This track offers the BSN in an intensive 15-month option. It is offered on the Jackson, Germantown, and Hendersonville campuses to students who have already proven academic success and maturity with the completion of a bachelor's degree in another field.

For additional information, including direct contact information to program personnel, check www.uu.edu/academics/son.

Program Admission
The applicant must hold a bachelor's degree from a regionally accredited college or university with a minimum 3.0 GPA for the last 60 hours attempted. In addition to University admission requirements, the applicant will:
1. Make special application to the School of Nursing, BSN-Accelerated Track (BSNA).
2. Provide official transcripts of all coursework attempted including those documenting the required prerequisite courses with a grade of C or higher; BIO 221-2, (8 hours—must be taken within five years of beginning nursing courses), PSY 213 (3).
3. Meet conditions #4, 5, 8, 9, 10, and 11 stated under School of Nursing, "Admission to the Basic BSN Track."
4. An interview with the applicant may be requested. The interview allows the nursing applicant to become acquainted with the School of Nursing and the interview committee the opportunity to evaluate the applicant's potential for nursing education success.
5. See the Basic BSN Track for uniform and insurance requirements.
6. If you are not a U.S. citizen, an international application must be completed and submitted with the BSN application. All international transcripts must be evaluated by an accredited evaluating agency found at the National Association of Credential Evaluation Services’ website: www.naces.org

Applicants to the BSNA Track may be admitted to the Pre-BSNA Track to take prerequisite science and social science courses. See #2 above.

Degree Requirements
1. General Education Requirements: Second Bachelor's Degree students are not required to meet General Education requirements of Union University except as they appear as prerequisites to their new program. See Program Admission 2. for the prerequisites to BSNA.
2. Major Requirements (70 hours): BIO 201 or 211 (4 hours); BIO 300 (3 hours—must be taken within 5 years of starting nursing courses); MAT 114 (3); PSY 219 (3); NUR 302, 306, 307, 309, 310, 318, 330, 408, 409, 418, 419, 421, 423, 425, 430, 440 and 499.
3. Minor Requirements: none

The Cohort Approach and Calendar
The academic calendars for the Bachelor of Science in Nursing—Accelerated Track do not parallel those shown in the Catalogue; the major/track is delivered in an accelerated format. Calendars for the cohorts are unique to each and are available at www.uu.edu/academics/adultstudies/acceleratedbsn/.

Requirements for Progression in the BSN Track
The student enrolls in the courses in nursing according to the prescribed sequence. At least a C grade in each course (NUR or non-NUR cohort courses) is required for progression in the nursing curriculum. Students who receive a grade of less than C in any course may not continue in the BSNA track: a student must fully withdraw from the program.

Continuation in the program is also contingent upon compliance with ethical and professional standards of conduct. Students who remove school or hospital property without permission will be subject to immediate disciplinary action. Graduation requirements follow the guidelines of Union University.

Readmission to the BSNA Track
Students who are unsuccessful with the accelerated track may re-apply to the BSNA track or apply to enter the Basic BSN Track that moves at the more traditional pace. This decision will be made with guidance from the student’s faculty advisors with consideration as to which track will most likely result in the student’s successful completion of a BSN program. The student will be required to make application to the University and must meet all admission requirements of the respective BSN track to be considered for admission. Approval by the Undergraduate Associate Dean and Chairs will be required if space is available. There is no guaranteed readmission.

A student who receives a final grade less than C in two nursing (NUR) courses will not be readmitted to the Nursing Program. Withdrawal from a nursing course does not guarantee readmission. Students readmitted to the program may be asked to audit or repeat courses in which they previously earned a C in consideration of the length of absence or change in curriculum. They may also be required to take a standardized exam and competency assessment to assess retention of previous course knowledge prior to reacceptance. If the student scores below the proficiency level benchmark for that content they may be required to audit that course. Once the audited and repeated courses have been successfully completed, the student can then continue to progress through the curriculum.
A student who receives a grade of D or below must reapply to the School of Nursing for consideration to be allowed to repeat the course the next time it is offered in the scheduled sequence of courses. Any such course must be repeated with a final grade of C or above in order to progress. Courses may be repeated only once. A student who receives a grade less than C in two nursing courses will not be allowed to progress in the Nursing Program.
