DAY 4, Sun, Sep 27 KAHULUI, MAUI

Maui is known as the "Valley Island," where every gorge is filled with lush foliage and abundant plant life. A surplus of natural splendor and the genuine hospitality of its people have helped to make Maui Hawaii's second most popular island. Today is yours for independent touring or participating in optional shore excursions of your choice. Explore the fascinating history of the town of Lahaina. Picnic at a nearby plantation, plant yourself on a pristine beach or play one of the world's most beautiful golf courses. (B,L,D)

DAY 5, Mon, Sep 28 KAHULUI, MAUI

Enjoy another day at leisure in Kahului for independent activities. You may choose to take a scenic journey through upcountry Maui to the top of the world's largest dormant volcano, Haleakala, from where you enjoy marvelous views over 10,000 feet above sea level. Or, try your hand at snorkeling at Molokini, declared a marine preserve and one of the

top ten snorkel sites in the world. Take part in an exclusive guided reef tour led by marine naturalists and explore this home to more than 250 species of fish. (B,L,D)

DAY 6, Tue, Sep 29 HILO, HAWAI'I

Gaze up from this charming town and see snow-capped Mauna Kea volcano. It's just one of the scenic marvels in this exotic greenhouse of lush tropical plants, towering banyan trees, thundering falls and enough flowers to fill a rainbow. Arid deserts, steaming fissures and volcanoes that blow their tops are just as impressive. This evening, conditions permitting, sail by active Mount Kilauea to see this volcano's lava tumbling into the sea. (B,L,D)

DAY 7, Wed, Sep 30 KONA, HAWAI'I

King Kamehameha. Captain James Cook. The Fire Goddess Pele. The stuff legends are made of - and the island of Hawai'i is just that legendary. The entire island is home to countless places that escape comprehension: Kilauea, one of the world's most active volcanoes; tropical rainforests; lava deserts; towering mountains; beaches of white, green and black; and waterfalls careening through vibrant valleys of color. The real challenge is deciding what to do first! (B,L,D)

DAY 8, Thu, Oct 1 NAWILIWILI, KAUA'I

For decades Hollywood has had a love affair with Kaua'i, and you'll understand why as you discover a land of contrast so diverse it defies belief. You may choose to participate on an optional shore excursion consisting of an action-packed Hawaiian Hollywood odyssey. You'll explore some of the most romantic, exciting and adventurous movie locations in the world and be enlightened with the rich history of the island. This unique live narrated tour with specially licensed video scenes from the various movies make this a must do activity in Kauai. You'll not only watch scenes from amazing big screen movies; you'll actually stand in or view the exact spots of the shoots like you were one of Hollywood's most famous stars. Experience both fiction and reality, letting you feel as though you're actually part of the TV show or movie! (B,L,D)

Enjoy the morning at leisure on Kaua'i - today you may choose an optional excursion to Waimea Canyon. Discover this breathtaking gorge in the heart of Kaua'i, often called the 'Grand Canyon of the Pacific.' This magnificent canyon in the heart of Kaua'i is 10 miles long, one mile wide and 3,400 feet deep, with a spectacular array of rainbow colors created by the reds and browns of exposed volcanic rock, mingled with the blues and greens of lush tropical vegetation. This afternoon we set sail for Honolulu. (B,L,D)
