Post-Baccalaureate Requirements
(For post-baccalaureate initial licensure and add-on endorsements)

Application Process. Students who seek post-baccalaureate teacher licensure must submit the Graduate Studies in Education Application; $25 non-refundable application fee; official transcripts sent directly to Union from every college/university attended; Application for Admission to the Post-baccalaureate Educator Preparation Program; Consent to Fingerprinting, Background Check, and Release of Information form and background check received directly from TBI (http://www.uu.edu/programs/epp/resources/applications.cfm); and score report showing minimum Praxis II content knowledge test for the intended endorsement.

Transcript evaluations. After the candidate has submitted the aforementioned items, the candidate should call the Assistant Dean for Teacher Education and Accreditation for an appointment for a licensure evaluation. Post-baccalaureate candidates must have a licensure evaluation completed by the Assistant Dean prior to starting classes; if the licensure program takes more than two years to complete, the post-baccalaureate candidate should check with the Assistant Dean to be sure licensure requirements have not changed. At this meeting the candidate will be apprised of course work that remains, EPP status, additional Praxis II requirements, any proposed changes in licensure requirements, and alternative licensure options.

Application to the EPP. The application to the EPP is submitted with the Graduate Studies in Education Application. Candidates must be fully admitted to the EPP prior to student teaching.

Admission to the EPP. Post-baccalaureate candidates for initial licensure must meet the following requirements for admission to the Educator Preparation Program.
1. Satisfactory score on the Praxis II Speciality Area Content Knowledge Test for the intended endorsement.
2. Minimum GPA of 3.0 from all undergraduate courses taken or provisional admission to graduate course work

4. Three dispositional evaluations completed by the student and the professors of the student’s first two classes.
5. Successful completion of first submission of portfolio.
6. Submission of criminal background check and fingerprinting from TBI.

Continuation in the EPP. In order to remain in the EPP following admission, the post-baccalaureate candidate must maintain a GPA of 2.75 in all course work taken at Union since completion of the baccalaureate degree and a GPA of 2.75 in the professional education core. A GPA of 3.0 must be maintained if student is in the M.A.Ed. Program.

Admission to student teaching. Candidates must file an application to student teach before the posted deadline during the semester prior to student teaching. Applications are available at www.uu.edu/programs/epp/resources/applications.cfm. Other requirements for student teaching are as follows:
1. Minimum scores on all applicable portions of the Praxis II must be received by Union before the student is admitted to student teaching; students enrolled in the M.A.Ed. Intensive Initial Licensure Program will take the PLT in the spring semester.
2. Satisfactory completion of a field experience at an appropriate level

Application for teacher licensure. Applications for Tennessee teacher licensure are completed during a student teaching seminar and are filed with the Tennessee State Department of Education when all requirements are completed.

Practitioner License Program. In accordance with Tennessee’s Practitioner license policy, Union offers teaching endorsements in all secondary areas, Elementary K–6; Early Childhood Pre-K–3; English/Language Arts, Math, Science, Social Studies 6–8; Special Education Interventionist K–8 and 6–12, Modified K–12, and Comprehensive K–12. Candidates for secondary endorsements qualify to be hired on the Practitioner license through Union’s program if they have passed the Praxis II content knowledge test for the intended endorsement (http://www.state.tn.us/education/licensing/praxis.shtml). For more information about this license, contact the Office of Teacher Education.

Academic Policies

Minimum GPA requirements. Minimum GPAs are listed above. Following admission to the EPP, if the GPA drops below the minimum, the student is removed from the EPP and may only repeat courses to raise the GPA. When the GPA is at or above the minimum, the student will be submitted for readmission to the EPP.

Early field experiences. As required by national standards and by the Tennessee State Department of Education guidelines, early field experiences are a vital part of the EPP at Union. The purpose of these early field experiences is to introduce the prospective teacher to a variety of school settings, learners, and routine activities. The knowledge and skills introduced in course work will be refined in the early field experiences.
Proof of professional liability insurance is required of all students enrolled in courses with field experiences. This expense is the responsibility of the student. Options for this coverage include, but are not limited to, membership in Student Tennessee Education Association, Christian Educators' Association International, or Professional Educators of Tennessee. Liability insurance is also available through Union University. Information about each of these options is available through the Assistant Dean.

Background check and fingerprinting. In accordance with TN Code Ann. §49-5-5632, all teacher candidates must supply a fingerprint sample and submit a criminal history records check by TBI prior to beginning coursework. Information available at www.uu.edu/programs/epp/resources/applications.cfm.

Portfolio. The candidate must view the LiveText screencast while enrolled in EDU 535 Portfolio Submission in the first semester of enrollment. The portfolio fee is the candidate’s responsibility. The candidate will submit the portfolio in the first semester. The final portfolio will be submitted in student teaching or in Mentoring Seminar II. The Educator Preparation Handbook, Vol. I is available in the portfolio template.

Appeals. The School of Education is charged with the responsibility to follow the established policies for admission to and completion of the EPP. The Educator Preparation Program Council (EPPC), which includes representatives of the faculty from across the university and students, is the EPP coordinating and policy-making body for the unit and is responsible for assuring that the established policies are followed. If the student feels that established policy or practice is not being followed, the EPPC should be contacted. The EPPC is also the appeals committee for the EPP. All appeals for variance from established policy and practice should be presented in writing to the Executive Dean of the College of Education and Human Studies. The Executive Dean will consider whether the appeal may, within established policy, be granted. If the appeal has been denied by the Dean, the student may choose to direct the appeal to the EPPC. The student should contact the chairman of the EPPC and present the appeal in writing. After the EPPC has considered the appeal, the student will be notified in writing of the committee’s determination.

Assessment of student outcomes. The candidate will submit parts of the portfolio throughout the program for formative assessment. The portfolio will present evidence that the candidate has met performance standards in professional education as set by the TN Department of Education and based on INTASC standards. To be admitted to student teaching, students must acquire passing scores on all applicable portions of the Praxis II as determined by the Tennessee State Department of Education. The Praxis II should be taken at least one semester prior to the beginning of student teaching to assure receipt of passing scores.
