Program Leadership
Dottie Myatt (1994). Professor of Education and Assistant Dean for Teacher Education and Accreditation. B.S., Lambuth University; M.Ed., Union University; Ed.D., University of Memphis.

Melessia Mathis (1998). Assistant Professor of Education and Director of Clinical Experiences. B.S., University of Alabama; M.Ed., University of Memphis. Additional study, Cumberland University.

Christopher Brown (2012). Coordinator of Assessment and Licensure. B.S., Union University.

Conceptual Framework:
A Teacher-Student Dynamic of Sensitivity, Reflection and Faith

Mission Statement
The mission of the Teacher Education Program is to prepare highly effective educators within an environment of sensitivity, reflection, and faith.

Description of the Statement: Effective educators demonstrate knowledge in their respective fields, sensitivity to students’ diverse learning needs, reflection in scholarship and inquiry, motivation of their students’ becoming life-long learners, and a careful examination of their worldview and integration of the fruit of the Spirit (Galatians 5:22-23).

Candidate Outcomes
1. Content Knowledge: Candidates demonstrate academic competence in a broad base of general education and in a major appropriate for the licensure being sought.
2. Knowledge of Learners: Candidates understand the growth and development of children and adolescents with sensitivity to their diverse learning needs.
3. Pedagogy and Instruction: Candidates demonstrate knowledge of a variety of effective teaching methods and materials which utilize skills that effectively apply content knowledge and knowledge of children and adolescents to the learning environment.
6. Personal Professional Growth and Development: Candidates demonstrate awareness that teachers need further study and continuing professional growth to remain effective.

NCATE Accreditation
The Teacher Education Program is accredited by the National Council for Accreditation of Teacher Education (NCATE) 2010 Massachusetts Ave., N.W., Suite 500, Washington, DC 20036; phone 202-466-7496. This accreditation covers initial teacher preparation programs and advanced educator programs.

Profile of the Teacher Education Program
To be licensed to teach in the State of Tennessee, prospective teachers must earn a bachelor’s degree with a major in an academic field and meet specific competencies needed in the teaching profession.

Internship I and II
Research reports that more extensive clinical experience better prepares teachers for the P–12 classrooms of today. Therefore, students will complete a year-long internship from fall through spring semesters of the senior year in one classroom appropriate to the grade range of the license. Internship I will begin prior to the beginning of Union’s fall semester so the student will be able to experience the first days of the school year. During Internship I in the fall semester, the student will be in the classroom two days a week while taking professional education coursework on campus the other days. This schedule will allow the student to move seamlessly from theory into practice. During Internship II in the spring semester, the student will be in the same classroom all day, every day. The student will take Problems-based Seminar during Internship II during which discussions will focus on current issues in today’s classrooms.
Admission To and Continuation In The TEP And Admission To Internship

Admission to the TEP: Undergraduate students must meet the following requirements for admission to the Teacher Education Program:
1. Minimum of 24 semester hours in general education.
2. Minimum GPA of 2.5 in all course work at Union University.
3. Interview with the Teacher Education Screening Committee.
4. Two dispositional evaluations completed in EDU 150.
5. Field experience in education at the appropriate grade level; field experience acquired through transfer credit must be verified with a course description or syllabus indicating the total hours completed and the placement.
6. Prior to placement in any field experience, each teacher candidate must submit to a criminal background check and fingerprinting completed by the T.B.I. in accordance with TN law. The cost is the responsibility of the teacher candidate. For procedures, see www.uu.edu/programs/tep.
7. Satisfactory scores on the PPST (Reading=174, Math=173, Writing=173), or ACT (Composite of 22e), or SAT(R) (Combined score of 1020).
8. Approval of the Teacher Education Screening Committee.
9. Approval of the Teacher Education Committee.

Application to the TEP. EDU 150, Foundations of American Education, should be taken during the second semester of the freshman year or during the first semester after transfer. The application to the TEP is submitted during this course, a 20-hour field experience in an approved setting is also completed, and the portfolio process is started. By completing the admission process early in the college career, a student is able to take courses that require admission to the TEP when they are offered. A student who has transferred the equivalent of EDU 150 should make application to the TEP through the Office of Teacher Education immediately upon entrance to Union.

Continuation in the TEP. In order to remain in the TEP following admission, the student must maintain a GPA of 2.5 in all course work, in the major, and in the professional education core. Submission of 3 positive dispositional evaluations is required during the junior year for continuation in the TEP, and admission to the internship.

Admission to the internship. Students must file an application in order to be admitted to the year-long internship before the posted deadline during the fall semester one year prior to the internship. Applications are available at http://www.uu.edu/programs/tep/. Other requirements for admission are as follows:
1. Minimum scores on the content knowledge portions of the Praxis II series.
2. Minimum GPA of 2.5 in all course work.
3. Minimum GPA of 2.75 in the major; some major departments require a higher minimum GPA in the major.
4. Minimum GPA of 2.75 in the professional education core.
5. Lack no more than two courses in the major.
6. Recommendation from the major department.
7. Approval of the Dean of Students.
8. Approval of the Teacher Education Committee.
9. When the student is required to complete the internship as a part of graduation requirements, the student must have a degree audit in the fall one year prior to the internship.

While no courses may be taken during the semester of Internship II, problems-based seminars are held on designated days throughout the semester, and attendance is mandatory.

Application for teacher licensure. Applications for Tennessee teacher licensure are completed during a seminar and are filed by the licensing officer with the Tennessee State Department of Education when all course work is completed.

Academic Policies

Minimum GPA requirements. Minimum GPAs are listed above. Following admission to the TEP, if the GPA drops below the minimum, the student is removed from the TEP and may not take any courses that require admission to the TEP. In this case it is strongly recommended that the student repeat courses that caused the GPA to fall below the minimum required. When the GPA is at or above the minimum, the student will be submitted for readmission to the TEP.

Early field experiences. As is required by national standards and by the Tennessee State Department of Education guidelines, early field experiences are a vital part of the TEP at Union. The purpose of these early field experiences is to introduce the prospective teacher to a variety of school settings, learners, and routine activities. The knowledge and skills introduced in course work will be refined in the early field experiences.

Proof of professional liability insurance is required of all students enrolled in courses with field experiences. This expense is the responsibility of the student. Options for this coverage include, but are not limited to, membership in Student Tennessee Education Association, Christian Educators’ Association International, or Professional Educators of Tennessee. Liability insurance is also available through Union University. Information about each of these options is available through the Assistant Dean for Teacher Education. The student is responsible for transportation to and from field experience.

Appeals. The School of Education is charged with the responsibility to follow the established policies for admission to and completion of the TEP. The Teacher Education Committee, which includes representatives of the faculty from across the University, is the TEP coordinating and policy-making body for the unit and is responsible for assuring that the established policies are followed. If the student feels that established policy or practice is not being followed, the Teacher Education Committee should be contacted. The Teacher Education
Committee is also the appeals committee for the TEP. All appeals for variance from established policy and practice should be presented in writing to the Dean of the College of Education and Human Studies. The Dean will consider whether the appeal may, within established policy, be granted. If the appeal has been denied by the Dean, the student may choose to direct the appeal to the Teacher Education Committee. The student should contact the chairman of the TEC and present the appeal in writing. After the TEC has considered the appeal, the student will be notified in writing of the committee’s determination.

Assessment of student outcomes. Students are required to submit key assessments through the professional portfolio at various points throughout the program. The portfolio verifies acquisition of knowledge, skills, and dispositions required by institutional, state and national standards. To be admitted to Internship I, students must also acquire passing scores on the content knowledge portions of the Praxis II as determined by the Tennessee State Department of Education. The Praxis II should be taken at least one semester prior to the beginning of Internship I to assure receipt of passing scores.

Financial Information
In addition to tuition, a fee will be charged all students engaged in the internship. This is used to meet part of the expenses of the cooperating teacher stipend and travel expenses incurred by the University supervisor. A materials fee is also charged for the internship and appropriate courses throughout the curriculum and to cover costs directly related to the course or laboratory. Additional expenses include the background check, liability insurance, and portfolio fee. Current materials and experience fees are indicated in the “Financial Information” section of the Catalogue.

Programs of Study in Teacher Education

Students seeking licensure in secondary areas (7–12, K–12, and Pre-K–12) must complete the major in the endorsement area and the current Secondary Professional Education. See your academic advisor for specific courses and four-year programs of study.

Programs of study for each endorsement area are as follows:

Business Education 7–12
Complete the Accounting or Business Administration major with concentration in Economics, Management, or Marketing as outlined in the McAfee School of Business Administration section of the Catalogue for licensure, plus the Secondary Professional Education.

Biology 7–12
Complete the Biology major as outlined in the Dept. of Biology section of the Catalogue for licensure, plus the Secondary Professional Education.

Chemistry 7–12
Complete the Chemistry major as outlined in the Dept. of Chemistry section of the Catalogue for licensure, plus the Secondary Professional Education.

Chemistry 7–12 and Physics 7–12 dual endorsements
Complete the Chemical/Physics major as outlined in the Dept. of Chemistry section of the Catalogue for licensure, plus the Secondary Professional Education.

Early Childhood Educ., PreK–3 (as add-on to K–6)
Complete the Teaching and Learning and Interdisciplinary Studies majors as outlined in the School of Education section of the Catalogue (with EDU 337).

Economics 7–12
Complete the Business Administration major with concentration in Economics as outlined in the McAfee School of Business Administration section of the Catalogue for licensure, plus the Secondary Professional Education and HIS 101, 102, 211, 212; GEO 112 and either GEO 215 or 216. This program leads to dual licensure in Economics 7-12 and Business Education 7-12.

Elementary K–6
Complete the Teaching and Learning and Interdisciplinary Studies majors as outlined in the School of Education section of the Catalogue.

English 7–12
Complete the English major with either Literature or Writing concentration as outlined in the Dept. of English section of the Catalogue for licensure, plus the Secondary Professional Education.

English as a Second Language PreK–12
Complete the TESL major as outlined in the Dept. of Language section of the Catalogue for licensure, plus the Secondary Professional Education and PSY 324.

French PreK–12
Complete the French major, Teacher Education track, as outlined in the Dept. of Language section of the Catalogue for licensure, plus the Secondary Professional Education.

Government 7–12
Complete the Political Science major as outlined in the Dept. of Political Science section of the Catalogue for licensure, plus the Secondary Professional Education.
Health K–12 (add on)
Complete the Physical Education and Health major as outlined in the Dept. of Physical Education, Wellness, and Sport section of the Catalogue for licensure, plus the Secondary Professional Education. This program leads to dual endorsements in PE K–12 and Health K–12.

History 7–12
Complete the History major as outlined in the Dept. of History section of the Catalogue for licensure, plus the Secondary Professional Education.

Marketing 7–12
Complete the Business Administration major with concentration in Marketing as outlined in the McAfee School of Business Administration section of the Catalogue for licensure, plus the Secondary Professional Education. This program leads to dual endorsements in Marketing 7–12 and Business Education 7–12.

Mathematics 7–12
Complete the Mathematics major as outlined in the Dept. of Mathematics section of the Catalogue for licensure, plus the Secondary Professional Education.

Middle Grades 4–8 (as add-on to K–6)
Complete the Teaching and Learning and Interdisciplinary Studies majors as outlined in the School of Education section of the Catalogue (with EDU 338).

Music Education, Instrumental K–12
Complete the Bachelor of Music degree core with emphasis in Music Education, Track for Instrumental/Band Instructor as outlined in the Dept. of Music section of the Catalogue plus the Secondary Professional Education Core.

Music Education, Vocal/General Music K–12
Complete the Bachelor of Music degree core with emphasis in Music Education, Track for General/Choral Instructor as outlined in the Dept. of Music section of the Catalogue plus the Secondary Professional Education Core.

Physics 7–12
Complete the Physics or Physical Science major as outlined in the Dept. of Physics section of the Catalogue for licensure, plus the Secondary Professional Education.

School Social Worker, PreK–12
Complete the major in Social Work to include SW 340 and complete SW 490 in a school setting, as outlined in the Social Work section of the Catalogue.

Spanish PreK–12
Complete the Spanish major, Teacher Education track, as outlined in the Dept. of Language section of the Catalogue plus the Secondary Professional Education.

Special Education Modified K–12 and Comprehensive K–12
Complete the major in Special Education and the Professional Education tailored for licensure in Special Education as outlined in the School of Education section of the Catalogue. To add Elementary K-6, take UNI 300 and either GEO 215 or 216.

Speech Communication 7–12 and Theater K–12 dual endorsements
Complete the Theatre and Speech major with Teacher Licensure emphasis as outlined in the Dept. of Communication Arts section of the Catalogue plus the Secondary Professional Education.

Visual Art K–12
Complete the major in Art as outlined in the Dept. of Art section in the Catalogue for licensure, plus the Secondary Professional Education.

Additional endorsement
Courses required for additional endorsements total roughly the equivalent of a minor but include specified courses to focus on knowledge and skills as determined by the Tennessee State Department of Education. Based on state guidelines for additional endorsements, passing scores on all specialty area tests for any secondary endorsement area can be accepted in lieu of coursework. Add-on requirements are available through the Assistant Dean. Based on input from P-12 Directors of Personnel, students seeking initial licensure in the following areas are strongly encouraged to add endorsement(s) as indicated: History add-on Government and/or Economics and/or Geography; Biology, Chemistry, or Physics add-on another science area; Physical Education add-on Health and/or another area.

Student Services/General Information

Academic advisor. Students are assigned an academic advisor within the major department.

Practicum/Internship supervision. Students enrolled in practicum experiences and the internship are assigned a University supervisor who observes the student regularly in the teaching environment and provides feedback regarding strengths and areas that need strengthening. Regular meetings are held with the intern and the University supervisor.

Assistant Dean. The Assistant Dean is available during regular office hours to answer questions regarding programs of study, testing requirements, teacher licensure, employment opportunities, and other topics related to the TEP. The student is responsible for scheduling an appointment with the Assistant Dean for a Graduation Audit during the fall of both the junior and senior years to assure completion of requirements for graduation and licensure.

Director of Clinical Experiences. The Director is responsible for placement of all field experiences including observations, practica, and internship.
