Our Identity
Union University is an academic community, affiliated with the Tennessee Baptist Convention, equipping persons to think Christianly and serve faithfully in ways consistent with its core values of being excellence-driven, Christ-centered, people-focused, and future-directed. These values shape its identity as an institution which prioritizes liberal arts based undergraduate education enhanced by professional and graduate programs. The academic community is composed of quality faculty, staff, and students working together in a caring, grace-filled environment conducive to the development of character, servant leadership, and cultural engagement.

Our Core Values
• Excellence-Driven: We believe that excellence, not mere compliance, is the goal of our teaching, our research, and our service. We are not motivated to excellence out of pride but out of a desire to do all things for God's glory because He cares about our work and wants to be involved in everything we do. We will not be satisfied with mediocrity, but will pursue excellence in all things. This means our truth claims carry with them the challenge of living out that truth in the minutes and hours of our daily life. Thus we will pursue excellence, without arrogance.
• Christ-Centered: A cohering core value of our guiding vision is a call to faith, a call to be Christ centered in all that we are and in all that we do. We will seek to build a Christian liberal arts based community where men and women can be introduced to an understanding and appreciation of God, His creation and grace, and to humanity’s place of privilege and responsibility in this world. We will seek to establish all aspects of life and learning on the Word of God, leading to a firm commitment to Christ and His Kingdom. To be a Christ-centered institution calls for us to establish the priority of worship and service in the Christian life while seeking to develop a generation of students who can be agents of reconciliation to a factious church in a hurting and broken world. This commitment calls for all faculty and staff to integrate Christian faith in all learning and doing, based on the supposition that all truth is God’s truth and that there is no contradiction between God’s truth made known to us in Holy Scripture and that which is revealed to us through creation and natural revelation.
• People-Focused: A third pillar on which we will build our common commitments is the core value of being people focused. At the heart of our commitment to being people focused is the visible demonstration of valuing one another. We will give honor to one another through our words and actions, and by committing to each person’s success. We therefore jointly commit ourselves to the success of Union University.
• Future-Directed: We will seek to maximize the windows of opportunity the Lord has presented to us to the greatest degree that resources allow. All of our resources and efforts must, by God’s grace, be maximized to fulfill our common mission. A commitment to being future directed means we want to have a short-term focus and a long term view. We want to involve ourselves in efforts that prepare us effectively to impact the world of the 21st Century.

Our Mission
Union University provides Christ-centered education that promotes excellence and character development in service to Church and society.

Our History
Union University is an heir of three antebellum Tennessee schools—West Tennessee College and its predecessor, Jackson Male Academy, both located at Jackson, and of Union University, located at Murfreesboro—and it is the inheritor of another college in 1927, Hall-Moody Junior College of Martin, Tennessee.
Jackson Male Academy, founded in 1823 shortly after the opening of West Tennessee for settlement, was chartered by the legislature in 1825.
West Tennessee College originated in the mid-1840s when supporters of the Academy secured a charter for a college and received an endowment from the state to come from the sale of public lands. Under its charter, the property rights and governance of the Jackson Male Academy were vested in the trustees of the College. The College offered three degrees— bachelor of arts, bachelor of philosophy, and master of arts—and had four departments: Moral Philosophy, Languages, Mathematics, and Natural Philosophy and Chemistry.
West Tennessee College continued until 1874, when at a time of depressed economic conditions, the trustees offered the College’s buildings, grounds, and endowment to Tennessee Baptists in the hopes of attracting the southwestern regional university planned by the state’s Baptist leaders.
Meanwhile, after years of discussion and the raising of an endowment, the Baptists of Middle Tennessee (there were three separate conventions in Tennessee at that time) in 1848 established Union University in Murfreesboro, near the geographical center of the state. Union University came upon hard times when in 1859 its highly respected president, Joseph H. Eaton, died and when during the Civil War its campus was badly damaged. It reopened in 1868.
only to close again in 1873, largely because of its financial condition and an epidemic of cholera.

Southwestern Baptist University, the immediate predecessor of the present Union University, originated because of a desire by Tennessee Baptists, who still had a separate convention for each of the state’s three Grand Divisions, for greater unification. Education became the core issue around which such unification was promoted. Committees of the three conventions met jointly in Humboldt in 1873 and issued a resolution supporting the establishment of a first-class regional university. An Educational Convention met in Murfreesboro in 1874, at which time a committee was appointed to select a location for the proposed university. The committee recommended the acceptance of the offer made by the citizens of Jackson to assume ownership of West Tennessee College.

In September 1874, the new Tennessee Baptist-related institution opened in Jackson, and in 1875 it was chartered as Southwestern Baptist University. In 1907, Dr. T. T. Eaton, a trustee at Southwestern from its beginning, bequeathed his 6,000 volume library to the institution. He was a former professor at the Murfreesboro campus, where his father, Dr. Joseph H. Eaton, had been president. In 1907 the name of Southwestern Baptist University was changed to Union University to honor the Eatons and others from the Murfreesboro campus who had made a major impact on Southwestern as faculty, administrators, trustees, and contributors. In a further move to unify its educational efforts, the Tennessee Baptist Convention in 1925 secured a new charter for the University in conjunction with the adoption of the Cooperative Program and clarity regarding the election of the University’s trustees. Two years later, the Convention was able to consolidate Hall-Moody Junior College at Martin (1900-1927) with Union University. During the 1920s, Union discontinued its graduate program, its Law Department, and its high school and added a bachelor of music degree program.

After a major campus fire in 1912, several new buildings were constructed, including Barton Hall, the centerpiece of the Jackson campus for the next 60 years. In 1948, during the administration of President Warren F. Jones (1945-62), the Southern Association of Colleges and Schools granted Union University its original accreditation. In 1962, at the request of area healthcare leaders, Union developed a nursing program with the assistance of Jackson-Madison County General Hospital.

Because of an aging and landlocked campus, Union, in 1975, moved from near downtown to a new campus located along Highway 45-Bypass in north Jackson. During the administrations of President Robert Craig (1967-85) and President Hyran Barefoot (1986-1996), enrollment increased from less than 1,000 students to nearly 2,000; the multipurpose Penick Academic Complex was enlarged several times; many additional housing units were erected; and the Blasingame Academic Complex (1986) and the Hyran E. Barefoot Student Union Building (1994) were constructed.

Union Since 1995

Dr. David S. Dockery served as the 15th president of Union University from 1995 to 2014. He brought with him a compelling vision to build on a great tradition while taking Union to the next level of regional and national prominence in Christian higher education. Considerable progress has been made during this time.

Dr. Samuel W. “Dub” Oliver was elected President on February 10, 2014 by the Board of Trustees.

Growth

Union’s annual non-duplicating headcount has increased from 2,183 in 1996 to more than 5,300 in 2012. Union has recorded 16 consecutive years of enrollment increases.

The campus master plan established early in the Dockery administration has progressed with the construction or rebuilding of more than 20 residence halls. In addition, major campus building projects have been completed, including Miller Tower, Jennings Hall, Hammons Hall, the Fesmire athletic facilities, White Hall, the Carl Grant Events Center, the Bowld Student Commons and Providence Hall.

Beyond Jackson, Union has expanded with extension campuses in suburban Memphis (Germantown) and suburban Nashville (Hendersonville).

Academic Advances

Union’s efforts to develop faculty resources serve as a model for many other institutions. There is a strong commitment to faith and learning efforts, as well as to teaching, scholarship and research among Union faculty through the Center for Faculty Development.

SACS Level VI accreditation was achieved, and many discipline-specific accreditations have been added across the campus. Significant progress has been made in developing research opportunities for undergraduate students.

Undergraduate majors have been added in political science, physics, theology, digital media studies, church history, ethics, sports management, sports medicine and engineering. Graduate programs added include education (M.Ed., M.U.Ed., Ed.S., and Ed.D.), nursing (MSN and DNP with tracks in education, administration, nurse practitioner, and nurse anesthesia), intercultural studies (MAIS), Social Work (MSW), in theology and missions (MCS and D.Min.) and Pharmacy (Pharm.D.).

Union established the Charles Colson Chair for Faith and Culture, the Stephen Olford Chair of Expository Preaching, the Hammons Chair of Pre-Medical Study and the Baptist Memorial Health Care Chair of Pharmacy Practice.

The University’s academic strengths have been recognized by a host of national publications, including First Things, which ranks Union among the top 12 Protestant universities in the country.
Fund Raising Advances

Giving to Union has increased significantly, including more than twenty of the largest financial commitments in the University’s history.

The University launched and completed “Building a Future,” a comprehensive, $110 million dollar capital campaign. It was the largest capital campaign in University history.

The highly successful annual Scholarship Banquet was initiated in 1997 and has raised about $5.5 million for student scholarships.

People-Focused Advances

In 2011, The Chronicle of Higher Education named Union University among its “Great Colleges to Work For.” Union was one of only a few schools to score in 11 of 12 possible categories, placing it among the top 42 schools in the nation.

Union has initiated LIFE group programs, student retention programs, student mission involvement and formative programs for freshman students.

Our Statement of Faith

1. The Scriptures. The Scriptures of the Old and New Testament were given by inspiration of God, and are the only sufficient, certain and authoritative rule of all saving knowledge, faith, and obedience.

2. God. There is but one God, the Maker, Preserver and Ruler of all things, having in and of Himself, all perfections, being infinite in them all; and to Him all creatures owe the highest love, reverence and obedience. He exists eternally in three persons: Father, Son, and Holy Spirit each with distinct personal attributes, but without division of nature, essence or being. God ordains or permits all things that come to pass, and perpetually upholds, directs and governs all creatures and all events; yet so as not to destroy the free will and responsibility of intelligent creatures.

3. Humankind. God originally created humankind in His image, and free from sin; but through the temptation of Satan, they transgressed the command of God, and fell from their original righteousness, whereby all humans have inherited a sinful nature that is opposed to God, and are thus under condemnation. As soon as they are capable of moral action, they become actual transgressors.

4. Jesus Christ. The second person of the Trinity is the eternal Son of God. In his incarnation Jesus Christ was conceived by the Holy Spirit and born of the virgin Mary. Jesus perfectly revealed and did the will of God, taking upon Himself human nature, yet without sin. He honored the divine law by His personal obedience, and by His substitutionary death on the cross He made provision for our redemption from sin. He was buried and rose again the third day, and ascended to His Father, at whose right hand He lives to make intercession for His people. He is the only Mediator, the Prophet, Priest and King of the Church, and Sovereign of the universe.

5. Holy Spirit. The Holy Spirit is the Spirit of God, fully divine, who exalts Jesus Christ. The Spirit convicts men and women of sin, of righteousness, and judgment, enabling them to understand the truth. He calls men and women to the Savior, and brings about regeneration, which is a renewal of heart and nature.

6. Salvation. Salvation involves the redemption of the whole person, and is offered freely to all who believe in Jesus Christ as Lord and Savior; accepting and trusting in Him alone for justification and eternal life. Justification is God's gracious declaration of righteousness of sinners, who believe in Christ, from all sin, through the satisfaction that Christ has made. Believers are also sanctified by God's Word and Spirit dwelling in them. Sanctification is the process of progressing toward moral and spiritual maturity, enabled by the presence and power of the Holy Spirit. Those who are accepted in Christ and sanctified by the Holy Spirit will never totally nor finally fall away from the state of grace, but shall persevere to the end, and be kept by the power of God through faith unto salvation.

7. The Church. The Lord Jesus Christ is the Head of the Church, which is composed of all true followers of Christ, and in Him is invested supremely all power for its government. Christians are to associate themselves with local churches; and to each church is given the authority to administer order, to carry out ministry, to worship, and to practice discipline.

8. Last Things. The bodies of humans after death return to dust, but their spirits return immediately to God—the righteous to rest with Him; the wicked to be reserved under darkness to the judgment. God in His own time and in His own way, will bring the world to its appropriate end. According to His promise, Jesus Christ will return personally and visibly in glory to the earth. At the last day, the bodies of all the dead, both just and unjust, will be raised. God has appointed a day, when He will judge the world by Jesus Christ, when all people shall receive according to their deeds; the wicked shall go into everlasting punishment; the righteous, into everlasting life.
The uniqueness of the Union University campus, located on U.S. Highway 45 By-Pass and Union University Drive in Northwest Jackson, is related to the academic facilities and student housing. Union's campus is designed with the student as its axis. All facilities, programs, and personnel are interrelated in an attempt to meet the needs of students.

In addition to the main campus in Jackson, Union University opened a second campus in the Memphis suburb of Germantown, Tennessee in 1997. Because of the rapid growth of the campus, the faculty and staff offices, classrooms and computer lab facilities moved to a new location in June 2001. Continued demands for growth and expansion of programs warranted a renovation in 2003 to include additional nursing labs, classrooms, conference rooms and offices.

The Stephen Olford Center is an 18-acre facility in southeast Memphis which includes more than 40 hotel-style rooms for conference attendees; dining facilities; a patio and swimming pool; a newly donated library with about 32,000 volumes; classrooms and offices; and a chapel.

Union also has an off-campus site in Hendersonville, Tennessee. The Hendersonville campus is located at the strategic intersection of Indian Lake Blvd. and Maple Drive. The attractive 26,000 sq. ft. multi-purpose facility effectively serves the expanding program offerings in the middle Tennessee area.

An abbreviated description of Jackson campus facilities follows. A more detailed description of each building as well as the services available in each, is presented in the Campus Life Handbook, available at www.uu.edu/studentservices/handbook.

**Penick Academic Complex**

The Penick Academic Complex houses the G.M. Savage Memorial Chapel, Fred DeLay Gymnasium, E.T. “Rocky” Palmer Activities Center, Office of Career Services, W. D. Powell Theatre, Waldrop Administrative Center, Union Station, Information Technology, Emma Waters Summar Library, Hendley Center for Academic Enrichment, and the Warren Jones Academic Suite.
