This year will not only commemorate the Sixth Annual Campus and Community day, but will also be an especially significant year of service as we reflect on this year's storm and God's provision for our campus. If you would like to participate in this day of service please contact Karen Taylor at ktaylor@uu.edu. ## Student Events Friday, November 7

**7:00 p.m. |** Union University and the Student Activities Council welcome rising artists Steven Delopoulos, Kate York and Seabird for Homecoming 2008. We invite members of the Union community, past and present, to join us for an evening of great music held in G.M. Savage chapel (Free; suggested donation \$3).

**| Steven Delopoulos**  
The soulful melodies of former lead singer/rhythm guitarist/songwriter for Burlap to Cashmere, Steven Delopoulos, step beyond the norm of today's folk rock world and into a style uniquely his. Incorporating influences of writers and musicians of his youth, his Greek heritage, and his own talent as a poetic storyteller, he strives to create music that exudes a faithful and hopeful perspective on life and the pursuits of our individual journeys on the earth.

**| Kate York**

If an artist is known by the company they keep, then Kate York is destined to be known as a great singer/songwriter. Her first album, Sadlylove, which was released in early 2006, includes guest performances from some of Nashville's finest musicians. Once a full-time staff writer at Bluewater Music, Kate has now been signed to EMI CMG Music Publishing out of Nashville. Her sophomore album, "For You", is scheduled for release this fall, and include appearances from Landon Pigg, Leigh Nash, Erin McCarley, and Tyler James. Kate has opened for artists such as Patty Griffin, Kathleen Edwards, Jars of Clay, Shawn Colvin, Mindy Smith, Matthew Ryan and Griffin House. Good company indeed.

**| Seabird**

Rising Cincinnati-based band, Seabird, consists of brothers Aaron and Ryan Morgan, Chris Kubik, and Aaron Hunt. Its first national project, a collaborative effort with producers Jacquire King (Modest Mouse, Kings Of Leon, Tom Waits, Switchfoot) and Allen Salmon (Mute Math, This Beautiful Republic), is an attempt to meet its fans where they are, to craft an album that "shares the emotions, victories, and defeats we all experience as normal, every day people," says Aaron.
