From the President...

What a wonderful beginning to the Fall Semester as we welcomed 3156 students to campus. We have a record enrollment, a great freshman class, and residential housing is filled to capacity.

The orientation dinner for our international students and students of missionaries was extra special this year. There were many parents who attended with their students. One comment from a parent was, "this food is delicious. It reminds me of a pot-luck dinner after church.

We do not get these on the mission field." So, much thanks to Sandra Fowler and the Students of Missionaries Committee along with Sandra Williams and the International Committee for providing the wonderful meal.

The new Fesmire Field House was dedicated at the August graduation. It houses the Baseball, Softball and Men and Women's Soccer dressing rooms, two visiting team locker rooms, a nice training facility and several new coaches' offices. There is a wonderful indoor practice facility included, which is a great addition.

Nelle Agee chaired the Nominating Committee which included Joann Breedlove and Dee Ann Culbreath. A slate of officers for the Auxiliary will be presented at the October 17th meeting for your approval. These officers have been asked to serve for the next two years according to the By-Laws of the Auxiliary.

We are looking forward to Katherine Dunn coming for our Fall luncheon. Her topic on International Protocol will help us as we learn to engage our global community both here in the United States and abroad. Hope you all can join us and bring a friend. Thank you for your faithful support of Union University.

Love,

Lanese Dockery
