The following is a brief description of campus life at Union University and the various organizations and services that contribute to its unique community. A more complete list of campus organizations and resources is available at www.uu.edu/studentservices/organizations.

**Barefoots Joe**

Barefoots Joe, a coffeehouse and venue, offers the campus a place for conversation, exchange of ideas, and appreciation of the arts. We are proud to offer superior quality coffee that we roast in house. As a venue, Barefoots Joe seeks to provide co-curricular events that encourage thoughtful interaction with mediums often reserved for entertainment only. Students are invited to enjoy music, film, and art from artists whose work is artistically excellent, influential in culture and appropriate to the context of our university.

**Christian Life and Activities**

Union University is committed to the spiritual growth and development of each person on campus. Understanding that faith development and academic achievement go hand in hand, Union provides an excellent atmosphere as well as ongoing activities that stimulate a Christ-centered worldview and a life of discipleship.

The Office of University Ministries encourages each student to grow in a personal relationship with Jesus Christ and in service to Him. Activities include chapel services; Life Groups (a small group ministry for new students involving Bible study, discussion, and accountability); Women’s Cooperative discipleship groups, Men’s Cooperative discipleship groups, short-term mission projects through “Global Opportunities” trips, and off-campus ministries working with children, youth, adults, and senior adults. Also, Christian organizations providing fellowship and activities for students are available.

The Missionary-In-Residence Program brings a missionary family on stateside assignment from the international field to occupy the residence. To expose students to world missions, the missionaries speak on campus, counsel students interested in missions, and promote the Lottie Moon offering in West Tennessee Southern Baptist churches.

**Chapel and Lecture Series**

The University holds chapel services twice weekly. Through these times, students, faculty and staff worship collectively and receive spiritual encouragement, moral guidance, and intellectual challenge. The worship of God and the integration of faith and learning and living are encouraged through events such as Faith and Practice Week, Global Opportunities Week, and the Crabtree Lectures on Marriage and Family.

**Community Expectations**

Union University students are expected at all times to represent the University and the Christian community appropriately. The general policy of conduct at Union University is that students conduct themselves as persons of faith who strive to exemplify the character of Jesus Christ throughout their daily lives. Regulations regarding these expectations, student life as a whole and more particularly residence student life are found in detail in the Campus Life Handbook.

The President, the Provost, and the Dean of Students of the University are charged with the administration of discipline through the judicial system. They are empowered to rule in any irregularity pertaining to student life and impose redemptive discipline for community values violations as expressed in the Campus Life Handbook. The judicial system and the grievance and appeal system are described in detail in that same publication.
