From the President ...

SNOW blanketed our campus on two weekends during February and it was beautiful. Unfortunately, this year's Homecoming events saw some interruptions because of the wintry mix, but it was great to welcome the class of 1956 back to campus for their 50 year reunion. The presentation of the Homecoming Queen and her court was delayed one week and announced during half time of the Lady Bulldogs' game against Freed-Hardeman. The Alumni Board has voted to move the Homecoming to the Fall, beginning in November 2006.

The Spring semester is off to a great start with a record spring term enrollment of 2844. The new Nurse Anesthetist program, and the master's program in Christian Studies have experienced wonderful beginnings. As you drive by the campus, I am sure you have seen the wonderful progress on the Fesmire Athletic Field House and the initial development of the spacious and exciting new White Hall Science Building. We are so grateful to God for the generous gifts of many people, as well the hard work of several faculty, staff, and administrators, who have helped to launch these important projects.

Much thanks goes to the Students of Missionaries Committee headed up by Sandra Fowler and the International Student Committee led by Sandra Williams. The Auxiliary sponsored warm and inviting Christmas dinners in the home of Sandra Williams and in our home this year. Thank you to all who contributed food and gifts toward the delicious goody bags the students received during the week of finals. I recently have been with several of our missionary families; they always have a grateful word to say about the attentiveness given to their students while at Union.

The Auxiliary has focused in these areas, and you have made them feel so very special, remembering birthdays, and important times at the beginning and end of each semester. To keep you updated, we now have over 175 active members. At the time that this is being penned, gifts to the Auxiliary total \$242,751. We praise God for His goodness and for your faithfulness in continuing to provide support for these students. We will elect a committee to secure officers for the next two year period at the Spring meeting.

Speaking of the Spring meeting, we are pleased to announce that Karen Moy will be our speaker. She is a dynamic woman who will give us some new ideas on how we live life simply, yet focused on the Kingdom of God. There will be several opportunities for Karen to be with students while on our campus. We are so thankful that they will be able to glean from the many things that Karen has learned on her faith journey. Stephanie Clark, the NAIA player of the year from the Lady Bulldogs' 2005 championship team, will sing for us at the luncheon. Please bring a friend and join us.

Love,

Lanese

Focus on the  
Scholarship Committee

If you are looking for a meaningful way to connect with the Union Auxiliary, but you don't have an abundance of time to give, then consider joining the Union Auxiliary Scholarship Committee. Chaired by Dr. Louise Bentley, the committee meets once a year in the spring to select the scholarship recipients for the upcoming school year. It is a wonderful way to experience Union Auxiliary dollars at work changing lives and also a great way to meet other Auxiliary members.

Dr. Louise Bentley introduces two of the Auxiliary's scholarship recipients at the Fall Luncheon.

For more information on volunteering for this, or any other Union Auxiliary Committee, please contact Cindy at 661-5202!
