Article I. Panhellenic Code of Ethics

We, the members of women’s sororities at Union University, agree to promote honesty, respect, sisterhood and cooperation within the College Panhellenic and our respective chapters, and in our daily lives. This code of ethics is designed to inspire our members, reinforce exemplary conduct and values-based leadership, and perpetuate lifelong membership to enrich the sorority and Panhellenic experience.

We, as Panhellenic women of Union University, agree on and commit to:

- Uphold and demonstrate the Panhellenic spirit in thought, word and action through our chapters as well as individual members.
- Demonstrate ethical behavior and conduct ourselves in a manner consistent with the mission and values of the College Panhellenic, each inter/national organization and our institution.
- Respectfully adhere to the Unanimous Agreements and all policies established by the National Panhellenic Conference.
- Avoid disparaging remarks about any sorority or collegiate woman and refrain from discussing Panhellenic matters with nonmembers, in accordance with the dignity and good manners of sorority women.
- Recognize friendly relations with all collegiate women, both sorority members and nonmembers, realizing the importance of creating and building friendships.
- Plan recruitment events that provide opportunities for the greatest possible number of women to become sorority members while protecting the rights and privileges of individuals and the chapters.
- Provide a safe, positive and enriching recruitment experience, understanding that membership is a social experience arrived at by mutual selection.
- Strive to be truthful, honorable, open and friendly to all potential new members during all recruitment events.
- Be respectful of the rights of every potential new member to make her own choices, including the right not to join the women’s sorority community.
- Refrain from limiting a potential new member’s chances of becoming a member of the Panhellenic community by encouraging her to make a single intentional preference or to limit her choices.

We, as Panhellenic women of Union University, also agree on and commit to:

- Respectfully adhere to the bylaws and recruitment rules of the Union University Panhellenic Association.
- Abide by all local and federal laws and NPC inter/national member organization bylaws.
- Hold one another accountable to these standards, remembering at all times that we represent not only our individual chapters but also the Panhellenic community as a whole.

As Panhellenic women of Union University, these are the tenets by which we strive to live.
Article II. NPC Statements

A. Statement of Positive Panhellenic Contact

We, the women of Union University, will promote Panhellenic-spirited contact with all potential new members throughout the year. Strict silence will begin at the end of the potential new member’s last preference event on August 30, and last until bid distribution at 10:30am on August 31. No sorority member, including alumnae and new members, may communicate or live with potential new members during this period. Strict silence is defined as verbal, nonverbal, written, printed, text message and electronic communication or communicating through a third party. If potential new members live in a residence hall with sorority members, only casual greetings and contact are permitted.

All member organizations are expected to display ethical behavior at all times. Ethical behavior means adhering to local Panhellenic rules as well as NPC policies. It means holding yourself and others accountable to make good choices in your actions. Ethical conduct promotes parity for all member organizations through fair play.

B. Statement of Adherence to NPC Unanimous Agreements (UA) and Policies Regarding Recruitment

All NPC member organizations represented at Union University believe in strictly adhering to NPC Unanimous Agreements and policies. All organizations will follow these valued and non-negotiable policies during the recruitment process. All NPC Unanimous Agreements and Policies regarding recruitment can be found on pages 31-58 of the NPC Manual of Information (2019) found at npcwomen.org. The following are key points directly affecting recruitment:

UA III. THE PANHELLENIC COMPACT

1. A woman who is or who has ever been an initiated member of an existing NPC sorority shall not be eligible for membership in another NPC sorority.

2. To be eligible to participate in Panhellenic recruitment and pledge an NPC sorority as a collegiate member, a woman must:
   A. Not be simultaneously enrolled in high school and attending college.
   B. Be an undergraduate regularly matriculated according to the definition of matriculation established by that institution (i.e. a full time undergraduate student).

3. An undergraduate woman may pledge an NPC sorority only during a regular academic term and not during any school recess or summer academic term except during a primary membership recruitment period and the ensuing continuous open bidding (COB) process when held immediately before an academic term.

4. Each College Panhellenic Council shall establish a Bid Day to conclude the primary membership recruitment period. A Bid Day is the scheduled time when invitations to membership are issued.

5. If through the primary membership recruitment process, a potential new member receives a bid and declines it, then she is ineligible to be pledged to another NPC sorority on the same campus until the beginning of the next year’s primary membership recruitment period.

6. At a later date but before the next primary membership recruitment period, if the potential new member who declined her bid expresses interest in being pledged to the chapter with which she originally matched, she may do so only if the chapter extends another bid and has quota or total spaces to fill.

7. If a potential new member does not receive a bid at the end of the primary membership recruitment period, she is eligible immediately to participate in COB.

8. If through the primary membership recruitment process a potential new member accepts a bid and then has her pledge broken by an NPC sorority or breaks her pledge, then she is ineligible to be pledged to another NPC sorority on the same campus until the beginning of the next year’s primary membership recruitment period.

9. A continuous open bidding membership recruitment acceptance binding agreement is a binding agreement. If a potential new member accepts a bid, then signs a COB acceptance or goes through the member organization’s official pledging ceremony and has her pledge broken by an NPC sorority or breaks her pledge, then she is ineligible to be pledged to another NPC sorority on that campus until the beginning of the next primary membership recruitment period.
10. A woman who has accepted a bid either through primary or COB membership recruitment and who has had her pledge broken by an NPC sorority or has broken her pledge, may be repledged by the same NPC sorority chapter on the campus at any time before the beginning of the next year's primary membership recruitment period, even if the chapter is over total.

11. When a woman who has been pledged but not yet initiated transfers to another campus, her pledge is broken, and she is eligible to pledge an NPC sorority on that campus at the earliest opportunity.

12. Women who have been pledged but not yet initiated into a chapter whose charter has been rescinded or relinquished or women of a colony that has been dissolved shall be eligible to pledge another NPC sorority immediately following the official release by the NPC sorority.

UA IV. STANDARDS OF ETHICAL CONDUCT
1. NPC sororities shall impress upon their undergraduate and alumnae members that they shall respect and obey the letter and the spirit of all NPC Unanimous Agreements.

2. In case of Panhellenic difficulties, all chapters involved shall do their utmost to restore harmony and to prevent publicity, both on the campus and in the community.

3. NPC denounces the arbitrary priority rating of women's sororities.

4. NPC denounces the ranking or categorization of chapters determined by administrative personnel, according to a chapter's compliance with college/university standards or guidelines.

5. NPC sorority members shall not suggest to any potential new member that she refuse a bid from one organization in order to wait for a bid from another organization or suggest that a potential member list only one choice on her membership recruitment acceptance binding agreement (MRABA).

6. It is in accord with the dignity and good manners of sorority women to:
   A. Avoid disparaging remarks about any sorority or college/university woman.

POLICY – Financial Transparency (1963, 2017, 2018) [pg.52 NPC MOI]
The College Panhellenic will require chapters share detailed financial information (member dues, chapter fees and assessments, etc.) with potential new members during a specified round of recruitment.

POLICY - Intentional Single Preference (1989) [pg.53 NPC MOI]
The term “suicide” should be eliminated from the Panhellenic vocabulary as it applies to collegiate membership recruitment, and the term “intentional single preference” should be used in its place.

POLICY - Invitations for Membership (2005) [pg.53 NPC MOI]
NPC reaffirms that a sorority should be willing to issue an invitation to membership to any woman who is invited and attends its preference event. NPC reaffirms that the name of every woman whom a sorority invites to attend and who attends that sorority’s preference event should appear on the sorority’s bid list.

C. Statement of Values-Based Recruitment
   The purpose of values-based recruitment is to focus on meaningful conversations with potential new members and recruiting/pledging women who will have a positive impact on chapters and the Panhellenic community. NPC has a policy on values-based recruitment and encourages Panhellenics to incorporate this concept into all recruitment styles. Nonessential features should be removed from the process, and the focus of membership recruitment should be on the values, benefits and obligations of membership for each organization.

   All NPC member organizations represented at Union University will promote the following practices during membership recruitment:
       ● Engage in values-based conversations.
       ● Choose recruitment activities and behaviors that reflect the core values of our organizations.
       ● Make informed choices, based on shared values, about potential new members.

D. Statement of Membership Recruitment Acceptance Binding Agreement (MRABA)
The Union University Panhellenic will uphold and use the membership recruitment acceptance binding agreement (MRABA) for each potential new member interested in joining a sorority, whether during
primary recruitment or continuous open bidding. We agree to all policies and steps pertaining to the MRABA.

E. Statement of Automatic Reset of Total
Total is the allowable chapter size as determined by the College Panhellenic.

To allow chapters to achieve parity as quickly as possible, total will be automatically adjusted every regular academic term. This is to be done no later than 72 hours following bid distribution in the academic term that primary recruitment is held and within one week (no more than seven days) from the start of the academic term in which primary recruitment is not held. Total will be determined by largest chapter size.
