Non-Filer Income Verification 2025-2026- PARENT

The instructions and certifications below apply to each parent included on the FAFSA. Complete this section if the parent(s) will not file and are not required to file a 2023 income tax return with the IRS. Once completed, please print, sign, and return this form to our office through the Self-Service account. Information on using Self-Service can be found here - www.uu.edu/financialaid/verify. Do not email forms with Personal Identifiable Information. If you have questions, please contact our office for assistance.

1) Select the appropriate answer:

Neither FAFSA parent was employed in 2023 and had no income from work.

One or both FAFSA parents were employed in 2023 and have listed below the names of all employers, the amounts earned from each employer in 2023, and whether an IRS W-2 form was provided. List every employer even if the employer did not issue an IRS W-2 form.

If more space is needed, provide a separate page with your name and ID# at the top.

Employer's Name	IRS W-2 Provided?	Whose Income?	Annual Amount Earned in 2023
Total Amount of Income Earned From Work			\$

2) Along with this signed form, provide a copy of the W-2 for each employer listed above.

If you provided wages in the box(es) above, remember to provide a copy of the W-2 if you were provided one. Most employers, unless you were paid in cash or had your own business, will have provided a W-2. If you cannot find a copy of your W-2, most employers will have a record of it and can provide you a new copy if requested. If not, you can request a new copy through the IRS website - <https://www.irs.gov/individuals/transcript-types-and-ways-to-order-them> (for W-2's you should request the Wage and Income Transcript for 2023).
