursework is required for regular or conditional admission to the MBA program. These courses are PMBA 500, 501, 502, and 503. The prerequisite courses may be waived with the completion of equivalent undergraduate or graduate course work.
5. Immunization Record

Conditional Admission Requirements
Applicants who do not meet the regular admission requirements to the MBA program may be admitted conditionally at the discretion of the MBA Director and the Graduate Business Admissions Committee. Students seeking conditional admission must apply in writing to the MBA Director for consideration. Students who are conditionally admitted must attain regular admission within 6 hours of graduate study having been completed with a minimum 3.0 grade point average, and the specific cause for conditional admission having been removed.
Transfer of Credit

Graduate credit for courses earned at a regionally accredited college or university or at a recognized foreign college or university may be transferred to Union University if the courses are essentially the same courses as those required in the cohort program. The maximum number of semester hours that may be transferred to Union University and applied to the MBA degree is nine.

No grade less than “B” may be transferred. Courses taken more than five years before beginning the MBA program at Union University will be considered on an individual basis.

Graduation Requirements

1. Completion of thirty-six hours to include the MBA 648, 610, 653, 612, 625, 620, 628, 642 and one of the following tracks:
   A. MBA non-thesis Track—12 hours
      1. MBA 615 or MBA 640
      2. MBA 621
      3. MBA 630
      4. MBA 635
   B. MBA Thesis Track—12 hours
      1. MBA 690 (3 hours) in lieu of either MBA 615, 630, or 640 with Program Director approval
      2. Balance of MBA non-Thesis track
   C. DNP/MBA Dual Track—12 hours
      1. NUR 710
      2. NUR 715
      3. NUR 725
      4. NUR 730
   D. Pharm.D./MBA Dual Track—12 hours
      1. PHRM 700
      2. PHRM 743
      3. PHRM 744
      4. PHRM 765
      5. PHRM 772
      6. PHRM Elective/Public Health

2. A minimum grade point average of 3.0 for the required course of study.
3. PMBA courses do not apply to the MBA.

The Cohort Approach and Calendar

The Union MBA provides a delivery system for graduate education that is unique. Groups of 15 to 30 students pursue each course together, meeting one night a week for eight weeks per course. This model emphasizes teamwork, cooperation, and the collaboration between students. Each cohort group is further subdivided into study groups of 4 to 6 students. Every attempt is made to structure study groups so that students’ past experiences and business strengths are complementary. Lifelong friendships are developed under this format, and the learning that takes place in the classroom is supplemented in team exercises and projects.

Each cohort is presented with its unique calendar for the complete program. Current MBA calendars are available for both campuses at: http://www.uu.edu/academics/graduate/mba/

Financial Information

There are three methods of payment for the program.

1. One-hundred percent of tuition expense for the entire program before the first night of class. Interest will be assessed on the unpaid balance at the rate of 1.5% per month.
2. The payment of tuition as billed monthly as a result of courses registered. Interest will be assessed on the unpaid balance at the rate of 1.5% per month.
3. FACTS payment plan. Please see details at www.uu.edu/financial/info
4. Tuition reimbursement is offered by many employers. The University allows the completion of the current student schedule to meet eligibility requirements for payment. Prompt payment is requested to prevent interruption of registration.

Tuition is $490 per semester credit hour.

The following are non-refundable fees:
Application Fee: ........................................... $25
Graduation Fee: ........................................... $25

Financial Assistance

Students enrolled in the MBA Program may apply for the Federal Stafford Loan. A Graduate Application for Financial Assistance and the Free Application for Federal Student Aid (FAFSA) form must be completed by each applicant. A Master Promissory Note must also be on file in the Student Financial Planning Office.

Union University is approved by the Department for Veterans Affairs to offer educational benefits to veterans, reservists, and dependents of veterans who qualify for Veterans Benefits. Any person who qualifies for VA Benefits should check with the Student Financial Planning Office as soon as possible upon registration.
Course Descriptions: Prerequisites to the Master of Business Administration (PMBA)

500. Foundations of Accounting (3)
A review of basic financial and managerial concepts from a user's perspective including: how financial statements are prepared, the ability to interpret the information provided in financial statements, the ability to conduct a preliminary financial analysis of a firm, and budgeting and cost behavior. Graded Pass/Fail.

501. Foundations of Economics (3)
Survey of theorems, tools, and techniques of basic economic analysis. This course provides an integrated framework of macroeconomics and microeconomics. Graded Pass/Fail.

502. Foundations of Management (3)
An introduction to the management process through the activities of planning, organizing, leading, and controlling. Graded Pass/Fail.

503. Foundations of Business Statistics (3)
A broad coverage of quantitative methods for managerial decision-making. Topics include descriptive and inferential statistics, probability, and statistics with applications in functional areas of business. Graded Pass/Fail.

Course Descriptions: Master in Business Administration (MBA)

610. Managerial Economics (3)
This course will build on a traditional basis of microeconomic theory through the case method and research projects. Case application will bring microeconomic analysis into the realm of managerial decision making.

613. Analytical Managerial Accounting (3)
The use of accounting information by an organization's investors, creditors and managers from a financial and managerial perspective. The course develops financial analysis skills useful in business decision-making, the ability to analyze accounting information useful for monitoring efficiency, quality, and timeliness, determine appropriate prices and costing of products and services, and the development of operation budgets.

615. Organizational Theory (3)
An examination of the impact of external environmental forces on the structure of an organization, the importance of organizational structure to the achievement of strategic and operational plans of management, and the various configurations available.

620. Ethical Management (3)
Ethical Management makes intensive use of the case method to probe ethical issues facing the modern business world. Various ethical decision-making models are discussed including Christian ethics.

621. Business & The Legal Environment (3)
The nature of law and the regulatory and nonregulatory environments in which businesses and managers operate. Consists of lecture and discussion of legal cases involving numerous topics of law, including constitutional, tort, intellectual property, contract, employment, antitrust, and corporate legal issues.

622. Social Issues in Management (3)
An examination of how business impacts societal stakeholders and vice versa. Both the normative (ethical) and strategic implications for business will be explored.

625. Managerial Finance (3)
Analysis of the capital structure, dividend policy, and working capital policy of the firm. Additional topics include: risk measurement, valuation, cost of capital, and analytical tools used for the acquisition and allocation of funds.

628. Strategic Marketing (3)
An analysis of the marketing of goods and services and the role of marketing in the economy. Marketing strategy explored through case studies and recent literature.

630. Management Information Systems (3)
This course is designed to provide an understanding of the field of information systems. Broad-based instruction in distributed databases, network architectures, telecommunications options, and hardware/software platforms. Applied knowledge to ensure that MIS goals and expenditures are consistent with and in support of the mission of the organization. Case studies are used extensively to learn about the current issues facing information management.

635. Business Research Methods (3)
This course will develop business analytical tools using mathematics, statistics and computer technology. These tools will then be applied to a variety of business problems emphasizing planning, collection and interpretation of data, and presentation of results.

640. International Business (3)
Designed to provide the tools necessary to evaluate international business opportunities from cultural, political, legal economic, financial, managerial and marketing perspectives.
642. Strategic Management (3)
Coverage of strategic management concepts and integration of material learned in the functional areas of business; use of case studies and field projects to provide a top management view of the business enterprise.

648. Organizational Behavior (3)
Behavioral sciences applied to interpersonal relationships in organizations; concepts of human aspects of businesses as distinguished from economic and technical aspects. Focus is on the process of managing people.

653. Operations Management (3)
Planning and control of operations in manufacturing and service organizations; examination of decision theory applications; emphasis on developing skills and techniques through case studies.

690. Thesis (1 per enrollment, minimum 3 hours)
Students will complete a research proposal for a significant research problem in business, including a review of literature related to the research problem. Students will gather and analyze research data and complete a written thesis. Students are required to maintain continuous enrollment until the thesis is successfully completed. The Thesis becomes an additional assessment tool for these students. Grading will be Pass/Fail for the first two enrollments. The third and following enrollments will be graded by letter grade.

579. External Domestic Study Programs (1-4) As Needed
All courses and their application must be defined and approved prior to registering.

580. Study Abroad Programs (1-4) As Needed
All courses and their application must be defined prior to travel.

585. Special Studies in Business (1-4)
Group studies which do not appear in the department course offerings. Context will be determined by need.

598. Seminar (1-4)
A non-lecture research and discussion course. Context to be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.
SCHOOL OF EDUCATION
COLLEGE OF EDUCATION AND HUMAN STUDIES

Degrees Offered
Available on the Jackson, Germantown, and Hendersonville Campuses
- Master of Arts in Education
- Master of Education
- Education Specialist
- Doctor of Education

Available at the Germantown Campus/MTR
- Master of Urban Education

School of Education Mission Statement
The mission of the School of Education is to prepare educators of character and competence who reflect Christ as they serve and lead in their school and communities. The graduate programs are guided by the conceptual framework of the Teacher Education Program: A teacher-student dynamic of sensitivity, reflection, and faith.

Graduate Opportunities in Education
The graduate programs in education are designed to provide, within a service-oriented Christian environment, quality graduate study opportunities to meet the educational needs of five distinct groups.
- Persons who are licensed teachers and wish to complete graduate degrees in their professional teaching fields, by completing either the M.A.Ed. or M.Ed.
- Persons with baccalaureate degrees who are not licensed to teach and who do not desire to qualify for a license, but who wish to increase their knowledge of children, young people, and education by completing the M.A.Ed. degree;
- Persons with baccalaureate degrees who are not licensed to teach but who wish to be. (These persons may choose to apply graduate courses taken to meet licensure requirements toward the M.A.Ed. degree);
- Persons with baccalaureate degrees who do not wish to pursue a graduate degree at this time, but who want to take graduate courses for personal or professional growth through M.A.Ed. course offerings. These persons may or may not hold a teaching license.
- Persons with advanced degrees who wish to pursue a degree in Educational Leadership, either at the master's level (M.Ed.), the specialist level (Ed.S.), or at the doctoral level (Ed.D.).
Program Purpose
The purpose of the M.A.Ed. program is to provide relevant continuing programming for educators seeking a diversity of knowledge, skills and values for post-baccalaureate preparation and licensure.

Objectives of the Program
Students in the M.A.Ed. program will:
1. Enhance their knowledge, skills and values relating to the major issues facing today’s practitioners in education.
2. Apply research skills to current education problems.
3. Augment current licensure with new licensure programs.
4. Initially prepare, for some individuals with non-education degrees, to become licensed teachers.
5. Be encouraged in their Christian commitment and service to society.

Assessment of Outcomes
The M.A.Ed. utilizes these means of assessment for the five objectives above. The number of each objective to be assessed is listed in parentheses beside each means of assessment.
• Coursework and teacher-devised assessments. (1,2,3,4,5)
• Course evaluations (1,2,5)
• Alumni questionnaire (1,2,5)
• Thesis (for thesis-track students) (1,2,5)
• Capstone Research Seminar (1,2,5)
• Field experience (1,2,3,4,5)

Admission to Graduate Coursework
All students, whether degree-seeking or non-degree-seeking in the M.A.Ed. program, who desire to take graduate courses in education at Union University must meet prescribed admission criteria. After admission, the student may take courses for personal or professional growth, seek teacher licensure, or pursue the Master of Arts in Education Degree. Some students may choose to seek the M.A.Ed. as they complete their teacher licensure.

Applicants desiring to take graduate courses in education should submit the following to the Office of Graduate Studies in Education:
2. Application processing fee of $25.
3. Official transcript(s) showing all coursework, completion of baccalaureate degree(s), and all graduate credit previously attempted from regionally accredited institutions.

4. Official transcript(s) indicating a minimum grade point average (GPA) of 3.0 on a 4.0 scale of all undergraduate and post-baccalaureate coursework combined.
5. Writing sample scheduled by the Office of Graduate Studies in Education.

For short courses designed primarily for license renewal, only the following admission criteria will be required. Students should submit an Application for Admission to Graduate Studies in Education, a $25 application fee, a copy of their teaching license or an official transcript showing completion of a baccalaureate degree. If the student decides to seek the M.A.Ed. or take coursework other than the short courses, all requirements for full admission to graduate studies must be submitted. Note: A maximum of six semester hours taken in this short-course format may be used to satisfy M.A.Ed. requirements.

Conditional Admission to Graduate Coursework
Applicants who do not meet the minimum GPA requirement of 3.0 will be required to successfully complete a full 500-600 word writing sample, which will be evaluated by faculty in the Department of English. Subsequently, if the writing sample is adequate, the student will be placed on a conditional admission status for the first nine hours of graduate work at Union University. After successfully completing nine graduate hours of at least 3.0 grade average work, the student may be fully admitted to pursue graduate studies in education.

If a student fails to successfully complete the first nine hours with a minimum GPA of 3.0, the student will be suspended from the University for one full semester before re-application can be made to Graduate Studies in Education.

Undergraduate students in their last term of course work who, after registering for all courses required for graduation, need additional hours to be classified as full-time students, may be allowed to register for one graduate course for graduate credit.

Admission to the Master of Arts in Education Degree Program
In addition to the above admission criteria for applicants desiring to take graduate courses, those seeking admission to the M.A.Ed. Degree Program should submit the following to the Office of Graduate Studies in Education:
1. An official report showing an acceptable score on the Miller Analogies Test, National Teacher Exam, Praxis II Specialty Area Test, Graduate Record Exam, or adequate writing sample essay.
2. Two completed Reference Evaluation forms. These references must be from persons who are familiar with the applicant's professional or academic abilities. If the applicant is currently teaching, at least one recommendation should be from an administrator or supervisor who is familiar with the applicant's work as a teacher. Forms are available in the Office of Graduate Studies in Education. If the student is seeking teacher licensure, forms are available in the office of the Assistant Dean for Teacher Education and Accreditation.

3. Any student seeking initial teacher licensure must submit a Praxis II score in their intended endorsement area before beginning coursework. A Praxis Tutorial will be offered to those students who have not already passed the test.

Conditional Admission to the Master of Arts in Education Degree Program

Students who do not meet the minimum GPA requirement or the minimum test score requirement for admission to the Master of Arts in Education Degree program will be required to successfully complete a full 500-600 word writing sample, which will be evaluated by faculty in the Department of English. Subsequently, if the writing sample is adequate, the student will be placed on conditional admission status for the first nine hours of graduate work at Union University. After successfully completing nine graduate hours of at least 3.0 grade average work, the student may be fully admitted to the Master of Arts in Education Degree Program.

Advisement

The Dean of the College of Education and Human Studies will assign the student to an advisor who will, with the student, develop a Program of Study which will be placed in the student's file in the Office of Graduate Studies in Education in the College of Education and Human Studies. The student will consult with the advisor prior to each registration to plan courses.

Requirements for the Master of Arts in Education Degree

Two options are available for completion of the M.A.Ed. Degree, a thesis option requiring a minimum of 33 semester hours of graduate credit and a non-thesis option requiring a minimum of 39 semester hours of graduate credit. Students choosing the thesis option of the program are required to write a thesis or research report while students choosing the non-thesis option of the program are required to successfully complete the Capstone Research Seminar. All degree requirements must be completed within five years of the date of admission to the degree program.

Requirements for the Thesis Option of the M.A.Ed.

A minimum of 33 semester hours of approved graduate work is required for completion of the thesis option of the M.A.Ed. degree. This option consists of four components: a required core, a concentration area, education electives and the thesis.

I. Required Core: 12 hours
   A. EDU 610
   B. EDU 650
   C. EDU 665
   D. EDU 671

II. Select one Concentration
   A. Concentration: Designed Studies (12 core + 15 concentration hours)
      1. Education Electives, advisor-approved, 6-9 hours
      2. Education Electives or other Electives, advisor-approved, 6-9 hours
   B. Concentration: Curriculum and Instruction, Non-Licensure (12 core + 15 concentration hours)
      1. EDU 604, EDU 625, EDU 626
      2. PSY 610 or PSY/EDU 614
      3. Education Electives, advisor-approved, 3 hours
   C. Concentration: Human Growth and Development, Non-Licensure (12 core + 15 concentration hours)
      1. SE 625, PSY 610, EDU/PSY 614, EDU 629
      2. Education Electives, advisor-approved, 3 hours

III. Thesis, EDU 690 and EDU 695: 6 hours

Requirements for the Non-Thesis Option of the M.A.Ed.

A minimum of 39 semester hours of approved graduate work is required for completion of the non-thesis option of the M.A.Ed. degree. This option consists of three components: a required core, education electives and concentration area.

I. Required Core (15 hours)
   A. EDU 610
   B. EDU 650
   C. EDU 665
   D. EDU 671
   E. EDU 675
II. Select one concentration
A. Concentration: Early Childhood Education, Licensure (15 core + 27 concentration hours)
   With appropriate prerequisites, initial licensure and Praxis II Specialty Tests*, this program leads to an additional endorsement in Elementary PreK-4.
   1. Courses with Field Experience component:
      EDU 552, 553, 554, 555
      EDU 510
      EDU 629, EDU 651, EDU 657

B. Concentration: Elementary Education, Licensure (15 core + 24 concentration hours)
   With appropriate prerequisites, initial licensure and Praxis II Specialty Tests*, this program leads to an additional endorsement in Elementary K-8.
   1. Courses with Field Experience component:
      EDU 552, 553, 554, 555
      EDU 510
      EDU 629 and 658

C. Concentration: Library Information Specialist, Licensure (15 core + 41 concentration hours)
   With appropriate prerequisites, initial license, Praxis II Specialty Tests, this program leads to a Library Information Specialist PreK-12.
   1. SE 625 and PSY 610 (or EDU 614)
   2. LSC 610, 621, 631, 640, 651
   3. EDU 510 and EDU 616
   4. EDU 437, Enhanced Student Teaching PreK-12, 14 hours
   For initial licensure, substitute student teaching or Mentoring Seminar I and II for LSC 646 and add EDU 625 and 604.

D. Concentration: Secondary Education, Licensure (15 core + 24 concentration hours)
   With appropriate prerequisites, including those in the teaching content field, this program leads to an initial licensure in a secondary (Grades 7-12) field. Praxis II Tests and student teaching semester, or 2 years of successful teaching experience on an Alternative A license appropriate to the endorsement area, are required for licensure but not for the degree.
   1. EDU 510
   2. EDU 530, 604, 625, 626
   3. PSY 610 and SE 625
   4. Education Electives, advisor-approved, 3 hours

E. Concentration: Reading Specialist PreK-12, Licensure (15 core + 23 concentration hours)
   1. EDU 552, 553, 633
   2. EDU 595: Workshop/Making the Match, Best Practice Reading Comprehension Strategies for All Students
   3. EDU 610, 626; SE 645

F. Concentration: Special Education, Licensure (15 core + 24 concentration hours)
   With appropriate prerequisites, initial licensure and Praxis II Specialty Tests*, this program leads to an additional endorsement in SE-Modified K-12.
   1. SE 605, 610, 631, 632, 641, 645
   2. Education Electives, advisor-approved, 6 hours

G. Concentration: Curriculum and Instruction, Non-Licensure (15 core + 24 concentration hours)
   1. EDU 604, 616, 625, 626
   2. PSY 610 or EDU/PSY 614
   3. Education Electives, advisor-approved, 9 hours

H. Concentration: Human Growth and Development, Non-Licensure (15 core + 24 concentration hours)
   1. SE 625, PSY 610, EDU/PSY 614, EDU 629
   2. EDU 651 or EDU 657
   3. Education Electives, advisor-approved, 8 hours

* Praxis II Specialty Area Tests appropriate to the endorsement are required for licensure but not for the degree.

Admission to Candidacy for the Master of Arts in Education Degree
An important step in the student's progress toward the Master of Arts in Education Degree is admission to Candidacy. Students will be admitted to degree candidacy status only when the following conditions have been met.
1. Interview with the M.A.Ed. Program Director.
2. Development of a program of study.
3. Completion of at least 18 semester hours in the program, including EDU 650, Educational Measurement and Evaluation.
5. A minimum grade point average of 3.0.

Additional Candidacy Requirement for Thesis-Option Students: Students completing the thesis option of the program must have degree candidacy before beginning the master's research. In addition to the candidacy requirements above, thesis option students will be required to submit a research proposal which has been approved by the student's research committee. It is the responsibility of the student to consult with the M.A.Ed. Program Director regarding the formation of the research committee. The approved research proposal must be filed in the Office of the College of Education and Human Studies before candidacy is granted.

The student will receive written notification when degree candidacy status has been achieved.

Full-Time Students
A graduate student enrolled for 9 or more hours during Fall or Spring Semester will be considered full-time. A student enrolled for 6 or more hours during the Summer or 3 or more graduate hours in term less than 15 weeks will be considered full time.

Maximum Load
The maximum load for a graduate student is 15 hours during the Fall or Spring semesters and 6 hours during the Winter term. The maximum load for the 8-week Summer session is 12 hours. No more than 6 hours may be taken during any Summer term. Fall and Spring Semester schedules are designed for teachers. An optimum load for teachers is six hours, one course per term.
Transfer of Credit into the M.A.Ed. Degree Program

Up to nine semester hours of graduate credit from a regionally accredited college or university may be transferred into the degree program at the time the student is admitted to the program, provided the grades received in those courses were B or higher. Work being transferred into the program must have been completed within five years prior to admission to the program.

Transfer of credit after the student has been admitted to the degree program (transient credit) will be acceptable provided (1) the total semester hours of transfer credit does not exceed nine hours, (2) the grade received in the course is B or higher, and (3) written approval of the course being taken has been obtained from the Dean of the College of Education and Human Studies prior to taking the course. A maximum of six hours of workshop/short course/video course credit may be transferred.

Financial Information

The registration of a student signifies an agreement by the student to fulfill the related financial obligations. There are two methods for the payment of expenses.

1. All expenses may be paid in full prior to or on the day of registration.
2. Payment may be made in two equal payments, with one-half due at the time of registration and the balance due halfway through the term. A 1.5% service charge will be added to the unpaid balance following the initial payment.

For students who have a definite commitment of financial aid from the Student Financial Planning Office of the University, the difference between the total cost for the term and the financial aid allocation is the amount payable by the student to the University.

Tuition and Fees

M.A.Ed................................................. $425/semester hour
Non-degree-seeking post-baccalaureate students............ $425/semester hour
Tuition for Student Teaching will be charged at the undergraduate rate.

Other fees when applicable:
Application Fee (non-refundable, one-time only) .... $25
Late Registration Fee .............................................. $25
Audit Fee ................................................. $125 semester hour
Course Drop Fee ................................................... $10
Materials Fee per Course: EDU 510, 552, 553, 554, 555, 651, 657, 658; SE 651, 657.............................................. $15
Lab Materials Fee per Workshop...Varies with workshop
Portfolio Fee (when applicable) .............................. $150
Thesis Binding Fee ................................................. $50
Graduation Fee ....................................................... $50

Courses Taken by Non-Degree Students

A maximum of twelve hours of graduate work taken at Union before a student is admitted to the degree program may be used to satisfy the M.A.Ed. requirements.

Courses taken by non-degree students prior to admission to degree-seeking status may be used to satisfy the Master of Arts in Education Degree requirements provided the student has met all degree-seeking admission criteria at the time the M.A.Ed. Program of Study is filed in the graduate program office. The Program of Study is planned and filed by meeting with the M.A.Ed. program director. Students should make this appointment with the M.A.Ed. director as soon as possible after degree-seeking admission criteria are met.

Financial Assistance

Students enrolled in Graduate Studies in Education for a minimum of six hours per semester, Fall or Spring, may apply for the Federal Stafford Loan. All students applying for this loan must complete an institutional Application for Financial Assistance and file the Free Application for Federal Student Aid (FAFSA). Forms are available in the Student Financial Planning Office. A Master Promissory Note must also be filed in the Student Financial Planning Office.

Some students may qualify for a Tennessee Student Assistance Corporation (TSAC) loan. The Tennessee Teaching Scholars Program provides a forgivable loan for post-baccalaureate students admitted to state-approved teacher education programs at a Tennessee institution of higher education who pledge to teach at the public preschool, elementary, or secondary level in Tennessee one year for each year the award is received. Contact the Student Financial Planning Office for information on requirements for qualifying, how to apply, and the application deadline.

Candidates for the M.A.Ed. Urban Education Track are eligible to compete for a Yarbrough Scholarship which fully funds the course of study, housing, and pays an additional stipend during the first year of enrollment. In return the graduate commits to teach in Memphis City Schools for a period of three years and become part of the corps of teachers who share a calling dedicated to significantly improving the lives of most—at-risk students in their classrooms and schools. Contact the Program Director for additional information.
Calendar for M.A.Ed. 2012-2013

Dates may vary slightly. Separate course schedules for each program are available. Please see also the 2012-2013 Academic Calendar for non-cohort Programs. See http://www.uu.edu/academics/graduate/maed/ for additional information.

Fall Semester 2012
Session I*
August 1 .........................M.A.Ed. Registration Deadline for Fall 2012
August 20 .........................M.A.Ed. Classes Begin
September 10 ...................Deadline for Returning
..................................Applications for Graduation (December)

Session II
October 15 .......................M.A.Ed. Classes Begin
December 3 ...........................
M.A.Ed. Registration Deadline for Winter/Spring 2013
December 15 ......................Fall Commencement

Winter Semester 2013*
January 1 .........................M.A.Ed. Classes Begin

Spring Semester 2013
Session I*
January 29 ........................M.A.Ed. Classes Begin
February 10 ........................Deadline for Returning
..................................Application for May Graduation

Session II
April 1 ...........................M.A.Ed. Classes Begin
May 3 ............................M.A.Ed. Registration Deadline for Summer 2013
May 18 ...........................Spring Commencement

Summer Semester 2013
April 23 ..................Deadline for Returning Application for
........................................Summer Graduation
July 27 ...........................Summer Commencement

*An additional meeting will be scheduled within the session to meet required minimum classes.

Course Descriptions

Art (ART)
533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Art (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

610. Theories and Processes in Drawing and Painting (3)
Exploration of concepts in drawing and painting with consideration of subject matter, media processes and developmental learning activities for art programs.

620. Theories and Processes in Sculpture (3)
Exploration of concepts and techniques in sculpture with consideration to developmental learning activities for art programs.

640. Special Studies in Art (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Art Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Art Education B (3)
A continuation of Research in Art Education A.

Biology (BIO)
533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Biology (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.
598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Biology (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

### Business Administration (BAD)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Business (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

615. Seminar and Workshop in Economic Education (3)
The seminars will focus on basic theories of economics at both the macroeconomic and microeconomic level. The workshops will stress practical applications of economic principles and basic classroom methods for teaching economics.

640. Special Studies in Business Administration (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Business Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Business Education B (3)
A continuation of Research in Business Education A.

### Chemistry (CHE) and Physics (PHY)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Science (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Chemistry & Physics (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Science Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Science Education B (3)
A continuation of Research in Science Education A.
Communication Arts (COM)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Communication (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

Education (EDU)

504. Technology in the Classroom (2)
A study of the most recent technology advancements utilized to enhance student achievement in the elementary, middle, and high school classroom with emphasis on the many facets of the computer as a teaching tool. Prior technology experience needed.

510. Computer Applications in the Classroom (3)
A study of existing computer software for elementary and secondary educational use. Criteria for the evaluation and selection of software are emphasized. Grading and management applications and word processing are included.

517. Instructional Methodology for Secondary School Art (3)
A study of principles, practices, methods, and materials for teaching art in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

518. Instructional Methodology for Secondary School Science (3)
A study of principles, practices, methods, and materials for teaching science in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

519. Instructional Methodology for Secondary Business (3)
A study of principles, practices, methods, and materials for teaching business in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

520. Instructional Methodology for Secondary School English (3)
A study of principles, practices, methods, and materials for teaching English in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

521. Instructional Methodology for Secondary School Physical Education and Health (3)
A study of principles, practices, methods, and materials for teaching physical education and health in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

522. Instructional Methodology for Secondary School Mathematics (3)
A study of principles, practices, methods, and materials for teaching mathematics in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

523. Instructional Methodology for Modern Languages in Secondary School (3)
A study of principles, practices, methods, and materials for teaching modern languages in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

524. Instructional Methodology for Secondary School Music (3)
A study of principles, practices, methods, and materials for teaching music in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

525. Instructional Methodology for Secondary School Social Studies (3)
A study of principles, practices, methods, and materials for teaching social studies in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.
526. Instructional Methodology for Secondary School Speech and Theatre Arts (3)
A study of principles, practices, methods, and materials for teaching speech and theatre arts in the secondary school with emphasis on current research in the field. Available for graduate credit only. Practicum required.

530. Secondary School Methods (3)
A study of the principles, methods, and best practices for teaching at the secondary level with emphasis on current research in the field. Available for graduate credit only. Practicum required.

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

535. Portfolio Submission (0)
Post-baccalaureate teacher candidates seeking initial Tennessee licensure must submit the electronic teacher education portfolio at 3 stages throughout their program as outlined in the Portfolio Handbook. The portfolio's purpose is to verify the candidate has met the performance-based standards set by the TN Department of Education. The video of the portfolio workshop and the USB drive required for the portfolio are available through the School of Education. Graded Pass/Fail.

540. Using Games and Activities in the Elementary Classroom (3)
A study of the principles and practices related to the effective use of games and activities in the elementary classroom.

552. Instructional Design of Language Arts (4)
A practical study of the design and implementation of instruction of language arts and children's literature in the elementary (K-8) classroom with emphasis on current research in the field. Includes field experience.

553. Instructional Design of Reading (4)
A study of the design and implementation of instruction of reading with emphasis on current research and practice, including investigation of common reading problems, assessment methods, and remediation techniques. Field experience included.

554. Instructional Design of Mathematics and Classroom Management (4)
A study of the design and implementation of instruction of mathematics in the elementary (K-8) classroom with emphasis on current research in the field, including examination of effective strategies of comprehensive classroom management.

555. Instructional Design of Science and Social Studies (4)
A study of the design and implementation of instruction of science and social studies in the elementary (K-8) classroom with emphasis on current research in the field.

560. Teaching in Brain Compatible Classrooms (3)
Insight into optimal learning environments, enhancing cognition, and a brain-compatible curriculum in order to engage students in current topics in brain research and its application to the field of education.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Education (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

595. Special Workshops (1-4)
Graduate credit offered in concentrated format for license renewal and elective credit. Maximum of 6 hours can count toward a degree. Selected topics may vary each year.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

604. Teaching in a Pluralistic Society (3)
A study of pluralistic society and the expression of diversity in families and schools with emphasis on current research and best teaching practices.

610. History and Philosophy of Education (3)
History and philosophy of American education with attention to European antecedents, and philosophical movements such as Idealism, Realism, Perennialism, Essentialism, Progressivism, Reconstructionism, and Existentialism.

614. Learning Theories and Styles (3)
See PSY 614 for course description.

615. Seminar and Workshop in Economic Education (3)
Basic theories of economics at both the macroeconomic and microeconomic level. The workshops will stress practical applications of economic principles and basic classroom methods for teaching economics.

616. Children and Literature (3)
A critical analysis of each genre of literature for children as a basis for the appreciation, selection, and use of suitable materials to foster active learning, personal growth, and recreational reading. This course is intended for the student who did not take a course in children's literature as an undergraduate.

618. Cultural Foundations of Education (3)
An introduction to sociological, psychological and historical foundations of schooling with emphasis on the context of multicultural settings and exploration of topics of diversity, equity, social justice, and worldview reflection.
619. Teaching and Worldview Thinking (3)
The teacher's role in the dynamics of curricular planning and the ethical treatment of diverse learners will be examined, through the lens of the Christian worldview of thinking. Worldview thinking is a vital for emphasizing reflection on personal faith, as a foundation for making all decisions and maintaining sensitivity for learners of diverse worldviews.

620. Curriculum Development and Implementation (3)
Investigation of the factors that have influenced and will shape the school curriculum. Organizational patterns, trends, and issues are studied.

622. Mentoring Seminar I (2 + 2)
Teacher candidates in their 1st year of employment on an Alternative Type II license and enrolled in the Alternative Type II licensure program will meet with the university mentor on a regular basis to discuss classroom issues and the relevance of essential competencies to diverse classrooms. The university mentor will observe and evaluate the candidate in his/her classroom on a regular basis.

623. Mentoring Seminar II (2)
As a continuation from Seminar I university mentors meet with transitional licensure teacher candidates on a regular basis. The mentor will observe and evaluate the candidate in his/her classroom on a regular basis.

625. Classroom Management (3)
Comprehensive classroom management strategies which will center on interpersonal relationships, classroom organization and management, instruction, problem solving, behaviorism, and schoolwide discipline.

626. Reading in the Content Area (3)
Content area reading builds on skills to teach strategies related to specific areas of the curriculum and is designed to teach students the specific skills necessary to learn more effectively in science, social studies, literature, math, music, and physical education. Students in this course will create materials related to their specific content area. Field Experience required.

629. Current Research in Early Childhood Education (3)
Study and analysis of current research related to children and educational programs for children, birth through grade three. Field Experience required.

630. The School and Community Relations (3)
A study of designing programs around needs and problems of the school and its special publics, dealing constructively and effectively with these needs, and promoting a positive school environment for the steady improvement of public education.

632. School Law (3)
A study of sources of school law, student rights, and legal issues affecting education.

633. Evaluation of Reading Programs & Instruction (3)
A critical study of research-based design, implementation and evaluation of instruction for students experiencing difficulty in reading. Development, maintenance and evaluation of reading programs using current research and various formal and informal assessment procedures are examined.

634. School Facilities (3)
Consideration of the school plant, grounds, and major equipment in relation to the educational needs of the community; factors in site selection; procedures in planning of school buildings; principles of design and construction; architectural and contractual services; and maintenance.

640. Special Studies in Education (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

650. Educational Measurement and Evaluation (3)
A study of the measurement of learning, attitudes and feelings, products and performances, and social interaction. Difficulty and discrimination of test items as well as validity and reliability of tests are emphasized. Descriptive statistics for sets of data are introduced.

651. Cognitive Development of the Young Child (4)
Prerequisites: EDU 629.
Students examine the theoretical and applied aspects of cognitive development in young children. Language development, quantitative thinking and number concepts, goals and concepts for other curriculum areas, as well as assessment principles and models are explored. Practicum required.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

657. Creative Development of the Young Child (4)
Prerequisites: EDU 629.
Students examine the development of creativity in young children with attention given to the use of the expressive arts for early intervention, meeting curricular objectives in all areas, and programming strategies for young children with special needs. Assessment principle and models are explored. Practicum required.

658. Middle School Design (3)
Design and implementation of instruction in the middle school with attention to the philosophy and structure of the middle school and to issues, problems and practices in building a community of learners and collaboration with colleagues and support personnel based on current research in the field. Includes Field Experience.
660. Issues and Trends in Education (3)
A course designed to research the literature related to recent developments in education, including the aims, philosophies, methods, content, and problems related to the field. Students will identify and develop a synthesis of research related to a potential line of research.

665. Research Design (3)
A study of research designs which control threats to the validity of research conclusions, including statistical treatment of data.

671. Standards, Strategies and Students (3)
Standards-based instruction is a process for planning, delivering, monitoring, and improving academic programs in which clearly defined academic content standards provide the basis for content in instruction and assessment. This course is designed to help teachers optimize students’ learning through using standards as a basis for lesson and assessment design in order to foster maximum student engagement and achievement.

675. Capstone Research Seminar (3)
Prerequisite: Completion of graduate coursework including EDU 665. An extensive review of literature and synthesis of key learning based on the student's concentration area designed to provide a culminating experience of the M.A.Ed., non-thesis option. The final product will be presented to faculty and peers. To be taken the semester before graduation.

676. Capstone Seminar: Curriculum Issues in Urban Settings (2)
Prerequisite: EDU 665. Extensive review of literature and synthesis of key learning from the urban education experience, including issues of power and pedagogy in child and adolescent literacy, the role of anxiety in urban learning, articulation of an instructional stance as teachers, and different approaches to creating and managing an alternative class culture.

660. Issues and Trends in Education (3)
A course designed to research the literature related to recent developments in education, including the aims, philosophies, methods, content, and problems related to the field. Students will identify and develop a synthesis of research related to a potential line of research.

677. Resident Student Teaching in the Elementary School (6)
Fulltime resident student teaching 15 weeks in elementary schools supported by a weekly seminar that addresses common issues across the Partner School sites. Graded Pass/Fail.

678. Resident Student Teaching in the Secondary School (6)
Fulltime resident student teaching 15 weeks in secondary schools supported by a weekly seminar that addresses common issues across the Partner School sites.

680. Research in Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Education B (3)
A continuation of Research in Education A.

690. Thesis A (3)
Prerequisite: EDU 665. A course designed to help the student complete the master's research and thesis. Students will complete a research proposal for a significant research problem in education, including a review of literature related to the research problem. Graded: Pass/Fail.

695. Thesis B (3)
Prerequisite: EDU 690. A continuation of Thesis A. Students will gather and analyze research data and complete a written thesis and oral defense. Students are required to maintain continuous enrollment until the thesis is successfully defended for a maximum of 9 hours of credit. Graded: Pass/Fail.

English (ENG)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in English (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in English (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in English Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in English Education B (3)
A continuation of Research in ENG. 680.
**History (HIS), Political Science (PSC), and Geography (GEO)**

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Social Sciences (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Social Sciences (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Social Science Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Social Science Education B (3)
A continuation of Research in Social Science Education A.

---

**Language (LANG)**

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Language (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Language (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Language Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Language Education B (3)
A continuation of Research in LANG 680.

---

**Library Information Specialist (LSC)**

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Library Science (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

610. Principles of Librarianship (3)
A study which traces the development of library history from its earliest existence through the 20th century. It includes a study of the types of libraries, services, trends, issues, problems and challenges in libraries. Emphasis is placed on developing a personal philosophy of librarianship.
621. School Library Administration (3)
An exploration of the unique leadership role the school librarian plays in the administration of a contemporary school library media center. This includes examination of issues related to the planning, implementing, and evaluation of the center and includes practice in collaborating with others in the development of curriculum and programs. Field experience required.

631. Collection Management and Organization (3)
Routine operations of collection management and organization of a school library with emphasis on acquisition of materials, bibliographic control, cataloging, preservation and weeding of materials. It is designed to provide background information and current rules regarding the Dewey Decimal System Classification and the Anglo-American Cataloging Rules. Hands on practice is required in creating and editing cataloging records based on Machine Readable Format. Field experience required.

640. Young Adult Literature (3)
Focus on the variety of literature available for middle and high school students, including multicultural, classical, and contemporary literature. Also covers selecting, promoting, and evaluating young adult literature, media for youth, and identifying the worldview of each work read.

646. Practicum (2-6)
Prerequisite: 6 hours from LSC 610, 621, 631, 651. Library experience and training in elementary, middle and secondary school requiring 20 clock hours per credit hour under the supervision of a licensed school media specialist and college supervisor.

651. General Reference and Instruction (3)
An introduction to basic printed reference and electronic resources for school library media centers and how to use them effectively. Focuses on how to use strategies in seeking answers to reference questions. The reference resources studied will serve as a selection guide for school libraries. Attention is given to developing instructional skills for use with print and electronic resources. Field experience required.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Library Science A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Library Science B (3)
A continuation of Research in LSC 680.

Mathematics (MAT) and Computer Science (CSC)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Mathematics & Computer Science (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Mathematics and Computer Science (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Mathematics Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Mathematics Education B (3)
A continuation of Research in Mathematics and Computer Science Education A.

Music (MUS)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.
580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Music (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Music (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Music Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Music Education B (3)
A continuation of Research in MUS 680.

---

Physical Education, Wellness, and Sport (PEWS)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Physical Education and Health (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Physical Education and Health (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

660. Issues and Trends in Physical Education (3)
A course designed to research the literature related to recent developments in Physical Education including the aims, philosophies, methods, content, and problems related to the field. Students will identify and develop a synthesis of research related to a potential line of research.

680. Research in Physical Education and Health Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Physical Education and Health Education B (3)
A continuation of Research in Physical Education and Health Education A.

---

Psychology (PSY)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Psychology (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

610. Advanced Educational Psychology (3)
This course involves an in-depth study of the field of educational psychology. Emphasis will be upon applying current research and issues such as human development, learning, and motivation to the educational setting.
614. Learning Theories and Styles (3)
Prominent theories of learning and learning styles in the context in which they were originated, their influences upon contemporary psychological and educational thought, and their present applications.

624. Comparative Study of Child Development Theories (3)
For the student who did not take a course in child development as an undergraduate, it is a critical study of the prominent theories relating to physical, social, emotional, and cognitive growth of children, as well as factors which impact development. The roles of the teacher and other professionals who work with young children are explored.

625. Learning and Behavioral Characteristics of Persons with Exceptionalities (3)
A study of the learning and behavioral characteristics of students with exceptionalities. Theoretical models and experimental results will be examined.

640. Special Studies in Psychology (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Psychology Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Psychology Education B (3)
A continuation of Research in Psychology Education A.

---

Sociology (SOC)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Sociology (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Sociology (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Sociology Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Sociology Education B (3)
A continuation of Research in Sociology Education A.

---

Special Education (SE)

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Special Education (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

595. Special Workshops (1-4)
Graduate credit offered in concentrated format for license renewal and elective credit. Maximum of 6 hours can count toward a degree. Selected topics may vary each year.

605. Current Research in Educational Assessment of Persons with Exceptionalities (3)
An investigation of assessment procedures for persons with special needs. Attention is given to the research base related to appropriate techniques and instruments and interpretation and transformation of test data into programmatic guidelines for instructional objectives.
610. Current Research in Behavior Management of Persons with Exceptionalities (3)
Various theories and techniques for managing behavior of students with exceptionalities. Attention is given to experimental results and related practical, moral, and legal issues.

625. Learning and Behavioral Characteristics of Persons with Exceptionalities (3)
A study of the learning and behavioral characteristics of students with exceptionalities. Theoretical models and experimental results will be examined.

631. Educational Needs of Persons with Mild/Moderate Disabilities (3)
A study of the diagnostic criteria of particular disability categories with emphasis on the individual educational needs of individuals with mild to moderate exceptionalities, including a study of Federal and State law, behavioral and psychosocial aspects, and pedagogy involved in relevant educational trends such as inclusion. Includes observation field experience.

632. Characteristics and Needs of Students with Emotional Disabilities (3)
A study of the psychological and educational characteristics and needs of persons with severe and profound emotional and behavioral problems, with considerations given to the assessment and intervention strategies for individuals with these disabilities in light of current trends and legislation. Includes observation field experience.

640. Special Studies in Special Education (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

641. Teaching Mathematics and Science to Students with Exceptionalities (3)
Prerequisite: SE 631 or 632.
A study of the content, objectives, and pedagogy of instructing students with exceptionalities in the area of mathematics and science in grades K-8. Field Experience included.

645. Teaching Language Arts and Social Studies to Students with Exceptionalities (3)
Prerequisite: SE 631 or 632.
A study of the content, objectives, and pedagogy of instructing students with exceptionalities in the area of language arts and social studies in grades K-8. Field Experience included.

648. Teaching Individuals with Sever and Profound Handicaps (3)
Prerequisite: Red Cross First Aid with CPR
A study of the theoretical and applied research for teaching individuals with severe and profound handicaps including special and adaptive equipment, techniques, and materials.

650. Current Research in Assessment of Learning Problems in the Young Child (3)
An investigation of the assessment methods for identification and diagnosis of learning problems in infants and young children and of the research related to effective techniques for early intervention.

651. Cognitive Development of the Young Child (4)
Prerequisite: EDU 629.
Theoretical and applied aspects of cognitive development in young children. Language development, quantitative thinking, number concepts, goals and concepts for other curriculum areas, as well as assessment principles and models are explored. Field Experience required.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

657. Creative Development of the Young Child (4)
Prerequisite: EDU 629.
Development of creativity in young children with attention to use of the expressive arts for early intervention, meeting curricular objectives in all areas, and programming strategies for young children with special needs. Assessment principle and models are explored. Field Experience required.

660. Issues and Trends in Special Education (3)
A course designed to research recent developments in Special Education, including the aims, philosophies, methods, content, and problems related to the field.

680. Research in Special Education A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Special Education B (3)
A continuation of Research in SE 680.
Teaching English as a Second Language (TESL)

510. Language and Acquisition (3)
The tenets of human language, focusing on 1st and 2nd language acquisition considering its psycholinguistic and sociolinguistic aspects.

515. Language & Literacy (3)
The critical context of literacy and where students consider composition theory, critical theories of literacy, and practical literacy issues in a variety of learning contexts.

520. Critical Contexts of Language Assessment (3)
Critical theory and practice of language testing and design. Students will have opportunity to explore the impact of testing and standards on learners and learning while critically reflecting their own test designs.

530. Theory & Practice: Language Curriculum Development (3)
The critical context of curriculum development, allowing students to explore language curriculum design and develop an extensive, detailed language curriculum.

533. Internship (1-4)
Internship in a field situation for a specified time. Specific requirements will be arranged by the department.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.

585. Special Studies in Teaching English as a Second Language (1-4)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need.

640. Special Studies in Teaching English as a Second Language (3)
Group studies which do not appear in the department course offerings. Course content will be determined by need.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

680. Research in Teaching English as a Second Language A (3)
A course designed to help the student complete the individual research related to the specialty area. Specific course content will be designed to meet the program needs of the individual student.

685. Research in Teaching English as a Second Language B (3)
A continuation of Research in TESL 680.
Admission Information

The M.U.Ed. is a highly selective program that attempts to utilize academic criteria to enable admission of the best candidates as Residents. Applicants desiring to enter this program should submit the following to the Office of Graduate Studies in Education:

2. Official transcript(s) showing all coursework, completion of the baccalaureate degree(s), all graduate credit previously attempted from regionally accredited institutions, and cumulative GPA of at least 2.75. Those falling below this minimum can opt for Conditional Admission status by successfully completing a Writing Sample.
3. Completed “Certificate of Immunization.”
4. Proof of having acquired at least the Tennessee minimum score on the Praxis II content knowledge or specialty area test for the intended endorsement.
5. Application to the Teacher Education Program.

Assessment of Outcomes

The M.U.Ed. utilizes the following means of assessment for the seven outcomes listed above. The number of each outcome is listed in parentheses beside each means of assessment:

- Coursework and teacher-devised assessments (1-6)
- Course evaluations (1, 2, 5, 6)
- Synthesis work in Capstone Seminar and Internship Seminar (1-6)
- Clinical experience including internship (1-6)
- Teacher Education Portfolio that includes key assessments of lesson and unit planning as well as teacher work samples that address Tennessee Professional Education Standards (1, 2, 3, 4, 6)
- Satisfactory score on Praxis II Specialty Area (1, 4, 6)
- Program questionnaire which is designed to relate to program outcomes as completed by graduates (1-6)
The Master of Urban Education degree program shares a commitment to the Union University Core Values of “Christ-Centered, Excellence-Driven, People-Focused, and Future-Directed,” to the Conceptual Framework of Union’s Teacher Education Program: “a teacher-student dynamic of sensitivity, reflection, and faith,” and to candidate dispositions with the Memphis Teacher Residency program. To be selected and admitted, candidates are screened and interviewed on “Selection Weekends” through a series of case studies, role playing, discussion, and reflective activities conducted by the university and school practitioners.

In this competitively selective program, candidates must display a commitment to:
- Personal Responsibility and Ownership
- Service
- High Expectations
- Effective Communication
- Life-long Learning
- Cultural Competence (including Informed Empathy)
- Integrity and Humility
- Relationships, Collaboration, and Motivation
- Strategic Thinking
- Diligence

Graduation Requirements
For graduation from the M.U.Ed. degree program, the student will:
1. Successfully complete the thirty semester hours required of the program as defined for either the Secondary Concentration or the Elementary Concentration.
2. Demonstrate a minimum GPA of 3.0 cumulative for the program.
3. Successfully complete the Resident Internships as well as the Capstone Seminar.

Curriculum Calendar for M.U.Ed./Secondary Concentration (Licensure Grades 7-12)

Summer (June –July)
EDU 618 Cultural Foundations of Education (3)
EDU 566 Twenty-First Century Classroom Leadership (4)
EDU 535 Portfolio Submission (non-credit/Pass-Fail)
EDU 570 Summer School Clinicals (non-credit/Pass-Fail)
SE 625 Learning & Behavioral Characteristics of Persons with Exceptionalities (3)

Fall (August –December)
EDU 626 Reading in the Content Area (3)
EDU 530 Secondary School Methods (3)
EDU 6421 Intensive Studies in the Content Area (3)
EDU 667 Resident Internship in the Secondary School (3)
EDU 614 Learning Theories and Styles (3)

Spring (January – May)
EDU 676 Capstone Seminar: Curriculum Issues in Urban Settings (2)
EDU 668 Resident Internship in the Secondary School (3)

Curriculum Calendar for M.U.Ed./Elementary Concentration (Licensure Grades K-6)

Summer (June –July)
EDU 618 Cultural Foundations of Education (3)
EDU 504 Technology in the Classroom (2)
EDU 566 Twenty-First Century Classroom Leadership (4)
EDU 535 Portfolio Submission (non-credit/Pass-Fail)
EDU 570 Summer School Clinicals (non-credit/Pass-Fail)
SE 625 Learning & Behavioral Characteristics of Persons with Exceptionalities (3)

Fall (August—December)
EDU 6311 Teaching Reading and Language Arts in Elementary School (5)
EDU 632 Teaching Social Studies and Science in Elementary School (3)
EDU 6351 Teaching Mathematics in Elementary School (4)
EDU 668 Resident Internship in the Elementary School (3)
EDU 615 Learning Theories (3)

Spring (January—May)
EDU 676 Capstone Seminar: Curriculum Issues in Urban Settings (2)
EDU 668 Resident Internship in the Elementary School (3)
Course Descriptions: Education (EDU)

530. Secondary School Methods (3)
A study of the principles, methods, and best practices for teaching at the secondary level with emphasis on current research in the field. Available for graduate credit only. Practicum required.

535. Portfolio Submission (0)
Post-baccalaureate teacher candidates seeking initial Tennessee licensure must submit the electronic education portfolio at 3 stages throughout their program as outlined in the Portfolio Handbook. The portfolio's purpose is to verify the candidate has met the performance-based standards set by the TN Department of Education. The video of the portfolio workshop and the USB drive required for the portfolio are available through the School of Education. Graded Pass/Fail.

566. Twenty-first Century Classroom Leadership (4)
Teachers as leaders of learning and change based on the premise that the best management program is a strong instructional program. Topics include research-based applications to set up classroom conditions where high level engagement and learning can occur. The importance of interpersonal relationships, classroom organization, instruction, teachers as leaders, and problem solving will be emphasized as students are guided into developing a model for managing classrooms informed by Christian values and ethics. Teachers will also learn the role action research can play in the classroom setting.

570. Summer School Clinicals (0)
Residents are placed with Mentors in an urban classroom for two weeks to observe various aspects of the learning environment and to assist in daily routines and duties of teachers. The clinical allow the Resident to begin to apply theories and concepts learned in coursework to the classroom setting. Graded Pass/Fail.

614. Learning Theories and Styles (3)
Prominent theories of learning and learning styles in the context in which they were originated, their influences upon contemporary psychological and educational thought, and their present applications.

618. Cultural Foundations of Education (3)
An introduction to sociological, psychological and historical foundations of schooling with emphasis on the context of multicultural settings and exploration of topics of diversity, equity, social justice, and worldview reflection.

626. Reading in the Content Area (3)
Content area reading builds on skills to teach strategies related to specific areas of the curriculum and is designed to teach students the specific skills necessary to learn more effectively in science, social studies, literature, math, music, and physical education. Students in this course will create materials related to their specific content area. Field Experience required.

6311. Teaching Reading and Language Arts in Elementary School (5)
This course is concerned with contemporary issues and trends in the teaching of reading and language arts using children's literature, including the areas of reading, writing, speaking, listening, and thinking as well as the relationship of language arts skills to the whole school curriculum. Significant time will be spent examining best practices for meeting the needs of students who lack grade level/age appropriate literacy skills. This course will also investigate current research related to young children and educational programs for children, birth through grade four, and allow students to reflect on the impact of this research on literacy instruction. Topics include becoming aware of the diversity of teaching styles, learning expectations, and reading styles of students for the P-12 setting, as well as how to effectively utilize technology to support literacy instruction.

632. Teaching Social Studies and Science in Elementary School (3)
Design and implementation of instruction in the elementary school (K-8) science and social studies with attention to integration of technology and other current issues, problems, and practices in the field. The latter will include inquiry, group dynamics, communication, collaboration with parents and other professionals, inclusion, national standards, diversity, and faith and ethics.

6351. Teaching Mathematics in Elementary School (4)
The large ideas of mathematics are emphasized as students develop a better understanding of the important connections among mathematic concepts. An emphasis on the discovery of mathematics and a laboratory approach will be maintained throughout the course. Significant time will be spent examining best practices for meeting the needs of students who lack grade level/age appropriate mathematics skills. This course will also investigate current research related to young children and educational programs for children, birth through grade four, and allow students to reflect on the impact of this research on mathematics instruction. Topics include becoming aware of the diversity of teaching styles, learning expectations, and reading styles of students for the P-12 setting, as well as how to effectively utilize technology to support mathematics instruction.

6421. Intensive Studies in the Content Area (3)
Designed to complement EDU 530, this course will enhance and deepen the respective content areas of secondary school teachers by combining best practices in teaching urban students with an emphasis on standards-based subject matter. Education professors will collaborate with Mentor teachers from the schools to ensure a more intensive study of the Resident’s content area. The most recent technology advancements utilized to enhance student achievement in each content area with emphasis on the many facets of the computer as a teaching tool will be explored.
667. Resident Internship in the Secondary School (3+3)
Resident fulfills role of lead teacher in collaboration with their Mentor for a full school year in a secondary school setting, 4 days a week, with weekly internship seminar on Fridays. Coaches from faculty observe Residents in a variety of settings and with Mentors form triarchic assessment/collaborative model. Enrollment 2 semesters for 3 hours each. Graded Pass/Fail.

668. Resident Internship in the Elementary School (3 + 3)
Resident fulfills role of lead teacher in collaboration with their Mentor for a full school year in a secondary school setting, 4 days a week, with weekly internship seminar on Fridays. Coaches from faculty observe Residents in a variety of settings and with Mentors form triarchic assessment/collaborative model. Enrollment 2 semesters for 3 hours each. Graded Pass/Fail.

676. Capstone Seminar: Curriculum Issues in Urban Settings (2)
Extensive review of literature and synthesis of key learning from the urban education experience, including issues of power and pedagogy in child and adolescent literacy, the role of anxiety in urban learning, articulation of an instructional stance as teachers, and different approaches to creating and managing an alternative class culture.
TEACHER LICENSURE

POST-BACCAULAUREATE REQUIREMENTS FOR INITIAL AND ADD-ON ENDORSEMENT

Conceptual Framework
A Teacher-Student Dynamic of Sensitivity, Reflection and Faith

Mission Statement
The mission of the Teacher Education Program is to prepare highly effective teachers within an environment of sensitivity, reflection, and faith.

Description of the Statement
Effective educators demonstrate knowledge in their respective fields, sensitivity to students’ diverse learning needs, reflection in scholarship and inquiry, motivation of their students’ becoming life-long learners, and a careful examination of their worldview and integration of the fruit of the Spirit (Galatians 5:22-23).

Candidate Outcomes
1. Content Knowledge: Candidates demonstrate academic competence in a broad base of general education and in a major appropriate for the licensure being sought.
2. Knowledge of Learners: Candidates understand the growth and development of children and adolescents with sensitivity to their diverse learning needs.
3. Pedagogy & Instruction: Candidates demonstrate knowledge of a variety of effective teaching methods and materials which utilize skills that effectively apply content knowledge and knowledge of children and adolescents to the learning environment.
6. Personal Professional Growth & Development: Candidates demonstrate awareness that teachers need further study and continuing professional growth to remain effective.

NCATE Accreditation
The Teacher Education Program is accredited by the National Council for Accreditation of Teacher Education (NCATE) 2010 Massachusetts Ave., N.W., Suite 500, Washington, DC 20036; phone 202-466-7496. This accreditation covers initial teacher preparation programs and advanced educator programs.

Profile of the Teacher Education Program
To be licensed to teach in the State of Tennessee, prospective teachers must earn a bachelor’s degree with a major in an academic field and meet specific competencies needed in the teaching profession.

Areas of licensure: Union offers both initial licensure and additional endorsement in the following areas:
- Instructional Leadership License, PreK–12
- Biology, 7-12
- Business Education 7-12
- Chemistry, 7-12
- Early Childhood Educ., PreK-3
- Economics, 7-12
- Elementary, K-6
- English, 7-12
- English as a Second Lang., PreK-12
- French, 7-12
- Government, 7-12
- History, 7-12
- Library Information Specialist, Pre K-12
- Marketing, 7-12
- Mathematics, 7-12
- Middle Grades, 4-8
- Music Education:
  - Vocal/General, K-12 (no add-on)
  - Instrumental, K-12 (no add-on)
- Physical Education, K-12 plus Health Education K-12
- Physics, 7-12
- Reading Specialist, PreK-12
- School Social Worker, PreK-12
- Spanish, 7-12
- Special Education:
  - Modified, K-12
  - Comprehensive, K-12
- Speech Comm., 7-12
- Theatre, K-12
- Visual Art, K-12

Fully-licensed teachers who hold an endorsement that includes grade 7 may add a secondary endorsement by submitting minimum scores on the Praxis II specialty area tests for the intended endorsement and the add-on application directly to the Office of Teacher Licensing, Tennessee Department of Education.

Post-Baccalaureate Requirements
(For post-baccalaureate initial licensure and add-on endorsements)

Application Process. Students who seek post-baccalaureate teacher licensure must submit the
Graduate Studies in Education Application; $25 non-refundable application fee; official transcripts sent directly to Union from every college/university attended; Application for Admission to the Post-baccalaureate Teacher Education Program; Consent to Fingerprinting, Background Check, and Release of Information form and background check received directly from TBI (http://www.uu.edu/programs/tep/applications.cfm); and score report showing that Praxis II content knowledge test for the intended endorsement has at least been attempted.

Transcript evaluations. After the candidate has submitted the aforementioned items, the candidate should call the Assistant Dean for Teacher Education and Accreditation for an appointment for a transcript evaluation. Post-baccalaureate candidates must have a transcript evaluation completed by the Assistant Dean prior to starting classes; if the licensure program takes more than two years to complete, the post-baccalaureate candidate should have another evaluation completed. At this meeting the candidate will be apprised of course work that remains, TEP status, Praxis II requirements, any proposed changes in licensure requirements, and alternative licensure options.

Application to the TEP. The application to the TEP is submitted with the Graduate Studies in Education Application. The candidate must be fully admitted to the TEP by the completion of 9 semester hours. Candidates must be fully admitted to the TEP prior to student teaching.

Admission to the TEP. Post-baccalaureate candidates for initial licensure must meet the following requirements for admission to the Teacher Education Program.
1. Satisfactory score on the Praxis II Specialty Area Content Knowledge Test for the intended endorsement.
2. Minimum GPA of 3.0 from all undergraduate courses taken or provisional admission to graduate course work
3. Two positive reference forms
4. Three dispositional evaluations completed by the student and the professors of the student’s first two classes.
5. Successful completion of first submission of portfolio.
6. Submission of criminal background check and fingerprinting from TBI.

Continuation in the TEP. In order to remain in the TEP following admission, the post-baccalaureate candidate must maintain a GPA of 2.75 in all course work taken at Union since completion of the baccalaureate degree and a GPA of 2.75 in the professional education core.

Admission to student teaching. Candidates must file an application to student teach before the posted deadline during the semester prior to student teaching. Applications are available at www.uu.edu/programs/tep. Other requirements for student teaching are as follows:
1. Minimum scores on all applicable portions of the Praxis II must be received by Union before the student is admitted to student teaching
2. A recommendation from the department of the student’s endorsement area or a minimum GPA of 2.75 in all undergraduate and graduate courses in the endorsement area
3. Satisfactory completion of a field experience at an appropriate level
4. Completion of the professional education core
5. Lack no more than one course for completion of the endorsement requirements
6. Completion of one term of full-time professional education
7. Approval of the Dean of Students
8. Approval of the Teacher Education Committee.

Application for teacher licensure. Applications for Tennessee teacher licensure are completed during a student teaching seminar and are filed with the Tennessee State Department of Education when all requirements are completed.

Transitional License Program. In accordance with Tennessee’s Transitional license policy, Union offers teaching endorsements in all secondary areas, Elementary K–6, Early Childhood Pre-K–3, Middle Grades 4–8, and Special Education Modified K–12 and Comprehensive K–12. Candidates for secondary endorsements qualify to be hired on the Transitional license if they have completed a major in the intended endorsement, have 24 semester hours in the intended endorsement area, or have passed the Praxis II content knowledge test for the intended endorsement (http://www.state.tn.us/education/lic/nte.shtml). Candidates for K–6, Pre-K–3, 4–8, and Special Education must be fully admitted to the Teacher Education Program, which requires, among other criteria, acquiring a minimum score on the Praxis II 0014 EE:CK or 0146 MG:CK test and successfully completing at least 3 courses, to qualify to be hired on the Transitional license. For more information about the Transitional license, contact the Office of Teacher Education.

Academic Policies

Minimum GPA requirements. Minimum GPAs are listed above. Following admission to the TEP, if the GPA drops below the minimum, the student is removed from the TEP and may only repeat courses to raise the GPA. When the GPA is at or above the minimum, the student will be submitted for readmission to the TEP.

Early field experiences. As is required by national standards and by the Tennessee State Department of Education guidelines, early field experiences are a vital part of the TEP at Union. The purpose of these early field experiences is to introduce the prospective teacher to a variety of school settings, learners, and routine activities. The knowledge and skills introduced in course work will be refined in the early field experiences.

Proof of professional liability insurance is required of all students enrolled in courses with field experiences. This expense is the responsibility of the student. Options for
this coverage include, but are not limited to, membership in Student Tennessee Education Association, Christian Educators’ Association International, or Professional Educators of Tennessee. Liability insurance is also available through Union University. Information about each of these options is available through the Assistant Dean.

**Background check and fingerprinting.** In accordance with TN Code Ann. §49-5-5632, all teacher candidates must supply a fingerprint sample and submit a criminal history records check by TBI prior to beginning coursework. Information available at \texttt{www.uu.edu/programs/tep}.

**Portfolio.** The candidate must attend a LiveText workshop while enrolled in EDU 535 Portfolio Submission in the first semester of enrollment. A portfolio fee will be charged to the candidate’s account. The candidate will submit the portfolio in the first semester. The final portfolio will be submitted in student teaching or in Mentoring Seminar II. The Teacher Education Handbook, Vol. I is available in the portfolio template.

**Appeals.** The School of Education is charged with the responsibility to follow the established policies for admission to and completion of the TEP. The Teacher Education Committee, which includes representatives of the faculty from across the university and students, is the TEP coordinating and policy-making body for the unit and is responsible for assuring that the established policies are followed. If the student feels that established policy or practice is not being followed, the Teacher Education Committee should be contacted. The Teacher Education Committee is also the appeals committee for the TEP. All appeals for variance from established policy and practice should be presented in writing to the Dean of the College of Education and Human Studies. The Dean will consider whether the appeal may, within established policy, be granted. If the appeal has been denied by the Dean, the student may choose to direct the appeal to the Teacher Education Committee. The student should contact the chairman of the TEC and present the appeal in writing. After the TEC has considered the appeal, the student will be notified in writing of the committee’s determination.

**Assessment of student outcomes.** The candidate will submit parts of the portfolio throughout the program. The portfolio will present evidence that the candidate has met performance standards in professional education as set by the TN Department of Education and based on INTASC standards. To be admitted to student teaching, students must acquire passing scores on all applicable portions of the Praxis II as determined by the Tennessee State Department of Education. The Praxis II should be taken at least one semester prior to the beginning of student teaching to assure receipt of passing scores.

**Financial Information**

In addition to tuition, a fee of $160 will be charged all students engaged in enhanced student teaching. This fee is used to meet part of the expenses of the cooperating teacher stipend and travel expenses incurred by the university supervisor.

A materials fee is also charged for student teaching and appropriate courses throughout the education curriculum and elsewhere in the university to cover costs directly related to the course or laboratory. Current materials fees are indicated in the “Financial Information” section of the Catalogue.

The portfolio fee will be charged to the student’s account.
Expected Program Outcomes

Teaching and Learning Concentration

This concentration is designed to provide a relevant professional development curriculum for classroom teachers who have completed at least one year of teaching. M.Ed. students will confront the triad of roles played by the transformational teacher to be enjoined to the education of the whole learner: Scholars have reason to be superbly confident in their subject; Practitioners specialize in methodology that engages learners; and Relaters develop an abidingly deep understanding of and concern for their students as persons. Students with the M.Ed. in Teaching and Learning will:

1. Enhance their knowledge (as Scholars), skills (as Practitioners) and values (as Relaters) in relation to the major issues facing today’s transformational teachers.
2. Engage the Christian intellectual tradition and demonstrate service to society.
3. Apply research skills to current educational problems.
4. Prepare for leadership roles in their educational settings.

The objectives are met within the context of a set of standards developed by the Interstate Teacher Assessment and Support Consortium (InTASC).

Instructional Leadership Concentration

This concentration is designed to be a licensure curriculum for school principals and curriculum supervisors. Teachers must have completed a minimum of 3 years of teaching before beginning this degree program. M.Ed. students will confront the triad of roles played by the transformational teacher to be enjoined to the education of the whole learner: Scholars have reason to be superbly confident in their subject; Practitioners specialize in methodology that engages learners; and Relaters develop an abidingly deep understanding of and concern for their students as persons. Students with the M.Ed. in Instructional Leadership will:

1. Enhance their knowledge (as Scholars), skills (as Practitioners) and values (as Relaters) in relation to the major issues facing today’s practitioners.
2. Engage the Christian intellectual tradition and demonstrate service to society.
3. Apply research skills to current educational problems.
4. Prepare for school leadership roles as principal or curriculum supervisor.

The objectives are met within the context of a set of standards developed by the Educational Leadership Constituent Council of the National Council for the Accreditation of Teacher Education (NCATE) and the Instructional Leadership licensure standards set by the State of Tennessee.
Assessment of Outcomes

The Master of Education degree utilizes the following means of assessing the objectives listed above. The emphasis in this assessment is upon a variety of measures and comprehensiveness.

Assessment Strategy
1. School Leaders Licensure Assessment (IL only)
2. Electronic pre-test and post-test (Scholar)
3. Culminating Performance Exhibition (Practitioner)
4. Electronic Dispositions Evaluation (Relater)
5. Artifacts compiled in the electronic portfolio
6. Clinical experience, an integral part of most courses.
7. Course work and teacher-devised assessments.
8. Course evaluations by students
9. End of program questionnaire

Total Program Semester
..................................................................................30

Admission Information

Candidates for admission to the M.Ed. program must have a minimum of a Bachelor’s degree and teaching experience (one year for the Teaching & Learning concentration and three years for the Instructional Leadership concentration), as more specifically stated in the following admission criteria:

1. Teacher Licensure;
2. A minimum G.P.A. of 3.00 based on a 4.00 scale (undergraduate and post-baccalaureate credits combined);
3. Writing Sample. All candidates, regardless of GPA, must successfully complete the M.Ed. writing sample, demonstrating adequate graduate level writing skills;
4. An interview with the Director of the M.Ed. program;
5. Application to Graduate Studies in Education along with the non-refundable application fee;
6. Official transcripts to be sent directly to the Office of Graduate Studies in Education from all previously attended colleges or universities;
7. Recommendation forms (provided) from 4 persons: One must be completed by the applicant’s principal or supervisor; two must be completed by fellow teachers/colleagues; and one by a character/personal reference (non-family member);

In addition to the criteria above, candidates for admission to the Instructional Leadership concentration must submit the following:

1. Professional Resume;
2. Personal Summary including 4 well-written and proofread documents: (a) professional development plan, (b) an explanation of how Union University’s M.Ed. program will help you reach your goals, (c) a concise explanation of how you have improved student achievement as a classroom teacher, and (d) actual data (TVASS/TCAP data, Gateway scores, etc.) to support your explanation in section (c);
3. Copy of most recent performance appraisal (in TN, the Framework for Evaluation and Professional Growth);
4. Verification of Experience form completed by applicant's school system documenting at least 3 years of teaching experience;
5. Recommendation form completed by the Director of the school system where the applicant is employed;
6. Interview with Instructional Leadership Screening Committee. The candidate is interviewed by an admission screening committee comprised of university and public school personnel who will make a recommendation to the Dean and Graduate Admission Committee concerning admission to the Instructional Leadership program.

Conditional Admission. Persons not qualifying for Admission may be granted Conditional Admission after successfully completing a Writing Sample and upon the recommendation of the Graduate Education Admissions Committee and the Dean of the College of Education and Human Studies. Conditionally admitted students may be granted Admission after 9 hours of (minimum) 3.00 grade average work and a recommendation from the Dean. Failure to be fully admitted to the M.Ed. program after 9 hours of coursework will result in termination from the program. A student may appeal termination through the regular appeals process outlined in this Graduate Catalogue.

Graduation Requirements
For graduation from the M.Ed. degree program, the student will:
1. Successfully complete the 30 semester hours of required course work.
2. Demonstrate a minimum GPA of 3.0 cumulative for the program.
3. Successfully complete the Performance Exhibition
In addition to the above criteria, students completing the Instructional Leadership Licensure concentration must:
4. Successfully complete the required Practicum.

Financial Information
The following payment plans are available:
1. Full payment may be made for the program of 30 semester hours.
2. Payment may be made by the semester, with 50% due before classes begin that semester, and 50% due one month later.
3. Monthly payments may be made in using the FACTS Plan, an automatic debit from your bank account.
   Tuition is $440 per semester hour effective for cohorts beginning June 2012.

The following are Non-Refundable Fees:
Application Fee: ........................................................ $25
Graduation Fee: ........................................................... 25
Computer Fee: EDU 602 ............................................. 15

Financial Assistance
The Federal Stafford Loan (subsidized or unsubsidized) is available to M.Ed. students who need financial assistance.
To qualify for a student loan, the graduate student must:
1. Be admitted to the M.Ed. degree program.
2. Not be in default on a former loan or owe a refund on any grant.
3. Complete the FAFSA and Graduate Application for Financial Assistance by April 1 for Summer through Spring semesters and by April 1 again of the following year to cover the remaining Summer semester. A Master Promissory Note must also be on file in the Student Financial Planning Office.

Course Descriptions: Education (EDU)

6001. Community Involvement to Improve Schools (2)
A course designed to explore methods of increasing public engagement. Community, school, student, and parental values are explored with a view toward shared accountability for school improvement. Issues related to diversity within the community, schools, and learners will be addressed.

602. Educational Computer Technology (2)
Focus of the course is the integration and utilization of the latest in instructional technology. Includes analysis and evaluation of existing software and hardware for elementary/secondary classrooms: teacher productivity tools, specific-use software, multimedia technology, adaptive technology, presentation software, Internet, web page construction, and future trends. Prerequisite: CSC 105 and EDU 250 or equivalent computer skills.

606. Accountability for Greater Student Learning (3)
This course views accountability as a joint effort between instructor and student. The following areas have been identified as essential factors in improving student performance: multiple methods of instruction, the use of formative evaluation, student perceptions, self-observation and critical reflection (teacher and student), and creative avenues for communicating content mastered.

608. Learning Theories into Practice (3)
This course will include an analysis of contemporary cognitive research and theories and the evaluation of how each applies to the elementary and secondary classrooms. Course topics include learning theories, brain research, constructivism, inquiry learning and educational psychology.
611. Differentiated Instruction (3)
This course views Differentiated Instruction as the development of multiple methods of instruction to address the needs of students of varying abilities. It assumes that children learn differently and methods effective for some students are ineffective for others.

612. Literacy Across the Curriculum (3)
This course emphasizes the integration of reading comprehension and written composition into all coursework. Emphasis will be placed upon content reading skills and consideration of thematic units.

6171. Positive Discipline (3)
A focus on the use of proactive strategies by teachers to provide clear guidelines for the academic and social performance of students. Primary goals include students’ responsible actions, thoughtful choices, and self-control. Such techniques promote students’ self-esteem and dignity.

621. Faith and Ethics in Educational Leadership (3)
A critical analysis of faith issues, ethical decision-making, worldview frameworks, and values questions in the context of schools and educational leadership, especially in the public sector but not excluding the private. Techniques and tools are identified and practiced to analyze, clarify, and evaluate ethical issues within educational contexts.

624. Curriculum and School Improvement (3)
Study and evaluation of modern practices and strategies in curriculum development with the emphasis on school improvement. The process of curriculum planning with a focus on system accountability and student learning is studied.

639. Teacher Effectiveness (3)
An in-class, focused course incorporating intentional and reflective pedagogical techniques. In addition to analyzing online excerpts of real teaching scenarios, students will record samples of their own teaching using iPad and video technology. Upon self-evaluation and peer feedback, students will use the current framework for teacher evaluation as a starting point for identifying best practices and areas for improvement in their own craft. These lessons will be useful as students begin the process of compiling their electronic Performance Exhibition product.

643. Methods and Designs for Classroom Research (2)
Designed to develop an understanding of problems and key issues in educational research. Emphasis on current research in primary sources, data collection and analysis, and the accurate reporting and discussion of findings will provide students with an overview of protocol and professionalism in educational research, equipping the student with a foundational knowledge readily applicable to problems in the student’s own professional setting.

647. Faith and Ethics in Education (3)
Study of world views and ethical thinking in the context of the school classroom. The place of faith and values in the public school arena is an issue of study.

648. Engaging Diversity in School Cultures (3)
An examination of the cultures and historical backgrounds of the major cultural (minority) groups in the United States, including but not limited to African American, Asian American, Hispanic, and Native American. Social and cultural issues will be investigated to enhance the educator’s knowledge and understanding of the similarities and differences among the groups. The course will also address, in light of educational history, the concepts of immigration, racism, discrimination, and assimilation in the United States. The course challenges students to appropriately contextualize equality and decipher the corners of education where equity still doesn’t exist. From both a holistic and a critical posture, students will explore ways that racial, ethnic, socioeconomic, and subcultural differences can be celebrated and engaged as a school’s greatest asset.

652. Performance Exhibition (1)
Through this ongoing process and culminating event, students will compile evidence of their developing skills and knowledge, ultimately showcasing their overall growth as professional educators. Before a panel of university faculty and community leaders, students will present a concise synthesis of artifacts and video footage to demonstrate their mastery of core program standards and their significant growth as Scholars, Practitioners, and Relaters.

653. Leadership Issues I: Theories and Strategies (3)
A thorough introduction to the essential issues of educational leadership including strategic planning, the decision-making process, effective communication, managing conflict, systems perspectives and more. The course includes an overview of classic theories of leadership and how those theories have impacted schools and school systems today.

654. Legal Issues in School Governance (3)
This course focuses on areas of the law as it impacts school administrators including, but not limited to, sources of the law and the courts, students and educational personnel, desegregation and its effects, school finance issues and school district liability, federal law, and regulations involving special education.

659. Supervisions (3)
This course provides an analysis of supervisory models and techniques, management techniques and group processes, staffing patterns and organizational structures to support teaching and learning.

661, 662, 663. Leadership Practicum I, II, III (3)
(divided into three 1-hour sections such as current Ed.S./Ed.D. practicum)
Prerequisite: Approval from the Office of Graduate Studies in Education
The practicum for the Instructional Leadership concentration is a thirteen-month, part-time mentored experience. It is the application in a workplace environment of the strategic, instructional, organizational, and contextual leadership program standards.
664. Organizational Decision-Making (3)
Theoretical approaches to understanding complex organizations are examined and applied to educational organizations, drawn from organizational theory, development, and behavior. Students develop effective solutions for interpersonal, structural, and organizational problems experienced in contemporary educational communities. Models of decision making, strategic planning for educational change, risk taking, the role of data, and the use of technology are studied.

669. Leadership Issues II – Planning and Finance (3)
An application of leadership issues related to planning and finance, including school improvement planning, policies for equity and diversity, the management of collective bargaining, fiscal and non-fiscal resources for districts, budget planning and management, collaborative planning, uses of media and more.
Available on the Jackson, Germantown and Hendersonville Campuses

The purpose of the Education Specialist in Educational Leadership is to prepare leaders who will make a difference as moral agents and sensitive social advocates for the children and the communities they serve; who will focus on the central issues of learning and teaching and school improvement; who will make strong connections as they reflect Christian values with others as individuals and as members of the educational community.

Objectives of the Program

Students in the Ed.S. in Educational Leadership Program will:

1. Demonstrate within their disciplines advanced knowledge and skills.
2. Display competency in the critical evaluation of issues, trends and methodologies.
3. Demonstrate the ability to apply research that extends the body of knowledge in the field.
4. Enhance their ethical decision-making ability through an academic environment integrated with the Christian faith.
5. Build intellectual and moral knowledge to cope with a pluralistic world in order to better serve communities and their schools.

The objectives are met within the context of a set of standards developed by the Educational Leadership Constituent Council of the National Council for the Accreditation of Teacher Education (NCATE).

Program Description

The Education Specialist (Ed.S.) in Educational Leadership is offered along two concentrations: (1) Instructional Leadership (IL), a licensure track designed to prepare school principals and supervisors of instruction; and (2) Curriculum and Supervision (C&S), a non-licensure track designed for school leaders who desire knowledge of concepts and strategies for school and classroom leadership. The degree is based on Union's conceptual framework of A Teacher-Student Dynamic of Sensitivity, Reflection and Faith. Union University desires to prepare school leaders who are grounded in and committed to excellence in teaching and learning with values based on our Judeo-Christian heritage.

The Cohort Approach. The program accepts students in groups to pursue each course together in a cohort. Lifelong friendships are developed through this format, and learning takes place in a spirit of unity, rigor, and cooperation.

Program Delivery and Calendar. Students will be accepted into cohorts who will complete the program with a course offered on Saturdays in February and March. The Summer term involves an intensive two months. Time is provided during the summer for library research, group projects, independent reading, and Practicum hours. In the fall, instruction occurs on Saturdays for a course in September and October, followed by other courses offered on Saturdays in November-December. Saturdays are utilized for courses offered January through May. The guiding principle is that students will complete one course before moving to another.

Instructional Leadership students begin the Practicum in their first semester. The Practicum runs through June of the second summer of the program. Students and faculty maintain online contact during the intervening weeks and months in support of course assignments. Saturdays are also utilized for courses offered January through June. In June students complete their Practicum and, with C&S students, present their Leadership Growth Papers.

Also in June, IL students take the Praxis II School Leader’s Licensure Assessment (SLLA) for licensure and for graduation in August. The program enables the candidates to advance through Tennessee's four-tiered licensure system.

The Cohort Approach. Each cohort is presented its unique calendar for the complete program. Current Ed.S. calendars are available at [link]

Curriculum: Ed.S. in Educational Leadership: Instructional Leadership

Prerequisites: Human Growth and Development, Instructional Technology, Educational Assessment and 3 years of teaching experience.

Transfer Credit by Petition: Maximum of 9 Semester Hours may be applied.

Licensure: This program leads to a recommendation for licensure as a principal or supervisor of instruction in the State of Tennessee. It is designed to meet NCATE, ISLLC and State of Tennessee licensure standards in school leadership.

Admission Information
All candidates for admission to the Ed.S. in Educational Leadership must submit a Graduate Studies in Education Application along with a non-refundable application fee ($25) and arrange for official transcripts to be sent directly to the Office of Graduate Studies in Education from previously attended colleges or universities. In addition, a completed Certificate of Immunization will be required of all students.

If not documented on an official transcript, the student must complete coursework in instructional technology, human growth and development, and assessment or educational measurement before graduating with the Ed.S.

Admission Criteria. Candidates for admission to the Ed.S. in Educational Leadership must have a minimum of a Master’s degree, three year’s teaching experience, and demonstrated leadership potential as more specifically stated in the following admission criteria.

1. Copy of current teacher license.
2. Grade Point Average—Undergraduate GPA of 3.0 or higher. Prior Graduate GPA of 3.2 or higher.
3. Teacher Licensure—Teacher licensure and three years teaching experience.
4. Student Goals—Goals aimed at becoming a teaching team leader, principal or supervisor as expressed in a letter to the Dean.
5. Recommendation Forms. Rating forms from four persons. One must be completed by the applicant’s principal or supervisor; two must be completed by fellow teachers/colleagues; and one character/personal reference completed by one with insight into all components on the form.
6. Writing Sample—All candidates, regardless of GPA, must successfully complete an Ed.S. writing sample demonstrating adequate advanced graduate level writing skills.

In addition to the criteria above, candidates for admission to the Instructional Leadership track must submit the following.

7. Personal Summary including brief professional development plan and documentation of data showing improvement in student achievement (summary of TVAAS/TCAP data, Gateway scores, etc.); copy of most recent performance appraisal (in TN, the Framework for Evaluation and Professional Growth); Verification of Experience form completed by applicant’s school system documenting at least 3 years of teaching experience; recommendation form completed by the Director of the school system where the applicant is employed; and current professional resume.

8. Instructional Leadership Screening Committee Interview. Candidate is interviewed by an admission screening committee comprised of university and public school personnel who will make a recommendation to the Dean and Graduate Admission Committee concerning admission to the Instructional Leadership program.

Conditional Admission. Persons not meeting either of the GPA requirements (undergraduate or graduate) may be granted Conditional Admission to the Curriculum and Supervision concentration or the Instructional Leadership concentration following the successful completion of the Ed.S. writing sample. After successful completion of 9-10 hours of Ed.S. coursework with a minimum GPA of 3.0, the student will be removed from conditional admission status and granted admission to the Ed.S. program.
Academic Requirements for Progression, Probation, and Suspension

Students in the Education Specialist program must maintain an overall Grade Point Average of at least 3.0 to remain in Good Academic Standing.

After completion of nine graduation hours at Union University, an Ed.S. student whose cumulative GPA from courses taken at Union for graduate credit is below 3.0 will be placed on academic probation. A student placed on academic probation has one semester to increase his/her cumulative GPA to 3.0 or higher.

If the student fails to attain the required minimum 3.0 GPA during the probationary semester, the student will be suspended from the Ed.S. program. While suspended from the program, the student may repeat courses in which a grade of B, C, or F has been earned in an effort to improve the GPA. The student may apply for readmission to the program after the cumulative GPA has been raised to 3.0 or higher.

A student suspended from a graduate program is not eligible for Veterans Administration Benefits.

Graduation Requirements

All students completing the Education Specialist in Educational Leadership must meet the following criteria for graduation.

1. Successful completion of the required 39 semester hours of coursework with a minimum 3.0 GPA.

In addition to the above criteria, students completing the Instructional Leadership licensure track must:
3. Successfully complete the required Practicum or Internship.
4. The candidate for the Ed.S. degree (Instructional Leadership track) MUST PASS the Praxis II SLLA test in order to complete the Ed.S./Instructional Leadership program. The test will be taken in the second year of the program; results should be received mid-July so that the candidate will know if he/she will complete the Instructional Leadership license. If the test is not passed, the candidate can receive the Ed.S. in Curriculum and Supervision (non-licensure).

Students who have completed the Union Education Specialist Degree (Ed.S.) and desire to return to complete the Ed.D., after having met doctoral admission standards must complete a set of two “bridge” doctoral seminar courses before enrolling in the final 21 hours of doctoral research courses. The courses are EDR 707, Leadership Research Seminar, which includes the Qualifying Paper, and EDU 711, Seminar in Politics, Policy, and Instruction. See the Ed.D. program section for admission criteria and course descriptions.

Financial Information

The following payment plans are available for students in the Ed.S. program.

1. Full payment may be made for the program of 30 semester hours. Tuition must be paid on an individual basis for courses required for completion of the program that are in addition to the required 30 semester hours.
2. Payment may be made by the semester with at least 50% due before classes begin and the balance due one month later.
3. Monthly payments may be made using the FACTS Plan, an automatic debit from your account.

Tuition and Fees. Tuition is $440 per semester hour effective for cohorts beginning in February 2012. Tuition will be $450 for cohorts beginning February 2013.

Il Portfolio Fee (when applicable): $150
Application Fee: $25
EDU 737, 738, 739—Practicum Fee (IL): $200
Graduation Fee: $25

Financial Aid. The Federal Stafford Loan (subsidized or unsubsidized) is available to Ed.S. students who need financial assistance. To qualify for a student loan, the graduate student must:

1. Be admitted to the Ed.S. degree program.
2. Not be in default on a former loan or owe a refund on any grant.
3. Complete the FAFSA and Graduate Application for Financial Assistance.

A Master Promissory Note must be on file in the Student Financial Planning Office.

Course Descriptions: Education (EDU)

610. History and Philosophy of Education (3)
A study of the history and philosophy of American education with attention to European antecedents, and philosophical movements such as Idealism, Realism, Perennialism, Essentialism, Progressivism, Reconstructionism, and Existentialism.

613. Brain-Based Learning (3)
An emphasis on creating authentic learning situations that address the brain’s need for meaning, patterns, and connections. Teaching strategies that create a classroom climate that presents learning in a relaxed and non-threatening manner are essential to brain-based learning.
700. Research Issues in Educational Leadership (3)
Students learn to locate, critique, and report research findings; apply introductory methods of analyzing, synthesizing and evaluating research evidence; compare types of qualitative and quantitative educational research; and design a “Leadership Growth Paper” utilizing action research in an educational leadership context.
DOCTOR OF EDUCATION IN
EDUCATIONAL LEADERSHIP
SCHOOL OF EDUCATION

Available on the Jackson, Germantown, and Hendersonville Campuses

School of Education Mission Statement/Conceptual Framework

The mission of the School of Education is to prepare educators of character and competence who reflect Christ as they serve and lead in their schools and communities. The Ed.D. degree is guided by the conceptual framework of the Teacher Education Program: a teacher-student dynamic of sensitivity, reflection, and faith. The university’s mission is “to provide Christ-centered higher education that promotes excellence and character development in service to Church and society.”

Ed.D. Description and Purpose

The Doctor of Education (Ed.D.) is the highest professional degree in education. Individuals who have earned this degree are recognized for their wide knowledge of theory and research and for their commitment to the application of knowledge for the improvement of educational policy and practice. The Union Ed.D. is designed for active professionals who will graduate ready to assume leadership and teaching roles in Preschool-Grade Twelve schools, universities, government and business. Ed.D. graduates can positively contribute to administration, teaching, policy and curriculum formation, and research. Each doctoral degree is designed to be a blend of theory and practice, classic knowledge and current research, analysis and synthesis, macro-perspective and micro-functionality.

Union University offers the doctoral degree in educational leadership with two areas of specialization:

1. The Ed.D. in Educational Leadership with a specialization in Preschool-Grade Twelve (P-12) School Administration, and
2. The Ed.D. in Educational Leadership with a specialization in Higher Education.

The Ed.D. in Educational Leadership P-12 School Administration degree is offered on both the Jackson, Germantown, and Hendersonville campuses and has two areas of concentration, Instructional Leadership (P-12) and Curriculum and Supervision (P-12).

The Ed.D. in Educational Leadership Higher Education degree, offered only on the Jackson campus, is designed to prepare college and university professionals to serve as administrators, teachers, policy-makers, and researchers, with special attention to the needs of smaller independent institutions of higher education. The degree program is delivered in a combination of campus, blended online/campus, and fully online courses to ensure service to a national community. Its goals include the university’s guiding principles of academic excellence, Christian values, development of the whole person, and future-driven scholastic agendas.

The Cohort Approach and Calendar

Each degree program or concentration is a cohort-based enrollment program with the exception of the dissertation, which is highly individualized. The cohort approach to program delivery accepts students in groups who begin their series of courses and experiences together. P-12 School Administration doctoral students begin their courses each February. Higher Education doctoral students begin each June. Each degree program offers courses in 3 ½ to 4-year cycles. Hallmarks of the cohort-approach are lifelong friendships, collaboration and mutual support, faculty attention to individual student needs, course sequencing, and the student-centered certainty of course delivery.

Each cohort is presented its unique calendar for the complete program. Current Ed.D. calendars are available at http://www.uu.edu/academics/graduate/edd/

Doctor of Education Admissions Process

Union University offers two specializations in its Ed.D. in Educational Leadership degree program: P-12 School Administration and Higher Education. Each degree program is a cohort-based enrollment program with the exception of the dissertation, which is highly individualized. The cohorts for the P-12 School Administration program begin each February on the Jackson, Germantown, and Hendersonville campuses. The cohort for the Higher Education program begins each June on the Jackson campus only. Please visit the Union website at www.uu.edu for program calendars.

Admission Criteria. Candidates for admission to the Ed.D. in Educational Leadership at Union University will submit the following criteria:

• Application Form: A completed application form submitted in a timely manner
• Application Fee: A nonrefundable application fee of $50. Checks should be made to Union University to the address indicated below.
• Official Transcripts: Official transcripts from ALL undergraduate and graduate schools attended. The minimum requirement for admission is an official Master’s degree transcript from a regionally accredited college/university with a minimum GPA of 3.20. In addition, students must ensure that transcripts received from non-US institutions are translated and evaluated by a recognized agency, and forwarded directly to Union University to the address indicated below.
• Official Transcripts: Official transcripts from ALL undergraduate and graduate schools attended. The minimum requirement for admission is an official Master’s degree transcript from a regionally accredited college/university with a minimum GPA of 3.20. In addition, students must ensure that transcripts received from non-US institutions are translated and evaluated by a recognized agency, and forwarded directly to Union University to the address indicated below.
• Official Transcripts: Official transcripts from ALL undergraduate and graduate schools attended. The minimum requirement for admission is an official Master’s degree transcript from a regionally accredited college/university with a minimum GPA of 3.20. In addition, students must ensure that transcripts received from non-US institutions are translated and evaluated by a recognized agency, and forwarded directly to Union University to the address indicated below.
• Test Requirements: Official test scores from the Graduate Record Exam (GRE) must be forwarded to Union University (Institution Code: 1826), reflecting scores for all three sections of the GRE (verbal, quantitative, and writing). Results must be current within the last five years. For all applicants who are not native English speakers, a TOEFL test is required and official test scores must be forwarded to Union University (Institution Code: 1826).

• Documentation of at least five years of relevant professional experience in the Education sector.

• Career Aspiration Essay: Students must submit an essay, typewritten and not to exceed 750 words, that addresses their reasons for seeking this degree and program, their leadership career aspirations, and their future professional goals.

• Recommendations: Rating forms from four persons: one from the applicant's employer (principal or supervisor for P–12 specialization); one from a previous graduate professor; and two from professional colleagues.

• Interview: Once the application has been reviewed, students may be scheduled for a personal interview.

• Leadership Role: Students are expected to have served a minimum of two years in a leadership position.

• Students applying for admission to the Ed.D. in Educational Leadership Program with a specialization in P–12 School Administration must provide the following additional items:
  1. Proof of teacher licensure
  2. Personal Summary including brief professional development plan and documentation of data showing improvement in student achievement (summary of TVAA/TCAP data, Gateway scores, etc.); copy of most recent performance appraisal (In TN, the Framework for Evaluation and Professional Growth); Verification of Experience form completed by applicant's school system documenting at least 3 years of teaching experience; recommendation form completed by the Director of the school system where the applicant is employed; and current professional résumé.
  3. Instructional Leadership Screening Committee Interview. Candidate is interviewed by an admission screening committee comprised of university and public school personnel who will make a recommendation to the Dean and Graduate Admission Committee concerning admission to the Instructional Leadership program.

• Mailing Address: Applications, fees, and supplementary materials should be sent to:
  Union University Box 1876
  Office of Graduate Studies in Education
  1050 Union University
  Jackson, TN 38305-3697
  OR
  Union University Germantown
  Office of Graduate Studies in Education
  2745 Hacks Cross Road
  Germantown, TN 38138

The Graduate Education Admission Committee Review. The Graduate Education Admission Committee must screen all students who have completed application for admission to the Doctor of Educational Leadership program. Incomplete applications will not be presented to the committee. The committee, charged with selection of the best candidates for admission, reviews and evaluates each student's potential for admission according to a portfolio of the admission criteria.

The appointed Graduate Education Admission Committee utilizes uniform evaluation forms. After study of the student’s admission portfolio, the committee recommends full acceptance, provisional acceptance, or rejection. A student provisionally accepted must complete designated criteria before being fully accepted to the program; however, she/he must take a maximum of 9 course credits on a provisional basis.

Program of Study

At the time of admission, a student may petition to transfer up to 9 graduate semester hours (recent “A” or “B” work from a regionally accredited institution) into the doctoral program with the approval of the Program Director. In addition, students in the P–12 School Administration specialization may petition to transfer a maximum of 9 semester hours of education specialist credit from regionally accredited institutions. Transferred credits become a part of an official Program of Study that is furnished to the student. It is the student’s responsibility to follow the Program of Study carefully in scheduling classes.

Academic Requirements for Progression, Probation, and Suspension

Students in the Doctor of Education program must maintain an overall Grade Point Average of at least 3.2 to remain in Good Academic Standing.

After completion of nine graduation hours at Union University, an Ed.D. student whose cumulative GPA from courses taken at Union for graduate credit is below 3.2 will be placed on academic probation. A student placed on academic probation has one semester to increase his/her cumulative GPA to 3.2 or higher.

If the student fails to attain the required minimum 3.2 GPA during the probationary semester, the student will be suspended from the Ed.D. program. While suspended from the program, the student may repeat courses in which a grade of B,C, or F has been earned in an effort to improve the GPA. The student may apply for readmission to the program after the cumulative GPA has been raised to 3.2 or higher.

A student suspended from a graduate program is not eligible for Veterans Administration Benefits.
Time Limitations

All requirements for the doctoral degree must be completed within 6 years from the first semester of enrollment. Students needing more than 6 years to complete the degree must file a time extension petition with the Dean of the College. After successful completion of coursework, doctoral students must maintain continuous enrollment status until graduation by enrolling in EDR 790 Dissertation each session.

Graduation Requirements

All students completing the Doctor of Education Degree in Educational Leadership must meet the following criteria for graduation.

1. Successful completion of the required 60 semester hours of coursework with a minimum GPA of 3.2.
2. Submission and presentation of The Qualifying Paper (P-12 School Administration Specialization).
3. Successful completion of the written and oral Comprehensive Examinations.

Financial Information

Tuition for the Ed.D. program for the 2012-2013 year is $505.

The following are non-refundable fees:
Application Fee: $50
Practicum/IL: $200
Graduation Fee: $25
Lab Fees, EDR 710, 720, 725: $15
IL Portfolio Fee (when applicable): $150

The following payment plans are available for students in the Ed.D. program.
1. Payment may be made by the semester with 50% due before classes begin and 50% due one month later.
2. FACTS monthly electronic draft from checking or savings.
3. Financial Aid. The Federal Stafford Loan (subsidized or unsubsidized) is available to Ed.D. students who need financial assistance. A Master Promissory Note must be on file in the Student Financial Planning Office. To qualify for a student loan, the graduate student must:
   1. Be accepted to the Ed.D. Degree program.
   2. Not be in default on a former loan or owe a refund on any grant.
   3. Complete the FAFSA
   4. Complete all applicable Graduate Application forms for Financial Assistance.

Doctoral Processes

The Qualifying Paper. Required of students who specialize in P-12 School Administration, the Qualifying Paper is a substantial critical analysis of the theoretical and empirical literature related to educational leadership, which may or may not be related to the student's dissertation topic. The Qualifying Paper is completed by doctoral students in EDR 707-Leadership Research Seminar during a 10-month period in the student's first year and a half of enrollment. This seminar over its three segments serves as experimental ground for creating a scholarly community among doctoral students while they explore communication essentials, such as evaluating research articles, writing academic pieces including abstracts and literature reviews, and examining effective presentation skills. The final product of the three segments of the seminar is the completion of the Qualifying Paper. The Qualifying Paper must be completed, approved, and on file in the graduate program office prior to enrollment in EDR 712-Dissertation Seminar. In addition, EDR 707 prepares students for academic writing in other doctoral classes and assists students in preparation for Educational Leadership Comprehensive Examinations. Each student's dissertation chair, who is assigned during the fall segment of this seminar, augments advising for the Qualifying Paper. The seminar instructor and the student's dissertation chair constitute a Qualifying Paper Committee, with the seminar instructor having primary evaluation responsibility. Students present the Qualifying Paper to a symposium of doctoral students, faculty, and community as an exit requirement for EDR 707.

The Comprehensive Examinations. Upon completion of all courses prior to the dissertation, the student will receive clearance to take the written and oral Comprehensive Examinations when:
- The student has earned a minimum GPA of 3.2 in pre-dissertation coursework as specified by the Program of Study.
- A dissertation committee for the student has been approved by the Program Director.

The Comprehensive Exams serve as an integrated measure of assessment, and are directed at practical application of knowledge across the curricula. These examinations cover issues, practice, and research in educational leadership. The written exam is prepared by program directors with specific input from professors who write the examination questions and takes place over the course of three days. The written exam consists of questions designed to provide students the opportunity to demonstrate an ability to analyze and
synthesize pertinent knowledge in educational leadership while addressing significant problems and issues in their field. The exam is administered under supervision without the aid of texts or related materials. An oral Critique/Clarification with the student’s dissertation committee follows. Successful completion of the comprehensive examination advances the student to doctoral candidacy, a requirement for registration for dissertation hours. No more than two attempts to pass the examination are permitted.

The Dissertation. The doctoral dissertation is the culminating experience and exit requirement of the Doctor of Education program. The dissertation is scholarly inquiry into an area of professional and intellectual interest. It is a highly individualized experience for the graduate student; thus, the topic of research may vary depending on the professional goals and area of specialization of the student and expertise of the faculty. Working with a dissertation chair early in the program and with faculty throughout the coursework, the student develops a research problem and proposal. Using the expertise and knowledge developed in the research core courses and under the direction of a dissertation chair and committee, the student conducts the research and produces a quality report of the findings. It is expected that the dissertation will follow standard accepted research methodologies and format. Requiring

The Ed.D. in Educational Leadership with a specialization in P-12 School Administration is offered on the Jackson, Germantown, and Hendersonville campuses. In each, doctoral courses and processes form a scholarly community to support students in their personal transformation and in identifying and addressing critical educational issues at the local, state, national, and international levels. The degree program has two areas of concentration:

1. Instructional Leadership (IL). The IL concentration offers a license program which can earn the graduate the Tennessee Instructional Leadership License. Through this concentration, which includes a practicum or internship that is closely supervised and directly related to the student’s individual needs, doctoral students can earn licensure as a principal or supervisor under national standards approved by NCATE and

Program Descriptions

Ed.D. in Educational Leadership Specialization: P-12 School Administration

The Ed.D. in Educational Leadership with a specialization in P-12 School Administration is a blend of theory, research, scholarly inquiry, and best practice in a context of Christian values designed to prepare instructional leaders who can articulate the central issues and solve the salient problems of contemporary education society. The primary purpose is to provide experienced educators a broad, systematic understanding of educational theory, inquiry, and practice, as well as an ability to create and apply current research to educational problems.

Program Outcomes

The six outcomes of the Ed.D. in Educational Leadership with a specialization in Preschool -- Grade Twelve (P-12) School Administration are to:

1. Focus on issues, practice, and research in the field of educational leadership.
2. Foster scholarly inquiry in areas of professional and intellectual interest.
3. Provide highly individualized experiences that meet individual career goals.
4. Foster analysis and problem solving skill and expertise.
5. Prepare leaders who effectively deal with the real issues of school policy and improvement, including best practices in teaching and learning.
6. Encourage ethical service in a framework of Christian values.

The outcomes and statement of purpose emphasize commitment to service in education within a framework of Christian ideals, the essence of the institution's mission and purpose. The program outcomes become much more specific when delineated as objectives in individual course syllabi. The P-12 School Administration specialization is based on a set of national standards developed by the Educational Leadership Constituent Council of the National Council for the Accreditation of Teacher Education (NCATE).

Areas of Concentration

The Union University doctoral degree in Educational Leadership with a specialization in P-12 School Administration is offered on the Jackson, Germantown, and Hendersonville campuses. In each, doctoral courses and processes form a scholarly community to support students in their personal transformation and in identifying and addressing critical educational issues at the local, state, national, and international levels. The degree program has two areas of concentration:

1. Instructional Leadership (IL). The IL concentration offers a license program which can earn the graduate the Tennessee Instructional Leadership License. Through this concentration, which includes a practicum or internship that is closely supervised and directly related to the student's individual needs, doctoral students can earn licensure as a principal or supervisor under national standards approved by NCATE and
Interstate School Leaders Licensure Consortium (ISLLC).

2. Curriculum and Supervision (C&S). The C&S concentration is identical to the IL concentration; however, the C&S concentration does not require the practicum/internship course necessary for Tennessee Instructional Leadership License (C&S students take EDU 613 instead). This area of concentration is for doctoral students who desire the knowledge, skills, and dispositions of a school leader without the licensure.

Course of Study

Both concentrations in the Ed.D. in Educational Leadership P-12 School Administration degree requires completion of a minimum of 60 semester hours with a maximum of 9 hours allowable for transfer by petition from regionally accredited masters programs and an additional transfer of 9 hours permissible from regionally accredited education specialist programs. Thirty-six of the first 39 hours (EDR 707 enrolls only Ed.D. students) of Union’s doctoral program are cross listed with the Union Education Specialist Degree in Educational Leadership. Ed.S. and Ed.D. students enroll in common courses in cohort style, with Ed.D. students meeting doctoral level expectations in research and reflection in all courses. Doctoral students complete a total of 60 semester hours of educational leadership courses that are designed to meet doctoral standards at the national level through NCATE and ISLLC.

Students who have completed the Union Education Specialist Degree (Ed.S.) and desire to return to complete the Ed.D., after having met doctoral admission standards, must complete a set of two “bridge” doctoral seminar courses before enrolling in the final 21 hours of doctoral research courses. The courses are EDR 707, Leadership Research Seminar, which includes the Qualifying Paper, and EDU 711, Seminar in Politics, Policy, and Instruction.

Curriculum for the Ed.D. in Educational Leadership

Specialization: P-12 School Administration

Concentration: Instructional Leadership

Prerequisites: Human Growth and Development, Instructional Technology, Educational Assessment

Transfer Credit by Petition: Maximum of 9 semester hours of master’s credit and 9 semester hours of education specialist credit from regionally accredited institutions may be applied by petition upon approval of the Ed.D. Program Director.

Licensure: The doctoral program with a concentration in Instructional Leadership (IL) leads to a recommendation for licensure as a principal or supervisor in instruction upon successful completion of the first 39 hours of the 60-hour program and satisfactory scores on the SLLA exam. The coursework is designed to meet NCATE, ISLLC, and State of Tennessee licensure standards in school leadership as it integrates doctoral level outcomes in research, practice, and analysis.

Instructional Leadership: The Ed.D. in Educational Leadership (P-12 School Administration) has three components: Leadership Issues, Leadership Practice, and Leadership Research.

Leadership Issues (15 hours)
EDU 610—History and Philosophy of Education
EDU 707—Legal Issues in School Governance
EDU 714—Leadership Issues I: Theories and Strategies
EDU 715—Leadership Issues II: Planning and Finance
EDU 723—Faith and Ethics in Educational Leadership

Leadership Practice (18 hours)
EDU 702—Engaged Learning
EDU 703—Supervision
EDU 706—Organizational Decision Making
EDU 708—Curriculum and School Improvement
EDU 737, 738, 739—Leadership Practicum
OR
EDU 734—Leadership Internship
EDU 786—Seminar: Multicultural and Diversity Issues in Education

Leadership Research (27 hours)
EDR 700—Research Issues in Educational Leadership
EDR 707—Leadership Research Seminar
EDR 712—Dissertation Seminar
EDR 710—Intermediate Statistics
EDR 720—Research Methods and Design
EDR 725—Advanced Statistics and Design
EDR 790—Dissertation (9)

Exit Assessments
Successful Completion of:
• Minimum of 3.2 GPA in Ed.D. courses
• The Practicum or Internship
• The Qualifying Paper
• The School Leader’s Licensure Assessment (SLLA exam required for licensure)
• Dissertation Proposal (with Approval by Committee)
• Comprehensive Examination
• Oral Defense of Comprehensive Examination
• Dissertation
• Oral Defense of Dissertation
Curriculum for the Ed.D. in Educational Leadership

Specialization: P-12 School Administration
Concentration: Curriculum and Supervision

Prerequisites: Human Growth and Development, Instructional Technology, Educational Assessment
Transfer Credit by Petition: Maximum of 9 semester hours of master’s credit and 9 semester hours of education specialist credit from regionally accredited institutions may be applied by petition upon approval of the Ed.D. Program Director.

Curriculum and Supervision: The coursework for this concentration is based on the same NCATE and ISLLC standards as the IL coursework (without practicum or internship requirements) and integrates doctoral level outcomes in research, practice, and analysis in school leadership. This non-licensure track has three components: Leadership Issues, Leadership Practice, and Leadership Research.

Leadership Issues (15 hours)
EDU 610—History and Philosophy of Education
EDU 707—Legal Issues in School Governance
EDU 714—Leadership Issues I: Theories and Strategies
EDU 715—Leadership Issues II: Planning and Finance
EDU 723—Faith and Ethics in Educational Leadership

Leadership Practice (18 hours)
EDU 613—Brain-Based Learning
EDU 702—Engaged Learning
EDU 703—Supervision
EDU 706—Organizational Decision Making
EDU 708—Curriculum and School Improvement
EDU 786—Seminar: Multicultural and Diversity Issues in Education

Leadership Research (27 hours)
EDR 700—Research Issues in Educational Leadership
EDR 707—Leadership Research Seminar
EDR 710—Intermediate Statistics
EDR 712—Dissertation Seminar
EDR 720—Research Methods and Design
EDR 725—Advanced Statistics and Design
EDR 790—Dissertation (9)

Exit Assessments
Completion of:
• Minimum of 3.2 GPA in Ed.D. courses
• The Qualifying Paper
• Dissertation Proposal (with Approval by Committee)
• Comprehensive Examination
• Oral Defense of Comprehensive Examination
• Dissertation
• Oral Defense of Dissertation

Ed.D. in Educational Leadership
Specialization: Higher Education

The Ed.D. in Educational Leadership with a specialization in Higher Education is the second area of specialization, along with P-12 School Administration, to be offered by Union University’s School of Education. The doctorate in Higher Education, offered only on the Jackson campus, is designed to prepare college and university professionals to serve as administrators and teachers, with special attention to the needs of smaller independent institutions of higher education. It prepares graduates to assume leadership positions in the fields of education, especially higher education, as well as government, business, and research. The degree program is delivered in a combination of campus, blended on-line/campus, and fully online courses to ensure service to a national community. The primary purpose of the Ed.D. in Educational Leadership with a specialization in Higher Education is to provide experienced educators a broad and systematic understanding of educational theory, inquiry, and practice, and an ability to create and apply current research to educational problems.

Program Outcomes
The six outcomes of the Ed.D. in Educational Leadership with a specialization in Higher Education are to:
1. Focus on issues, practice and research in the field of higher education;
2. Foster scholarly inquiry in areas of professional and intellectual interest;
3. Provide highly individualized experiences that meet individual career goals;
4. Foster analysis and problem solving skills and expertise;
5. Prepare leaders who effectively deal with the challenges facing higher education; including best practices in teaching and learning;
6. Encourage ethical service in a framework of Christian values.

The outcomes and statement of purpose emphasize commitment to service in education within a framework of Christian ideals, the essence of the institution’s mission and purpose. The program outcomes become much more specific when delineated as objectives in individual course syllabi.
Course of Study
The Ed.D. in Educational Leadership Higher Education degree requires completion of a minimum of 60 semester hours with a maximum of 9 hours from regionally accredited graduate programs applied in transfer by petition and upon approval of the Ed.D. Program Director. The degree program begins a new cohort each June on the Jackson campus and is delivered in a combination of campus, blended online/campus, and fully online courses to ensure service to a national community. Its goals include the university's guiding principles of academic excellence, Christian values, development of the whole person, and future-driven scholastic agendas. For a schedule of courses in the Higher Education specialization, please visit the Union University website at www.uu.edu.

Curriculum for the Ed.D. in Educational Leadership

Specialization: Higher Education
The Doctor of Education curriculum for the specialization in Higher Education has three components: Leadership Issues, Leadership Practice, and Leadership Research. The Higher Education Program courses for each component are categorized below:

Leadership Issues (15 hours)
- EDU 701—Leadership, Organizations and Change
- EDU 710—History and Philosophy of Higher Education
- EDU 723—Faith and Ethics in Educational Leadership
- EDU 728—Strategic Planning and Marketing for Higher Education
- EDU 745—Higher Education Policy and Assessment

Leadership Practice (15 hours)
- EDU 702—Engaged Learning
- EDU 705—The American College Student
- EDU 720—Curriculum Design and Evaluation in Higher Education
- EDU 730—Service-Learning in Higher Education
- OR EDU 750—Proseminar
- OR EDU 788—Special Studies

Leadership Research (30 hours)
- EDR 700—Research Issues in Educational Leadership
- EDR 710—Intermediate Statistics
- EDR 720—Research Methods and Design
- EDR 725—Advanced Statistics and Design
- EDR 750—Proseminar: Leadership Seminar
- EDR 750—Proseminar: Dissertation Seminar
- EDR 790—Dissertation (12)

Exit Assessments
Successful Completion of:
- Minimum of 3.2 GPA in Ed.D. courses
- Dissertation Proposal (with Approval by Committee)
- Comprehensive Examination
- Oral Defense of Comprehensive Examination
- Dissertation
- Oral Defense of Dissertation

Course Descriptions

Education (EDU)

610. History and Philosophy of Education (3)
A study of the history and philosophy of American education with attention to European antecedents, and philosophical movements such as Idealism, Realism, Perennialism, Essentialism, Progressivism, Reconstructionism, and Existentialism.

613. Brain-Based Learning (3)
A study of teaching strategies which focus on student learning such as constructivism, brain-based teaching and learning, integrated thematic instruction, inquiry and multiple intelligence learning styles.

701. Leadership, Organizations and Change (3)
A critical examination of key theories, functions and practices involving leadership and organizations with specific emphasis on individual and organizational responses to change. In addition to traditional applications, students will analyze leadership styles and organizational case studies through multiple frameworks.

702. Engaged Learning (3)
A contemporary account of the principles of learning with emphasis on engaging the learner in the classroom. Topics: Concepts of teaching, learner characteristics, designs for learning environments, and effective teaching. Research in cognition, learning, and teaching forms a foundation for the course.

703. Supervision (3)
Analysis of supervisory models and techniques, management techniques and group processes, staffing patterns and organizational structures to support teaching and learning. Students develop skills in all aspects of instructional planning.

705. The American College Student (3)
The social, psychological, cultural and historical contexts of the student in higher education. Current trends, projections and models for practice will be considered and analyzed.
706. Organizational Decision Making (3)
Theoretical approaches to understanding complex organizations are examined and applied to educational organizations, drawn from organizational theory, development and behavior. Students develop effective solutions for interpersonal, structural, and organizational problems experienced in contemporary educational communities. Strategic planning for educational change, including technological, is studied.

707. Legal Issues in School Governance (3)
Areas of the law as it impacts school administrators are studied including, but not limited to, sources of the law and the courts; the law, students and educational personnel; desegregation and its effects; school finance issues and school district liability; federal law; and regulations involving special education.

708. Curriculum and School Improvement (3)
Study and evaluation of modern practices and strategies in curriculum development with the emphasis on school improvement. The process of curriculum planning with a focus on system accountability and student learning is studied.

709. Legal Issues in Higher Education (3)
Legal processes as well as legal rights, responsibilities, duties and liabilities of faculty, administrators and students within the context of higher education. Included will be studies from constitutional, statutory and case law.

710. History and Philosophy of Higher Education (3)
An examination of the historical and philosophical system of education in the United States considering issues to include: American system of education, survey of theories of education, and factors and forces changing American education philosophies.

711. Leadership Seminar: Politics, Policy, and Instruction (3)
This seminar is offered to Union Ed.S. students only as one of the two bridge courses for admission to the Ed.D. in Educational Leadership—Specialization in P-12 Administration. This course is designed to allow the doctoral student to analyze and synthesize current knowledge related to issues in politics, public policy and school instructional practices. The course will focus on relationships between public policy and education; recognizing policy issues; and relating policy initiatives to student welfare. Current philosophical and cultural issues reflective of local, regional, national and global contexts will be studied.

712. Pre-Candidacy Resources (0)
Non-credit, non-graded course for graduate students to allow access to university resources while they are not actively completing coursework. Upon receiving special permission from the Dean’s office, doctoral students have access to the library, applicable tools and software.

714. Leadership Issues I: Theories and Strategies (3)
A thorough introduction to the essential issues of educational leadership including strategic planning, theories of leadership development, the change process, school improvement, comprehensive reform in schools, systems perspectives and more.

715. Leadership Issues II: Planning and Finance (3)
Prerequisite: EDU 714
An application of leadership issues related to planning and finance, including school improvement planning, policies for equity and diversity, the management of collective bargaining, fiscal and non-fiscal resources for districts, budget planning and management collaborative planning, use of media and more.

719. Comparative Higher Education (3)
A comparative study of selected delivery systems, theoretical constructs, cultural influences and implications, governmental involvement as well as educational outcome expectations.

720. Curriculum Design and Evaluation in Higher Education (3)
Curriculum planning, design, implementation and evaluation by examination of purpose, content and context of college curriculum with emphasis on the best practices for design and evaluation.

723. Faith and Ethics in Educational Leadership (3)
A critical analysis of faith issues, ethical decision-making, world-view frameworks and values questions in the context of schools and educational leadership, especially in the public sector but not excluding the private. Techniques and tools are identified and practiced to analyze, clarify and evaluate ethical issues within educational contexts.

728. Strategic Planning and Marketing for Higher Education (3)
The role of strategic planning and marketing in higher education utilizing case studies methods and applications. The student will develop strategic plans for utilizing integrated marketing approaches for higher education.

730. Service-Learning in Higher Education (3)
A comprehensive examination of service-learning as a philosophy of education, pedagogy and program type. Successful models of service-learning programs will be analyzed and students will explore the benefits and challenges of this form of engaged learning. To include the design of a service-learning program.

732. Leadership Growth Paper (3)
The Leadership Growth Paper is the culminating experience of the Ed.S. Program. The paper affords the Educational Leadership student the opportunity to engage in action-oriented research on a problem tied to school improvement. The problem is identified in EDU 708, and data is collected at the school or school system level. This course provides a context for completion of the paper by Curriculum and Supervision students.
734. Leadership Internship (3)
Prerequisite: Approval from Office of Graduate Studies in Education.
The internship for the Administration and Supervision track of the Ed.S. in Educational Leadership is a five-month, mentored experience involving two or more settings and multiple levels with an introductory field practicum of one month. It is the application in a workplace environment of the strategic, instructional, organizational and contextual leadership program standards. Students in the Education Specialist Administration and Supervision program develop and present a “Leadership Growth Paper” in the context of their internship work.

737. Leadership Practicum I (1)
Prerequisite: approval from Office of Graduate Studies in Education.
The practicum for the Administration and Supervision concentration (Standard Route) is an eight-month, mentored experience in a cooperating school system. It is the application in a workplace environment of the strategic, instructional, organizational and contextual leadership program standards. Students in the Education Specialist Administration and Supervision concentration develop and present a “Leadership Growth Paper” in the context of their practicum work. Pass/Fail.

738. and 739. Leadership Practicum II (1) and III (1)
Continuation of 737 using a graded format.

740. Leadership Internship in Higher Education (3)
The Internship is an approved, mentored, experience that provides the Higher Education student the opportunity to engage with issues impacting the nature and function of higher education in a workplace environment. Students prepare an “Executive Summary” that reflects the context of their internship experience.

745. Higher Education Policy and Assessment (3)
Current policy and assessment issues in with specific attention to the nature and function of policies that impact administrative posts in higher education as well as assessment strategies and procedures in diverse higher education settings.

750. Proseminar in Higher Education
This Series introduces the student to the diverse, interdisciplinary issues of higher education while considering current issues and trends in higher education and encouraging engagement between the areas of practice, research, and theory.

751. Dissertation Proposal Development (3)
Prereq: successful completion of all EdD coursework and Comprehensive Exams.
Doctoral-level course offers an opportunity, within one semester, to extend the time needed by EdD students to develop the dissertation proposal. Special permission for this course should be requested through the Dean’s office. Pass/Fail.

786. Seminar: Multicultural and Diversity Issues in Education (3)
A seminar course dealing with the theoretical and applied bases of educational administration in multicultural contexts. Students examine through readings the needs and characteristics of various cultural groups with the focus on translation to practice and policy.

788. Special Studies (1-3)
A variable topics course in either Leadership Issues or Leadership Practice that do not appear in regular course offerings. These group studies may be offered as needed.

---

**Education Research (EDR)**

700. Research Issues in Educational Leadership (3)
Students learn to locate, critique, and report research findings; apply introductory methods of analyzing, synthesizing and evaluating research evidence; compare types of qualitative and quantitative educational research; and design a “Problems Paper” utilizing action research in an educational leadership context.

707. Leadership Research Seminar (1, 3)
Prerequisite: EDR 700
This course provides students opportunity to demonstrate clear understanding of the interrelated nature of the experiences from the educational leadership courses in their doctoral program through critical discourse on contemporary issues. The seminar series will serve as experimental ground for creating a scholarly community among doctoral students while they explore communication essentials, such as evaluating research articles, writing academic pieces including abstracts and literature reviews, and examining effective presentation skills. The final product of the 3rd segment of the seminar is the completion of the Qualifying Paper, a substantial critical analysis of the theoretical and empirical literature related to educational leadership, which may or may not be related to the student’s dissertation topic. The first enrollments are graded IP (In Progress) if work is satisfactory or F if not. The final satisfactory enrollment will award 3 graded hours that repeat the IP from the previous enrollments such that the student earns a total of 3 hours when fully successful.

710. Intermediate Statistics (3)
Prerequisite: EDR 700.
This course is designed to provide the student an opportunity to analyze data from experimental designs using analysis of variance and multiple regression and to apply the data for school improvement.
712. Dissertation Research Seminar (1, 3)
Prerequisite: EDR 707
This course is offered in seminar format in 3 segments. It serves as experimental ground for creating a scholarly community among doctoral students, coinciding with enrollment in EDR 710, 720 and 725. The seminar assesses researchable questions in leadership and administration in a student's area of specialization resulting in a Dissertation Proposal. Repeated for a maximum of 3 hours credit. The first enrollments are graded IP (In Progress) if work is satisfactory or F if not. The final satisfactory enrollment will award 3 graded hours that repeat the IP from the previous enrollments such that the student earns a total of 3 hours when fully successful.

720. Research Methods and Design (3)
Prerequisite: EDR 710.
This course is designed to provide the student an opportunity to explore the issues, procedures, and problems associated with methods and design of qualitative and experimental models. Students are required to begin the dissertation prospectus process during this course.

725. Advanced Statistics and Design (3)
Prerequisite: EDR 720.
This course is designed to address multivariate statistical analysis and advanced design analysis in educational research. Specific attention is given to individual student research and the completion of the dissertation proposal.

750. Research in Higher Education (3)
The Series introduces students to the diverse, interdisciplinary issues of higher education while considering current issues and trends in higher education and encouraging engagement between the areas of practice, theory and research.

751. Dissertation Research (3)
Prerequisite: EDR 750
This course advances the student's development as researcher and scholar through the assessment of researchable questions in higher education resulting in a Dissertation Proposal.

790. Dissertation (2-4)
Prerequisite: Successful completion of Ed.D. oral and written comprehensive examination and approval of the Dissertation Proposal.
The doctoral dissertation is the culminating experience of the Doctor of Education degree involving a scholarly inquiry into an area of professional and intellectual interest. The student will conduct research and produce a quality report of the findings involving a written and oral defense of the research. Students will register for a total of 6-12 hours of credit. The course is graded PR (progress) or F (failure). Each doctoral student must submit his pre-dissertation or dissertation manuscript for publication or presentation, as written by him/her during enrollment in the Educational Specialist phase/Education Doctorate Program at Union University. Validated verification of official submission by the student's Dissertation Chair must be on file in the Dean's Office before the student will be permitted to defend his/her dissertation. With successful completion of the dissertation the final semester is graded Pass and all previous PRs are converted to Pass.
SCHOOL OF SOCIAL WORK

COLLEGE OF EDUCATION AND HUMAN STUDIES

Degrees Offered
Available on the Jackson Campus
• Master of Social Work

Master of Social Work Mission Statement
In solidarity with the mission of Union University, the School of Social Work educates and equips competent, compassionate, and effective social workers to be transformational leaders who enhance human well-being and promote social justice.

Program Outcomes
The goals of the Master of Social Work Program are:
1. To equip students with knowledge, values, and skills for excellence in social work practice within the context of Christian higher education;
2. To foster compassionate service and promote social and economic justice;
3. To prepare social workers to be leaders in communities at state, national, and international levels;
4. To increase the availability of competent master-level prepared social work professional leadership in the surrounding region.
5. To prepare students to pursue advanced scholarship in post–M.S.W. education.
Program Delivery
The MSW Program accepts students as full-time or part-time students to begin in fall or spring semesters. Students entering with a degree other than the BSW must complete 60 credit hours in two, three, or four years to complete the program. Qualified applicants with the BSW may be eligible for the Advanced Standing program, which requires 33 hours to complete the MSW in one year full-time or two years part-time. Qualifications include graduation with the BSW from a CSWE-accredited program, a GPA of at least 3.0, and writing samples, field evaluation and references that meet the standards of the MSW Admissions Committee. (More information appears below.) This degree is not offered in a totally online format; however, depending on the content, both classroom and online options appear throughout the academic year.
http://www.uu.edu/academics/graduate/msw/

Accreditation
The M.S.W. program is accredited by the Council on Social Work Education (CSWE).

Graduate Program Admission Requirements
Admission to the program will be based on competitive selection from the pool of applicants who meet the following admission requirements:
1. Completion of a baccalaureate degree from a regionally accredited college or university.
2. Official transcript(s) from all undergraduate and graduate coursework attempted.
3. Three letters of professional/academic reference specifying the applicant’s capabilities for graduate study.
4. Completed application, including writing sample and personal statement, with application fee of $25.00.
5. Cumulative GPA of at least 2.65 for the baccalaureate degree.
6. A completed immunization form.
7. An interview with the Social Work Admissions Committee may be requested.
8. The following personal qualities: Self-awareness, empathy, objectivity, appreciation of diversity, professional commitment, critical thinking ability, effective oral and written communication skills, and the ability to advocate for and empathize for and with others.
9. A signed statement indicating that he/she has read and will follow the Code of Ethics of the National Association of Social Workers.

Program Options:

Full-time Program (Two years):
Students will complete 30 credit hours per year, 15 credit hours each fall and spring semester. In addition each student will complete 350 clock hours of field practicum in the first year and 550 clock hours of field practicum in the second year.

Part-time Program (Three years):
The part-time program requires year-round attendance. Fall and spring terms of 14 weeks each and summer terms of 8 weeks meet for three years. Each student will complete 21 credit hours both in the first and second years and 18 credit hours in the third year.

Part-time Program (Four years):
This option has classes in the fall and spring terms only with summer term electives optional. The student completes 6 credit hours each term in the first and third years and 9 credit hours each term in the second and fourth years. The second and fourth years include the field practicum experiences.

Advanced Standing Program:
A student with a B.S.W. degree from a CSWE-accredited undergraduate program may apply for admission to the Advanced Standing Program. Requirements for admission to Advanced Standing include:
1. A minimum GPA of 3.0 in the undergraduate program.
2. References from faculty/field supervisors in the undergraduate program that suggest readiness for advanced graduate work.
3. At least a grade of “B” in the Advanced Standing Bridge Course (SW 599) offered in the summer term prior to taking required classes.
4. All other regular requirements for admission to the M.S.W. program.

Progression in the program:
1. After being approved for admission to the MSW program, the student will enroll in the courses according to the prescribed sequence.
2. A cumulative GPA of 3.0 on a 4.0 scale must be maintained, with no grade less than a B required to pass all courses. Students may repeat once a course in which
they earn lower than a B. Elective courses with a grade lower than a B need not be repeated, but no credit will be given toward graduation. Students earning less than a B in field practicum will be referred to the Committee on Student Academic and Professional Evaluation (CSAPE), a faculty committee, for action, which may include termination from the program. Students whose cumulative GPA falls below 3.0 will be referred to CSAPE who will act in accordance with the policies that are identified in the MSW Student Handbook. One option is to place a student on academic probation status. Students who are on academic probation for two consecutive terms will be suspended from the program. At least one term (not including summer unless specifically stipulated otherwise in the suspension decision) must elapse before reapplying.

3. Continuation in the MSW program is contingent upon compliance with ethical and professional standards of conduct stipulated by the Code of Ethics of the National Association of Social Workers. Reasons for dismissal can include inadequate interpersonal skills and an inability to conform to the Core Performance Standards of the School of Social Work.

4. Successful completion of the required coursework, 900 clock hours in an approved social service agency, and attendance in field seminar class concurrent with each social work field practicum are required for graduation, along with a GPA of 3.0 or better. All field practica must be passed with a grade of B or better.

5. Graduation requirements follow the guidelines of Union University.

**Financial Information**

The registration of a student signifies an agreement by the student to fulfill the related financial obligations. **Tuition:** $445/semester hour for the 2012-2013 MSW program.

- **Non-degree seeking post-baccalaureate students:** $445/semester hour
- **Application Fee (non-refundable, one time only):** $25
- **Course Drop Fee:** $10
- **Graduation Fee:** $25
- **Insurance fee (per year) if student does not have private insurance:** $25
- **Field Instruction Fee:** $70 per Field Seminar enrollment
- **Cap and Gown Purchase:** approx. $40-50
- **Criminal Background check:** $70
- **Advanced Standing Student Fee (SW 599)** $25

Any combination of the following payment is available.

1. Check, cash, or credit card (MasterCard, Discover, American Express)- a 2.5% service charge will be applied when payment is by credit card.
2. Federal Stafford loan
3. Employer reimbursement
4. FACTS (an electronic monthly draft from a savings or checking account)

**Financial Assistance**

**Federal Stafford Loans**

Students enrolled in the Master of Social Work program for a minimum of six hours per semester, fall or spring, may apply for the Federal Stafford Loan. The Stafford loan application process will require that you:

1. Complete and forward the FAFSA (Free Application for Federal Student Aid) to the federal government with Union University's code of 003528.
2. Complete a Union Financial Aid Application and forward to the Union University Student Financial Planning Office.
3. For more information, contact the Student Financial Planning Office at 731-661-5015 or go to www.uu.edu/financialaid.

If a Federal Stafford Loan is not approved and available at the time of registration, the student must assume the cost by paying in full by check, cash, credit card, or FACTS.

VETERANS
Union University is approved to offer educational benefits to veterans, reservists, and dependents who qualify for veterans benefits. Any person who qualifies for the above should check with the Student Financial Planning Office as soon as possible upon registration.

EMPLOYER TUITION REIMBURSEMENT
1. Students are responsible for providing information to the university regarding their employer’s policies for tuition reimbursement.
2. If an employer reimburses a student directly, the student must pay the university in full at the time of registration.
3. If an employer provides partial reimbursement directly to the university, the student must pay his/her portion of tuition at the time of registration.
4. The university will provide required information to an employer when requested by the student.

ACCEPTANCE DEPOSITS
A non-refundable tuition deposit of $100 is required to reserve a place in the MSW program after an applicant is accepted.

GRADUATION REQUIREMENTS
1. Completion of all course work.
2. A minimum grade point average of 3.0 for the required course of study.
3. An application for graduation to be submitted to the Graduate Social Work Office. Application deadlines are March 1 for May graduation, October 1 for December graduation, and May 1 for August graduation.
4. Full payment of the student’s account in the Business Office
5. Discharge of all other obligations (fines, fees, etc.) to the University.

STUDENT ORGANIZATIONS
M.S.W. Student Organization
A professional organization is open to all M.S.W. students to assist in developing professional social work identity by regular meetings, educational events, and opportunities for students to lead in service to various social service agencies and the community.

Phi Alpha Honor Society
National Honor Society for Social Work Students, Eta Phi Chapter, fosters high standards of education for social work students and invites into membership those who have attained excellence in scholarship and achievement. Students with a GPA of at least 3.8 are considered for membership. Other criteria for membership include experience in field practicum and leadership in the social work program. Students become eligible for membership after completion of 15 hours in the curriculum.

PROGRAM CALENDAR
Classes meet on Monday and Thursday evenings for full-time students. Part-time students have classes only on Monday nights. Classes may include both in-class and on-line instruction. Electives may be held any night of the week or on Saturday or be totally online.
See http://www.uu.edu/academics/graduate/msw for additional information.
Course Descriptions: Social Work (SW)

500. Human Behavior and the Social Environment I: Theoretical Foundations (3)
A foundational course providing a framework for creating, organizing, and understanding theory, research, and practice issues of human behavior and the social environment.

501. Human Behavior and the Social Environment II: Assessment through the Lifespan (3)
Prerequisite: SW 500.
This course uses a person-in-environment theoretical framework to provide the knowledge, values, and skills necessary for understanding human behavior as a function of biological, psychological, social, spiritual, and cultural systems across the lifespan.

510. Social Welfare and Social Justice (3)
An introductory background to the history, policy, programs, practice, and values of the social work profession.

520. Practice I: Communities and Organizations (3)
An examination of practice theory and methods with communities and organizations, including community organization and development, organizational theory and behavior, and advocacy.

521. Foundations for Research (3)
The conceptual foundations and methods of evidence-based research. Qualitative and quantitative research will be explored, as well as beginning practice research.

530. Practice II: Individuals and Families (3)
An examination of practice theories and methods for work with individuals and families. The course will emphasize client engagement, assessment, cultural competence, and problem-solving.

535. Policy Analysis and Advocacy (3)
Social policy focusing on major social welfare issues to equip students to analyze and evaluate policy and to develop knowledge and skills for advocacy.

540. Social Work with Groups (3)
An introduction to group theory, group development and methods of practice, various types of groups, and ethical issues that arise in work with groups.

590. and 591. Field Seminar I and II (3 each)
Students participate in Field Seminar when placed in a field practicum. Field Seminars I and II are designed to assist the student with processing the graduate level foundation year field experiences and in applying classroom learning to practice.

599. Advanced Standing Bridge Course (3)
A concentrated, rigorous seminar-styled course designed to prepare the Advanced Standing student for the concentration year of the M.S.W. curriculum. It links the student's undergraduate BSW education and practice experience in preparation for the final year of the M.S.W.

605. Psychopathology: Assessment, Diagnostics, and Treatment (3)
Preparation for clinical social work practice by establishing the knowledge and skills for assessment, diagnostics, and treatment in mental health and mental disorders.

623. Theory and Ethics for Advanced Practice (3)
The capstone course for the Masters in Social Work degree addressing the integration of professional knowledge, values, and skills under a rubric of theoretical and ethical practice.

631. Practice and Program Evaluation (3)
Advanced graduate level research course designed to offer the student an opportunity to demonstrate advanced theoretical and practical approaches to program planning, development, grant writing, evaluation, and monitoring.

650. Advanced Practice with Individuals and Families (3)
An advanced course in social work practice with individuals and families focusing on evidence-based and culturally competent practice. Various theories and methods for work with individuals and families will be explored in depth with an aim toward equipping the advanced practitioner for skilled practice.

660. Advanced Practice in Community Development and Administration (3)
This advanced course in administrative and community practice focuses on leadership skills for use in advanced generalist practice. Planned change processes, program development and administration, teamwork, consensus organizing, grant writing and program management expertise are contexts for social work leadership.

690, 691. Field Seminar III and IV (3 each)
Students participate in the advanced field seminars during the graduate level concentration year field practicum. Field seminar III and IV are designed to assist the student with processing the advanced year field experiences and in applying classroom learning to practice.
Social Work Electives

The School of Social Work offers a selection of elective classes each year. Nine hours of elective credit are required for the M.S.W. These elective classes give students an opportunity to specialize in particular fields of social work practice or to explore social problems in depth.

550. Grant Writing and Grant Management (3)
Prepares students with resources to successfully submit competitive proposals and state and federal applications for funding. Includes writing purpose statements, background and justification, personnel, timelines, methods, budget, evaluation process, and effective management of funds upon approval.

551. Spirituality and Religion in Social Work Practice (3)
An overview of the ways spirituality and religion participate in SW practice, with particular emphasis on their inclusion as necessary components of assessment, planning, treatment, and evaluation in culturally-competent social work practice. Students examine influences in a diverse range of religious traditions and spiritual practices.

552. Addictions Counseling (3)
Introduction to addictions counseling with intensive understanding of the etiology, progress and counseling strategies for addictive disorders. Emphasis is on acquiring a comprehensive definition of addiction behaviors and review of the impact of addiction on individual and family systems.

553. Social Work Services in Schools (3)
Knowledge and skills for effective social work practice in a school setting, as the professional provides a link between school, student, home and community, primarily using case management and advocacy skills. Requires a 590-690 hours in a school Field Placement.

554. Clinical Social Work in Health Care (3)
Exploration of professional, clinical and ethical issues within a complex and rapidly changing system. Utilizing a biopsychosocial model and systems perspective, students are introduced to various practice settings across continuum of health care delivery including inpatient, outpatient, and community-based services. Skill development is focused on interdisciplinary team work, assessment, care planning, intervention and documentation.

555. Gender and Sexuality (3)
An analysis of gender and sexuality in American society and cross-culturally. Gender roles and human sexuality are examined across the life span with an emphasis on physiological, psychological, familial, and other societal factors that influence gender and sexuality. Also investigated are ways in which sexuality and gender intersect with and help shape social institutions.

556. Social Work and the Law (3)
The legal framework for social work practice including basic legal terminology, awareness of legal system, laws commonly affecting practice, understanding the role in court proceedings, and an exposure to diverse areas of law. Additionally, consideration of how law is a valuable tool for promoting social justice.

557. Faith-Based Social Services (3)
Introduction to the nature of faith-based social services, both in church and community contexts while exploring their biblical bases as well as faith-based advocacy for social justice, various models, and related government policies.

558. Play Therapy: Theory and Practice (3)
An introduction and overview of the evidence-based practice standards of play therapy for children and adolescents by explicating its theoretical basis and other essential elements including history, modalities, technique, applications, and skills.

610. Social Work Practice with HIV-Positive Affected Groups (1-3)
Acquaints the student with the emotional, physical, economic, and sociopolitical aspects of the HIV Spectrum disease and its impact on African-American women. Issues of race, class, gender, and age will be a vital part of the course. This course may be repeated for additional credit on different topics.

611. Supervision in Social Work Practice (1-3)
This elective course encompasses the work of accountability and continued training of professional social workers within and across a variety of social work practice contexts. This course may be repeated for additional credit in differing areas of practice.

612. Crisis Intervention (1-3)
Designed to equip students to rapidly assess and intervene in crisis situations and maximize safety and stability for those involved, this course will explore models of crisis development and empirically-based crisis interventions. This course may be repeated for additional credit on different topics.

Other Variable Credit and Variable Content Courses

579, 679. External Domestic Study Programs (1-4)
All courses and application to the program must be defined prior to travel.

580, 680. Study Abroad Programs (1-4)
All courses and application to the program must be defined prior to travel.

585, 586, 587. Special Studies in Social Work (1-6)
Group studies which do not appear in the School course offerings. Content will be determined by need.

655. Independent Study in Social Work (1-3)
Individual research and study under the guidance of a social work professor.
Degrees Offered

Master of Science in Nursing
- Education track (on-line)
- Nursing Administration track (on-line)
- Nurse Practitioner tracks: Family, Pediatric, and Adult/Geriatric (Jackson, Germantown, and Hendersonville campuses)
- Nurse Anesthesia (Jackson campus)

Post-master’s Certificate
- Education (on-line)
- Administration (on-line)
- Nurse Practitioner: Family, Pediatric, and Adult/Geriatric (Jackson, Germantown, and Hendersonville campuses)

Doctor of Nursing Practice (Jackson campus)

Mission Statement for the School of Nursing
The mission of the School of Nursing is to be excellence-driven, Christ-centered, people-focused, and future-directed while preparing qualified individuals for a career in the caring, therapeutic, teaching profession of nursing.
MASTER OF SCIENCE IN NURSING

SCHOOL OF NURSING

Available on the Jackson, Hendersonville, and Germantown Campuses

Mission Statement
To prepare graduates for advanced professional nursing practice with specific functional and clinical abilities.

Program Goals
- To provide masters nursing education that builds on the baccalaureate undergraduate foundation.
- To prepare the graduate for advanced professional nursing practice with specific functional and clinical abilities.
- To prepare advanced practice nurses academically for doctoral study in nursing.

Program Outcomes
The graduate of the master's nursing program will be able to:
1. Incorporate theory and research in advanced practice nursing.
2. Assume leadership roles in one’s specialty area of nursing to promote health and well being of persons in an intercultural world.
3. Integrate knowledge of health care economics and policy into the delivery of cost effective, ethically responsible nursing care.
4. Manage information using technology to influence nursing practice.
5. Demonstrate competency in the selected nursing practice.

The Cohort Approach and Calendar
In the fall semester of each year the M.S.N. Program accepts students in the Nurse Education, Nurse Administration, and Nurse Practitioner tracks. Groups pursue the degree as a cohort. This model emphasizes group cohesion, cooperation, and interactive support. Within semesters, some courses are offered in an accelerated, 7-8 week format.

In the winter term of each year the M.S.N. Program accepts approximately 25 students in the Nurse Anesthesia track for the Jackson campus as a cohort. The program ends 31 months later in August. The program consists of 9 semesters with some courses offered in an accelerated 4-week format. The Union University School of Nursing Nurse Anesthesia track is accredited by the Council on Accreditation of Nurse Anesthesia Educational Programs (COA).

Each cohort is presented its unique calendar for the complete program. Current M.S.N. calendars are available at http://www.uu.edu/academics/graduate/msn/

Graduate Program Admission Requirements
Admission to the program will be based on competitive selection from the pool of applicants who meet the following admission requirements:
1. Completion of a baccalaureate degree in nursing from an accredited program
2. Official transcript(s) from all undergraduate and graduate coursework attempted
3. Proof of current unencumbered RN licensure.
4. Interview with the Nursing Graduate Admissions Selection Committee
5. Three letters of professional/academic reference specifying the applicant’s capabilities for graduate study. One letter of reference must be from the applicant’s immediate supervisor.
6. Completed application with application fee of $50.00
7. Last 60 hours cumulative GPA of 3.0 on a 4.0 scale
8. Completion of undergraduate statistics course
9. Cleared criminal background check
10. Clean drug screen

Additional admission requirements for the nurse anesthesia track include:
12. At least 1 year of critical care experience as a registered nurse.
13. Eligible for RN licensure in TN, KY, and MS.

Students admitted to the program must have and maintain while in the program:
1. Current CPR certification
2. Evidence of Hepatitis B, MMR, polio and tetanus vaccination
3. Rubella and varicella titers or proof of immunization
4. Freedom from tuberculosis as evidenced by a negative PPD or health provider examination
5. Current ACLS and PALS certifications (Nurse Anesthesia only)
6. Health insurance
Conditional Admission

Applicants who do not meet the regular admission requirements to the M.S.N. program may be admitted conditionally at the discretion of the M.S.N. Graduate Admissions Committee. Conditional admission will require contractual agreement between the applicant and the Graduate Admissions Committee. The contract will specify the conditions and deadlines that must be met to matriculate to the regular M.S.N. program.

Transfer of Credit

Graduate credit for courses earned at a regionally accredited college or university or at a foreign college or university may be transferred to Union University if the courses are essentially the same as those required in the M.S.N. program. Such transfer credit will not be allowed for courses used to satisfy another degree at another institution. The maximum number of semester hours that may be transferred to Union University and applied to the M.S.N. degree is nine.

Applicants may take a maximum of two M.S.N. core courses prior to being enrolled in their respective M.S.N. track cohort. Enrollment in core nursing courses does not guarantee acceptance into a specific track.

No grade less than “B” may be transferred. Courses taken more than five years before beginning the M.S.N. program at Union University will be considered on an individual basis.

Financial Information

Tuition is $510 per semester hour for the Education and Administration tracks. Tuition for Nurse Practitioner Tracks is $490 per semester hour. Tuition for the Nurse Anesthesia Track is $745 (new students only) per semester hour. Full payment for a term (winter, fall, spring, summer, or other non-regular term) is expected at the time of registration for classes.

Application Fee: $50
Graduation Fee: $25
Insurance fee per year (excluding Nurse Anesthesia): $25
Insurance Fee, Nurse Anesthesia: variable
Binding of Thesis or Scholarly Project: $45
Course Tracking System: $75
Case Tracking System (NAT): $150
Sitting fee for composite picture of class: $35
Cap and Gown Rental: approx. $150
Criminal Background check: $70
Urine Drug Screen: $25
Simulation Fee/Nurse Anesthesia: $3000
NUR 600 Lab Fee: $50

Any combination of the following payment is available.
1. Check, cash, or credit card. The latter is subject to a convenience fee of 2.5%.
2. Federal Stafford loan
3. Employer reimbursement
4. FACTS (an electronic monthly draft from a savings or checking account)
Books cost approximately $150 per course and are purchased from LifeWay Christian Stores.

Federal Stafford Loan

The Stafford loan application process will require that you:
1. Complete and forward the FAFSA (Free Application for Federal Student Aid) to the federal government with Union University’s code of 003528.
2. Complete a Union Financial Aid Application and a Stafford Master Promissory Note and forward to the Union University Student Financial Planning Office.
3. For more information, contact the Student Financial Planning Office at 731-661-5015.

If Federal Stafford loan is not approved and available at the time of registration, the student must assume the cost by paying in full by check, cash, credit card, or FACTS.
Employer Tuition Reimbursement
1. The student is responsible for providing information to the university regarding his/her employer’s policies for reimbursement.
2. If the employer reimburses the student directly, the student must pay the university in full at the time of registration.
3. If the employer provides partial reimbursement directly to the university, the student must pay his/her portion of tuition at the time of registration.
4. The university will provide any required information to an employer when requested by the student.

Acceptance Deposits
The Nurse Anesthesia track requires a $1,000 tuition deposit. All other M.S.N. tracks require a $300 acceptance deposit. These deposits are non-refundable if the student elects not to enroll. Applicants accepted on an “alternative” basis will receive a full refund if status is not changed to “accepted” by the first day of class.

Graduation Requirements
1. Completion of the course work within each specified track.
2. A minimum grade point average of 3.0 for the required course of study.
3. File an application for graduation with the Graduate Nursing Office. The application deadline is October 1 for students who plan to complete degree requirements for December graduation. The deadline for August graduation is May 1.
4. Pay in full the student’s account in the Business Office
5. Discharge all other obligations (finances, credentials, fees, etc.) at the University.

M.S.N., Education, Administration, Nurse Practitioner Tracks
(Available on Jackson and Germantown Campuses)
I. M.S.N. Core Requirements (for programs other than anesthesia)—17 hours
   A. NUR 515, 516, 523, 526, 533, 559, 545
II. Education Track—41 hours
   A. Complete the M.S.N. Core (above)
   B. BIO 500; NUR 507, 517, 537, 544, 607, 622, 538, 642
III. Administration Track—39 hours
   A. Complete the M.S.N. Core (above)
   B. Specialty: 525, 528, 535, 607, 615, 693A, 695B
   
IV. Nurse Practitioner—46 hours
   A. Complete the M.S.N. Core (above)
   B. Advanced Practice Core: BIO 500; NUR 544, 558, 600, 622, 650
   C. Specialty
      Pediatric
      1. NUR 557C, 627C, 638C
      2. Select one: NUR 507, 517, 525, 528, 529, 535, 607, 615, 696, 697
      Adult
      1. NUR 557A, 627A, 638A
      2. Select one: NUR 507, 517, 525, 528, 529, 535, 607, 615, 696, 697
      Family
      1. NUR 547, 617, 639
      2. Select one: NUR 507, 517, 525, 528, 529, 535, 607, 615, 696, 697

M.S.N., Nurse Anesthetist Track—73 hours
(Available only on the Jackson Campus)
I. Complete the M.S.N. Core (above)
II. BIO 505, 507, 509
III. NUR 519, 521, 522, 531, 532, 543, 551, 565, 571
IV. NUR 611, 612, 613, 614, 653, 691
V. Choose one of: NUR 507, 525, 529, 696, 697.

Post-Master's Certificate Program in Nursing Description
The School of Nursing endeavors to provide curricula that encourage individuals to pursue Christ-centered excellence in their nursing vocation as the future needs of the nursing profession come into view. The certificate program fits with the mission of the University to provide Christ-centered higher education that promotes excellence and character development in service to Church and society.

This program is ideal for nurses who have obtained their master’s degree in nursing in another advanced practice area and now find themselves in positions that require advanced preparation in either nursing education or nursing administration. For example, if an M.S.N. graduate with a major in nursing administration desired to acquire a certificate in nursing education, that individual could enroll in this program. Another example might be that of an individual with a nurse practitioner degree desiring advanced study in nursing administration.

A Post-Master's Certificate in Nursing is not available for the Nurse Anesthesia track.

Mission Statement
To prepare graduates for advanced professional nursing practice with specific functional and clinical abilities.

Program Outcomes
The nursing education certificate prepares nurses for educator positions in various settings such as staff development, patient education, schools and colleges. The nursing administration certificate prepares nurses for a variety of administrative and leadership positions in health care delivery systems. The nurse practitioner certificate prepares nurses to serve in a variety of clinical practices.

Schedule
The certificate program is part-time study with classes generally occurring one day per week or online. Clinical requirements of practicum commonly require more than one day per week.

Curricular needs of full-time M.S.N. cohort students will be given priority.

Admission Requirements:
1. Completion of a master’s degree in nursing from an accredited program
2. Official transcript(s) from all undergraduate and graduate coursework attempted
3. Proof of current unencumbered RN licensure.
4. Interview with the Nursing Graduate Admissions Selection Committee
5. Three letters of professional/academic reference specifying the applicants capabilities for graduate study. One letter of reference must be from the applicant’s immediate supervisor.
6. Completed application with application fee of $50.00
7. Last 60 hours cumulative GPA of 3.0 on a 4.0 scale
8. Completion of undergraduate statistics course
9. Cleared criminal background check
10. Clean drug screen

Semester 4—Fall
Textbooks ................................................................. 300
Simulation Fee .......................................................... 750
Lab Fees ................................................................. 750
Liability Insurance ...................................................... variable

Semester 5—Spring
Textbooks ................................................................. 300

Semester 6—Summer
Tuition ........................................................................ 700

Semester 7—Fall
Tuition ........................................................................ 700
Insurance ................................................................. variable

Tuition ........................................................................ 700

Certification Exam ...................................................... 700

These are approximate costs only and are subject to change.

* Personal Validation
Signed physical form and all immunizations current. Must have an active nursing license in TN and KY.
Financial Information
Tuition is $495 per semester hour for Education and Administration Post-Master’s Certificate programs and $460 for Nurse Practitioner Track. Full payment for a term is expected at the time of registration for classes.
Certificate/Program Completion fee: $25

Any combination of the following payment methods is available:
1. Check, cash, or credit card.
2. Employer reimbursement.
3. FACTS (and electronic monthly draft from a savings or checking account) The cost of books is approximately $150 per course.

Certificate Program Completion Requirements
1. Must demonstrate evidence of completion of MSN core through an accredited MSN Program.
2. Completion of the specialty curriculum for Post-Master's Certificate.
3. A minimum grade point average of 3.0 in the certificate course work.
4. Filing an application for graduation by the published deadline.
5. Payment in full of the student account.
6. Discharge of all other obligations to the university.

Curriculum
I. Post Master's Certificate in Nursing Administration—25 hours
   A. NUR 525, 528, 535, 548, 593
   B. NUR 615, 693A, 695B
   C. Minimum Residency (24 semester hours) includes 525, 528, 535, 548, 593, 615, 693A, 695B, and 400 clinical hours.

II. Post Master's Certificate in Nursing Education—27 hours
   A. BIO 500; NUR 507, 517, 537, 538, 544
   B. NUR 607, 622, 642
   C. Minimum Residency (16 semester hours) includes 507, 517, 537, 538, 607, 642 and 380 clinical hours.

III. Post Master's Certificate in Family Nurse Practitioner (FNP)—34 hours
   A. BIO 500; NUR 544, 547
   B. NUR approved 558, 600, 616, 622, 646, 650
   C. Select one: NUR 507, 517, 525, 528, 529, 535, 607, 615, 696, 697
   D. Minimum Residency (16 semester hours) includes BIO 500; NUR 544, 547, 558, 600, 617, 639, 650 and 560 clinical hours

IV. Post Master's Certificate in Nurse Practitioner(See degree for peds and adult)—34 hours
   A. BIO 500; NUR 544, 555
   B. NUR 558, 600, 622, 650
   C. Select one: NUR 627A or 627C
   D. Select one: NUR 557A or 557C
   E. Select one: NUR 638A or 638C
   F. Select one: NUR 507, 517, 525, 528, 535, 598, 607, 615, 696, 697
   G. Minimum Residency (16 semester hours) includes BIO 500; NUR 544, 600, 622, 650, 627A or C, 557A or C, 638A or C, and 560 clinical hours.

Master of Science in Nursing—Nurse Anesthetist Track as a Second M.S.N.—58 hours
(Available only on the Jackson Campus)
The M.S.N.-NA can be earned as a second Master of Science in Nursing by completing coursework unique to the program:
   A. BIO 505, 507, 509
   B. NUR 519, 521, 522, 531, 532, 543, 551, 565, 571
   C. NUR 611, 612, 613, 614, 653
   D. NUR 691—4 hours

Course Descriptions: Biology (BIO)
500. Advanced Pathophysiology (2)
Building on a basic knowledge of pathophysiology, the student will analyze the mechanisms and symptoms of illness to provide advanced theoretical understanding of disease states and health problems.

505. Applied Anatomy & Physiology I (3)
An intensive examination of the human body that addresses the normal complex physiological processes of the cell, fluids and electrolytes, acid-base balance, temperature regulation, vascular hemodynamics, mobilization of fluids through the body and lymphatic system, musculoskeletal systems and function of the myocardium. The acquired information will provide the student with a body of knowledge to critically evaluate co-existing conditions of the surgical patient.
507. Applied Anatomy & Physiology II (3)
Prerequisite: BIO 221 and 222
A continuation of 505 focusing on the normal complex physiological processes of blood components and coagulation and the respiratory, renal, endocrine, digestive and nervous systems.

510. Advanced Human Gross Anatomy (4)
Prerequisites: BIO 505 & 507, or BIO 221 & 222.
This course will incorporate the dissection of cadavers and viewing of anatomical models in understanding the nervous, endocrine, cardiovascular, respiratory, digestive, and urinary systems of the human body. Additional emphasis is placed on the needs of professional health care personnel.

Course Descriptions: Nursing (NUR)

507. Curriculum Design (3)
This course will focus on the development of curricula using outcomes-based learning experiences by addressing individual attitudes, knowledge, and skills that are assessable, transferable and useful in a multicultural world.

515. Advanced Statistics for the Health Sciences (3)
Prerequisite: undergraduate statistics
This course serves to build upon basic statistical knowledge. Topics include a review of descriptive statistics, probability, and probability distributions; confidence intervals and classical hypothesis tests for one and two samples; analysis of variance; hypothesis tests for categorical variables; regressions and correlation; and nonparametric methods, all with an emphasis on applications in the health sciences. Appropriate statistical software will be utilized throughout the semester. This course will use online (MoodleRooms) method of delivery.

516. Informatics and Healthcare (3)
This course is designed to provide the student with the knowledge and skills regarding the uses of information technology to support nursing practice, education, and leadership through a Christian worldview. The course will provide an overview of informatics topics including: computer systems and system development; standardized clinical terminology; informatics standards; electronic health records; retrieval and critical analysis of digital data, information, and knowledge; simulation strategies; and technology-aided instruction.

517. Educational Strategies in Advanced Nursing Practice (3)
The purpose of this course is to examine models and methods of teaching and learning. Bio-psychosocial, spiritual, cultural influences that affect learning will be incorporated. The nursing process will be used as a framework for an outcome based teaching-learning session.

519. Professional Aspects of Nurse Anesthesia Practice (3)
An introduction to the role of the nurse anesthetist as an advanced practice nurse. The course presents the Christian worldview of nurse anesthesia, the historical development of anesthesia, anesthesia as a specialty of nursing, the role of the nurse anesthetist within the context of the health care system, legal aspects of anesthesia practice, current practice and health policy issues, the personal and professional impact of substance abuse, the role of professional organizations of nurse anesthesia.

521. Basic Principles of Anesthesia I (3)
The presentation of basic cognitive and psychomotor concepts associated with the safe and effective practice of nurse anesthesia and their implication on preoperative, intraoperative, and postoperative surgical periods.

522. Basic Principles of Anesthesia II (3)
A continuation of 521 addressing the implication of these learned concepts in relation to the preoperative, intraoperative, and postoperative surgical periods.

523. Clinical Prevention and Population Health in Advanced Nursing Practice (2)
This course is designed to prepare the student to apply evidence-based principles of wellness, disease prevention, and health risk in individuals, families, communities, and aggregate/clinical populations. The course also focuses on the study of culturally appropriate and holistic professional nursing care of persons in this pluralistic global society. Emphasis is placed on sensitivity to and respect for cultural diversity, communication, critical thinking, research, and theories of intercultural nursing.

525. Introduction to Administrative Nursing Practice (3)
This course will integrate information about delivery systems, organizational mission, structure, culture, personnel motivation, management and networking. The focus will be on exploring these concepts from a nursing perspective and a wholistic Christian worldview.

526. Theory and Ethics for Advanced Nursing Practice (2)
This course explores central ethical and bioethical questions in nursing and health care, critiques and applies nursing theory to the advanced practice nursing role in the delivery of equitable and culturally relevant health care.
528. Nursing Administration and the Law (3)
A general background to the elements and characteristics of health, administrative, criminal, civil law and the implications for nurse practicing in an administrative role looking at malpractice, risk management, tort law and tort reform, OSHA regulations, construction, organizational management, laws affecting subsidiary corporations and tax law. Emphasis will be placed on administration of human resources including labor and legal issues, collective bargaining, labor laws, and the design of effective policies and procedures to reflect these laws.

529. Healthcare and Missions (3)
This course affords the graduate nursing student the opportunity to be involved in the development and implementation of a short-term healthcare mission trip by serving in a transcultural healthcare setting. The educational service provided in the transcultural healthcare setting will be based on the student’s nursing expertise and guided by the presence of a faculty member.

531. Anesthesia Pharmacology I (3)
An examination of the different classes of medications taken by surgical patients that may impact the practice of the nurse anesthetist including an overview of organic chemistry principles and how these apply to the anesthesia for the surgical patient. Adjunct anesthetic agents that impact the pharmacological principles associate with the administration of anesthetic agents will be presented.

532. Anesthesia Pharmacology II (3)
An extensive examination of the pharmacological principles associated with the administration of anesthetic agents. An understanding of the physiological impact on the body in relation to the absorptive, medabolic, and elimination processes of each anesthetic agent will be examined.

533. Advanced Nursing Research and Evidence-Based Practice (3)
Prerequisite: NUR 511
This course emphasizes analysis and interpretation of clinical research and evidence based practice, preparing the student to use translational science in clinical decision making to improve patient outcomes. Specific aspects of the research process, quantitative and qualitative research, and systematic reviews will be studied.

535. Nursing Quality Management (3)
Prerequisite: NUR 525.
This course examines the quality of health care in relationship to nursing care delivery. It will include the concepts and information systems that are necessary in the identification, tracking, and evaluation of quality indicators. Emphasis is placed in terminology and information systems specific to nursing administration and quality.

536E. Advanced Ethical Concepts in Nursing (1)
Prerequisite: approved acceptance of an advanced theoretical concepts in nursing course without the ethical concepts component.
This course focuses on the application of ethical thinking to nursing practice with a Christian perspective.

537. Nursing Education Practicum (2)
Clinical introduction to the nurse educator practical experience. It involves application of educational theories and wholistic nursing practice.

538. Clinical Strategies for Nurse Educators (3)
Prerequisites: NUR 507, 511, 517, 526, & 544, and BIO 500. An overview of clinical management of patients throughout the lifespan. Opportunities are provided for students to integrate theory, research and evidence based practice in a specialized clinical setting under the direction of a preceptor with specialty expertise.

543. Advanced Anesthesia Pathophysiology (3)
Pathophysiology of major systems that are impacted by administration of anesthetics. Students will also acquire skills in interpretation of hemodynamic data, simulated placement of invasive liens, instrumentation of the airway, and preparation for preliminary clinical experiences. Advanced ECG interpretation and associated pharmacology will be covered along with cardiac auscultation techniques. Additional emphasis and illustration of learned principles will be given via experience with the human patient simulator.

544. Advanced Health Assessment (3)
The course focuses on advanced health/physical assessment of the client where the client is defined as the individual and includes the individual’s context within the family and/or community. Focus of the course is on comprehensive history, physical/psychological assessment, pathophysiology, and health promotion strategies incorporating the individual’s cultural and developmental variations.

545. Health Systems and Leadership for Advanced Nursing Practice (2)
This course provides an overview of organization concepts, healthcare economic theory, health systems, communication and other leadership principles needed by the nurse in advance practice. Emphasis is on the foundational skills and competencies needed by the master's prepared nurse.
547. Primary Care of Family: Health Promotion (4)
Prerequisite: BIO 500. Pre- or Corequisite: NUR 544 and 622.
The purpose of this course is to enhance knowledge and skill in diagnostic reasoning, advanced health assessment, health promotion, health maintenance and disease prevention with regard to the family. Students will explore family concepts and theories relevant to advanced nursing practice and research. Special emphasis will be placed on meeting goals and objectives of Healthy People 2020. Clinical experiences will provide opportunities in the community for students to develop advanced practice interventions to promote health and disease throughout the lifespan.

548. Organizational Behavior and Leadership (3)
Corequisites: NUR 535
This course provides an overview of organizational concepts, theories, perspectives, and research relevant to nursing administration, patient care delivery systems, and nursing practice organization. Emphasis is on management principles and organizational processes applicable to quality work environments and the influence of the external and internal environment on these organization, and the role and relationship of nurse leaders to the nursing practice environment and to the greater organization.

551. Chemical and Physical Principles of Anesthesia Practice (3)
An exploration of the basic biochemical principles and laws of physics associated with the administration of anesthesia. Emphasis is placed on an understanding of the basic principles of chemistry, biochemical drug interactions, and laws of physics that explain the movement of substances throughout the body. The laws of physics will also be applied to the mechanical functioning of the anesthesia machine and other intraoperative equipment.

554. Clinical Practicum I (5)
An introduction to the clinical practice of nurse anesthesia to begin the development of fundamental skills necessary to provide a safe and effective anesthetic. Critical thinking skills will be applied and developed through the synthesis of knowledge acquired from prior didactic coursework and simulation experiences. Pass/Fail grading.

557A. Primary Care of Adult/Geriatric Populations: Health Promotion (4)
557C. Primary Care of Children: Health Promotion (4)
Prerequisite: BIO 500; Pre- or Corequisite: NUR 544 and 622.
Toward enhancing knowledge and skill in diagnostic reasoning, advanced assessment, health promotion, health maintenance and disease prevention of adult/geriatric populations (A) and children (C) with regards to family environment, special emphasis will be placed on meeting goals and objectives of Healthy People 2020. Clinical experiences will provide opportunities in the community for students to develop advanced practice interventions to promote health and disease prevention.
593. Nursing Administration Practicum I (1)
Experiential application of the concepts examined in Nursing Administration in a workplace setting with a preceptor in nursing management. Pass/Fail.

598. Seminar (1-3)
A non-lecture research and discussion course. Course content will be determined by need. To be used at the discretion of the department.

600. Primary Care Provider Procedures (2)
Toward enhancing advanced practice skills in performing procedures such as casting, splinting, suturing, dermatomic procedures, and basic surgery techniques, the student will experience clinical presentations that highlight pathophysiological processes and psychological needs of adults and their families.

607. Educational Assessment and Evaluation Processes (3)
While focusing on the systematic processes of assessment of learners’ needs and methods of evaluation of educational outcomes, formative and summative methods of evaluation will be designed in relation to content as well as curricula of educational programs. In addition, methods of analysis and interpretation of data and uses of results are explored. Each aspect of the assessment and evaluation processes is used to guide future actions.

611. Obstetrical Anesthesia: Perspectives of Anesthetic Care (2)
An intense examination of the practice of obstetrical anesthesia emphasizing normal maternal and fetal changes of pregnancy, abnormal pathophysiological conditions of pregnancy, and anesthetic techniques and implications of obstetrical anesthesia.

612. Pediatric Anesthesia: Perspectives of Anesthetic Care (2)
This course is an in-depth examination of the practice of pediatric anesthesia. An emphasis will be placed on normal growth and development of the newborn through fourteen years of age, common pathophysiological conditions of this age group, and anesthetic techniques and implications of pediatric anesthesia.

613. Cardiovascular/Pulmonary Anesthesia: Perspectives of Anesthetic Care (3)
An intense examination of the practice of intrathoracic anesthesia for adult surgical patients, this course will focus on pathophysiological conditions and surgical procedures associated with the heart and pulmonary systems that may impact the delivery of anesthesia. Anesthetic implications and techniques will be presented based on the noted conditions.

614. Neurosurgical Anesthesia: Perspectives of Anesthetic Care (2)
An in-depth examination of the practice of neurosurgical anesthesia in the adult population with emphasis on common pathophysiological conditions associated with neurological disorders. Anesthetic techniques and implications will be presented based on neurological conditions and surgical procedures.

615. Resource Management (3)
The management of resources in the health care environment. Focus is managing the revenue and expense aspects of the budget and the management of personnel. This course provides guidelines for professional self-assessment of financial management.

617. Primary Care of Family: Pediatric and Women’s Health (4)
Prerequisite: BIO 500; Pre- or Corequisite: NUR 544 and 622.
Designed to enhance knowledge and skills related to management of maternal child health care, this course emphasizes acute episodic and chronic conditions in the context of primary care. Management consists of identifying, monitoring, treating and maintaining health care problems in children and child-bearing women utilizing research and evidence-based practice. Clinical experiences will provide opportunities in a variety of primary care settings.

622. Advanced Pharmacology (3)
This course is designed to expand the student’s knowledge and understanding of pharmacotherapeutics and pharmacokinetics of broad categories of pharmacologic agents. The purpose of the course is to provide the student with pharmacologic knowledge and skills needed to assess, diagnose, and manage a client’s health problems in a safe, high quality, and cost-effective manner. This course will also cover professional, legal and ethical issues pertinent to the prescription and monitoring of pharmacologic agents.

625. Teaching/Learning Through the Lifespan (4)
Examine models and methods of teaching and learning, learner characteristics at each developmental stage and how these influence learning will be incorporated using the nursing process as its framework.

627A. Primary Care of Adult/Geriatric Populations: Acute Management (4)

627C. Primary Care of Children: Acute Management (4)
Prerequisite: NUR 544; Pre- or Corequisite: NUR 622 and BIO 500.
The purpose of this course is to develop advanced practice knowledge and skill in the accurate diagnosis and management of acute health care problems in adult/geriatric populations (A) and children (C) with consideration of the family environment. Management consists of identifying, monitoring and treating acute health care problems utilizing scientific research and evidence-based practice. Clinical experiences will provide opportunities in various acute and community based settings.
638A. Primary Care of Adult/Geriatric Populations: Chronic Management (4)
Prerequisite: NUR 544; Pre- or Corequisite: NUR 622 and BIO 500.
The purpose of this course is to enhance advanced practice knowledge and skills in the diagnosis and management of chronic health care problems in adult/geriatric populations (A) and children (C) with consideration to the family environment. Management consists of identifying, monitoring, treating, and maintaining chronic health care problems utilizing principles of research and evidence-based practice. This course will also review theories and factors of chronic illness, content surrounding the process of referral and development of practice guidelines. Clinical experiences will provide opportunities in community and hospital based settings.

638C. Primary Care of Children: Chronic Management (4)
Prerequisite: NUR 544; Pre- or Corequisite: NUR 622 and BIO 500.
The purpose of this course is to enhance advanced practice knowledge and skills in the diagnosis and management of chronic health care problems in adult/geriatric populations (A) and children (C) with consideration to the family environment. Management consists of identifying, monitoring, treating, and maintaining chronic health care problems utilizing principles of research and evidence-based practice. This course will also review theories and factors of chronic illness, content surrounding the process of referral and development of practice guidelines. Clinical experiences will provide opportunities in community and hospital based settings.

639. Primary Care of Family: Acute/Chronic Management (4)
Prerequisite: BIO 500; Pre- or Corequisite: NUR 544 and 622.
The purpose of this course is to enhance knowledge and skills in the diagnosis and management of chronic and acute health care problems in families. Management consists of identifying, monitoring, treating, and maintaining acute and chronic family based health care problems utilizing principles of research and evidence-based practice. The student will review theories and factors of chronic illness within the context of the family. The process of referral and development of practice guidelines will also be discussed. Clinical experiences will provide opportunities in community and hospital based settings.

642. Nursing Education Residency (2)
Clinical culmination of the nurse educator clinical experience. It involves application of educational theories and wholistic nursing practice. Practice experiences are designed to synthesize knowledge and skills and to enable the advanced practice nurse to meet individual practice outcomes and career goals.

647. Nursing Specialty III (2)
Prerequisite: Nursing Specialty I and II
An intense study of the various pathophysiological conditions encountered in the practice of a Clinical Nurse Specialist. The emphasis is on knowledge, theory, and integration of practice concepts that support the nursing process in becoming an effective health care provider.

650. Specialty Focus Practicum (2)
Prerequisite: NUR 546A or 546C, and NUR 616; Corequisite: NUR 626A or 626C, and NUR 636A or 636C
This clinical course will allow students to gain clinical experience in a specific population with the goal for the student to synthesize knowledge and skills gained in core and previous specialty courses and to apply knowledge in the clinical setting. Clinical experiences will be available in a wide variety of subspecialties such as neurology, nephrology, endocrinology, gastroenterology, cardiology, dermatology, oncology, pulmonology, orthopedics, and internal medicine. Graded Pass/Fail.

655. Independent Study (1-4)
Individual research and study under the guidance of a graduate faculty member.

691. Nurse Anesthesia Clinical Residency (1)
This clinical course will expose the student to specialty types of anesthetic type management in the areas of obstetrics, pediatrics, cardiology and neurology. In addition, the student will develop the understanding of complex anesthetic management through interaction with patient simulation.

693A. Nursing Administration Practicum II (2)
Prerequisite: NUR 525, 594; Corequisite: NUR 535.
This course will integrate didactic material from previous courses with administrative practice. The focus is the dynamic combination of administrative theory, quality management, health care economics, organizational behavior, and information systems through mentoring and field experience. Emphasis will be placed on developing practice and decision-making skills that are excellence driven, Christ-centered, people-focused, and future-directed. Graded Pass/Fail.

695B. Nursing Administration Practicum III (2)
Prerequisites: NUR 525, 594, 694A
A practicum experience designed for synthesis of theory and practice where students develop, implement, and evaluate advanced practice leadership strategies in a health care systems area of focus.

696. Thesis (3)
Prerequisites: NUR 514, 530.
This course enables the implementation of the research proposal developed in the nursing research course. This project will focus on a problem in a school/college of nursing or health care delivery system. The subject of health care improvements is emphasized through nursing research utilization. Pass/Fail.

697. Scholarly Project (3)
Prerequisites: NUR 514, 530.
Through the completion of the scholarly project the student will identify, analyze, synthesize and utilize knowledge related to a health care issue in a school/college of nursing or health care delivery system. Application of critical thinking and nursing research utilization in this project will result in improved health care outcomes. Pass/Fail.
The Post-masters Doctor of Nursing Practice Program (D.N.P.) prepares graduates for the specialty areas of executive leadership, nurse anesthesia, and nurse practitioner. The D.N.P. Program provides the student with the opportunity to strengthen one’s clinical skills by gaining intensive experiences in one’s specialty area of practice, enhance the understanding of the theoretical underpinnings that supports one’s specialty area of practice, and broaden one’s perspective of health care systems and delivery models from a Christian worldview.

The D.N.P. Program is designed as a full-time post-master’s program that begins the fall of each year. Students are expected to be on campus for four 1-week sessions per year with an ongoing intensive online educational process through the use of Moodle Rooms. The clinical fellowships are expected to be completed in the area in which you live with clinical agency support from the institution in completing your D.N.P. Project.

Mission Statement
The mission of the Doctor of Nursing Practice is to prepare experts in specialized advanced practice with a Christ-centered focus.

Program Goals
1. To provide doctoral nursing education that builds on the foundation of Master's nursing education.
2. To prepare the graduate for enhanced knowledge and skills in a specialized area of practice.
3. To develop the graduate as a leader of one’s specialty area of practice implementing the Christian worldview.

Program Outcomes
The graduate of the D.N.P. will be able to:
• demonstrate expertise in an area of specialized advanced nursing practice
• integrate biosciences, education, research, business, and technology into advanced nursing practice within the Christian worldview
• formulate organizational and systems components for leadership and quality improvement toward enhancing patient outcomes
• promote transformation of health care through interprofessional collaboration, policy development and technology utilization within an area of specialized advanced nursing practice
• evaluate outcomes of evidence-based research and design appropriate interventions for specialized areas of advanced nursing practice toward the improvement of the health of individuals, aggregates, and populations.

Program Admission Requirements
• Completed application with application fee of $50.00
• Completion of a Bachelor of Science, preferably in Nursing, from an accredited program
• Completion of a masters degree in nursing from an accredited program preferred
• Earned masters degree other than an M.S.N. may be considered but may require additional coursework prior to enrollment. If applying for nurse practitioner or nurse anesthesia tracks, must demonstrate evidence of current national certification in the specialty area.
• Cumulative Graduate GPA of at least 3.0 on a 4.0 scale.
• Official transcript(s) from all undergraduate and graduate course work attempted
• Current unencumbered RN and APN licensure (if applicable) in state of residence
• Eligible for licensure as registered nurse and APN (if applicable) in Tennessee
• Interview with the Nursing Graduate Admissions Selection Committee
• International students must complete TOEFL with WES evaluations of transcripts
• Three letters of professional/academic reference specifying the applicant’s capabilities for graduate study to include one letter of reference from the current supervisor
• Statement of past clinical and/or work experiences, scholarly activities, and community service that supports future goals in obtaining a practice doctorate

Conditional Admission
Applicants who do not meet the regular admission requirements to the D.N.P. program may be admitted conditionally at the discretion of the D.N.P. Graduate Admissions Committee. Conditional admission will require contractual agreement between the applicant and the Graduate Admissions Committee. The contract will specify the conditions and deadlines that must be met to matriculate to the regular D.N.P. program.

Transfer of Credit
Graduate credit for courses earned at a regionally accredited college or university or at a foreign college or university may be transferred to Union University if the courses are essentially the same as those required in the D.N.P. program. Such transfer credit will not be allowed for courses used to satisfy another degree at another institution. The maximum number of semester hours that may be transferred to Union University and applied to the D.N.P. degree is nine.
Applicants may take a maximum of 2 D.N.P. core courses prior to being enrolled in their respective D.N.P. track cohort. Enrollment in core nursing courses does not guarantee acceptance into a specific track.

No grade less than “B” may be transferred. Courses taken more than five years before beginning the D.N.P. program at Union University will be considered on an individual basis.

**Academic Standards, Requirements for Progression, Probation, and Dismissal**

After completion of 9 graduate hours at Union University, a graduate student whose cumulative GPA from courses taken at Union University for graduate credit is below 3.0 will be placed on academic probation. A student placed on academic probation has one semester to increase his or her GPA to 3.0 or greater to be removed from a probationary status.

If the student fails to increase his or her GPA to 3.0 or greater during the following semester, the student will be dismissed from the D.N.P. Program. Students will also be dismissed if they receive an “F” (i.e. any grade below a “C”) in any course.

Students must maintain an overall B average. The program faculty recognize that situations may arise which prevent students from successfully matriculating through the program. Students who are concerned about their academic standing should contact his or her advisor. If it appears the student may not be able to achieve a minimum passing grade in a course they may be encouraged by the Chair of graduate program to withdraw from the program. This can potentially prevent the student from acquiring an F on their Union University transcript if the dropped class occurs prior to the deadline listed on the academic calendar (“last day to drop a class”). All students who withdraw or who are academically dismissed from the program can reapply for admission. However, readmission is not guaranteed. In order to graduate with the D.N.P., students are required to have a minimum GPA of 3.0 for all courses taken for graduate credit at Union University.

**Financial Information**

Tuition is $785 per semester hour.

Application Fee: .................................................. $ 50  
Graduation Fee: .................................................. 25  
Insurance fee (per year)........................................... 25  
Binding of Thesis or Scholarly Project..................... 45  
Course Tracking System........................................ 75  
Sitting fee for composite picture of class.................. 35  
Cap and Gown Rental............................................. approx. 150  
Criminal Background check................................... 70  
Urine Drug Screen............................................... 25

Any combination of the following payment is available.  
1. Check, cash, or credit card  
2. Federal Stafford loan  
3. Employer reimbursement  
4. FACTS (an electronic monthly draft from a savings or checking account)

Books cost approximately $150 per course and are purchased from LifeWay Christian Stores.

**Federal Stafford Loan**

The Stafford loan application process will require that you:

1. Complete and forward the FAFSA (Free Application for Federal Student Aid) to the federal government with Union University’s code of 003528.  
2. Complete a Union Financial Aid Application and a Stafford Master Promissory Note and forward to the Union University Student Financial Planning Office.  
3. For more information, contact the Student Financial Planning Office at 731-661-5015.

If Federal Stafford loan is not approved and available at the time of registration, the student must assume the cost by paying in full by check, cash, credit card, or FACTS.

**Employer Tuition Reimbursement**

1. The student is responsible for providing information to the university regarding his/her employer’s policies for reimbursement.
2. If the employer reimburses the student directly, the student must pay the university in full at the time of registration.
3. If the employer provides partial reimbursement directly to the university, the student must pay his/her portion of tuition at the time of registration.
4. The university will provide any required information to an employer when requested by the student.

**Acceptance Deposits**

A $1,000 tuition deposit is required. These deposits are non-refundable if the student elects not to enroll. Applicants accepted on an “alternative” basis will receive a full refund if status is not changed to “accepted” by the first day of class.

**Graduation Requirements**

1. Completion of the course work within each specified track.  
2. A minimum grade point average of 3.0 for the required course of study.  
3. File an application for graduation with the Graduate Nursing Office. The application deadline is May 1.  
4. Pay in full the student’s account in the Business Office  
5. Discharge all other obligations (fines, credentials, fees, etc.) at the University.
Degree Requirements

All Tracks of the D.N.P. require 40 semester hours which includes 660 practice hours. Each requires successful completion of the following:

- NUR 720, Faith and Science ........................................ 3
- NUR 705, Organizational Leadership & Management 3
- NUR 710, Methods for Evidence-Based Practice ........ 3
- NUR 715, Technological Transformation of Health Care ............................................................... 3
- NUR 725, Health Care Policy and Economics ........ 3
- NUR 730, Epidemiology ................................................ 3
- NUR 735, Fellowship I (180 clinical hours) ................. 2
- NUR 745, Leadership and Teaching Practice Strategies
- NUR 790, D.N.P. Project Development ..................... 3
- NUR 791, D.N.P. Project Implementation .................. 3
- NUR 736, Fellowship II (240 clinical hours) ............... 3
- NUR 737, Fellowship III (240 clinical hours) ............. 3
- NUR 792, D.N.P. Project Completion .......................... 3
- TOTAL ........................................................................ 38

D.N.P.: Executive Leadership Track

The ability to serve as an executive leader within the hospital or academic setting requires a breadth of knowledge and skills that encompasses several disciplines. To prepare future nursing leaders for these high profile positions within hospitals or academic institutions, this track offers the nurse the opportunity to serve alongside leaders of health care or academic institutions in gaining the knowledge, skills, and wisdom needed to lead health care institutions in the future. The student will strengthen their understanding of the profession of nursing while gaining business principles to support the future leadership role. An application deadline of March 1 is noted for priority acceptance into this track that begins in the fall of each year.

D.N.P.: Nurse Anesthesia Track

As the acuity level of the surgical patients increase and the complexity of the practice continues to demand more of the nurse anesthetist, additional knowledge and skills are being required to serve as a leader in both the operating room suite and within one’s practice. To address these growing demands upon the nurse anesthetist, a 5-semester (2 years) D.N.P. Program is available to enhance your effectiveness as a practitioner and leader in the profession of nurse anesthesia. An application deadline of March 1 is noted for priority acceptance into this track that begins in the fall of each year.

D.N.P.: Nurse Practitioner Tracks

The practice environment of a nurse practitioner is constantly changing. These changes are based on the increasing complexity of patient care and evolving practice issues of the health care system. To address the increasing complexity of patient care and evolving practice issues, a 5-semester (2 years) D.N.P. Program is available to enhance your effectiveness as a health care leader in the profession as a nurse practitioner. An application deadline of March 1 is noted for priority acceptance into this track that begins in the fall of each year.

Course Descriptions: Nursing (NUR)

705. Organizational Leadership and Management (3)
Provides opportunities to examine the leadership and management principles essential in providing a Christ-centered health care environment. Focus will be on operational principles, organizational theory, and principles of organizational behavior in establishing a Christ-centered organization and practice.

710. Methods for Evidence-Based Practice (3)
Provides the opportunity for synthesis and evaluation of evidence-based clinical practice and focuses on critique of literature, evaluation of clinical practice, and effective dissemination of evaluation findings. The student will use evidence-based health care as the springboard for discussion of issues in contemporary research.

715. Technological Transformations of Health Care (3)
Designed to prepare the student to evaluate current health care technology and its effect on health care outcomes. The student will analyze and apply today’s information technology, clinical technology, and simulation technology within the health care environment. The student will address quality improvement evaluation to support changes in practice and administration, analysis of ethical-legal implications of digital record systems and distance health care.

720. Faith and Science (3)
The philosophical underpinnings of the Christian worldview as it applies to faith and science in the arena of health care. An understanding of faith as the basis for hope and humanity in delivering quality health care will be discussed while incorporating the quantitative analysis of scientific principles.
725. Health Care Policy and Economics (3)
To prepare the student to critically evaluate the relationship between problems in health care legislation and the development of economic, political, social, and ethical issues that impact nursing. Students will synthesize the components of the Christian worldview related to issues in health care legislation and apply this philosophy to the development of effective health care policies. Students will be prepared to enact fiscally responsible and effective changes in local, state and national health care policies.

730. Epidemiology (3)
Designed to prepare students to employ evidence-based strategies to promote health, reduce risk, and prevent illness in individuals, aggregates, and populations from the Christian worldview approach. Emphasis will be placed on objectives of Health People 2020 and the analysis of epidemiological, biostatistical, occupational, and environmental data. Other integral topics include collaboration with other disciplines, cultural diversity and sensitivity, emergency and disaster preparedness, and infection control.

735. Fellowship I (2)
An introductory course designed to prepare the student to serve within their scope of practice at a high level of complexity. The student will be supported with application, analysis, synthesis, and evaluation of knowledge gained through core D.N.P. course work to improve clinical practice. Minimum 180 clinical hours. Course is graded Pass/Fail.

736, 737. Fellowship II, III (3 each)
This course is designed to further prepare the student to serve within their scope of practice at a high degree of complexity. The student will be supported with application, analysis, synthesis, and evaluation of knowledge gained through core D.N.P. course work to improve clinical practice. Minimum 240 clinical hours per course. Course is graded Pass/Fail.

745. Leadership and Teaching Practice Strategies (3)
Designed to prepare the student for the leadership and instructional role, this course will focus on expectations of leaders and educators within academic, practice, and health care systems.

793. D.N.P. Project Development (3)
A faculty-guided scholarly experience to allow the student to develop a proposal for an evidence-based practice project addressing a clinically relevant problem using a collaborative interdisciplinary design.

791. D.N.P. Project Implementation (2-3)
A faculty-guided scholarly experience to allow the student to implement an evidence-based practice project addressing the clinically relevant problem. Course may be repeated for a maximum of 8 semester hours credit.

794. D.N.P. Project Completion (3)
A faculty-guided scholarly experience to allow the student to evaluate and disseminate findings of the evidence-based practice project addressing a clinically relevant problem.

755. D.N.P. Special Study (1-4)
Group studies which do not appear in the School course offerings. Content will be determined by need. Course may be repeated for credit with distinct content.

765. D.N.P. Independent Study (1-4)
Individual research and study under the guidance of a nursing faculty member. Course may be repeated for credit with distinct content.

779. D.N.P. External Domestic Study (1-4)
All courses and their application must be defined and approved prior to travel. Course may be repeated for credit with distinct content.

780. D.N.P. Study Abroad (1-6)
All courses and their application must be defined and approved prior to travel. Course may be repeated for credit with distinct content.
Available on the Jackson Campus

Union University’s Doctor of Pharmacy program holds candidate status with the Accreditation Council for Pharmacy Education (ACPE, www.acpe-accredit.org), the national organization that accredits Doctor of Pharmacy programs offered by Colleges and Schools of Pharmacy in the United States and selected non-U.S. sites. Questions about the status of the University’s accreditation may be posed to the Dean of the School of Pharmacy’s office (731.661.5958) or to ACPE (312.664.3575).

Mission Statement

The mission of the Union University School of Pharmacy is to:  
• Promote an excellence-driven academic culture that instills knowledge and advances understanding of biomedical, pharmaceutical, social/behavioral/administrative, and clinical sciences  
• Provide a Christ-centered environment that focuses on the intellectual, spiritual, and moral development of students in committing themselves to the service and needs of society  
• Develop pharmacy students as practitioners who are people-focused in providing optimum interdisciplinary care based on evidence and best-practice standards  
• Support an academic environment that fosters the future-directed growth of students and faculty as it relates to education, practice, research, and scholarship initiatives.

Program Outcomes

• Provide compassionate patient-centered care to patients from various socio-economic and cultural backgrounds  
• Solve patient-care problems and develop appropriate pharmacotherapy plans via evidence-based decisions  
• Successfully manage a patient-centered practice, including the management of personnel  
• Provide pharmaceutical care, including the development of disease state management programs  
• Provide appropriate health and wellness services to the patients for which they provide care  
• Communicate appropriately with patients, their family members and other health professionals  
• Function as members of interdisciplinary patient care teams  
• Effectively evaluate professional literature and use these findings to improve patient care  
• Utilize informatics as appropriate throughout their practices  
• Practice in a legal and ethical manner

Graduate Program Admission Requirements

The pre-professional educational design for candidates applying to the School of Pharmacy is based on college-level course work in the areas of basic chemistry, biological and physical sciences, mathematics, information technology, and general education courses in the humanities and behavioral/social sciences. Pre-pharmacy course work must be distributed as follows:

Course Semesters

Admission to the Union University School of Pharmacy is by committee action, based on the overall record and aptitude of the applicant. A minimum grade point average of 2.75 on a 4.0 scale is required for pre-pharmacy course work with a grade of “C” or higher for each required pre-pharmacy course. The cumulative grade point average, pre-pharmacy and elective course work, must be a minimum of 2.5. All candidates are required to take the Pharmacy College Admission Test (PCAT). Three references along with a writing sample must also be submitted. During the on-site interview, the candidate will be asked to provide a writing sample. Interviews are conducted by invitation only. While there is a priority deadline of March 1 of the year in which admission is desired, applicants are encouraged to apply early, as space is limited, and applications will be reviewed on a rolling basis. The School of Pharmacy admits only one class per year in the Fall Semester.

It is strongly recommended that candidates for the program gain work experience in a pharmacy practice setting prior to application.

Transfer of Courses

In keeping with the policies and procedures of ACPE accreditation, The School of Pharmacy will accept only transfer credit from an ACPE-accredited professional degree program. All applications for transfer will be considered on a case-by-case basis.
Progression of Students

Continued enrollment eligibility in the School of Pharmacy is deemed to be satisfactory academic progress for financial aid eligibility since the School's standards are more stringent than Federal requirements.

A period of academic probation includes the semester immediately following successful completion or successful remediation of the deficient course. The student will be notified by the Academic Standing and Promotion Review (ASPR) subcommittee when the academic probationary period ends. Each semester that the student meets conditions for probation will count as a separate probationary period. Academic probation will be imposed upon a student when the student's academic performance meets any of the following conditions:

1. The cumulative grade point average earned at the conclusion of any semester, including the first semester, is less than 2.33.
2. The grade point average earned for any one semester is less than 2.00.
3. A student receives a grade of “F” in any required course. Additionally, students with outstanding deficiencies in the professional curriculum (incomplete or “F”) may not attend courses in the next semester without affirmative action by the Academic Standing and Progression Review subcommittee.

A student will be subject to a dismissal recommendation when any one or more of the following conditions are met:

1. A period of probation is imposed for a second time and the cumulative grade point average is less than 2.33. These probationary periods do not have to be sequential semesters.
2. A period of probation is imposed for a third time, regardless of the cumulative grade point average.
3. A student who receives two or more grades of “F” in required courses, regardless of the cumulative grade point average.

Students may appeal in accordance with procedures detailed under “The Appeal Process” on page 26 in the Campus Life Handbook.

Remediation

Didactic

For students who meet defined criteria, The School of Pharmacy will consider allowing remediation and the opportunity to continue progression through the curriculum despite setbacks in didactic courses. Introductory and Advanced Pharmacy Practice Experiences cannot be remediated and must be repeated if the student receives a grade of “F.”

Process for Remediation

The ASPR subcommittee will communicate with the Course Coordinator regarding the feasibility of remediation. Students should not discuss remediation with the Course Coordinator prior to the meeting with ASPR. The student will be notified of an academic deficiency and the need to come before the ASPR subcommittee by phone or email. This meeting will allow the student to explain and clarify the situation. The ASPR subcommittee will make a decision on the student’s case. Depending on the subcommittee decision, the action will be communicated to the student during the meeting or by certified mail and/or email.

Students have the right to appeal the decision made by ASPR as outlined in the Progressions policy in the Pharmacy Student Handbook.

Qualifications for Remediation

Remediation is considered if the student has a final percentage average > 59.5%. Students whose average is below 59.5% may be required to repeat the course in its entirety.

- The course coordinator is in agreement and is supportive of the remediation.
- The student must have no violations of the Honor Code or Code of Professionalism.
- The student must not have remediated more than once previously.

In addition to the above noted criteria, students must also acknowledge and agree to the following:

1. The objectives and course content will be determined by the Course Coordinator and may include all original objectives and content or may be a section or specific module of the original course or an alternative course determined by the Course Coordinator. The delivery or format methods for the remedial course will be at the discretion of the course instructor(s) and/or Course Coordinator(s) and may include a variety of options.
2. Course evaluations and assessments are likely to be different from those used in the original course and are up to the discretion of the course instructor or coordinator. Options may include:
   - Single comprehensive examination in which the student must receive a course grade of ≥69.5%. (A score of <69.5% may result in the student having to repeat the original course in its entirety.)
   - Other course instructor-designed assessments with a score of ≥69.5%.
3. Agree to keep all appointments with faculty and meet all deadlines with the understanding that failure to do so could result in failure of the course.
4. Agree to pay the appropriate tuition and fees, with no opportunity for a refund.
5. Failure in this remedial course will count as failure similar to any other course with respect to the student's official transcript, calculation of the cumulative grade point average, and academic standing.
6. Both course grades will appear on the transcript and will be used in calculation of the student's cumulative grade point average. Academic standards are in place and failure a second time in the course(s) may have serious consequences and may result in dismissal from the program.

7. Remediation is not a guaranteed right of the students and should be regarded as a privilege, which must be earned by a student through active participation in the educational program as demonstrated by regular class attendance, individual initiative, and utilization of available academic resources. Students should recognize that the need to remediate coursework may delay the timetable for their graduation from the Pharmacy program.

Financial Information

Tuition is $28,990 per year with a $1,600 student services fee ($800/semester) for the Doctor of Pharmacy. Full payment for a term (Fall, Winter, Spring, Summer Semesters or other non-regular terms) is expected at the time of registration for classes.

Application Fee ........................................................ $50
Laptop ........................................................... actual cost*
Cap & Gown Purchase ....................... approximately $80

Books will cost approximately $300 per semester for Years 1-3 and are available for purchase from LifeWay Christian Stores.

*See the Pharmacy Student Handbook for specifications and for possible commercial discounts to UU Pharmacy students.

Federal Stafford Loan

The Stafford loan application process will require that you:
1. Complete and forward the FAFSA (Free Application for Federal Student Aid) to the federal government with Union University's code of 003528.
2. Complete a Union Financial Aid Application and a Stafford Master Promissory Note and forward to the Union University Student Financial Planning Office.
3. For more information, contact the Student Financial Planning Office at 731-661-5015.

If Federal Stafford loan is not approved and available at the time of registration, the student must assume the cost by paying in full by check, cash, credit card, or FACTS.

Acceptance Deposits

The Doctor of Pharmacy requires a $ 1,000 tuition deposit. This deposit is non-refundable if the student elects not to enroll. Applicants accepted on a waiting list basis will receive a full refund if status is not changed to “accepted” by the first day of class.

Graduation Requirements

• Completion of the coursework for the Doctor of Pharmacy with a minimum cumulative grade point average of 2.33.

• File an application for graduation with the Doctor of Pharmacy program office by February 20 for a May graduation.
• Pay in full the student's account balance with the Business Office.
• Discharge all other obligations (fines, credentials, fees, etc.) at the University.

Course Requirements of the Doctor of Pharmacy—150 hours

I. Year I courses: BIO Advanced Human Anatomy & Physiology, I, II; BIO Advanced Gross Anatomy; PHRM 700, 705, 710, 715, 718, 723, 725, 727, 729; IPPE 730, 731.

II. Year II courses: PHRM 733, 734, 735, 737, 740, 741, 743, 744, 745, 747, 749, 750, 751; IPPE 746, 748.

III. Year III fall courses: 760, 761, 765, 766, 769, 770, 772.

Course syllabi for Winter Year III and Year IV are being developed in full.

IV. Electives: 10 hours from PHRM Electives or other graduate elective courses as approved by the Dean of the School of Pharmacy.

Dual-Degree Program

Union University's School of Pharmacy and the McAfee School of Business Administration offer a dual degree program. Interested students enrolled in the Doctor of Pharmacy program may dually enroll in the MBA Program. Students will follow the curriculum as outlined below under Graduation Requirements but will also include an additional 24 hours of MBA core coursework. The remaining 12 hours of MBA coursework will be from the Pharm.D. program as approved by the School of Pharmacy: PHRM700; PHRM743; PHRM744; PHRM765; PHRM772; PHRM Elective/Public Health. Please see the Master of Business Administration section of the Graduate Catalog for MBA core coursework and prerequisite coursework. MBA core coursework can be done on either Union’s Jackson or Germantown campuses or a combination of the two. Please contact the MBA Director (731-661-5341) in the McAfee School of Business for any questions you may have regarding the Pharm.D. MBA Dual Degree Program.
Course Descriptions: Biology (BIO)

505. Applied Anatomy & Physiology I (3)
An intensive examination of the human body that addresses the normal complex physiological processes of the cell, fluids and electrolytes, acid-base balance, temperature regulation, vascular hemodynamics, mobilization of fluids through the body and lymphatic system, musculoskeletal systems and function of the myocardium. The acquired information will provide the student with a body of knowledge to critically evaluate co-existing conditions of the surgical patient.

507. Applied Anatomy & Physiology II (3)
Prerequisite: BIO 221 and 222
A continuation of 505 focusing on the normal complex physiological processes of blood components and coagulation and the respiratory, renal, endocrine, digestive and nervous system

510. Advanced Human Gross Anatomy (3)
Prerequisites: BIO 505 & 507, or BIO 221 & 222.
This course will incorporate the dissection of cadavers and viewing of anatomical models in understanding the nervous, endocrine, cardiovascular, respiratory, digestive, and urinary systems of the human body. Additional emphasis is placed on the needs of professional health care personnel.

Course Descriptions: Pharmacy (PHRM)

700. Introduction to Pharmacy (2)
Introduction to the practice of pharmacy for first year students including an introduction to the profession and its evolving opportunities, what a pharmacist is, their role in the various settings of the health care system including drug distribution, drug utilization and the use of technology and supportive personnel.

701. Faith and Science in Pharmacy (2)
An examination of the philosophical underpinnings of the Christian worldview as it applies to faith and science in the arena of health care.

702. Ambulatory Care (2)
Topics include, but not limited to: anticoagulation, diabetes mellitus, hyperlipidemia and hypertension. An overview of each disease state, current treatment guidelines, landmark clinical trials, and cases will be presented by students in a team-based learning approach.

704. Applied Drug Information (1)
A required APPE that provides the formal experiential drug information training of the curriculum. Both project process and end product will be guided and evaluated. Projects, as approved by instructor and preceptor, may satisfy the requirements of this course only.

705. Pharmaceutical Calculations (2)
This course introduces the prescription, prescription notation and abbreviations, basic pharmaceutical calculations, statistics, and the mathematics of chemical kinetics and pharmacokinetics.

706. Advanced Cardiovascular Pharmacotherapy (2)
An elective providing the student with a more thorough study of cardiology and cardiovascular topics in application of the therapies and techniques covered.

707. Pain Management (2)
An elective course providing an introduction to pain management, including classifications, pain assessments, pharmacological and non-pharmacological treatment options of a variety of nociceptive and neuropathic pain syndromes (cancer pain, sickle cell disease, diabetic neuropathy, chronic pain syndromes, etc).

708. Self-Care/Counseling (2)
An elective course introducing common medical conditions and the corresponding devices that are used in drug delivery and drug monitoring. Also provides an opportunity for the student to learn and demonstrate patient counseling techniques regarding these medications and devices.

709. Drugs of Abuse (2)
An elective course examining current knowledge about drugs and substances of abuse or misuse. Emphasis will be given to societal issues and the role a pharmacist can play as a provider of drug facts and information.

710. Medical Terminology (1)
To familiarize students with the language of medicine, the course describes how medical terms are built from word parts and teaches correct use in relation to multiple body structures, disease states, and treatment options.

711. Heath Care and Missions (2)
The opportunity to participate in a short-term health care mission trip whereby they learn to coordinate drug distribution, make pharmacotherapy recommendations within a limited formulary and provide patient education in a challenging communication environment. Students are trained to provide care in this environment guided by faculty.

712. Oncology (2)
Elective course to provide students advanced exposure to oncology building on topics in PHRM 761. Students are introduced to different malignant disease states and their common chemotherapeutics regimens, the principles of concern prevent and screening, pharmaceutical care to manage short and long-term side effects from cancer and treatments, and appropriate management and handling of cytotoxic medications.
713. Critical Care (2)
Elective course designed to strengthen student’s knowledge of common critical care topics with emphasis on applications of primary research in various disease states. The course will utilize group discussion of literature including reviews, guidelines, and primary research articles on selected topics in the area of critical care therapeutics. Students will give presentations to extend their knowledge beyond that provided in previous coursework.

714. Neuroscience (2)
An elective pharmacotherapy subspecialty course covering the drug therapy management of neurologic and psychiatric diseases and conditions. The primary purpose is to enable students to apply knowledge of pathology, pathophysiology, diagnosis, clinical presentation, classification, goals of therapy, non-pharmacotherapy, pharmacotherapy, considerations for special populations, and patient counseling top optimize patient outcomes. This course is designed to develop the student’s ability to apply principles of clinical therapeutics in pharmacy practice, with particular focus given to those disorders which affect the central nervous system and the mind.

716. Principles of Pharmaceutical Sciences (2)
An introduction to the chemical and physical properties of medicinal agents. It will provide a foundational understanding of key concepts in the pharmaceutical sciences in preparation for coursework in medicinal chemistry, pharmacology and pharmaceutics.

717. Advanced Pain Management (2)
Building on PHRM 707, an in-depth overview of pain management, including pain classifications, assessment, pharmacological and non-pharmacological treatment options of a variety of nociceptive and neuropathic pain syndromes.

718. Non-Prescription Drugs/Counseling (4)
Designed to acquaint students with indications, actions, possible adverse events and contraindications of non-prescription drugs with an emphasis on patient-provider communication. Students will be evaluated on their ability to obtain medical histories and counseling skills.

719. Pharmacology Research (2)
Students will develop an understanding of the principles of toxicology through lectures, class discussion, and developing and giving oral presentations about current toxicological issues within the field of pharmacy.

721. Advanced Pharmacokinetics (2)
Building on foundational principles, students will use analysis software to perform nonlinear regression of pharmacokinetic data. They will evaluate literature to become familiar with FDA guidance documents for clinical pharmacology and biopharmaceutics topics. Discussion will include advanced topics as optimal sampling design, pharmacokinetic clinical trial design, enterophepatic recirculation models and chronopharmacokinetics.

722. Concepts in Toxicology (2)
Principles of toxicology through lectures, discussion, and developing and giving oral presentations about current toxicological issues within the field of pharmacy.

723. Drug Information and Informatics (3)
An introduction to medication information resources such as reference books, databases and clinical trials, and their interpretation and appropriate use in pharmacy practice. Pharmacy informatics principles and technologies are also introduced.

724. Diabetes Management (2)
Provides further exposure to diabetes topics including but not limited to: guidelines, drug selection algorithms, nutrition and insulin dosing, adjustment, and titration. Topics presented by lecture, discussion, and simulation.

726. Pharmacological Basis of Drug Action I (3)
An introduction for first year pharmacy students to pharmacology by examining how drugs affect biological systems. The course will examine drug classes, mechanisms of action and drug toxicities.

728. Chemical Basis of Drug Action I (3)
An introduction to the chemical and physical properties of medicinal agents through discussion of the relationships of structural properties of drugs to their pharmacological properties, absorption, distribution, metabolism, chemical activity, and mechanism of action.

729. Immunization (1)
Certification course that focuses on the importance of vaccination for preventable disease as well as injection technique. Also discusses how a pharmacist can implement an immunization program into various pharmacy practice settings.

730. Introduction to Community Practice (2)
The first of four courses designed to focus on the development of the professional skills required for contemporary pharmacy practice. Students will spend 2 weeks (80 hours) in a community practice setting and gain exposure to the role and responsibilities of the pharmacist in community practice and the importance of the pharmacist in patient care. This course will be repeated for 4 semester hours total.

731. Introduction to Institutional Practice (2)
Building on PHRM 730, the second of four courses designed to focus on the development of professional skills required for contemporary pharmacy practice. 80 clock hours required. This course will be repeated for 4 semester hours total.

732. Introduction to Medicinal Chemistry Research (2)
In this introductory experience, students will work with faculty to develop skills in computer-aided design of novel drug structures for specific therapeutic targets and in the laboratory to synthesize various structures for pharmacological testing and evaluation.
733. Pharmaceutics I (4)
An introduction to the scientific principles and regulatory issues of pharmaceutical dosage form and delivery system design, compounding, and use. An emphasis will be placed on solid dosage forms including powders, tablets, and capsules, as well as the biopharmaceutical principles of bioavailability and bioequivalence. This course includes laboratory experiences in compounding pharmaceutical dosage forms.

734. Pharmaceutics II (4)
A continuation of 733 to further the understanding of the scientific principles and regulatory issues of pharmaceutical dosage form and delivery system design, with an emphasis on liquid and semi-solid dosage forms. This course will emphasize oral, topical, transdermal, and parenteral routes of administration. The student will develop competency in compounding, proper aseptic technique, and preparation of sterile products with hands-on training in the laboratory.

736. Pharmacological and Chemical Basis of Drug Action II (4)
738. Pharmacological and Chemical Basis of Drug Action III (4)
An introduction to the chemical and physical properties of medicinal agents through discussion of the relationships of structural properties of drugs to their pharmacological properties, absorption, distribution, metabolism, elimination, chemical stability, mechanisms of action, clinically significant drug interactions and side effects. This course requires a student to think critically about a drug's structure as it relates to the aforementioned topics.

739. Clinical Laboratory Medicine (1)
Basic laboratory tests used to diagnose disease and monitor disease progression and drug therapy. Students will learn to screen and evaluate patients using relevant clinical data.

740. Pharmacotherapy I (3)
Drug therapy management of diseases and conditions associated with specific organ systems and will enable students to apply knowledge of pathology, pathophysiology, diagnosis, clinical presentation, classification, goals of therapy, non-pharmacotherapy, pharmacotherapy, considerations for special populations, and patient counseling to optimize patient outcomes. This course addresses medical conditions related to respiratory, gastrointestinal, and endocrinology disorders.

741. Pharmacotherapy II (3)
Drug therapy management of diseases and conditions associated with specific organ systems and will enable students to apply knowledge of pathology, pathophysiology, diagnosis, clinical presentation, classification, goals of therapy, non-pharmacotherapy, pharmacotherapy, considerations for special populations, and patient counseling to optimize patient outcomes. This course addresses medical conditions related to cardiology.

742. Student Leadership Development (2)
Interdisciplinary focus on fostering the development of leadership (both positional and non-positional) in students and individual commitment to excellence through a series of active learning exercises.

743. Moral Reasoning in Healthcare (2)
An introduction to ethical theories, focusing on methodology with a survey and comparison of philosophical perspectives on moral issues faced in health care today.

744. Pharmacy Jurisprudence (2)
An overview of state and federal pharmacy practice laws that govern technician, pharmacy intern, and pharmacist practice and control the manufacturing, distribution, prescribing, and dispensing of drug products.

746. Introduction to Community Pharmacy Practice II (2)
The 3rd of 4 courses designed to focus on the development of professional skills required for contemporary pharmacy practice. Two weeks/80 contact hours in a community practice setting exposing the student to the role and responsibilities of the community pharmacist and the importance of the pharmacist in patient care.

748. Introduction to Institutional Pharmacy Practice II (2)
The 4th of 4 courses designed to focus on the development of professional skills required for contemporary pharmacy practice requiring 2 weeks/80 contact hours in an institutional or specialty practice setting exposing the student to the role and responsibilities of the community pharmacist and the importance of the pharmacist in patient care.

749. Applied Therapeutics with Simulation (1)
Introduction to the concepts of pharmacotherapy in the curriculum prior to the advanced pharmacy practices experiences by placing students in the clinical environment.

750. Pharmacotherapy III (3)
Drug therapy management of diseases and conditions associated with specific organ systems and will enable students to apply knowledge of pathology, pathophysiology, diagnosis, clinical presentation, classification, goals of therapy, non-pharmacotherapy, pharmacotherapy, considerations for special populations, and patient counseling to optimize patient outcomes. This course addresses medical conditions related to infectious diseases.

751. Pharmacotherapy IV (3)
Drug therapy management of diseases and conditions associated with specific organ systems and will enable students to apply knowledge of pathology, pathophysiology, diagnosis, clinical presentation, classification, goals of therapy, non-pharmacotherapy, pharmacotherapy, considerations for special populations, and patient counseling to optimize patient outcomes. This course addresses medical conditions related to neurology, psychiatry and pain management.

753. Social and Behavioral Research Design I (2)
754. Social and Behavioral Research Design II (2)
A two-course sequence designed to provide students an opportunity to develop, conduct, analyze and defend a research project to students & faculty with basic concepts and techniques in social science research methodology, design and analysis and critical evaluation of quantitative and qualitative studies.
and conduct themselves in a professional manner.
with patients, caregivers, and other health professionals; questions; communicate effectively (orally and in writing)
based treatment plan; respond to drug information
specific information for the development of an evidence-
well as regulations from accrediting agencies; collect patient
dermation in order to accurately and efficiently fill
skills learned during the experience and previously in
Students will be expected to apply knowledge and
experience in various community pharmacy practice
courses. All are designed to offer the student advanced
and 710B. Additional courses can be taken as elective
courses. All are designed to offer the student advanced
experience in various community pharmacy practice
settings. Students will be expected to apply knowledge
and skills learned during the experience and previously
in the curriculum in order to accurately and efficiently fill
prescription orders; comply with state and federal laws as
well as regulations from accrediting agencies; collect patient
specific information for the development of an evidence-
based treatment plan; respond to drug information
questions; communicate effectively (orally and in writing)
with patients, caregivers, and other health professionals;
and conduct themselves in a professional manner.

710. Advanced Community Practice (4 each)
Two APPEs in this section are required courses, 710A
and 710B. Additional courses can be taken as elective
courses. All are designed to offer the student advanced
experience in various community pharmacy practice
settings. Students will be expected to apply knowledge
and skills learned during the experience and previously
in the curriculum in order to accurately and efficiently fill
prescription orders, collect patient specific information for
medication therapy management; respond to drug
information questions, communicate effectively (orally
and in writing) with patients, caregivers, and other health
professionals, and conduct themselves in a professional
manner. Course are repeatable for credit.

710A. Advanced Chain Community Practice.
710B. Advanced Independent Community Practice.

Advanced Pharmacy Practice Experience (APPE)
700. Advanced Institutional Practice (4)
A required course designed to offer the student advanced
experience in an institutional pharmacy practice setting.
Students will be expected to apply knowledge and
skills learned during the experience and previously in
the curriculum in order to accurately and efficiently fill
prescription orders; comply with state and federal laws as
well as regulations from accrediting agencies; collect patient
specific information for the development of an evidence-
based treatment plan; respond to drug information
questions; communicate effectively (orally and in writing)
with patients, caregivers, and other health professionals;
and conduct themselves in a professional manner.

750. Pharmacokinetic Principles and Application (4)
This course introduces pharmacokinetic principles and
therapeutic drug monitoring. Students will gain an
understanding of the absorption, distribution, metabolism
and elimination of drugs, focusing on quantitative
aspects of these processes. Pharmacodynamic and clinical
implications will be explored, including how to formulate
appropriate dosing regimens based on patient specific
physiological and environmental factors. Pharmacokinetic
variability caused by differences in intrinsic and extrinsic
factors will be discussed. Didactic course work will be
further emphasized via clinical cases in a laboratory setting.

770. Literature Evaluation / Landmark Trials (2)
Building on the principles introduced in PHRM 723 , this course trains students in the interpretation and
critical analysis of biomedical literature for the purpose
of developing evidence-based care recommendations for
a given patient or patient population.

772. Literature Evaluation / Landmark Trials (2)
Building on the principles introduced in PHRM 723 , this course trains students in the interpretation and
critical analysis of biomedical literature for the purpose
of developing evidence-based care recommendations for
a given patient or patient population.
720. Ambulatory Care (4)
This Advanced Pharmacy Practice Experience (APPE) is a required course. The course is designed to offer the student advanced experience in an ambulatory care pharmacy practice setting. Students will be expected to apply knowledge and skills learned during the experience and previously in the curriculum in order to communicate effectively with patients and health care providers, develop evidence-based treatment plans, respond to drug information questions, manage a patient-centered practice, and conduct themselves in a professional manner.

730. Acute Care Pharmacy Practice (4)
One Advanced Pharmacy Practice Experience (APPE) from this section is required. Additional courses in this section may be taken as elective courses. These courses are designed to offer the student advanced experience in acute care pharmacy practice settings. Students will be expected to apply knowledge and skills learned during the experience and previously in the curriculum in order to accurately and efficiently communicate with patients, caregivers, and health care professionals; collect and analyze patient information for the development of an evidence-based treatment plans in the acute care setting; respond to drug information questions; and conduct themselves in a professional manner.

740. Practice Management (4 each)
These Advanced Pharmacy Practice Experiences (APPEs) are elective courses designed to offer the student advanced experience in the management of pharmacy practice in various settings. Students will be expected to apply knowledge and skills learned during the experience and previously in the curriculum in order to manage inventory, contracts, reimbursement, information, risk, and human resources; including scheduling, salaries, and performance evaluations.

740A. Institutional Practice Management
740B. Community Practice Management

750. Specialty Pharmacy Practice (4 each)
These Advanced Pharmacy Practice Experiences (APPEs) are elective courses designed to offer the student advanced experience in specialty pharmacy practice settings. Students will be expected to apply knowledge and skills learned during the experience and previously in the curriculum in order to accurately and efficiently communicate with patients, caregivers, and health care professionals; collect and analyze patient information for the development of an evidence-based treatment plans in the various practice settings, including home-bound patients, residents of nursing homes or other long-term stay facilities; respond to drug information questions; and conduct themselves in a professional manner.

750A. Home Infusion
750B. Long Term Care
750C. Managed Care
750D. Sterile Products
750E. Pharmaceutical Industry/Medical Affairs

760. Drug Information (4 each)
This Advanced Pharmacy Practice Experience (APPE) is an elective course designed to offer the student advanced experience in the provision of drug information. Students will be expected to apply knowledge and skills learned during the experience and previously in the curriculum in order to completely define the specific drug information question, use appropriate resources to efficiently and accurately research drug information questions, respond to drug information questions in a professional manner, communicate effectively with patients and health care providers, and conduct themselves in a professional manner.

770. Pharmacy Research (4 each)
These Advanced Pharmacy Practice Experiences (APPEs) are elective courses designed to offer the student experience in conducting scientific research in a particular discipline. Students interested in completing any of these courses should consult with the course coordinator prior to registration.

770A. Drug Design and Synthesis
770B. Pharmacology Research
770C. Pharmaceutics Research
770D. Pharmacy Administration
770E. Pedagogy
SCHOOL OF THEOLOGY AND MISSIONS

Degrees Offered
Available on the Jackson, Germantown, Hendersonville Campuses
• Master of Christian Studies
Available at the Olford Center of the Germantown Campus
• Doctor of Ministry with an Emphasis in Expository Preaching

Mission Statement
The School of Christian Studies exists to advance the Kingdom of God through theological education by integrating rigorous academics, deep devotion to Christ and His Church, skill in teaching, and attention to students as individuals.
**Purpose Statement**

The Master of Christian Studies exists to raise the level of ministry competence among church staff and laypersons in the churches of the Mid-South region.

**Program Emphases**

Two primary emphases are at the core of the Master of Christian Studies program. First, the courses offered are foundational, both in terms of the student’s ability to think biblically and theologically, as well as in terms of specific ministry skills. The courses in Old Testament, New Testament, Theology, Ethics, and Church History lay a foundation that grounds students both biblically and theologically. The courses on Bible Study, Communicating Biblical Truth, Evangelism and Missions, Leadership, and Counseling, are designed to help the student grow in these vital ministry skills. These two areas, thinking rightly and ministering effectively, must be seen as working in a synergetic relationship. The goal is to think biblically and theologically to make ministry more effective. Well-developed ministry skills then become the natural means of living out biblical and theological truths.

A second primary emphasis of the Master of Christian Studies program is integration. Too often theological education is fragmented into isolated classes that are unconnected and coursework that is not directly linked to ministry in the church. The M.C.S. program will integrate courses, with pairs of courses being strategically integrated to demonstrate how the subject matters interrelate. For instance, Preaching and Old Testament II might be taught during the same term. In that semester students might be asked to reflect on the Old Testament foundations of preaching, as well as how they should preach from the Old Testament. In addition, classroom assignments will encourage students to apply classroom learning to the ministry of the local church. This will happen not only in the ministry skill courses, but also in biblical and theological foundation classes. For example, assignments in Theology I might require students to design and teach a substantive, ten-week seminar on the doctrine of God. Other classes might call for students to write a case study on how the doctrine of humanity relates to a particularly difficult counseling situation in the church.

The M.C.S. program seeks to advance God’s kingdom in the churches of the Mid-South by laying a solid foundation for ministry and by teaching students to integrate their studies with their real world ministry.

**Required courses include:**

- Old Testament I: Promise, Covenant, and Praise ..... 3 hrs.
- Old Testament II: Wisdom, Justice, and God’s Rule ... 3 hrs.
- Bible Study for Preaching and Teaching ............ 3 hrs.
- Theology I: God, Revelation and Humanity .......... 3 hrs.
- Theology II: Christ, the Spirit, and Last Things ... 3 hrs.
- Church History I: Early and Medieval Christianity 3 hrs.
- Church History II: Reformation and Modern Christian History ........................................... 3 hrs.
- Introduction to Christian Ethics ..................... 3 hrs.
- Christian Leadership .................................. 3 hrs.

Total: ................................................................ 33 hrs.

**Expected Outcomes**

- Students will deepen their analytical skills as they reflect seriously on the biblical text, theology, church history, and how these apply to the various tasks and ministries of the church.
- Students will integrate what they learn in class with ministry done from week to week in their local churches.
- Students will serve their churches more effectively as they become more biblically literate, historically, theologically, and ethically reflective.
- Students will serve their churches more effectively as they become more skilled in various aspects of ministry, including Bible study, preaching, teaching, counseling, and leading.
- Students will be more motivated to participate, and lead their churches in advancing the kingdom of God through missions and evangelism.
- Students will be “doers of the Word,” applying the Bible responsibly to their personal lives and ministries.
- Students will understand the integration between various disciplines in the curriculum.

**Academic Calendars and Schedules**

Calendars and Schedule of Course offerings for the M.C.S. program follow those for non-cohort programs. For additional information see http://www.uu.edu/academics/graduate/mcs/
**Admission Requirements**

1. A Baccalaureate degree from a regionally accredited institution as documented on official transcripts, which must include all postsecondary academic work.
2. A minimum college cumulative grade point average of 2.4 (on a 4.0 scale). Applicants with a college cumulative grade point average below 2.4 (on a 4.0 scale) are accepted on academic probation on an individual basis.
3. Complete Union M.C.S. Application Form and $25 application fee.
4. A Letter of Affirmation from the applicant’s local church, stating that the applicant is a member in good standing and actively involved in ministry.
5. Three personal letters of recommendation.
7. If English is not a student’s first language, minimum scores of 560 or 220 computer must be achieved on the TOEFL.

**Transfer of Credit**

Up to nine semester hours of graduate credit from a regionally accredited college or university may be transferred into the degree program at the time the student is admitted provided the grades earned were B or higher.

---

**Financial Information**

Applicant Fee: ....................................................... $25
Graduation Fee: ........................................................ $25
Tuition per Semester Hour: ............................... $280

Payment is expected in full upon enrollment unless the student participates in a FACTS monthly electronic draft from checking or savings account.

---

**Graduation Requirements**

A. The completion of 33 hours of course work with a GPA of 3.0 or higher
B. The fulfillment of all financial obligations
C. The approval of the faculty

---

**Financial Assistance**

The M.C.S. does not qualify for Federal Stafford Loans. However, the student may contact the Student Financial Planning Office about private alternative loans.

---

**Course Descriptions: Master of Christian Studies (MCS)**

500. Old Testament I: Promise, Covenant, and Praise (3)
An investigation of the theological implications of God’s promises that were given to his covenant people, as well as the people’s response to God in praise and lament. This course will analyze these themes through the study of the history, background, literary genre, structure, and theology of Genesis through Psalms. Exegetical methodologies for analyzing narrative and poetic texts will be introduced.

505. Old Testament II: Wisdom, Justice, and God’s Rule (3)
An investigation of how practical principles of divine wisdom impact human behavior and doubting, how God’s plan to create a world of justice and trust impacted Israelite and world history, and how God’s sovereign power will one day triumph and usher in the messianic kingdom. This course will introduce a method of analyzing the prophet’s messages in order to perceive how they attempted to transform the worldview of their audiences by persuading them to change their thinking and behavior.

A survey of the Pauline epistles, the general epistles and Revelation, with more intensive study of selected texts and issues. Included is a survey of basic issues in Pauline theology, issues in interpreting New Testament letters and the hermeneutics of the book of Revelation.

520. Bible Study for Preaching and Teaching (3)
An exploration of the methods, tools, and practices associated with the interpretation and application of the Bible. Students will exegete selected biblical passages, moving from the ancient text to the modern world.

*Please note: A new MCS curriculum has been adopted and is applicable for all MCS students beginning with August, 2012 enrollment. Students enrolled prior to August, 2012 will find the curriculum applicable to their MCS degree in their catalogue of record (the catalogue from the year they were enrolled).
DOCTOR OF MINISTRY
SCHOOL OF THEOLOGY AND MISSIONS

Available at the Stephen Olford
Center of the Germantown Campus

Purpose Statement
The Doctor of Ministry with an Emphasis in Expository Preaching is designed to enhance the art and practice of expository preaching.

Program Outcomes
• Deeper understanding of the nature and purpose of expository preaching, informed by a biblical, theological, and practical study of expository preaching
• Advanced competency in the preparation and delivery of expository sermons
• Demonstrable research skills evidenced by a fresh contribution to the praxis of expository preaching through a doctoral dissertation or project
• Expertise in advancing the ministry and practice of expository preaching
• Professional growth in related ministry dimensions such as personal spiritual formation, biblically balanced ministry, church renewal and revival, and evangelism and global missions

• Greater personal spiritual maturity through an increased love for God, Scripture, persons, and expository preaching

Calendar
The Doctor of Ministry is delivered in two semesters per year. All seminars are delivered on site at the Stephen Olford Center. Seminars will require pre-seminar assignments. The student begins the program with the Summer/Fall Semester by enrolling in the July Seminar(s). Seminar 1 will meet Monday through Friday of the second week, beginning the second Monday following July 5, and Seminar 2 will meet Monday through Friday of the third week, beginning the third Monday following July 5. The Winter/Spring Semester offerings include Seminar 1 Monday through Friday, beginning the second Monday after January 2, and Seminar 2 Monday through Friday, beginning the third Monday after January 2. Post-seminar assignments are to be completed and courses graded by the end of the semester in December and May respectively. Faculty will announce deadlines for post-seminar assignments in course syllabi to meet the published semester grading period.

Admissions Requirements
Application Foundations
Applicants must be employed by or hold a recognized position in vocational Christian ministry at the time of their application. Preference in admission is given to students who have advanced preparation in biblical languages. The following are the minimum levels of education and experience that an applicant must fulfill before beginning seminars.
• A Master of Divinity or its equivalent from a regionally accredited seminary. See below for information regarding the “Academic Foundation;” i.e., the “Master of Divinity Equivalency.”
• A grade point average of 3.0 on a 4.0 scale throughout all master’s-level studies.
• Three full years of vocational Christian ministry after completion of master’s study.

Prospective students are requested to contact the Doctor of Ministry Office if they have questions about whether they have established an adequate foundation the Doctor of Ministry study as indicated above. International applicants are welcome, but must contact the Doctor of Ministry Office for additional admission requirements.

Academic Foundation
The standard academic preparation for the Union University Doctor of Ministry is a Master of Divinity from a regionally accredited seminary, university, graduate school of religion, or divinity school. (These are collectively referred to below as “accredited graduate divinity schools.”) Preference is given to applicants whose master’s work includes at least 6 semester hours of biblical Greek and 6 semester hours of biblical Hebrew.

Union University recognizes that many prospective students have enrolled in accredited graduate divinity schools in programs of study other than the Master of Divinity. Such degrees include the Master of Christian Studies, the Master of Religious Education, or the Master of Arts in a discipline such as Old Testament. We therefore have established that “Master of Divinity Equivalency” also meets the academic requirement for admission to the Doctor of Ministry. Each applicant in this category will be evaluated on a case-by-case basis. However, such applicants should have received a master’s degree from an accredited graduate divinity school and they must have earned a minimum of 81 semester hours of master’s-level credit in accredited graduate divinity schools before they will be admitted to our Doctor of Ministry program of study. Guidelines for meeting requirements for each category of study are as follows.
Biblical, Theological, and Historical Studies
1. Old Testament, 9-12 hours, including at least 6 hours of survey
2. New Testament, 9-12 hours, including at least 6 hours of survey
3. Theology, 6-9 hours, including at least 6 hours of survey
4. Church History, 6-9 hours, including at least 6 hours of survey
5. Hermeneutics (Interpreting the Bible), 3-6 hours

Languages and Preaching Studies
6. Biblical Greek, 0-9 hours
7. Biblical Hebrew, 0-9 hours
8. Homiletics (Communicating the Bible), 6-9 hours

Ministry Studies
9. Leadership or Religious Education, 3-9 hours
10. Christian Ethics or Christian Apologetics, 3-9 hours
11. Christian Counseling or Pastoral Care, 3-9 hours
12. Evangelism and/or Missions, 3-9 hours

For each of these 12 categories, the first number in the right column is the minimum number of semester hours required in that category to meet Master of Divinity Equivalency. Thus, 51 of the 81 required semester hours are specified. The remaining 18 hours may be gained in a number of ways, including courses that fit in categories not mentioned above, such as spiritual formation or philosophy of religion. Thus, for example, all students must have earned at least 6 church history hours in order to meet Master of Divinity Equivalency. The second number in the right column is the maximum number of hours that students should complete in that category as they seek Master of Divinity Equivalency. Thus, for example, once prospective students have completed 9 hours in church history, they should broaden their preparation by selecting courses from the other categories. The Doctor of Ministry Program Director provides case-by-case assessment of each student seeking Master of Divinity Equivalency. Applicants will be informed in writing when Master of Divinity Equivalency has been established only after Union University has received official transcripts from all accredited graduate divinity schools the student has attended.

Application Requirements
- The completed official application form along with a $50 non-refundable application fee. The official form is included as part of this document.
- Official transcripts from all institutions of higher education attended since high school. A transcript request form is included with this document. Applicants are responsible for photocopying this request form as needed and sending it to their respective institutions. Many institutions make it possible to request this via the internet.
- A ministry endorsement letter, showing that the applicant’s church-related employer supports the applicant’s intention to pursue doctoral study. The form included in this application should be completed and returned to the Doctor of Ministry Office by the employer.
- Three evaluative references. Applicants are responsible for signing the waiver on each form and providing each reference an envelope and postage for returning the reference directly to the Doctor of Ministry Office.
- A personal history essay describing significant influences in life, particularly conversion and spiritual growth, call to ministry, important ministry experiences, and current understanding and practice of preaching. This essay should be 8-10 pages, double spaced, using 12-point font and one-inch margins.
- A sermon manuscript that demonstrates exegesis of a biblical text. It is to be a complete manuscript that includes every word that would be used in sermon delivery, including introduction, illustrations, and call for response. The manuscript should be appropriate for a sermon lasting twenty to thirty minutes. This manuscript should double spaced, using 12-point font and one-inch margins.

Application Deadlines
Applicants must complete all elements of their application file and be officially accepted into the program before they can enroll in their first seminars. The size of each entering class is limited, and preference is given to students who apply early. The deadline for receiving the application and application fee is March 1. The deadline for receiving all other application materials is May 1. A personal or telephone interview with the Program Director is scheduled by the Doctor of Ministry Office after all elements of the application file are received. The deadline for the admission interview is May 15. Applicants are notified of their admission status not later than June 1.

Transfer of Credit
Up to six hours (two seminars) may be considered for transfer of doctoral level credit from a regionally accredited institution of higher learning, provided the grades are B or higher. Applicants must request this in writing from the Program Director, who advises the student in writing at the time of the official acceptance of the program.

Financial Information
Application Fee .......................................................... $ 50
Tuition per semester hour ......................................... $ 375
Graduation Fee .......................................................... $ 25

Payment is expected in full upon enrollment unless the student participates in a FACTS monthly electronic draft from checking or savings account.

Financial Aid
The Doctor of Ministry does not qualify for Federal Stafford Loans. However, the student may contact the Student Financial Planning Office about private alternative loans.
Graduation Requirements

Required Courses: Expository Preaching
DMIN 610, Critical Issues in Expository Preaching... 3 hours
DMIN 615, Spiritual Formation and Expository Preaching
DMIN 620, Ministry Research Seminar.................. 3 hours
DMIN 625, Sermon Content and Delivery ............ 3 hours
DMIN 630, Expository Preaching and New Testament
Texts................................................................. 3 hours
DMIN 635, Expository Preaching and Old Testament
Texts................................................................. 3 hours
DMIN 640, Expository Preaching and Evangelism......
............................................................................ 3 hours
DMIN 785-6-7, Doctoral Elective Seminar .............. 3 hours
DMIN 785-6-7, Doctoral Elective Seminar .............. 3 hours
DMIN 800, Project and Dissertation.................... 6-12 hours
Total Program Hours...................................... 33-39 hours

Required Courses: Leadership
DMIN 612, Leadership in a Congregational Church
........................................................................... 3 hours
DMIN 618, Leadership through Preaching .............. 3 hours
DMIN 620, Ministry Research Seminar.................. 3 hours
DMIN 624, Missions, Evangelism, and Ministry..... 3 hours
DMIN 629, Strategic Planning............................. 3 hours
DMIN 636, Spiritual Formation of the Minister.... 3 hours
DMIN 639, Spiritual Formation of the Congregation
........................................................................... 3 hours
DMIN 785-6-7, Doctoral Elective Seminar .............. 3 hours
DMIN 785-6-7, Doctoral Elective Seminar .............. 3 hours
DMIN 800, Project and Dissertation.................... 6-12 hours
Total Program Hours...................................... 33-39 hours

Doctoral Processes
Phase 1: Ministry Research Seminar (DMIN 620).
1. Pre-seminar week: students prepare at least three
possible problems/projects that could become the focus
of the DMin dissertation/project.
2. During the seminar week: students decide on a project
topic, determine the research model/process they will
follow, and begin developing a bibliography. During this
week, the professor will work with each student in helping
secure a STM faculty member to serve as dissertation
chair. Dissertation chairs will be finalized no later than
one month after the end of the seminar week.
3. During the post-seminar period:
   a. Students refine their topic (in conjunction with
      the professor of the research seminar and with
      their dissertation chair) and complete a proposal
      for their dissertation/project.
   b. The dissertation chair recruits the dissertation
      committee, consisting of two other persons. One
      of these will be an STM faculty member. The
      third person may be an STM faculty member, but
      may also be a UU faculty member from another
discipline or may be a qualified non-faculty
member, such as a pastor.
   c. The professor of the research seminar has
      responsibility for assigning the grade for the DMIN
      620 seminar.

Phase 2: From the completion of the Ministry Research Seminar to the completion of all seminars.
1. The dissertation chair works with the student in
research and further development of the project.
2. The dissertation chair works with the student and
   with the IRB (Institutional Review Board) to gain any
   necessary IRB approval.
3. The dissertation proposal is submitted to the DMin
   Committee of the STM faculty. The DMin Committee
   works with the dissertation committee and the student
   until the DMin Committee approves the proposal.

Phase 3: From the completion of all seminars to graduation.
1. After DMin Committee has given formal approval of
   the proposal and after the successful completion of all
   nine DMin seminars, the DMin program director will
   notify the student of official candidacy status.
2. The student must register for DMIN 800 the next
   semester after completing all nine seminars. Enrollment
   in DMIN 800 must continue for at least two consecutive
   semesters. During this time, the dissertation chair will
   work closely with the student to bring the dissertation
to final form. It is during these two semesters ONLY
   that the dissertation chair will get teaching load credit
   (or financial consideration) for chairing a dissertation.
3. The student may register for DMIN 800 for up to four
   consecutive semesters. No break in registration will be
   permitted. (In exceptional circumstances, the student
   may appeal to the Dean of the School of Theology
   and Missions for a break in this continuous enrollment
   requirement or for extension beyond four semesters.)
4. The dissertation in final form must be submitted to the
   dissertation chair not later than Friday of the first week
   of the regular semester (fall or spring) at which the student
   expects to graduate. The chair will have one month to
   work with the student to make any further revisions.
5. A formal dissertation defense before the entire
   dissertation committee must occur no later than the
   beginning of fall break or spring break of the semester
   of graduation.
6. Any last-minute revisions must be finalized no later
   than one week before graduation. Three final copies of
   the dissertation must be submitted not later that one
   week before graduation.
**Course Descriptions: Doctor of Ministry (DMIN)**

**610. Critical Issues in Expository Preaching (3)**
*Summer*
Corequisite: DMIN 615.
An examination of biblical, theological, incarnational, and practical principles related to the practice of ministry generally and preaching in particular. Included in this seminar will be a presentation of the “Covenant of Learning,” which students must fulfill on a continuing basis in order to remain in good standing in the program.

**612. Leadership in a Congregational Church (3)**
*Fall*
A seminar on leading a local church in the areas of church staff and ministerial relationships.

**615. Spiritual Formation and Expository Preaching (3)**
*Summer*
Corequisite: DMIN 610.
An examination of the relationship between personal spiritual development and preaching. Models of spiritual growth will be discussed, emphasizing how preaching relates to life change in individuals, congregations, and societies. The relationship between God's Word and God's Spirit in expository preaching will be explored.

**618. Leadership Through Preaching (3)**
*Fall*
This seminar is an in-depth examination of Old Testament and New Testament genres and how understanding these genres should aid preachers to develop sermons. The course will expose students to both hermeneutics and homiletics.

**620. Ministry Research Seminar (3)**
*Winter*
Prerequisite: DMIN 610.
An introduction to methods of research necessary for completion of the DMinEP dissertation or project.

**624. Missions, Evangelism, and Ministry (3)**
*Spring*
An in-depth examination of the mission of the church emphasizing evangelism and ministry.

**625. Sermon Content and Delivery (3)**
*Winter*
Prerequisites: DMIN 610 and 615.
Aspects of sermon content will be studied with a view to improving message content. Also, there will be an analysis and assessment of the dynamics of communication in relations to the practice of expository preaching. Biblical principles related to communication will be explored, as well as contemporary theory and models.

**629. Strategic Planning (3)**
*Spring*
A workshop on the strategic planning process in the context of ministry with a biblical and theological critique.

**630. Expository Preaching and New Testament Texts (3)**
*Summer*
Prerequisites: DMIN 610 and 615.

**635. Expository Preaching and Old Testament Texts (3)**
*Winter*
Prerequisites: DMIN 610 and 615.
An in-depth study of the genres of literature in the Old Testament, focusing on hermeneutical and homiletical issues related to preparing expository messages from the Old Testament.

**636. Spiritual Formation of the Minister (3)**
*Fall*
An in-depth examination of the relationship between personal spiritual development and pastoral ministry.

**639. Spiritual Formation of the Congregation (3)**
An in-depth examination of the spiritual development of a congregation in the areas of ethics, crises, and conflicts.

**640. Expository Preaching and Evangelism (3)**
*Winter*
Prerequisites: DMIN 610 and 615.
A consideration of how preaching engages culture and the world. Focuses on the dynamics of evangelistic preaching and preaching cross-culturally.

**800. Project and Dissertation (3 each)**
*Winter and Summer*
Prerequisite: Successful completion of all nine DMIN seminars and permission of the Doctor of Ministry Program Director.
The writing of an original dissertation that contributes significantly to the praxis of expository preaching.

---

**Other Variable Credit and Variable Content Courses**

**655. Independent Study (1-3)**
Individual research and study under the guidance of a Doctor of Ministry in Expository Preaching professor.

**679, 779. External Domestic Study Programs (1-4)**
All courses and their application to the program must be defined prior to travel.

**785, 786, 787. Doctoral Elective Seminar (3)**
Group seminars which do not appear in the School course offerings.
Mission

To provide a rigorous interdisciplinary program in intercultural studies designed to complement academic and professional preparation in a variety of fields.

Admission Information

Admissions requirements

All students, whether degree-seeking or non-degree-seeking, who wish to take M.A.I.S. courses must meet the prescribed admission criteria.

Applicants should submit the following to the M.A.I.S. office:

- Official transcript(s) showing completion of baccalaureate degree and all undergraduate and graduate coursework attempted.
- Official transcript(s) indicating a minimum grade point average (GPA) of 3.0 on a 4.0 scale of all undergraduate and post-baccalaureate coursework.
- An official GRE score (Graduate Record Exam)
- A completed Application to M.A.I.S.
- Non-native speakers of English must have a minimum score of 560 (paper) or 83 (internet) on the TOEFL
- A $25 application processing fee
- Three letters of professional/academic reference specifying the applicant’s ability for graduate study

Conditional Admission

Students who do not meet the minimum requirements for admission may apply to the Admissions Committee for conditional admission. The committee may request a writing sample and/or interview with the prospective student. The committee may then recommend that the student be admitted conditionally. After successfully completing one semester in the M.A.I.S. program including a minimum of 6 hours of UU courses with at least a 3.0 average, the student may appeal to the Program Director for full admission to the M.A.I.S.

Program Features

The curriculum for the program consists of two components, the 27-hour M.A.I.S. core curriculum and a 12-hour professional component approved by the program director. The delivery system for the M.A.I.S. core is non-traditional and based on a modified cohort model. Prior to the beginning of the semester, students will receive a reading list and assignments for the first course session. Instruction will begin with an intensive class meeting with the professor early in the semester. For the second segment of the course, students will meet on a weekly basis for discussion of research and project development (California campus) and/or participate in on-line activities or discussions with other students and instructors. Finally, the cohort will meet for a second intensive class meeting to complete the course.

In addition, the MAIS features an orientation required of all new students, and an annual workshop required of all returning students. Dates and times for orientation workshop, the intensive sessions, and any interim class meetings will be announced at preregistration each semester.

Academic Calendar and Schedules

Calendars and Schedules of Course offerings for the M.A.I.S. program follow those for non-cohort program and are available from the Program Coordinator.

Graduation Requirements

1. Completion of the 27 hours of required M.A.I.S. coursework.
2. Completion of a 12-hour professional component approved by the program director.
3. A minimum grade point average of 3.0 for the required course of study.
4. Transfer credit: maximum 12 hours with grades of B or higher and approval of Director.

Financial Information

Application Fee: ....................................................... $ 25
Graduation Fee: ........................................................... 25
Tuition/semester hour: ................................................ 395

Classes meeting on the Intensive Weekend Schedule will have refunds prorated according to the time met by the student.

Financial Assistance

M.A.I.S. students on the Jackson campus may qualify for Federal Stafford Loans.

Study Abroad/External Academic Programs

All students participating in external academic programs in the United States or abroad must officially notify the University prior to beginning the registration process for the program. Failure to do so may jeopardize appropriate transfer of credits and/or applicable funding. All students who study abroad or other external academic program pay a $100 fee to cover administrative costs involved in the study abroad program. Additional fees may be assessed as necessary to cover specific expenditures required for study in a particular program. For additional information, contact the Institute.
Course Offerings in Intercultural Studies (ICS)

510. Intercultural Communication (3)
An examination of intercultural communication with a focus on self-awareness and developing effective communication.

515. International Professional Realities and Opportunities (3)
An introduction to the professional intercultural environment designed to help the student develop an awareness and understanding of the skills needed to develop a professional platform for employment in other cultures.

520. Organizational Systems of Society (3)
A study of systems encountered across cultures. Emphasis is on the development of skills for the recognition and assessment of systems with a focus on developing strategies for successful interaction with these systems.

525. Field Research Methods (3)
A course designed to provide students with conceptual tools and research skills in the area of comparative cultural studies. The hands-on approach helps students prepare to design and conduct their own ethnographic research in culturally diverse settings. All students are required to complete the appropriate security training course prior to beginning field research.

530. Field Data Analysis and Strategic Planning (3)
A course that builds on in-class and applied field research knowledge by guiding students through the process of field data analysis. Attention is given to both qualitative and quantitative analytical methods. Students participate in process-focused learning and writing workshops which culminate in the preparation of case-study reports based on their field research/data.

535. Artistic and Intellectual Expressions of Culture (3)
An emphasis on how to develop learning skills to understand the lexicon, grammar, and semantics of other intellectual and artistic systems encountered across cultures.

540. Language and Culture (3)
A study of language development and its relationship to culture. Examines principles of language acquisition and language teaching methodologies.

545. Capstone Seminar (3)
An integration of interdisciplinary principles, themes, and concepts learned in the study of intercultural interaction and understanding.

555. Field Experience (3)
Field experience in which students will conduct ethnographic research. All projects must have instructor's approval.

579. External Domestic Study Programs (1-4)
All courses and their application must be defined and approved prior to travel.

580. Study Abroad Programs (1-4)
All courses and their application must be defined and approved prior to travel.
Faculty

Timothy Smith (2005). Dean of the School of Nursing and Professor of Nursing. Diploma, Baptist College for the Health Sciences; B.S.N., University of Memphis; Diploma in Anesthesia, University of Tennessee, Knoxville Graduate School of Medicine; M.S.N. and Ph.D., University of Tennessee Health Sciences Center.

Joy Thomason (2007). Assistant Professor of Nursing Director of Undergraduate Nursing Education, Center for Excellence in Health Care Practice. B.S.N., The University of Tennessee, Health Science Center; M.S.N., Union University.

Jessica Suiter (2009) Instructor of Nursing. B.S., University of Missouri; B.S.N., St. Louis University; M.S.N., Union University.

The Institute for International and Intercultural Studies in partnership with the Center for Excellence in Health Care Practice offers two certificate programs in International Health Care. The purpose of the program is to enhance the knowledge and clinical skills of domestic and/or international nurses and to promote an awareness of intercultural relationships.

The two-semester program will provide curriculum that incorporates didactic instruction, clinical laboratory and simulation experiences, and anatomical instruction in the cadaver lab. The program will prepare the international nurse for additional licensure and certification for service at the domestic and/or international level. The intercultural studies component of the program will present foundational concepts of intercultural communication and promote the development of intercultural competence, especially in health care settings.

The program is available on the graduate level awarding the Certificate in International Health Care as described below. The program is also available as an undergraduate Certificate in International Health Care as described in the Undergraduate Catalogue.

Certificate in International Health Care—24 hours
A. ICS 511 and 512—4 hours
B. Select 20 hours from: CHP 500, 505, 510, 515, 520, 525, and 540.

Course Offerings in Intercultural Studies (ICS)

511. Introduction to Intercultural Communication in Health care I (2)
Introduction to the theory and practice of intercultural communications with particular attention to health care contexts.

512. Introduction to Intercultural Communication in Health care I I (2)
Introduction to the effective managing and transferring of knowledge in health care contexts within different cultures.

Course Offerings in Center for Excellence in Health Care Practice (CHP)

500. Principles and Practice of Executive Nursing Leadership (4)
Principles and practices of executive nursing leadership as it relates to the understanding of health care systems and role of the nurse leader as a change agent. Clinical simulation and didactic instruction will be provided in strengthening the practice of the established nurse.

505. Principles and Practice of Maternal-Child Nursing (4)
Principles and practice of maternal-child nursing as it relates to the wellness-illness continuum of childbearing families toward promotive and preventative care for the families and newborn. Clinical simulation, anatomical experiences, and didactic instruction will be provided in strengthening the practice of the established nurse.

510. Principles and Practice of Cardiac Vascular Nursing (4)
Principles and practices of cardiac vascular nursing as it relates to providing holistic care for the patient that exhibits cardiac and/or vascular pathophysiological processes. Clinical simulation, anatomical experiences, and didactic instruction will be provided in strengthening the practice of the establish registered nurse.
515. Principles and Practice of Psychiatric Mental Health Nursing (4)
Principles and practice of psychiatric mental health nursing as it relates to therapeutic communication in addressing individual and aggregate issues in promoting a healthy individual and family social dynamics. Clinical simulation, anatomical experiences, and didactic instruction will be provided in strengthening the practice of the established nurse.

520. Principles and Practice of Pediatric Nursing (4)
Principles and practice of pediatric nursing as it relates to the wellness-illness continuum of childrearing families in promotive and preventive care for the family and child. Clinical simulation, anatomical experiences, and didactic instruction will be provided in strengthening the practice of the established nurse.

525. Principles and Practice of Medical-Surgical Nursing (6)
Principles and practice of medical-surgical nursing as related to the wellness-illness continuum addressing the pathophysiological and psychological issues associated with acute and chronic disease processes. Clinical simulation, anatomical experiences, and didactic instruction will be provided in strengthening the practice of the established nurse.

540. NCLEX-RN Prep Course for International Nurses (6)
A broad overview of all areas of nursing care as it relates to the potential content on the NCLEX-RN exam, including necessary test taking skills and practice exams based on NCLEX-RN standards. Clinical simulation, anatomical experiences, and didactic instruction will be provided in strengthening the practice of the established nurse.
Alphabetically with Year When Terms Expire

Norm Hill, Germantown, Tennessee (2012) Chairman
Paul Priddy, Jackson, Tennessee (2013) Vice Chairman
James Ross, Jackson, Tennessee (2014) Secretary

Mike Adams, Lexington, Tennessee (2013)
Trent Butler, Jackson, Tennessee (2014)
Bob Campbell, Jackson, Tennessee (2013)
Lynn Edmonson, Jackson, Tennessee (2013)
Craig Fitzhugh, Ripley, Tennessee (2015)
Gil Fletcher, Humboldt, Tennessee (2015)
Polk Glover, Obion, Tennessee (2014)
Ramona Mercer, Jackson, Tennessee (2013)
Tommy Moore, Dresden, Tennessee (2013)

Patti Waggoner, Nashville, Tennessee (2013)
Fred Ward, Huntingdon, Tennessee (2014)
Chad Wilson, Jackson, Tennessee (2014)
John Woods, Jackson, Tennessee (2014)

Trustees Emeritus
Bill Adcock, Newbern, Tennessee
John Drinnon, Germantown, Tennessee
Shelby Massey, Collierville, Tennessee
Brooks McLemore, Jackson, Tennessee
John McRee, Memphis, Tennessee
Jack Porter, Greenfield, Tennessee
Roy White, Jackson, Tennessee
Pete Wilson, Jackson, Tennessee
President
David S. Dockery (1996) President and University Professor of Christian Thought and Tradition. B.S., University of Alabama at Birmingham; M.Div., Grace Theological Seminary; M.Div., Southwest Baptist Theological Seminary; M.A., Texas Christian University; Ph.D., University of Texas-Arlington; Additional study, Drew University.

Office of the Provost
Carla D. Sanderson (1982) Provost and Executive Vice President for Strategic Initiatives and Professor of Nursing. Diploma, Baptist Memorial Hospital School of Nursing; B.S.N., Union University; M.S.N., University of Tennessee Center for Health Sciences; Ph.D., University of Florida.

Gene Fant (2002) Executive Vice President for Academic Administration and Professor of English. B.S., James Madison University; M.A., Old Dominion University; M.Div., New Orleans Baptist Theological Seminary; M.Ed., and Ph.D., University of Southern Mississippi. Additional study, Harvard University.

Cynthia Powell Jayne (1976). Associate Provost for International and Intercultural Studies, University Professor of Language and Director of the Institute for International and Intercultural Studies. B.A., Mississippi College; M.A. and Ph.D., Louisiana State University; Additional study, Vanderbilt University, University of Kentucky, and the Intercultural Communication Institute.

Randall W. Phillips (2004) Director of Research and Associate Professor of Family Studies. B.S., Union University; M.A., Phillips Graduate Institute; Ph.D., Southern Illinois University-Carbondale.

Sherry Russell (2009) Assistant Registrar, Hendersonville and Coordinator for Graduate Programs, Hendersonville. B.S., Trevecca Nazarene College; M.S., University of Tennessee, Knoxville.

Deans
R. Keith Absher (2004) Dean of the McAfee School of Business Administration and Professor of Marketing. B.A. and M.B.A., Jacksonville State University; M.A.S., University of Alabama–Huntsville; Ph.D., University of Arkansas.

Sheila Mitchell (2007) Dean of the School of Pharmacy. B.S. and Pharm.D., University of Tennessee Health Science Center.

Timothy Smith (2005) Dean and Professor, School of Nursing, and Executive Director, Center for Excellence in Health Care Practice. Diploma, Baptist College for the Health Sciences; B.S.N., University of Memphis; Diploma in Anesthesia, University of Tennessee, Knoxville Graduate School of Medicine; M.S.N., and Ph.D., University of Tennessee Health Science Center.

Gregory A. Thornbury (1999) Dean of the School of Theology and Missions, Vice President for Spiritual Life and Associate Professor of Philosophy. B.A., Messiah College; M.Div. and Ph.D., Southern Baptist Theological Seminary; Additional study, Oxford University.

Hunter Baker (2010) Acting Dean of the College of Arts and Sciences and Associate Professor of Political Science. B.A., Florida State University; M.P.A., University of Georgia; J.D., University of Houston Law Center; Ph.D., Baylor University.

Justin Barnard (2007) Associate Dean for Intellectual Discipleship, Associate Professor of Philosophy and Director, the Carl F. H. Henry Institute for Intellectual Discipleship. B.A., Palm Beach Atlantic University; M.A. and Ph.D., Florida State University.

George DeMaagd (2008) Associate Dean of Academic Administration and Professor of Pharmacy. B.S., Western Michigan University; Pharm.D., University of Michigan.

Janet E. Furness (2008) Associate Dean of Social Work, Professor, and Director, Master of Social Work Program. B.S., Philadelphia Biblical University; M.S.W., Rutgers, the State University; Ed.D., University of Rochester.

Kelly Harden (2007) Associate Dean of Graduate Nursing Programs, Director of DNP, and Associate Professor of Nursing. A.S.N., Mississippi County Community College; B.S.N., Regents University; M.S.N., University of Missouri; D.N.Sc., University of Tennessee Center for Health Science.
Kim Madewell Jones (2007) Assistant Dean of Student Services and Assistant Professor of Pharmacy. B.S., Middle Tennessee State University; Pharm.D., University of Tennessee College of Pharmacy.

Stephen Marvin (2007) Assistant Dean of Education.—Germantown and Assistant Professor of Education. B.A., Fresno Pacific University; M.Ed., Harding University; Ed.D., University of Arkansas.

George Moss (2009) Assistant Dean of Arts and Sciences and Associate Professor of Mathematics. B.S., Auburn University; Ph.D., Virginia Technological University.

Dottie Myatt (1994) Assistant Dean for Teacher Education and Accreditation and Associate Professor of Education. B.S., Lambuth University; M.Ed., Union University; Ed.D., University of Memphis.

William R. Nance, Jr. (2000) Associate Dean of the McAfee School of Business Administration and Associate Professor of Management. B.S., Regis University; M.B.A., Union University; D.B.A., Nova Southeastern University.

William Nettles (2006) Associate Dean of Arts and Sciences, Professor of Physics and Department Chair. B.S., Mississippi College; M.S., and Ph.D., Vanderbilt University.

James Patterson (1999) Associate Dean of the School of Theology and Missions and University Professor of Christian Thought and Tradition. B.A., Rutgers University; M.Div., Gordon-Conwell Theological Seminary; Ph.D., Princeton Theological Seminary.

Ann Singleton (1985) Associate Dean of Education and Professor of Special Education. B.S., Union University; M.Ed., and Ed.D., University of Memphis.

Vice Presidents

Todd Brady (1996-2007, 2011) Vice President for Church Relations. B.S., Union University; M.Div., Southwestern Baptist Theological Seminary; D.Min., Southern Baptist Theological Seminary.

Rich Grimm (2005) Senior Vice President for Enrollment Services. B.A., Palm Beach Atlantic University; M.Div., Southwestern Baptist Theological Seminary.

Anna Beth Morgan (2009) Associate Vice President for Academic Resources, Director of the Library, and Associate Professor of Library Services. B.A., Oklahoma Baptist University; M.L.S., Texas Women’s University; M.S., Southwest Baptist University.

Kimberly C. Thornbury (1999) Vice President for Student Services and Dean of Students. B.A., Messiah College; M.A., University of Louisville; Ph.D., Regent University.

Jerry N. Tidwell (2007) Senior Vice President for University Relations, Assistant Professor of Pastoral Ministry, and Director of the R.G.Lee Center. B.S., University of North Alabama; M. Div. and D. Min., Southwestern Baptist Theological Seminary.

Program Administration

C. Steven Arendall (1990) MBA Director, Germantown, and Professor of Management. B.B.A. and M.B.A., Memphis State University; Ph.D., University of Tennessee.

Nancy Cherry (2005) Director of Master's Programs—Jackson and Associate Professor of Education. B.S., Union University; M.Ed., University of Memphis; Ed.S. and Ed.D. Union University.

Melinda Clarke (2000) Director of Ed.D., (Higher Education), Director, Center for Educational Practice and Professor of Education. B.A., Lambuth University; M.Ed. and Ed.D., Vanderbilt University.

Patsy Crihfield (2007) Chair Nurse Practitioner Tracks and Professor of Nursing. B.A., Stephens College; B.S.N., University of Memphis; M.S.N., University of Tennessee Center for Health Science; F.N.P., University of Missouri-St. Louis; D.N.P., University of Tennessee Center for Health Science.

Ken Easley (2006) Professor of Biblical Studies and Director of the School of Theology and Missions—Olford Center. B.A., John Brown University; M.Div., Trinity Evangelical Divinity School; Ph.D., Southwestern Baptist Theological Seminary.

Carren Gallaher (2011) Director of Master’s Programs in Education—Hendersonville Campus and Assistant Professor. B.A., Lee University; M.A.Ed., Cumberland University; Ed.D., Tennessee State University.

Joy Greene (2011) Associate Professor of Pharmacy and Assistant Director of Experiential Education. Pharm.D., University of Tennessee.

Charles Lea (2008) Executive Director for the Hendersonville Campus and Professor of Educational Leadership. B.S. and M.A., Middle Tennessee State University; Ed.D., Vanderbilt University.

Cynthia Powers (2008) Chair, M.S.N.—Nurse Education/Nurse Administration Tracks and Associate Professor of Nursing. A.S.N., University of Memphis; B.S., University of St. Francis; M.E., and M.S.N., University of St. Joseph; D.N.P., Union University.

Sherry Russell (2008) Coordinator, Graduate Education and Christian Studies and Assistant Registrar—Hendersonville Campus. B.S., Trevecca Nazarene College; M.S., University of Tennessee, Knoxville.

Robin Scott (2010) Director of the M.U.Ed.—Germantown and Associate Professor of Education. B.S., Butler University; M.S., Indiana University-Pursue University at Indianapolis; Ph.D., Ball State University.

Mark Stephens (2007) Director of Experiential Education and Associate Professor of Pharmacy. B.S. and Pharm.D., University of Tennessee College of Pharmacy.

Joanna Tacker (2010) Coordinator, Graduate Programs (other than Anesthesia).

Blake Watkins (2008) Chair, Pharmaceutical Sciences and Associate Professor of Pharmacy. B.S., Union University; Ph.D., University of Georgia.

Molly Wright (2006) Chair, Nurse Anesthesia Track and Assistant Professor of Nursing; B.S., university of St. Francis; M.S., Middle Tennessee School of Anesthesia.

April Yearwood (2010) Assistant Chair, Nurse Anesthesia Track and Assistant Professor of Nursing Anesthesia. B.S.N., Union University; M.S.N., University of Tennessee Health Science Center.

Graduate Faculty

Beverly Absher (2004) Associate Professor of Educational Leadership and Department Chair of Continuing Studies, and Director of LAUNCH Program. B.S. and M.B.A., University of North Alabama; Ed.D., Union University.

Richard Addo (2010) Associate Professor of Pharmacy. B.S., University of Science & Technology—Kumasi Ghana; Ph.D., Mercer University.

Haelim Allen (2010) Assistant Professor of Art. B.A., University of Maryland; M.R.E., Trinity Evangelical Divinity School; M.F.A, University of Maryland.

Frank Anderson (2010) Associate Professor of Ministry and Missions and Director of the A.Div. Program. B.B.A., University of Memphis; M.Div. and Ph.D., Mid-America Baptist Theological Seminary.

Hayward Armstrong (2012) Professor of Missions and Director of Online Programming. B.A., Samford University; M.D.E., University of Maryland University College; M.Div. and Ph.D, New Orleans Baptist Theological Seminary.

Michele Atkins (1998–2005; 2006) Professor of Education. B.S., Union University; M.Ed. and Ph.D., University of Memphis.

David Austill (1997) Professor of Accounting and Business Law. B.B.A., University of Memphis; M.B.A., University of Arkansas; J.D., University of Tennessee; L.L.M., Washington University.

Laurie Bagwell (2011) Assistant Professor of Nursing. A.S.N., Indiana University; B.S.N. and M.S.N., Union University; D.N.P., Chatham University.

D. Keith Bates (2004) Associate Professor of History. B.A., Union University; M.A. Southwestern Baptist Theological Seminary; Ph.D., Kansas State University.

Elizabeth Bedsole (1998) Professor of Music. B.M., Stetson University; M.C.M., Southwestern Theological Seminary; Ed.D., University of Illinois.

Lunawati Bennett (2012) Associate Professor of Pharmacy. B.A., Bogor Agricultural University; M.S., University of Missouri; M.R.E., Golden Gate Baptist Theological Seminary; Ph.D. and Pharm.D., Idaho State University.

Aaron Lee Benson (1996) Professor of Art and Department Chair. B.F.A., B.S. and M.F.A., University of Tennessee at Knoxville.

Jay Bernheisel (2006) Associate Professor of Engineering. B.S.M.E. and M.S.M.E., Rose-Hulman Institute of Technology; Ph.D., Northwestern University.
Carolyn Bishop (2006) Associate Professor of Intercultural Studies and Education. B.A., Furman University; M.Ed., Clemson University; Ph.D., Emory University.

Chris Blair (1997) Professor of Communication Arts. B.A., Union University; M.A. and Ph.D., University of Memphis.

Teresa Blakley (2003) Professor of Social Work. B.S., Sam Houston State University; M.S.W. and Ph.D., Barry University; A.C.S.W., L.C.S.W.

Mark Bolyard (2006) Professor of Biology and Department Chair. B.A., Hanover College; Ph.D., University of North Carolina.

Matt Brunet (2004) Assistant Professor of Sport Management. B.S., Indiana Wesleyan University; M.A., Wayne State University; Ed.D., Union University.

David Burke (1986) Professor of Theatre and Director of the Theatre. B.S.A., Houston Baptist College; M.F.A., University of Houston.

Jeannie Byrd (1995) Associate Professor of Library Services. B.A., Union University; M.A., University of Mississippi; M.S., University of Tennessee.

Jennifer Smith Byrd (2011) Assistant Professor of Pharmacy. Pharm.D., University of Tennessee, Health Science Center.

Stephen Carls (1983) University Professor of History and Department Chair. B.A., Wheaton College; M.A. and Ph.D., University of Minnesota.

Kevin Chen (2010) Assistant Professor of Biblical Studies. B.S., University of California, Berkeley; M.S., Stanford University; M.Div., Western Seminary; Ph.D., Golden Gate Baptist Theological Seminary.

Don Christensen (2002) Professor of Finance. B.B.A. and M.B.A., University of Memphis; Ph.D., University of South Carolina.

Anna Clifford (1991) Associate Professor of Early Childhood Education. B.S. and M.S., University of Tennessee at Martin; Ed.D., University of Memphis; Additional study, Montessori, St. Nicholas Montessori Centre, London.

Jason Crawford (2011) Assistant Professor of English. B.A., Louisiana State University; A.M. and Ph.D., Harvard University.

Connie Cupples (2005) Associate Professor of Nursing. B.S.N. and M.S., University of Memphis; M.S.N., Union University; Ph.D., University of Tennessee Health Science Center.

Jimmy H. Davis (1978) Director of Institutional Effectiveness and Hammons University Professor of Chemistry. B.S., Union University; Ph.D., University of Illinois; Additional study, University of Florida, Oak Ridge Associated University, Argonne National Laboratory; Harvard University, and Oxford University, England.

Bryan Dawson (1998) Professor of Mathematics and Department Chair. B.S. and M.S., Pittsburg State University; Ph.D., University of North Texas.

Mary Day (2012) Assistant Professor of Pharmacy Practice. A.S., Tulsa Community College; Pharm.D., University of Oklahoma.

Nancy Dayton (1979) Professor of Nursing. B.S.N., Duke University; M.S.N., University of Tennessee Center for Health Sciences; M.S., Ed.D., University of Memphis.

Paul Deschenes (2000) Associate Professor of Psychology and Director of Counseling Services. B.A., University of Florida; Psy.D., Rosemead School of Psychology.

Web Drake (2008) Associate Professor of Communication Arts and Department Chair. B.A., Mississippi College; M.A., University of North Texas; Ph.D., Louisiana State University.

Mark Dubis (2002) Professor of Biblical Studies. B.S., Clemson University; M.Div., Gordon-Conwel Theological Seminary; Th.M., Calvin Theological Seminary; Ph.D., Union Theological Seminary-Virginia.

Deidra Easley (2012) Assistant Professor of Pharmacy Practice. B.S., University of North Alabama; Pharm. D., University of Tennessee.

Nancy M. Easley (1998) Associate Professor of Education. B.A., Trinity University; M.Ed., Texas A & M University; Ed.D., University of Memphis.

Melinda Eckley Posey (2009) Assistant Professor of Art, B.A., Union University; M.F.A., Memphis College of Art.

Stephanie Edge (1996) Associate Professor of Computer Science. A.S., Middle Georgia Colelge; B.S., West Georgia College; M.S., Georgia State University; M.Div., Southern Baptist Theological Seminary; THM, New Orleans Baptist Theological Seminary.

Sean Evans (2000) Associate Professor of Political Science and Department Chair. B.A., David Lipscomb University; M.A., University of Alabama; Ph.D., University of Colorado.

Sharon Edwards Evans (2007) Associate Professor of Nursing. B.S.N., Oral Roberts University; M.S.N. and Ph.D., St. Louis University; PMC Peds, Union University.

Jennifer Gruenke (2009) Associate Professor of Biology. B.S., Bryan College; Ph.D., University of Virginia.

Ildefonso Guilaran (2008) Associate Professor of Physics. B.S., Western Kentucky University; M.S. and Ph.D., Florida State University.

George Guthrie (1990) Benjamin W. Perry Professor of Bible, Director of the Center for Biblical Studies. B.A., Union University; Th.M., Trinity Evangelical Divinity School; M.Div. and Ph.D., Southwestern Baptist Theological Seminary.

Chris Hail (1995) Professor of Mathematics. B.S., Campbellsville College; M.A., Morehead State University; Ed.D., University of Kentucky.

Steve Halla (2009) Assistant Professor of Art. B.A., Moody Bible Institute; Th.M., Dallas Theological Seminary; Ph.D., University of Texas.

Patricia Hamilton (2001) Associate Professor of English. B.A., Biola University; M.A., California State University, Fullerton; Ph.D., University of Georgia.

Bradley Harrell (2009) Associate Professor of Nursing. B.S.N. and M.S.N., University of Memphis; D.N.P., University of Health Science Center College of Nursing.

Shirley Sykes Harris (2005) Librarian, Germantown Campus and Associate Professor of Library Services. B.S., University of Memphis; M.L.S., Texas Women’s University.

Michael Hayes (2009) Professor of Chemistry. B.S., Union University; Ph.D., University of Texas at Austin.

Sally A. Henrie (1998) Professor of Chemistry. B.S., University of Arizona; Ph.D., South Dakota State University.

Kristie Holmes (2007) Assistant Professor of Social Work. B.S., California Polytechnic State University; M.S.W., University of Southern California; Ph.D., Capella University.

Rhonda Hudson (2006) Associate Professor of Social Work and Director of the B.S.W.—Adult Studies Program. B.S., Florida A&M University; M.S.W. and Ph.D., Barry University.

Scott Huelin (2009) Associate Professor of English and Director of the Honors Community. B.A. and M.A., University of North Carolina; Ph.D., University of Chicago.

James Huggins (1987) University Professor of Biology and Director of the Center for Scientific Studies. B.S.A. and M.S., Arkansas State University; Ph.D., Memphis State University; Additional study, University of Tennessee, Memphis.

Paul Jackson (1993) Professor of Biblical Studies. B.A., Hardin-Simmons University; M.Div., and Ph.D., Southwestern Baptist Theological Seminary.

Gary Johnson (1994) Professor of Physical Education. B.S., Union University; M.S., University of Memphis; D.A., Middle Tennessee State University.

Randy F. Johnston (1994) University Professor of Chemistry and Department Chair. B.S., University of Missouri, St. Louis; Ph.D., Texas Tech University.

Gregory Jordan (2012) Professor of Business Law. B.S. Union University; J.D., University of Memphis.

Pat Keene (2004). Professor of Nursing. A.S.N., University of Memphis; B.S.N., M.S.N., D.N.P, The University of Tennessee Health Service Center.

James Kerfoot (2009) Assistant Professor of Biology. B.S. and M.S., Southern Illinois University; Ph.D., Florida Institute of Technology.

James Kirk (2003) Associate Professor of Computer Science. B.M., Union University; M.M. and M.A., Indiana University; Ph.D., University of Louisville.

Sean King (2009) Assistant Professor of Pharmacy. B.S., M.S., and Ph.D., University of Mississippi.

David Kuhl (2008) Baptist Memorial Health Care Professor of Pharmacy. B.S., Kearney State College; Pharm.D., University of Nebraska Medical Center.

Emily Lean (2008) Assistant Professor of Management. B.S.B.A., Union University; Ph.D., University of Arkansas.

Melissa Lefave (2011) Assistant Professor of Nursing Anesthesia. B.S.N., Union University; M.S., Middle Tennessee School of Anesthesia.

Judy C. Leforge (1999) Professor of History. B.A. and M.A., Western Kentucky University; Ph.D., University of Memphis.

Ralph Leverett (1997) University Professor of Special Education. B.S. Middle Tennessee State University; M.A., M.S., Ph.D., Vanderbilt University.

Haifei Li (2004) Associate Professor of Computer Science. B.E., Xi’an Jiaotong University; M.S. and Ph.D., University of Florida.

W. Terry Lindley (1986) Professor of History. B.A., Texas A & M University; M.A., University of New Orleans; Ph.D., Texas Christian University; Additional study, Southwestern Baptist Theological Seminary.

Kimberly Lindsey (2008) Assistant Professor of Pharmacy. B.S. and Pharm.D., University of Tennessee.
Ann Livingstone (1975) Associate Professor of Political Science. B.A., Anderson College; M.A., Vanderbilt University; Ph.D., University of Keele, UK.

James Marcus Lockett (2004) Associate Professor of Biology. B.S. and M.S., Murray State University; Ph.D., University of Tennessee.

Matt Lunsford (1993) Professor of Mathematics. B.G.S., Louisiana Tech University; M.S., University of Nebraska; Ph.D., Tulane University.

Andy Madison (2002) Associate Professor of Biology. B.S., University of Tennessee; M.S., University of Kentucky; Ph.D., Kansas State University.

Beth Madison (2007) Assistant Professor of Science. B.S., University of Tennessee; M.S., University of Kentucky; Ph.D., Kansas State University.

James Mahan (2010) Associate Professor of Biology. B.A., Vanderbilt University; M.S., and Ph.D., University of Memphis.

Chris Manner (2009) Associate Professor of Economics. B.A., University of Tennessee, Martin; Ph.D., Vanderbilt University.

Andrew Martin (2008) Assistant Professor of Pharmacy. B.S., Bob Jones University; B.S. and Pharm.D., Ferris State University.

Karen Martin (2003) Professor of Languages. B.A., Samford University; B.A., Union University; M.A., The University of Alabama; D.M.L., Middlebury College.

Eric Marvin (2010) Associate Professor of Education. B.A., Fresno Pacific University; M.Ed., Harding University; Ed.D., University of Memphis.

Chris Mathews (2008) Associate Professor and Chair, Department of Music. B.M., Union University; M.M., Southwest Missouri State University; D.M.A., University of Kentucky.

Rosemary McLaughlin (1995-2004, 2007) Associate Professor of Nursing. B.S.N., Harding University; M.S.N., University of Arkansas for Medical Sciences; Ph.D., The University of Tennessee Health Science Center.

Michael L. McMahan (1980) University Professor of Biology. B.S. and M.S., University of Mississippi; Ph.D., Louisiana State University.

Terry McRoberts (1992) University Professor of Music. B.S., Manchester College; M.M., Youngstown State University; D.A., Ball State University.

Lisa Medlin (2006) Associate Professor of Nursing. B.S.N., Union University; M.S.N., Vanderbilt University; D.N.P., Union University.

Nita Mehr (2009) Associate Professor of Social Work. B.S.W. and M.S.S.W., Freed Hardeman University.

Karen C. Miller (1997) Professor of Accounting. B.S.B.A., Freed-Hardeman University; M.Ac., University of Tennessee at Martin; Ph.D., University of Mississippi; C.P.A.

C. Ben Mitchell (2009) Graves Professor of Moral Philosophy. B.A., Mississippi State University; M.Div., Southwestern Baptist Theological Seminary; Ph.D., University of Tennessee.

Melissa Moore (1992) Reference Librarian and Professor of Library Services. B.A., Wake Forest University; M.L.S., University of Kentucky; Additional study, Union University.

Dianne Morgan (2009) Associate Professor of Education. Ph.D., University of Illinois Urbana-Champaign.

Daniel Musselman (2010) Assistant Professor of Music. B.M., Bob Jones University; M.M. Westminster Choir College; D.M.A., University of Kansas.

Bethany L. Murphy (2011) Assistant Professor of Pharmacy Practice. Pharm.D., Ohio Northern University.

Sam Myatt (1987) Professor of Education, Assistant Registrar, and Director of Academic Services for the Department of Continuing Studies. B.S., Lambuth College; M.S., and Ed.D., Memphis State University.

Christopher M. Nadaskay (1993) University Professor of Art. B.A., Southern Arkansas University; M.F.A., East Texas State University.

Michelle Nielsen (2010) Assistant Professor of Mathematics. B.A., Bethel University; M.S. and Ph.D., University of Minnesota.

Kristie Niemeier (2010) Assistant Professor of Language. B.A., Transylvania University; M.A., University of Kansas; Ph.D., University of Kentucky.

John Netland (2008) Professor of English and Department Chair. B.A., Biola University; M.A., California State Polytechnic University; Ph.D., University of California, Los Angeles.

Howard Newell (1982) Professor of Business Administration. B.S. and M.S., Southern Illinois University; Ph.D., Indiana University.
Marlyn Newhouse (1992) Associate Professor of Chemistry. M.A. and B.S.Ed., Northern Arizona University; D.A., Middle Tennessee State University.

David Olford (2007) Stephen Olford Professor of Expository Preaching and Assistant to the President. B.A. and M.A., Wheaton College; Ph.D., University of Sheffield.

Joel Owen (2008) Associate Professor of Pharmacy. B.S. Pharmacy and Ph.D. Pharmaceutics, Auburn University

Walton Padelford (1980) University Professor of Economics. B.S., Mississippi College; M.S. and Ph.D., Louisiana State University; Additional Study, San Francisco Xavier de Chuquisaca.

Brenda Peirson (2010) Professor of Chemistry. B.S., Bradley University; Ph.D., Miami University.

Lauren Tucker Peyton (2008) Assistant Professor of Pharmacy. Pharm.D., University of Tennessee Health Science Center.

Ashok Philip (2010) Assistant Professor of Pharmacy. B.Pharm Bapathia College of Pharmacy, JNT University—Hyderabad, India; M.Pharm. Andhra University; Ph.D., University of Mississippi.

Randall W. Phillips (2004) Associate Professor of Family Studies and Director of Research. B.S., Union University; M.A., Phillips Graduate Institute; Ph.D., Southern Illinois University-Carbondale.

Georg Pingen (2010) Assistant Professor of Engineering. B.A., Samford University; B.S. and M.S., Washington University; Ph.D., University of Colorado.

Mary Platt (1992) Cataloging/Authority Librarian and Associate Professor of Library Services. B.A., Stillman College; M.L.S., University of Alabama.

Harry L. Poe (1996) Charles Colson Professor of Faith and Culture and Special Assistant to the President. B.A., University of South Carolina; M.Div., and Ph.D., Southern Baptist Theological Seminary. Additional study, Oxford University, England.

Mary Anne Poe (1996) Professor of Social Work, B.S.W. Director and Director for the Center for Just and Caring Communities. B.A., Vanderbilt University; M.S.S.W., University of Louisville; M.Div., Southern Baptist Theological Seminary; A.C.S.W.

Geoffrey Poore (2010) Assistant Professor of Physics. B.A., Wheaton College; M.S. and Ph.D., University of Illinois.

Julie Powell (1995) Associate Professor of Sport Management. B.S., and M.Ed., Union University; Ed.D., North-Central University.

Tom Proctor (1996) Professor of Accounting and Coordinator of Accounting. B.S., University of Tennessee at Martin; M.B.A., M.S., and Ph.D., University of Memphis; CMA; Additional Study, Marquarie University.

Gavin Richardson (1998) Professor of English. B.A., Vanderbilt University; M.A. and Ph.D., University of Illinois at Urbana-Champaign.

Bobby Rogers (1989) Professor of English and Writer in Residence. B.A., University of Tennessee at Knoxville; M.F.A., University of Virginia.

Jeannette Russ (2002) Professor of Engineering and Department Chair. B.S., Mississippi State University; M.B.A., Colorado State University; Ph.D., Vanderbilt University, PE.

Phillip Ryan (1997) Professor of Language and Coordinator of ESL Programing. B.A., Union University; M.A., University of Memphis; Ph.D., Indiana University of Pennsylvania.

Donna Sachse (2003) Professor of Nursing. Diploma, Baptist Memorial Hospital School of Nursing; B.S.N., University of Memphis; M.S.N. and Ph.D., The University of Tennessee Health Science Center.

Michael Salazar (2001) Professor of Chemistry. B.S., New Mexico State University; Ph.D., University of Utah; Additional study, Los Alamos National Laboratory.

Ziola Sanchez (2009) Associate Professor of Nursing. A.A., Miami Dade Community College; B.A. and B.S.N., and Adult Nurse Practitioner Certificate, Florida International University; M.S.N., Union University; Ph.D., University of Tennessee Health Science Center.

Michael Schiebout (2012) Assistant Professor of Biology. B.A., Dordt College; M.S. and Ph.D., University of North Colorado.

Randal Schwindt (2004) Associate Professor of Engineering. B.S., Hardin Simmons University; M.S., Texas A&M University; Ph.D., University of Illinois-Champaign.

Virginia Schwindt (2009) Assistant Professor of Social Work. B.B.S., Hardin-Simmons University; M.S.S.W., University of Texas at Arlington.

Michael Shackleford (2010) Associate Professor of Educational Leadership. B.S., University of Memphis; M.Ed., Tennessee State University; Ed.D., Vanderbilt University.
Michelle Sherrill (2011) B.S.W. Field Director—Olford Center/Germantown Campus and Assistant Professor of Social Work. B.S.W. and M.S.W., Indiana University.

Daniel Slater (2010) Assistant Professor of Management. B.A., Central Bible College; M.B.A., Missouri State University; Ph.D., University of Arkansas.

Todd Stanfield (2007) Professor of Social Work. B.S.W. and M.S.W., University of Alabama; Ph.D., University of Tennessee.

Stephanie Steele (2009) Assistant Professor of Education (Research), Hendersonville. B.S., Union University; M.Ed., and Ph.D., Vanderbilt University.

Joanne Stephenson (1988) Professor of Psychology and Sociology. B.S. and M.S., University of Tennessee at Martin; Ed.D, Memphis State University.

Linn M. Stranak (1980) University Professor of Physical Education and Chair of Department of Physical Education, Wellness and Sport. B.S., Union University; M.S., University of Kentucky; D.A., Middle Tennessee State University; Additional study, United States Sports Academy.

Jodi Leke Taylor (2009) Assistant Professor of Pharmacy. B.S., Middle Tennessee State University; Pharm.D., University of Tennessee, Health Science Center.

David Thomas (1994) Professor of History. B.S., Ohio State University; M.S., University of Michigan; Ph.D., Ohio State University.

Denise Thornton-Orr (2008) Chair, Undergraduate Program—Germantown and Assistant Professor of Nursing. A.A., Itawamba Junior College; B.S.N., Mississippi University for Women; M.S.N. and D.N.Sc., University of Tennessee Health Science Center.

Andrew Tiger (2010) Professor of Management. B.S. and M.S., Oklahoma State University; Ph.D., University of Houston.

Don Van (2001) Professor of Engineering and Director of Accreditation. B.S. and M.S., University of Illinois; M.Sc. and Ph.D., New Jersey Institute of Technology; P.E., CEM.

Ray F. Van Neste (1997-98, 2001) Professor of Biblical Studies and Director of the R.C. Ryan Center for Biblical Studies. B.A., Union University; M.A., Trinity Evangelical Divinity School; Ph.D., University of Aberdeen (Scotland).

David Vickery (1981) University Professor of Psychology. B.A., Wake Forest University; M.A., Appalachian State University; Ph.D., University of Georgia.

Jean Marie Walls (1987) Professor of Language and Department Chair. B.A. and M.A., Mississippi State University; Ph.D., Louisiana State University; Additional study, NEH Institute, Northwestern University.

David H. Ward (1992, 1999) Professor of Physics. B.S. and M.A., University of South Florida; Ph.D., North Carolina State University.

Micah Watson (2007) Assistant Professor of Political Science. B.A., University of California at Davis; M.A., Baylor University; Ph.D., Princeton University.

Carol Weaver (1998) Professor of Biology. B.S., Union University; M.S., University of Missouri-St. Louis; Ph.D., St. Louis University.

Terry Weaver (1992) Associate Professor of Education and Special Education. A.A., Miami Dade Junior College; B.S. and M.Ed., Florida Atlantic University; Ph.D., George Peabody College for Teachers of Vanderbilt University.

Jill Webb (1987) Professor of Nursing and Assistant Director of the Honors Community. B.S.N., Murray State University; M.S.N., University of Evansville; Ph.D., University of Tennessee, Health Science Center.

Georgia Wellborn (1989) Professor of Music. B.M., Carson-Newman College; M.M., Florida State University; M.L.S., University of Tennessee; D.A., University of Mississippi; Additional study, Southwestern Baptist Theological Seminar, the University of North Texas, and Westminster Choir College.

Teresa West (1983) University Professor of Psychology and Department Chair. B.A., Union University; M.A. and Ed.S., Memphis State University; Ed.D., Memphis State University.

Carrie L. Whaley (1997) Professor of Education. B.A., Union University; M.C.M. and M.R.E., Southwestern Baptist Theological Seminary; Ed.D., Texas Woman’s University.

Amy Williams (2007) Assistant Professor of Pharmacy. B.S., University of Tennessee, Martin; Pharm.D., University of Tennessee, Memphis.

Joshua R. Williams (2011) Associate Professor of Chemistry. B.A., Augustana College; Ph.D., University of Oregon.

Catherine Willmore (2010) Associate Professor Pharmacy. B.S., University of Connecticut; Ph.D., Medical College of Virginia.
G. Jan Wilms (1992) Professor of Computer Science and Department Chair. B.A., Katholeike Universiteit Leuven, Belgium; M.A. (English) and M.S. (Computer Science), University of Mississippi; Ph.D., (Computer Science), Mississippi State University.

Beth Wilson (2009). Associate Professor of Social Work. B.S.W., Philadelphia Biblical University; M.S. W., University of Wisconsin-Milwaukee; Ph.D., University of Tennessee.

Roslyn Wilson (1995) Associate Professor of Social Work and B.S.W. Field Director. B.S., Tennessee State University; M.S.S.W., University of Tennessee.

David A. Wing (2009) Professor of Chemistry. B.S., Wheaton College; Ph.D., Northwestern University.

Wayne Wofford (1987) Professor of Biology. B.S., Union University; M.S. and Ph.D., Texas A&M University.

Taylor Worley (2008) Assistant Professor of Christian Thought and Tradition and Associate Dean for Spiritual Life. B.A., Union University; M.Div., The Southern Baptist Theological Seminary; Ph.D., University of Saint Andrews.

Faith A. Zamamiri-Davis (2011) Assistant Professor of Biology. B.S., Westmont College; Ph.D., Pennsylvania State University.
