

Pre-Dentistry Program

This information is intended as a general guide. It is imperative that each student follow a program that will meet the admissions requirements at the professional school(s) to which application is to be made, and it is crucial that each student work closely with the advisor to plan a suitable course of study in preparation for the application process.

Required Courses	
General Biology	BIO 112
Microbiology	BIO 211
Histology	BIO 310
Comparative Anatomy (take at least one)	BIO 312
General Chemistry	CHE 111
Chemical Equilibrium	CHE 112
Organic Chemistry I	CHE 314
Organic Chemistry I Lab	CHE 324
Organic Chemistry II	CHE 315
Organic Chemistry II Lab	CHE 326
Biochemistry	CHE 319
Written Composition I	ENG 111
Written Composition II	ENG 112
General Physics I	PHY231 (or 213)
General Physics II	PHY232 (or 214)
Recommended Electives	
Genetics	BIO 315
Physiology	BIO 316
Developmental Biology	BIO 317
Immunology	BIO 320
Cell Biology	BIO 323
Molecular Biology	BIO 325
Philosophy	PHL 240
Business Administration	BAD 113
Principles of Macroeconomics or Principles of Microeconomics	ECO 211 or ECO 212
Public Speaking	COM 112
Computer Science	CSC 105
Social Sciences	Courses in Psychology, Sociology, History, Political Science, etc.

GPA of Average Entering Student approx 3.5 at UT Memphis (3.7 competitive)
