Official Transcripts

International transcripts must be evaluated using a NACES approved transcript evaluation service that indicates the degree completed as it equates to U.S. degrees. All evaluations must be sent to the university registrar directly. Please note, you must provide an official (sealed) transcript and evaluation that meets the requirements of your specific program for which you are applying. All undergraduate programs require a course-by-course evaluation; many of the graduate programs only require an evaluation of your degree. If you have classes from another institution that you wish to transfer to Union for the degree you are pursuing, you will need a course-by-course evaluation. If you only need to verify an existing degree and plan to take all courses at Union, then you will only need an evaluation of your degree. Please verify with your program coordinator regarding the specific transcript requirement needed. Union University only accepts transcript evaluations from an approved NACES member. To see the full listing of NACES members, visit: <http://naces.org/members.htm/>. The following are some of the pre-approved transcript evaluators used by Union University.

- Josef Silney & Associates
- Educational Credential Evaluators, Inc.
- World Education Services, Inc.

Unofficial, unsealed transcripts and evaluations will not be accepted.

Documentation of English Proficiency

If English is not your native language, you are required to display English Proficiency by submitting official scores from one of the following:

1. the Test of English in a Foreign Language (TOEFL), 2. IELTS, or 3. iTEP
