June 2014

Dear Union Parent:

We eagerly await the arrival of your son or daughter in August! Our staff continues to pray for your child by name. We pray the transition to college life at Union will not only be smooth but incredibly positive. We also pray the Lord will continue to prepare the hearts and minds of these students as the first semester of college life at Union approaches.

We have compiled answers to some frequently asked questions; however, we know many of you may have additional questions as you make preparations. Please do not hesitate to contact me at (731)661-5090 or bcarrier@uu.edu. I can answer many questions or put you in touch with another staff member who will gladly and personally address your questions or concerns. Also, please check out our Parent’s Place web site at www.uu.edu/parentsplace. This site is designed exclusively for you and includes a way for you to sign up to receive Union’s weekly e-announcements (highly recommended), information on Union Family Weekend (Sept. 26–27, 2014), care packages, our calendar of events, and more. Finally, a separate information booklet entitled The Bulldog Guide: Brief, Helpful and Necessary Information for New Students entering Union University, given directly to incoming students, can also be an additional source of helpful information as you look towards August.

Again, may God bless you this summer. We stand with you and your family as your child begins his or her time with us at Union University.

Blessings,
Bryan L. Carrier, Ed.D.
Interim Vice President for Student Life & Dean of Students

Union University 2014-15 Theme Verse:
Let the favor of the Lord our God be upon us, and establish the work of our hands upon us; yes, establish the work of our hands!
Ps. 90:17 (ESV)
Key Phone Numbers

Main Union Switchboard: (731)668-1818
Union Station: Jessica Castles, Kathy Southall, Debbie Wheatley
Located in the Penick Academic Complex (PAC) by the Chapel
Phone: (731)661-1818; 5000; 5474; 5476 icastles@uu.edu

Academic Center: Susan Hopper, Registrar
Located in the Penick Academic Complex (PAC) behind Union Station
Phone: (731)661-5205  shopper@uu.edu

Barefoots Joe Coffee House: Joy Moore, Director
Located in the Student Union Building (SUB)
Phone: (731)661-5285  jmoore@uu.edu

Business Services: Robert Simpson, Associate VP for Business and Financial Services
Located in the Penick Academic Complex (PAC) behind Union Station
Phone: (731)661-5219  rsimpson@uu.edu

Counseling Services: Dr. Paul Deschenes, Director
Located in the Student Union Building (SUB)
Phone: (731)661-5322  pdeschenes@uu.edu

Dean of Students: Dr. Bryan L Carrier, Interim VP for Student Life and Dean of Students
Located in the Student Union Building (SUB)
Phone: (731)661-5090  bcarrier@uu.edu

Disability Services: Jonathan Abernathy, Director
Located in the Penick Academic Complex (PAC)
Phone: (731)661-6520  jabernathy@uu.edu

External Study: Victoria Malone, External Study Advisor, Instructor of Language
Located in the Penick Academic Complex (PAC)
Phone: (731)661-5491  vmalone@uu.edu

FACTS Payment Plan/Student Accounts: Karen Miller, Coordinator
Located in the Penick Academic Complex (PAC) behind Union Station
Phone: (731)661-5071  kmiller@uu.edu

Financial Aid: John Windham, Director of Student Financial Planning
Located in the Student Union Building (SUB)
Phone: (731)661-5015  jwindham@uu.edu

Health Services: Paul Mayer, University Nurse
Located in the Student Union Building (SUB)
Phone: (731)661-5284  pmayer@uu.edu
Information Technology:  James Avery, Associate VP for Information Systems  
Located in the Penick Academic Complex (PAC)  
Phone: (731)661-5329  javery@uu.edu

Minority Student Success: Matthew Marshall, Director  
Located in the Penick Academic Complex (PAC) in the Vocatio Center  
Phone: (731)661-5421  mmmarshall@uu.edu

Office of University Ministries: Dr. Todd Brady, VP for University Ministries and 
Assistant Professor of Ministry  
Located in the Student Union Building (SUB)

Located in the Bowld Student Commons  
Phone: (731)661-LIFE (5433)  reslife@uu.edu

Safety and Security: Christopher McDaniel, Interim Director  
Located in the Student Union Building (SUB)  
Phone: (731)661-5134  cmcdaniel@uu.edu

Student Accounts: Tina Giddens, Student Accounts Bookkeeper  
Located in the Penick Academic Complex (PAC) behind Union Station  
Phone (731)661-5299  tgiddens@uu.edu

Student Organizations: Dr. Jason Castles, Assistant Dean of Students and Director 
of Student Leadership & Engagement  
Located in the Student Union Building (SUB)  
Phone (731)661-5094  jcastles@uu.edu

Tutorial Services: Bethany Morse, Director of the Hundley Center  
Located on the 2nd floor of the Library, in the Penick Academic Complex (PAC)  
Phone (731)661-5951  bmorse@uu.edu

Vocatio Center for Life Calling and Career: Dr. Jacqueline Taylor, Assistant Dean of 
Students and Director of the Vocatio Center  
Located in the Penick Academic Complex (PAC)  
Phone (731)661-5316  jtaylor@uu.edu

Wellness and Intramurals: Blake Pennington, Director  
Located in the Penick Academic Complex (PAC)  
Phone (731)661-5307  bapennington@uu.edu

For emergencies, contact Safety and Security:  
Business Hours: (731)661-5018  24/7 Emergency Cell Number: (731)394-2922
When are Progress Reports published and who receives them?
These are reported online only via WebAdvisor (webadvisor.uu.edu) midway through the fall and spring semesters. Your access to those online grades is through direct communication with your student. (Please note: there is no www in the WebAdvisor address.)

When are Final Grade Reports published and who receives them?
They are reported to the student on WebAdvisor at the end of the semester or term.

How do I know when grades are posted?
The grading calendar for the school year is available on the Parents’ Page on Union’s Website at www.uu.edu/parentsplace. This calendar indicates the day all grades are due; grades may be reported prior to the deadline but the semester’s report should be completed no later than the end of that working day.

How are addresses changed?
Students may update their names, addresses, phone numbers or marital status by filling out a “biographical change” form on the portal. Separate addresses may be maintained for correspondence and billing. Non-custodial parents may be noted with a separate address, and they will receive parents’ mail separately. A signed FERPA release by the student will be required for the release of confidential information to the non-custodial parent.

What is a full-time student?
A full-time student is one who is enrolled in at least 12 semester hours for credit in a fall or spring semester or at least three semester hours for credit in a January, June, or July term. Most students must maintain full-time status fall and spring semesters to be eligible for participation in their parents’ family medical insurance and many financial aid awards.

How do I get verification of enrollment?
Enrollment verifications may be obtained through the student clearinghouse at studentclearinghouse.org or by visiting www.uu.edu/verifications. Enrollment verification for student loans may be completed at Union Station.
How does my student get a Good Student Discount Form completed for auto insurance?
Until final grades are earned through Union University, the student must have the former school (high school or college) complete the report. After the student has earned final grades at Union, Union Station will complete the form provided for this purpose.

Can a student earn credit by testing AFTER beginning college?
Yes, the Testing Center at Union offers the College Level Exam Program (CLEP) and DANTES exams through their junior year. Testing schedules and registration are available at [www.uu.edu/academics/testing](http://www.uu.edu/academics/testing). Course parallel information is available in the catalogue. Registration for a test does not constitute approval for its application to the student’s degree program. Students should check with the Academic Center to ensure that a particular test for credit will count toward their degree. Testing should be done prior to the junior year as there are testing deadlines that affect graduation. For more information, contact Cindy Shirley, Director, at cshirley@uu.edu or (731)661-5487.

How can an official transcript be obtained?
Union University has partnered with the National Student Clearinghouse so that official transcript requests are ordered on-line at [www.studentclearinghouse.org](http://www.studentclearinghouse.org). There are no forms to submit. Students can track orders and receive status updates. On-line ordering is available 24/7.

- Official paper transcripts are $5.00 per transcript
- Faxed transcripts are $10.00 per transcript.

Transcripts are processed in the order they are received. Normal processing time is 3-5 business days and does not reflect delivery time. During peak activity times at the university (beginning or end of terms, current or new student registration, or graduation) it will take longer than normal to process a transcript. For the University calendar, visit [www.uu.edu/academics/calendars](http://www.uu.edu/academics/calendars).

Unofficial advising copies are available to current students through WebAdvisor.

How can I chart my student's academic progress at Union?
Unfortunately, no staff or faculty member can discuss the grades or academic performance of a student enrolled in post-secondary course(s) regardless of age unless the student has completed a FERPA form. Only those parties specifically named on the form may receive information.

Visit [www.uu.edu/academics/registrar/ferpa.cfm](http://www.uu.edu/academics/registrar/ferpa.cfm) for more information on the
FERPA Release Form, its use, and a more detailed explanation. The exception is a conference with parents or other interested parties that is attended by the student and in which the student agrees to the discussion.

Each student will receive his/her grades through an internet account known as WebAdvisor. This account is set up shortly after your student begins his or her first semester of enrollment at Union. Your student can log on to his or her account at home to show you the academic record. Progress Reports (mid semester) and Final Grades can be viewed in this manner as well as the complete academic record.

How Can I Chart My Student’s Progress Toward Graduation
During or before the junior year, each student should apply for an audit at https://portal.uu.eduInfosite/AcademicCenter/Pages/Degaud-main.aspx declaring major(s) and minor(s) pursued. Students can find information about scheduling the degree audit on the Registrar’s page on the portal. This meeting ensures formal communication of which degree requirements have been met and which requirements are outstanding. Students leave the appointment with a written audit detailing the outstanding requirements. Students are responsible for communicating with their parent(s) the details of their degree audit.

Business Services/Student Accounts

How do I make payments on my student’s account?
To help meet your education expenses, Union University offers FACTS as a convenient budget plan. This is not a loan program, but rather a way to spread out payments of the balance of your tuition and other fees over the course of the semester. There are no interest or finance charges assessed, and there is no credit check. The cost to budget your interest-free monthly payment plan is $25 per semester or a $45 annual non-refundable FACTS enrollment fee. You may budget your tuition and fees in the following ways: a) Automatic bank payment from your checking or savings account or b) a credit card option. If you choose to pay your student account by debit or credit card, there is a 2.5% processing fee, charged to the cardholder account by the credit card processor. You may register for the FACTS agreement online at www.uu.edu/admissions/financial_info/ or you may call the FACTS/Student Accounts Office at (731)661-5071. You may make payments on your student account online through WebAdvisor. Just click on the Make a Payment link under the Students Menu. We will accept MasterCard, Visa, American Express and Discover credit cards and bank debit cards. If you choose
to pay your student account by debit or credit card, there is a 2.5% processing fee, charged to the cardholder account by the credit card processor, whether the payment is made by telephone or in person.

Alternatively, you may have funds electronically withdrawn from your bank account by calling Union Station at (731)661-5000 or (731)661-5026 and giving them the appropriate information. There will be no additional charges for this service.

When is my student’s account due?
The portion of your student account not covered by your scholarships, grants or loans is due in full no later than the first day of the semester/term unless being budgeted through the FACTS payment plan.

How does my student receive a credit balance refund or workshop pay?
The Direct Deposit System is the process that Union University uses for student credit balance refunds regardless of the source, including student workshop refunds. The primary goal of this system is to streamline the student refund process by making it quicker and more efficient. This will allow student refunds to be deposited into the student’s own bank account by EFT (electronic funds transfer) on the scheduled refund date. This will completely eliminate checks being lost or students having to travel to campus to receive their checks.

In order to achieve the maximum benefit and for the sake of consistency, we are requiring that all students enroll in Direct Deposit Banking Information. Your student should follow these instructions to set up their EFT information:

- Using Internet Explorer only, go to https://webadvisor.uu.edu.
- Log into WebAdvisor using their student id and password
- Under the Financial Information heading, select Direct Deposit Banking Information,
- Complete the online form
- Agree to the terms and conditions
- Click the Submit box.

They need to be sure to follow the instructions carefully and complete their enrollment immediately. After they have completed the direct deposit information, they should receive account confirmation of their enrollment in their Union University student email. When their enrollment has been confirmed,
approximately 7-10 days after set up, all future refunds or credit balances or workshops will be sent directly to that bank account by EFT on the scheduled refund dates, and they will receive an email notification to confirm each transfer.

My student will be receiving ROTC, Vocational Rehabilitation, Army Tuition Assistance, PACT, MPACT, Florida Prepaid, Texas Tomorrow, College Illinois, or Vanderbilt funding. What do I need to do for these promised scholarships to be paid to the University?

Tina Giddens (<tgiddens@uu.edu>) in Business and Financial Services will assist you with the billing of these scholarships. Please have your scholarship program send information for how payment is to be requested.

Where can my student cash a check?

Many local banks offer free checking to students. First Bank has an ATM on campus. However, Union Station is also available to cash a personal check up to $50 per day.

When will I get tax information to file for my student(s)? How may I get another copy?

A 1098-T will be sent to your student from ECSI (a third party service) with the tuition and related expenses information along with scholarships needed to file your taxes. You will receive this by the end of January. If you do not receive a 1098-T form, you may call 1-866-428-1098 and give the school code of M2 for assistance in printing a new form.

Chapel

When are chapels offered?

Every Wednesday and Friday at 10 a.m. unless otherwise noted.

How many chapels does a student have to attend each year?

A student must attend at least 14 per semester. Over 20 chapels are offered each semester.

How do they get credit for attendance?

Students scan their Union ID card before or after chapel to record attendance.
Why does Union have chapel? What are they like?
Union is a Christian university. We come together each week as a university community to worship and glorify God, to build community among the entire university, and to inform and teach concerning the areas of faith and learning. The chapel experience is the central and focal event of the university—a time when we give public expression to who we are as a community. Chapel services focus on expositional preaching, encouragement of students, and corporate worship that is faithful to the Scriptures, rooted in our heritage, and looking to the future.

Churches in the Jackson Area

How does my student find out about local churches?
The Office of University Ministries has a list of churches that can be used as a guide in finding a home church for your child. However, the best way for your son or daughter to find out about local churches is to either speak to other students on campus or speak with someone in the Office of University Ministries. The Office of University Ministries has great relationships with the area churches and can help your child get plugged in to a local church in the Jackson community.

If my student does not have a car, is transportation provided to local churches?
Some churches offer rides by picking up those students weekly who are in need of transportation. Also, many students have cars on this campus and are very willing to take others with them when they go to church.

Computers (Information Technology)

What computer or software does my student need? What do we need to know before bringing a computer to campus?
Useful information about purchasing and setup of a laptop, desktop, tablet computer, and software can be found at uu.edu/it/help/hardware.cfm.

What does my student need to know about the proper use of Union resources?
A full explanation of Union’s appropriate use policies can be found at uu.edu/it/policies.
How does my student access email, grades, etc.?
Union provides computer accounts for students to perform many tasks. Information about accounts and answers to many frequently asked questions can be found at uu.edu/it/training/newstudents.cfm. The Union-provided email address is considered an official means of university communication. Students are responsible for checking it regularly and responding as needed.

Can someone help connect my student’s computer to the network or Internet in the residence complex?
If your student has problems connecting to the wireless network, please have your student call the helpdesk at (731)661-HELP or email help@uu.edu using his or her Union “@my.uu.edu” email address.

For problems related to a personally-owned laptop or desktop computer, the local chapter of ACM (Association for Computing Machinery) is available to provide affordable computer services to students for a nominal charge depending on the repair. This student-led group provides technology support services, computer maintenance and repair, computer upgrades, malware (computer virus, trojan horse, etc.) removal, software installation, general troubleshooting and problem solving. Contact Professor Max Haifei Li (office: PAC C-48, email: hli@uu.edu, phone: (731)661-5577.

Where can I get more information?
Information Technology’s web site is uu.edu/it.

Counseling Services

What does the Counseling Services office do?
Counseling Services supports the University mission of development of the whole person, a person of intellectual, spiritual, social, psychological, and physical dimensions. The primary goal is to assist students in successfully completing their academic programs by maintaining and enhancing their psychological and emotional well-being through normal developmental and maturational processes.

What kinds of services are available through Counseling Services?
Among the services offered are individual, group, and couples counseling, crisis intervention, psychoeducational workshops, outreach presentations, referrals to other university departments and community resources, and family consultations.
Students having academic problems can find help for test anxiety and can learn better study skills. All services are provided in an environment that supports individual and cultural differences.

Who staffs the Counseling office?
The Director of Counseling Services, Dr. Paul Deschenes, Psy.D., is available to assist students with personal counseling, arrange referrals as needed, and consult with faculty and staff. We also have an on-campus, part-time counselor, Mrs. Tamarin Huelin, MS. (Limited off-campus services are available by referral only.)

Who is eligible for counseling services?
Any student enrolled in full-time undergraduate or graduate classes at Union University is eligible for on-campus counseling services at no charge.

How can my student begin counseling?
Walk-ins are accepted based on availability of the counselor at the time. Typically, students can get an appointment convenient to their schedule within one week. Students may call (731)661-5322 or e-mail pdeschenes@uu.edu to make an appointment with Dr. Paul Deschenes, or call Sheryl Wren in the Health Clinic at (731)661-5284 or e-mail swren@uu.edu to make an appointment with Tamarin Huelin.

What are the hours and location of the Counseling Center?
The counselors are available for appointments between 8 a.m.–4:30 p.m. The offices are located in the Student Union Building.

Is there a limit to the services provided?
Services provided through the Counseling Center are generally of a short-term nature. Some psychological needs require more specialized, intensive, or longer-term assistance than the Center is designed to provide. In such situations the Center may assist with assessment, referrals, or consultations as needed.

What are some of the common problems that students bring to counseling?
Most students who take advantage of this service are interested in their own personal growth and adjustment to the world around them. All students face normal developmental concerns and academic pressures, and, at times, they may feel anxious, lonely, confused, depressed, or angry. Counselors help them explore alternative strategies for coping and dealing with their world. Typical problems may
include:

- stress/anxiety
- relationship issues—significant other, family, roommate, friends
- academic problems—study skills, test anxiety, time management
- sexual issues—assault, abuse
- personality problems
- disordered eating
- sleep problems
- stress—too much to do—procrastination—time management
- long-term goals—career assessment
- depression—thoughts of suicide
- abuse issues
- concerns about a friend or other person
- feeling isolated or lonely
- coping with loss of a friend or relative
- lack of confidence and self-esteem

Is there a fee for counseling services?
Sessions with the Director of Counseling Services and our on-campus, part-time female counselor are free of charge to all current students. If a student is referred to an outside counselor from the Counseling Services office, Union will pay for the first five visits. After that, the external sessions must be paid for by the student.

What about confidentiality?
All information discussed in the counseling session, including the fact of contact itself, is confidential and is released only with written consent of the student. Exceptions to confidentiality (potential harm to client or another person or child abuse issues, reports of which are mandated by law) will be explained by the counselor. Confidentiality ensures that records of your counseling sessions do not go on your academic record, and information will not be disclosed to other offices, individuals, or organizations without your permission.

Are the services available to family members of students?
If, for example, a married student is having marital problems, the student and a non-student spouse may be seen as a couple by Counseling Services; however, a non-student spouse would not be eligible for services to deal with his or her
personal concerns. The same would be true for family members. If a student has issues that could benefit from having parents or other family members participate in the session, this may also be arranged, or the counselor will consult about a referral if that is preferred.

**Disability Services**

**Are there any services available for students with disabilities?**
The Office for Disability Services offers support for students with disabilities, special needs, and unique learning differences. Any questions concerning disability issues should be directed to Jon Abernathy, Director of the Office for Disability Services, at (731)661-6520 or e-mail jabernathy@uu.edu. Be sure to read through the Student & Parent FAQ on the Disability Services website at www.uu.edu/studentservices/disabilityservices.

**What assistance is available for students with disabilities? What is the process for getting help?**
The Office for Disability Services provides support for students with disabilities through academic accommodations and one-on-one academic coaching. Students must first provide documentation of a specific disability. Guidelines for this documentation can be found on the website. While most students provide documentation from a medical professional in the student’s hometown, the Office for Disability Services can provide referrals for low-cost or no-cost testing (e.g. learning disabilities). The student will then need to fill out the online application, which can also be found on the website. The Director will then meet with the student to formulate accommodations specific to the student’s disability. The Director is also available to help the student with time management and study skills. More information can be found by contacting Jon Abernathy, Director, at (731)661-6520 or e-mail jabernathy@uu.edu. You may also want to review the Disability Services website at www.uu.edu/studentservices/disabilityservices.

**What assistance is available for students with food allergies or Celiac Disease?**
The Office for Disability Services coordinates all meal plan accommodations for students with severe food allergies or Celiac Disease. For more information on the process to request these accommodations, please visit the Disability Services website at www.uu.edu/studentservices/disabilityservices/mealplan.cfm.
How does my student sign up for emergency alerts?
Union University offers an emergency notification system that is available to all Union students at all campus locations. If the University has been provided with the correct cell phone number, students will have an account created for them.

It is important for students to confirm their correct contact information at http://uu.regroup.com. They will use their Union University network username and password to log in. Once they are logged into Regroup, they can update their cell phone carrier information and add alternate phone numbers and emails if desired (to add additional cell phone numbers click ‘more’ to the right of the number and carrier information). Before leaving the page, they should be sure to click the box authorizing text messages to be sent to their phone and click Save.

Students may add friends and family to their account, or friends and family may register on their own at www.uu.edu/regroup.

For additional information on the emergency notification system, please visit www.uu.edu/uualerts. You may also contact the Office of the Interim Vice President for Student Life and Dean of Students at (731)661-5090 or bcarrier@uu.edu.

Test alerts will be sent biannually during the first weeks of March and October.

Can a parent sign up for emergency text notification?
Yes. For UU parents, registration for this system may be found at www.uu.edu/regroup. After arriving at the site, you will be asked for your name, email address, cell phone number, and carrier information. Once registered, you will remain in the system unless you choose to have your name removed. You may choose to be removed from the system at any time. More information about this program and frequently asked questions may also be obtained at www.uu.edu/uualerts.

Understanding that many people pay to receive text messages, the system will be used with discretion and again, only to provide information that would require the notification of the entire campus. This text message program is an added layer of
security. Email and the campus website will still be the most reliable sources of information about security-related campus events. In the event that our Union website goes down in the case of an emergency, an alternate website www.uuemergency.com will mirror any emergency information.

If you would like further information on the Union University Crisis Management plan and/or the Emergency Notification System, please contact the Office of the Interim Vice President for Student Life and Dean of Students at (731)661-5090 or bcarrier@uu.edu.

**External Study Programs**

**What kinds of opportunities are there for my son or daughter to study abroad?**

Union University offers many opportunities for students to participate in external study programs that can enhance their academic experience. These include both stateside and overseas opportunities.

All students participating in external academic programs in the United States or abroad must officially notify the University prior to beginning the registration process for the program. Failure to do so will jeopardize appropriate transfer of credits and/or applicable funding. Guidelines for external study are available on the website (www.uu.edu/institutes/international/externalstudy.cfm) and in the External Study Student Handbook. Students can request more information by contacting Victoria Malone, External Study Adviser at vmalone@uu.edu or (731)661-5491, or the Program Coordinator for the Institute for International and Intercultural Studies at (731)661-5057.

**Family Weekend**

Union University invites your family to join us September 26-27 for **Union Family Weekend 2014!** Enjoy a great weekend with your family as you experience campus life at Union. Friday night we invite you to enjoy outdoor fun with live music, a cookout (Make-A-Wish fundraiser sponsored by Chi Omega), and a Movie on the Lawn (sponsored by the Student Activities Council). Siblings can get an inside look at college life with the Sibling Sleepover that evening. Saturday begins with the President’s Brunch, which is followed by Family Olympics and a Corn Hole
Tournament, Union soccer and volleyball games, as well as Union Night—where campus organizations highlight their activities to live music and fireworks! Spend Sunday morning worshipping at your student’s local church, and try out one of Jackson’s many restaurants for lunch. We hope to see you then! To register, please visit www.uu.edu/events/familyweekend/. Registration deadline is September 14. Contact Brittany Winfree for more information at bwinfree@uu.edu or (731)661-5432.

Financial Aid (Student Financial Planning)

How do we apply for financial aid at Union University?
First, complete the Application for Undergraduate Admissions and Scholarship Assistance available online at: www.uu.edu/applications/AcrobatForms/undergradapp-financialaid.pdf. Second, complete the Free Application for Federal Student Aid (FAFSA form) at www.fafsa.gov.

What is the difference between Subsidized and Unsubsidized Federal Stafford Loans?
For the Subsidized Stafford Loan, the federal government pays the interest for the student while he or she is enrolled at least half-time. For the Unsubsidized Stafford Loan, the student is responsible for the interest even while enrolled. The unsubsidized interest can be paid on a quarterly basis, or can be capitalized (added to the principal). Principal payments are deferred while enrolled at least half-time for both types of Stafford loans.

What is a Master Promissory Note?
The required Master Promissory Note (MPN) for the Federal Direct Stafford Loan and for the Federal Direct PLUS loan is valid for up to ten years. Once an original MPN is signed with the U. S. Department of Education, a new MPN will not be required for subsequent years of attendance at Union University.

What are the interest rates and fees on Education Loans?
The 2014-15 interest rate for Direct Subsidized and Direct Unsubsidized loans for undergraduates is fixed at 4.66% with an origination fee of 1.072%. The interest rate for Direct PLUS loans is fixed at 7.21%, with an origination fee of 4.288%. Interest rates are established each year for Direct Subsidized, Direct Unsubsidized,
and Direct PLUS loans by Congress and are subject to change effective July 1 of each year for disbursements first made between July 1 and June 30 of the following year. Interest rates and fees on Alternative Loans are credit-based and vary with each lender.

**How will the student be notified that they have been awarded a loan?**
Students will be notified in an award letter of the proposed loan amount(s). If the student wants to decline or reduce the loan amount, he or she should indicate such changes on the award letter, sign it, and return it to the Office of Student Financial Planning.

Loan amounts are subject to change. Federal Regulations do not allow a student to be over awarded beyond the cost of attendance.

**What is Entrance Counseling?**
The federal government requires first time Stafford loan borrowers to complete entrance counseling before funds can be credited to the student’s account to ensure that the borrower understands their rights and responsibilities. Entrance counseling may be completed at [www.studentloans.gov](http://www.studentloans.gov). After completion of online entrance counseling, the Office of Student Financial Planning will be automatically notified.

**When will the loan funds be credited to my student’s account?**
The loan period for the traditional undergraduate programs is usually fall through spring. Disbursements of loans will be scheduled after the last date to drop a class during the semester in which the student is enrolled provided the loan is awarded prior to the beginning of the term. The U.S. Department of Education will send notification of the anticipated disbursement dates and loan amounts to the student’s home address.

The Office of Student Financial Planning will notify the student by email when the funds are credited to his or her account. Federal regulations require that this be done within three days after funds are received by Union.

**If the student has an overage (credit balance) on his or her account when the loan funds come in, how and when can he or she get that money?**
Students who have a credit balance on their student account as a result of loan funds will have a direct deposit issued to their checking/savings account within 14
days after the credit occurs. New students will be given instructions regarding how to set up their direct deposit information. The Business Office will send an email when the funds have been transferred to the student’s bank account.

If I need to apply for a Parent PLUS loan, how do I know how much I should borrow?
You may request up to the cost of attendance minus any other aid already awarded. Online instructions are available at www.uu.edu/financialaid/undergradhowtoapply.cfm.

What if a parent is denied a PLUS loan?
The Department of Education will notify both the parent and Union of the denial. By federal law, a student may be awarded an additional Unsubsidized Loan ($4000 for a freshman or sophomore and $5,000 for a junior or senior) if the parent is denied a PLUS. Union will automatically award the additional loan after we receive notice of a PLUS denial.

When do Federal Loans have to be paid back?
Repayment of a Federal Stafford Loan begins six months after the student graduates or ceases to be at least a half-time student. Generally, repayment of Federal Direct PLUS loans begins 60 days after the second (usually spring) disbursement. However, the U.S. Department of Education is now offering more flexible repayment options and grace periods associated with the PLUS loan.

Health Services

If my student gets sick, what medical services are available on campus?
The University Health Clinic is staffed by a fulltime Family Nurse Practitioner and a Clinic Assistant. Patients are assessed and treated for acute and chronic illnesses and injuries, or referred by the Family Nurse Practitioner for more specialized care when necessary. Our Clinic Assistant and Health Records Coordinator can answer your immunization and healthcare related questions. The University Health Clinic is open Monday through Friday, 8 am to 4 pm when classes are in session. The clinic lunch hour is noon to 1 pm daily. Most of our care is provided by appointment, but we do our best to accommodate walk-in’s as time permits. Appointments may be made by email swren@uu.edu, phone (731)661-5284, or in person. Additional information is available on our web page at www.uu.edu/studentlife/healthservices.
Where should a student seek medical help if he/she is injured or gets sick at night or on the weekend?
The Residence Director should always be notified if a student is seriously ill or injured. The Director can then help the student decide where to seek medical attention. There are several walk-in medical clinics and two hospitals in Jackson. One hospital and one walk-in clinic are within walking distance of the University.
Before your student comes to Union University, it is important that you discuss your insurance benefits with them. This is essential in case of referrals to outside agencies for health care. Please complete the insurance information on the health form and provide a copy of the front and back of your insurance card for the University Health Clinic. If your insurance coverage changes, please fax these changes to the University Director of Health Services (731)661-5499 so that your student's medical record can be updated. We also recommend that your student carries a copy of your medical insurance card at all times.

Is a student charged for a visit to Health Services?
At this time, there is no charge for an office visit to the University Health Clinic. The Affordable Care Act, once fully implemented, may force us to change how we charge for services in the future. Over-the-counter medications that are dispensed by the clinic are also free. There is a nominal fee for lab tests, immunizations, prescription medications prescribed and dispensed from the clinic, and certain other services/procedures. The list of services and fees can be found on the clinic website. Fees for any services received at off-campus medical facilities are the responsibility of the student.

Do you give allergy shots?
Yes. We will administer allergy shots as prescribed by your allergist. You must contact the clinic first to make an appointment during a time that the university physician is on campus. There is a nominal fee for this service.

Does Union offer health insurance?
Most students come with their own health insurance. However, for those who do not have coverage, the Health Services office can provide information regarding a student health plan. This is an individual plan and is not funded by Union University.
What programs and resources does Union offer for minority students?
Through the Vocatio Center for Life Calling and Career, the Assistant Dean of Students and the Director of Student Success partner to provide intentional support to racial/ethnic minority students while offering key resources to help each student navigate college life at Union in a positive way. Below are specific areas of expertise provided:

**Assistant Dean of Students and Director, Vocatio Center**
- Holistic life calling and career development
- Graduate school preparation and employment strategies
- Chair, African-American & Minority Scholarship Committees
- Advisor to Minority Scholars
- Senior Staff Advisor & Founder of MOSAIC

**Director of Student Success**
- Student success advocacy
- Academic coaching
- Weekly accountability
- Initial life calling & career coaching/counseling
- Staff Advisor to MOSAIC: connection to resources (Academic, Spiritual, Leadership/Social, Cultural, and Health/Well-being)

The purpose of MOSAIC is to provide a welcoming community for all students, especially racial/ethnic minority students, which equips them with resources, support, and meaningful opportunities to strengthen leadership and intercultural competency (Rev 7:9) through Great Commandment (Matthew 22:37-40) thinking and action. MOSAIC focuses on five key pillars:
- Academic Excellence
- Spiritual Development
- Servant Leadership/Community Service
- Cultural Engagement
- Health and Well-being

Additional minority student resources include a comprehensive web site which covers everything from academic resources to financial aid. Visit
www.uu.edu/minorityresources to find out more. To join MOSAIC, students should contact Matthew Marshall, Director of Student Success, via email: mmarshall@uu.edu or Jacqueline S. Taylor, Assistant Dean of Students and Director, Vocatio Center for Life Calling and Career via email: jtaylor@uu.edu or phone: (731)661-5421.

Parent Resources

Do you have a website that provides information to parents?
Yes, we have Parent’s Place, a website dedicated solely to parents of Union University Students! Visit www.uu.edu/parentsplace. On this website you can receive information on important dates for parents of new and returning students, including the annual Union Family Weekend.

If you are planning a trip to Union, you can view local hotel information and maps for directions to our campus. You can also visit the Feedback Bulletin Board where you can ask a question directly to the Dean of Students and view other questions and answers from other parents. We also provide information on how you can send a care package to your student. Also, please don’t forget to sign up for E-Announcements, Union’s weekly community announcement email.

What are some other ways I can follow what's happening on campus?
Union is active on social media! Here are some recommendations.

- “Like” us on Facebook –
  - Union University
  - Union University Parents
- Follow us on Twitter!
  @UnionUniversity
  @UUparent
  @UUClinic
  @UULEadership
  @UUReslife
  @UUSAC
  @UUSGA
  @UU_Spirit_Life
  @UUVocatioCenter
  @UUWellness
  @BarefootsJoe
- Check the Union University website at www.uu.edu for news and events.
How can I send flowers to my student?
If you wish to have flowers delivered to your student, here is some helpful information when speaking with the florist:

- Request delivery to arrive any time after noon.
- If your student is a resident in the Heritage Complex, ask that the item be delivered to McAfee Commons.
- If your student is a resident in the Quads, ask that the item be delivered to the Bowld Student Commons. When the flowers arrive at the Commons, the RA on duty will contact the student and ask them to come to the Commons to pick up their gift.
- For questions or recommendations for a specific florist, contact the Office of Residence Life at (731)661-5432.

Can I buy Barefoots Joe gift cards for my student?
Yes! You may purchase gift cards at the counter in Barefoots Joe. If you are out of town and wish to purchase a card, please contact Joy Moore at jmoore@uu.edu or (731)661-5285.

Can I have some creative care package ideas or ways to encourage my student?
Email, Facebook, direct Tweets, and texting are great ways to keep in touch with your son or daughter. Don’t forget that a handwritten card or small gift will be welcomed during intense times in the semester.

Here are just a few ideas our students have enjoyed:

- Just before finals week, Enactus, a student organization (formally called SIFE,) will contact parents via a postcard with information about care packages delivered during finals.
- Barefoots Joe, Union’s Coffeehouse located in the Barefoot Student Union Building, offers gift cards as low as $5.00.
- Flowers can be ordered and delivered to your student. For information on the most popular local florist shops, contact the Office of Residence Life at (731)661-5432.
- iTunes gift cards, Amazon.com, Walmart, and LifeWay Christian Stores gift cards are always popular.
- Homemade treats are loved (and often enjoyed by the entire apartment!)
- Encouragement doesn’t have to cost anything! Remember to pray during
important exam times. Quick updates with small news from home help to keep your student connected to home. Remember not to expect a response each time. We are keeping them very busy!

I want to make this college transition as smooth as possible. Do you have any recommended reading for me?

There are many helpful books written for parents about the transition to college. Below are suggestions that may be of some interest to you.

- Follow Tim Elmore on Twitter: @TimElmore

Now that my student is a Union student, are there any special discounts available to them?

Union posts information about local/collegiate discounts on Union’s Facebook Group called “Local Discounts for Union University Students.” Included are discounts related to cell phone plans and technology.

Post Office

How do I address a letter or package for my student?

Name: Student Name
Address 1: UU ____ (Insert student’s mailbox number here)
Address 2: 1050 Union University Dr.
Jackson, TN 38305-3697
Warning: Do not use the words, “Post Office Box” or “P.O. Box” for address 1. Any mail addressed to Union University with the words “Post Office Box” or “P.O. Box” as the delivery address will be delayed and could be returned to sender by the US Postal Service.

Can my student receive large packages and overnight deliveries through the Union Post Office?
Yes, we notify the students of packages by placing a slip in their box that they can bring to the office, and, with a picture ID, they may receive their package. We notify by phone those students receiving an overnight delivery. Overnight packages sent on Friday will not be received until Monday morning.

Can I find out my student’s box number by phone if I misplace it?
No, because of a privacy act, the Union Post Office cannot give out students’ addresses over the phone. This is for their safety and protection. The students receive all information about their box at the beginning of each semester, so be sure to receive it from them at that time.

Prayer Ministry

The Director of Prayer Ministry and Encouragement prays daily for the Union community and is also available to listen and pray with students/faculty/staff as prayer needs are shared. Personal visits are also made to hospitals to encourage and pray with individuals in the Union family. Notes of encouragement are sent as occasions arise (get well, sympathy, encouragement, etc.) On the day new students arrive for fall semester, “Encouraging U” (a 31-day devotional booklet written specifically by Union faculty/staff for parents of new students,) is given to parents to guide their prayers for their student during their first month at college. You may contact the Director of Prayer Ministry and Encouragement at kszouthall@uu.edu or (731)661-5678.

Residence Life

What may my student bring to campus?
The apartments are fully equipped with furniture. Students may bring a computer, TV, DVD player, stereo, vacuum, ironing board, all bed accessories for an XL twin bed (linens, mattress cover, pillow, and blanket/comforter), towels, cleaning supplies/laundry supplies, small first aid kit, flashlight, weather radio, wastebasket,
broom, mop and other personal items. In the Heritage Residence Complex, students will need to bring a microwave if they so choose. Mini-blinds are provided in each room; however if students desire to hang curtains, they may do so by using a tension rod (no brackets). Also, only size #4 nails are approved to secure items (pictures, posters, etc.) to the walls. For more information including room and window dimensions, please visit the residence life web site at www.uu.edu/studentservices/residencelife.

What should my student NOT bring to campus?
For fire safety reasons, students may NOT BRING candles, incense burners, halogen lamps, deep fryers or hot plates. No pets of any kind are permitted (including fish). Also, students may not bring paintball guns, airsoft guns, sling shots, fireworks, alcohol, tobacco (in any form), or immodest clothing.

Should we purchase Renter's Insurance for my student's personal belongings while they are at college?
Union University's property insurance will NOT cover loss, damage, or theft of student’s personal property. Since this generation of students is bringing more expensive items to college (computers, iPads, etc.), Union strongly recommends obtaining Renter’s Insurance or checking with your family’s Homeowners Insurance to see if it will cover students’ property while away at college.

In case of an emergency, whom should the student contact?
Residents should contact the Residence Director on-duty (731)298-7768, a Resident Staff Advisor, or a Resident Advisor in case of an emergency. The Residence Life staff is trained to handle all types of emergencies. In addition to the Residence Life staff, security officers are also on duty 24 hours a day to assist students (731)394.2922. If it is a life threatening emergency, the student should first call 911 (9-911 if calling from on-campus phones) and then call the RD on duty and Security.

What are Union’s community values, values violation sanctions, and community responsibilities?
Union desires to help students integrate their faith with their daily lives. The five scripturally-based Community Values that ALL Union students, faculty, staff, and administration are expected to uphold are:

1. Worth of the Individual,
2. Self-Discipline,
3. Academic and Personal Integrity,
4. Respect for Property and the Environment,
5. Respect for Community Authority.

If someone violates a Community Value, different levels of redemptive discipline are implemented to bring restoration to themselves and the Union community. Examples of sanctions include one or a combination of the following: reprimand, community service, written reflective paper, fine, restitution, counseling, parental notification, loss of privilege, Residence Life probation or suspension, University probation or suspension, or expulsion. In addition to upholding the Union University community values, all students have the responsibility to confront and/or report to the appropriate Union staff any behavior from fellow students that violates our community values.

The Campus Life Handbook [www.uu.edu/studentservices/handbook/](http://www.uu.edu/studentservices/handbook/) gives further details on these Values/Sanctions/Responsibilities which are created to ensure a fun and safe Christ-centered living/learning environment in a community of respect.

**Do all resident students have a curfew?**

Yes. Curfew is 2 a.m. However, for the first week, Friday (move-in day) through the following Thursday night, freshmen have a “Freshmen Curfew” at 11 p.m. Freshmen curfew serves to assist freshmen in establishing time management, productive study habits, getting to know their roommates, getting adequate sleep, and adjusting to college life and apartment living. The Commons closes at 1 a.m. Sunday through Thursday nights and at 2 a.m. on Friday and Saturday nights. At 11 p.m. each night, the Welcome House is staffed, and the gate “arm” is put down. Each car entering resident parking must show a current resident parking sticker to enter. After curfew every vehicle entering will be stopped, and all occupants will be asked for a current Union ID.

**How is the housing arranged?**

Residence Life is uniquely arranged in apartment-style housing featuring a private bedroom with filtered computer access for each individual student. The three Residence Directors make housing assignments for incoming students based on the date the student's housing deposit was received along with the information submitted by students on their online Residence Life Application. Heritage Residence Complex has a Commons (lobby area) complete with laundry facilities, vending areas, a full kitchen, computer lab, meeting/study room, and a large social
area for students to watch TV, play games, and visit with other students or guests. The Bowld Commons building, completed in February 2010, does not have laundry facilities because there is a washer/dryer in each Quads apartment. The University has scheduled “Open Visitation Hours” when students may visit students of the opposite gender. Open Visitation hours are Friday 2–10 p.m., Saturday 2–10 p.m., and Sunday 12–6 p.m.

May my student live off campus?
Union University recognizes the experience of residential living as a valuable part of students’ education by providing opportunities to integrate their faith with their daily living, develop servant leadership abilities, and build lifelong friendships. Therefore, Union has chosen to be a residential university requiring all unmarried, full-time, undergraduate students to live on campus. Students desiring to live off campus must first fill out an Off-Campus Request form in the Residence Life office. They must meet one of the following qualifications:

- They will have earned at least 86 credits by the first day of the academic year for which they are requesting;
- They will be at least 22 years of age by the first day of the academic year for which they are requesting;
- They will be living at home (within a 40-mile radius of Union) with their parents and commuting to school. (Parent’s signature is required on the Off-Campus Request form); or
- They are a part-time student (<12 hours).

Any student who moves off campus without an approved request from the Director of Residence Life or Appeals Committee will be charged a housing fee of $3,420 each semester he/she does not honor the university housing policy.

Is internet access provided? May my student bring a computer?
Union provides wireless internet access in all buildings with free, filtered internet access. Students are encouraged to bring computers to use for completing class assignments. Computer labs are also available on campus and in both Commons. (See www.uu.edu/it/ for details.)

What are the options for meal plans for Brewer Dining Hall and Lexington Inn?
All single students living on campus are required to purchase a 100-block meal plan. If a student runs out of meals prior to the end of the semester, supplemental 10-block meal plans may be purchased. No Sunday breakfast is served during the
regular academic year. Students may choose to eat in either Brewer Dining Hall or the Lexington Inn. Although meal cards are non-transferrable, the student can bring guests into the dining hall and utilize the student’s meal plan.

Can students stay on campus during school holidays and breaks?
Students may stay on campus during Fall Break, Thanksgiving Break, and Spring Break without charge, but they must sign up ahead of time. Students may also stay on campus between semesters (i.e. Christmas Break,) however, there is a $15 per night charge, and they must sign up in the Commons. Students who are not on campus during the January term may leave their belongings in the room that they will be living in during the upcoming spring semester. Students not living on campus during the summer terms must take their belongings home or find off-campus storage as our campus is used for summer conferences and camps.

Is on-campus housing offered during the January and summer terms?
Yes, students are encouraged to live on campus during January and summer terms. In fact, if residential students are enrolled in classes during January, there is no charge for January housing! Additionally, students may live on campus during January term and during the summer without taking classes. They will be charged the standard housing rates; however, they are not required to purchase a meal plan. Students living on campus and enrolled in classes must purchase a meal plan.

Can I come and visit student in their apartment?
Definitely. Parents are welcome to visit their son or daughter on campus. If you are a dad visiting your daughter or a mom visiting your son, please stop by the Commons and sign-in/out if your visit is not during our scheduled open visitation hours.

Safety & Security

What types of security measures are taken to create a safe environment for my student?
Union University employs a full staff of trained safety and security officers. Officers patrol and monitor campus 24 hours a day. Each residential area is staffed by trained student staff (Resident Advisors) and professional staff (Residence Directors). The campus entrances close at 11:00 p.m. and all traffic must enter through the Walker Rd. entrance where entering vehicles must show proof of residence, or present identification.
How do I contact Safety and Security?
The Office of Safety and Security can be contacted Monday through Friday from 8 a.m. to 4:30 p.m. at (731)661-5018 or 24/7 on the officer cell phone at (731)394-2922.

Does Union have a text messaging alert system?
Yes! Students and parents can sign up free of charge at www.uu.edu/uualerts. See more information under the heading Emergency Notification System in this booklet (page 19.)

What types of parking regulations are in effect to maintain order and safety?
Every individual who maintains or operates a motor vehicle on the Union University campus must register each vehicle with the Office of Safety and Security at the beginning of the semester. They will be issued a permit that must be affixed directly to the glass on the outside rear window on the driver's side in the bottom corner. For additional parking and/or security information please visit the Safety and Security web site at www.uu.edu/studentservices/safetysecurity.

Missing Person’s Act
In compliance with Higher Education Act Title IV, Section 485 (j), Union is required to notify law enforcement and/or the student’s contact person(s) no later than 24 hours after a missing person report has been on file for 24 hours. It is Union’s policy to contact local law enforcement immediately when notified of a missing person report, and to contact the student’s contact person(s) within 24 hours of such a report.

It is very rare that Union receives a missing person’s report. However, we are required by law to publish this policy.

Student Leadership & Engagement

How can my student get involved on campus?
We host over sixty student organizations and clubs on campus. From the Student Activities Council to departmental societies to Greek organizations, there are many ways for your student to plug-in. The easiest way for students to find out about these groups is to ask current members about their organization, attend the Campus Life Fair on Monday afternoon during orientation, or visit
What about Student Government—can my student run for office?
While there are officers for the sophomore, junior and senior classes, the freshman class is represented by the Freshman Council. Fourteen to sixteen freshmen are chosen by an application and interview process each September to serve on the Freshman Council. The Freshman Council functions as class officers would and coordinates opportunities for service and involvement for the entire class. Additionally, each member of the Freshman Council learns more about student government and the legislative process. For more information on Freshman Council please contact Karen Taylor, Associate Director of Student Leadership & Engagement, at (731)661-5244 or ktaylor@uu.edu.

How can my student know about all of the organizations offered?
During new student orientation (Focus), there will be a Campus Life Fair where each student can learn more about most campus organizations. Likewise, all of our student organizations are listed on the university web page, www.uu.edu/studentservices/organizations and in the Campus Life Handbook, http://www.uu.edu/studentservices/handbook/. Your student may also contact a Student Government Officer in the SGA office at (731)661-5032 or sga@my.uu.edu or contact Jason Castles, Assistant Dean of Students and Director of Student Leadership & Engagement, at (731)661-5094 or jcastles@uu.edu for more information.

So when is Focus (New Student Orientation)?
Each fall, prior to the beginning of classes, all new students attend a four-day orientation program called Focus, which begins the Friday new residential students move onto campus. This time is designed to prepare the new students, both residential and commuter, for life at Union University. Students attend sessions that introduce them to our academic learning community and campus involvement opportunities. In addition, students will have the chance to meet other new students as well as upperclassmen leaders. Parents are invited to stay through the Friday evening worship service on the first evening of orientation, but after that service, the events that are scheduled are for new students only. You will receive more information regarding this part of campus life during the summer prior to your student’s first year at Union.
What leadership programs are offered for my student?
The Office of Student Leadership & Engagement provides numerous leadership opportunities including Focus (New Student Orientation), Greek Life, Student Government Association, Freshmen Council, Student Activities Council, Homecoming, Tennessee Intercollegiate State Legislature, and Student Organizations. This office helps facilitate student involvement in campus life through a variety of programs, workshops, an annual student leadership conference, and leadership development opportunities. The Office of Student Leadership & Engagement also assists students in forming new student organizations in order to further develop and enhance students’ leadership potential.

There seems to be a lot of choices for my student to get involved. However, what if he or she tries to do too much too quickly?
This is always a valid concern for parents and students alike. We encourage students to survey all of their options and make wise choices. There is no need for a student to try to do everything in his or her first semester. Many students use their first semester and even their first year to learn more about various organizations and choose where they can best serve beginning that next semester or year. On the other hand, it is also not advisable to be a spectator for the first year. We advise students to consider involvement in 1-2 organizations, focusing on depth of involvement rather than breadth of involvement.

Does Union have Greek organizations?
Yes. We are proud of the respective heritages of each of our Greek organizations, and, further, we are proud to be one of the few universities to feature national and international Greek organizations within a campus that is unapologetically Christ-centered. On campus, we have six fraternities and sororities, three for men (Alpha Tau Omega, Lambda Chi Alpha, and Sigma Alpha Epsilon) and three for women (Zeta Tau Alpha, Kappa Delta, and Chi Omega). The Office of Student Leadership & Engagement can also provide information on the Jackson Chapter of Alpha Kappa Alpha.

Greek formal recruitment is held early in the fall semester. This is the time when students can learn more about each group and decide if Greek Life is a good fit for them. Our Greek students are commonly involved in many organizations across campus.
How is the Greek system at Union different from secular schools?
The Greeks share a common mission with the University and are committed to
upholding Christian values and principles—if this was not the case, they would not
be part of campus life at Union. Many have regular Bible study and prayer time,
and, in addition, all six groups are required to be actively and consistently involved
in community service, often more so than students who do not participate in the
Greek system.

Does my student need to go through Recruitment his or her first year?
Not necessarily. There are students who decide to join during their sophomore,
junior or even senior year. It is also important to know that if your student does
decide to go through the recruitment process, it does not necessarily mean that he
or she must join any group. Since recruitment is at the beginning of the school year,
many students simply see it as a way to meet people without having any intentions
of joining any of the groups.

If my student is not in a Greek organization, can he or she still be involved
on campus?
Definitely! Union has more than sixty organizations and clubs students can join.
During new student orientation, there will be a Campus Life Fair for your student
to learn more about each organization. Approximately one-fourth of our full-time
undergraduates are Greek. While Greek organizations do provide an avenue for
meeting people and getting involved on campus, there are many other
opportunities to be involved as well.

What other types of events or activities can my student take part in outside
of class or on the weekends?
Students are strongly encouraged to remain on campus through the weekends for
the first 40 days. Research suggests this enables students to make connections on
campus that lead to increased campus satisfaction. In addition to activities
provided by the over 60 campus organizations, Union provides many other
opportunities for involvement outside the classroom. Academic departments
sponsor lectures. The Art and Music Departments’ events and Union athletic
schedules can be found at www.uu.edu/events.

The Department of Wellness Services offers intramural, aquatic, and wellness
programming to students every fall and spring. It is the goal of the Wellness Services
Department to develop teamwork, leadership, sportsmanship, and relationships
within a Christian environment. Every event is designed to help individuals grow socially, physically, mentally, and spiritually in competitive recreational activities.

The Student Activities Council hosts monthly events and campus traditions such as Midnight Movies, Variety Show, New Student Game Show, Carl Perkins Christmas Party, Homecoming concert, Movie on the Lawn, Be Our Guest, and more.

Barefoots Joe, campus coffeehouse and venue, hosts monthly concerts, open mics, and films & discussions. We strive to foster campus community by offering events that create shared experiences as well as events that promote reflection and thoughtfulness in regards to creativity, media, and culture. These events are little to no cost for students.

In addition, Residence Life hosts monthly building activities and regular larger Residence Life events. The Office of Spiritual Life provides Bible studies, discipleship opportunities, as well as opportunities to connect with a local non-profit through regular service. Many local churches provide strong programs for our college students, with opportunities for discipleship and service throughout the week.

**Are activities planned during classes offered over the holidays and J-terms (January, June/July)?**

YES! The Office of Student Leadership & Engagement works hard to provide quality and affordable opportunities for students who are attending classes over traditional break times. Depending on the season, we will offer activities such as: free tickets to Jackson Generals’ games, cookouts at residence complexes, Union nights at favorite Jackson area restaurants, coffeehouse with local artists, and other unique programming. There is also a popular winter league basketball tournament for two weeks during “J-term.”

**Are the activities chaperoned?**

Yes. All official University activities are staffed by a Union faculty/staff member depending on the size and type of event. All drivers have been approved by the Office of Safety and Security to drive Union’s minivans for off-campus events.

**How does my student get involved?**

Union students have the ability to be involved in many different organizations at the same time, providing excellent team building, interdependence, and leadership
opportunities for your student. Students may sign up and learn about all campus organizations upon arrival to campus in late August. The Student Activities Council (also referred to as SAC) is comprised of 25-30 students who plan on and off-campus events for students. Each year, SAC elects new members in late September. Interested students may complete an application or contact the Office of Student Leadership & Engagement.

Testing Services

What types of tests (such as the CLEP test) are available here on Union’s campus?
Union University serves as a National Test Center for the American College Test (ACT), College Board (SAT), Law School Admissions Test (LSAT), the College Level Examination Program (CLEP), Miller Analogies Test (MAT), and DANTES Subject Standardized Tests (DSST). For a listing of testing dates and registration information, please visit Union’s testing website at [www.uu.edu/academics/testing](http://www.uu.edu/academics/testing). Additional testing information is available on page 10 of this handbook.

Transportation

How does my son or daughter find a way home for the holidays?

- **"Union Ride Board" on Facebook**
  Union University encourages students to use the "Union Ride Board" group on Facebook for "one stop shopping" to find transportation during weekends or breaks. Students can post their travel destinations and see if someone could join them in order to split the cost of gasoline. We have also found this to be a very good way for students to find a way to get to and from the airports. After logging into Facebook, type "Union Ride Board" into the search bar.

- **McKellar-Sipes Regional Airport (airport code MKL)**
  McKellar-Sipes Regional airport here in Jackson, (about an easy 10 minute drive from the UU campus), offers flights from Jackson to Nashville and Memphis. To check out current rates or to schedule a flight, go to [www.seaportair.com](http://www.seaportair.com). At this time, the University does not provide transportation to the McKellar-Sipes airport.
• **Memphis International Airport (airport code MEM)**
The Memphis International Airport is 86 miles from campus and usually about a 90 minute drive. Students are encouraged to utilize the "Union Ride Board" group on Facebook to see who else might be traveling on the same day. The Office of Residence Life here at Union can arrange transportation to the Memphis airport for a cost of $75.00 per ride. (If more than one person needs a ride, they can split that cost.) Reservations are required one week in advance. Contact reslife@uu.edu or (731)661-5432. Airlines currently serving MEM are: Southwest, American, Delta, Frontier, United, U.S.Airways, and Seaport Airlines.

• **Nashville International Airport (airport code BNA)**
The Nashville Airport is 138 miles from campus. The University does not arrange transportation to the Nashville airport, however, offering gas money to someone already headed to Nashville works wonders! Students are encouraged to utilize the "Union Ride Board" group on Facebook to see who else might be headed to Nashville on the same day. Major airlines serving BNA include American Airlines, Delta, Southwest, United, U.S.Airways, and Seaport Airlines.

• **Taxi Service**
Affordable Taxi Service is a newer service here in Jackson. They can provide transportation to the Memphis airport. If there are three or fewer people needing to go to or from the Memphis airport, students can split the cost of the cab. If there are more than three people, the company will use the “bus,” and the students can once again split the cost. For up to date information and prices, call (731)423-8294 or visit www.ataxis.net. They are available 24/7. They encourage advance notice if possible.

**Special Notes:**
Students may contact the Office of Residence Life (reslife@uu.edu or (731)661-5432) and request a list of other current students who are from their state. The list can prove helpful in connecting students with transportation home!

The City of Jackson does not provide taxi or shuttle service to the airports.
Is there tutoring available to students?
Yes, the Hundley Center for Academic Enrichment provides free on-campus tutoring for all undergraduate students. Located up the spiral stairs on the second floor of the library, the Hundley Center is equipped with computers and study rooms that are ideal for individual and group tutoring and study sessions. The Hundley Center also offers Smarthinking.com, a free online tutoring resource which provides tutoring in a variety of subjects, including 24/7 access for math assistance! Additionally, the Hundley Center offers a Walk-in Writing Lab, which provides support and guided instruction for any stage of the writing process.

How can students make an appointment with a tutor?
Students are free to drop by during peer tutoring hours (Monday, Tuesday, and Thursday 1–8 p.m., Wednesday and Friday 1–5 p.m.) or they can make an appointment through the website: www.ua.edu/programs/hundleycenter. The Hundley Center also has On-Call Tutors available in select subjects. These tutors are available to meet at the student’s convenience with 24-hour notice given. Students may contact the Hundley Center for a password to access the contact information for On-Call Tutors. Current schedules, study tips, and Hundley announcements are also updated on the website.

What other programs does the Hundley Center offer?
Aside from free peer tutoring, Academic Coaches are available to meet with students to develop individualized study plans based on the student’s unique learning style and assist with time management techniques. In addition, Academic Coaches provide one-on-one test preparation teaching test-taking strategies and quizzing students over study materials. Students on academic probation can also meet with Hundley Center staff as a source of accountability on the way to academic success. The Hundley Center offers several academic enrichment events for students who are considering graduate school, including workshops focused on the application and admissions process, as well as free practice tests for select graduate school entrance exams. Whether your student needs encouragement, challenging, or both—the Hundley Center is the place for them to go and receive counsel.

What if my student can’t make it to the Hundley Center?
If a student’s class schedule conflicts with tutoring hours, the Hundley Center will
work with the student to set up a tutoring time that fits their schedule or connect them with an On-Call Tutor. If for any reason your student is unable to make it up the stairs for an appointment, we will be happy to meet them downstairs.

University Communications

How can I make sure that my child’s name will be sent to our hometown paper when he/she makes the Dean’s List or President’s List?
At the end of the fall and spring semesters, personalized press releases are sent out for undergraduate students who achieve a 3.5 GPA or higher (Dean’s) or a 4.0 GPA (President’s) as based on the list determined by the Academic Center. Releases are sent to the closest daily and weekly newspapers in conjunction with the student’s hometown zip code.

My child made the Dean’s List, but it was printed in the wrong newspaper. How can I correct this?
Please call the Office of University Communications at (731)661-5215, and we will do our best to help you.

How are graduation announcements handled?
Graduation announcements are sent to the hometown newspapers of all graduates based on their home zip codes. Graduates will also receive a personalized news release via e-mail that they are free to use as they see fit.

How can I, as a parent, find out what’s going on at Union?
The Office of University Communications offers several ways that parents, friends, and other family members can stay in touch with the events and activities happening at Union University.
Visit our university’s website, 24 hours a day, to see all of the latest news and happenings on campus.

www.uu.edu/uniontoday, for campus news
or
www.uu.edu/events.

for a calendar of events. Also, parents can sign up for E-nnouncements. This may be the best way to keep up with campus events. E-nnouncements is an electronic listing of weekly events that are happening on Union’s campus. E-nnouncements is automatically sent to Union students, faculty, and staff every Monday, and parents
are welcome to sign up for this special email by registering at www.uu.edu/parentsplace. You may remove your email address at any time by simply scrolling to the end of the email and clicking on the “opt out” button. If you have questions, please contact Tina Netland in the Office of the Interim Vice President for Student Life and Dean of Students at (731)661-5090 or tnetland@uu.edu.

Vocatio Center for Life Calling and Career

Can anyone help my student determine what major is right for him/her?
The professional team in the Vocatio Center for Life Calling and Career offers the Myers-Briggs (MBTI) and Strong Interest Inventory (SII) assessments to assist students in their exploration of career options by helping them to learn more about their lives: their skills, interests, values and life focus and what professional field would be most compatible to them. In addition, all freshmen are encouraged to begin developing a four-year plan that will help them understand more clearly who God has uniquely created them to be and to assist them in discovering opportunities to live out their life calling in service to others.

Are there part-time jobs available if my student needs extra money?
Yes, students can access the part-time job listings through the Vocatio Center for Life Calling and Career website: www.uu.edu/studentservices/vocatiocenter. This website is password protected. Please call the Vocatio Center for Life Calling and Career at (731)661-5421 for the current password. All on-campus jobs, excluding Servant Leadership Award positions assigned through the Vocatio Center, are coordinated through the Office of Student Financial Planning (731)661-5405.

Are there jobs available in my student’s major?
Academic-credit internships are handled through the academic departments and are usually completed after the sophomore year. However, if he/she wants to find a non-academic credit (paid or volunteer) internship or employment opportunity during the semester or for the summer, a staff member in the Vocatio Center for Life Calling and Career can assist in this employment search. For upperclassmen about to enter the job market, multiple career development opportunities (e.g. Backpack to Briefcase, College to Career, and Teacher Expo are offered throughout the year to assist them in their search.
Is there assistance in creating résumés?
Yes! Students can access résumé samples by visiting the Vocatio Center for Life Calling and Career website at www.uu.edu/studentservices/vocatiocenter. A professional staff member can assist with personalized/one-on-one résumé writing, interviewing skills, occupational research, as well as other subjects dealing with the life calling and career.

How can my student get his/her résumé out to employers?
The Vocatio Center for Life Calling and Career houses an online résumé database. After a student’s résumé is approved by a professional team member, it is uploaded to the online résumé database. Students then associate their résumés with categories of interest. Employers can search the database by major or keyword to find qualified candidates to contact for open positions. The online résumé database is an excellent opportunity for students to market themselves to prospective employers.

My student has never had a formal interview, and he/she knows nothing about what to wear for an interview or what to say during the interview!
He/she may make an appointment for a mock interview. Mock interviews are held individually or with a panel. A performance evaluation is conducted during the mock interview and immediate feedback is given to assist students in assessing interview strengths and weaknesses in order to help them improve their skills. The Vocatio Center for Life Calling and Career staff also offers professional guidelines for proper business attire as part of interview skills training.
Fall Semester 2014 (16-week semester)

August
15-18, Friday–Monday.................................Focus (New Student Orientation)
