

New Full-Time Faculty Orientation Agenda, Fall 2011
August 15 & August 16
Coburn Dining Room

The Center for Faculty Development exists to support faculty in their pursuit of the University's mission. To this end, the CFD:

- assists faculty in becoming excellent teachers and creative and fruitful contributors to their disciplines;
- equips faculty for potential advancement into positions of leadership; and
- encourages faculty as they seek to know and love God and see their teaching, scholarship, creative work, and service as part of their Christian calling to the academic world.
